Raised $114 at St. John's S. S. Entertainment

One of the best programmes in years was given in the crowded auditorium of the church on Friday evening last under the auspices of the St. John's United Sunday school.

The ladies of the congregation, along with the students of the school, surpassed themselves in providing abundance at the festive board for everyone and it was some contract, with the large crowd and the corresponding appetites.

Rev. W. R. Clements was chairman for the evening and welcomed one and all. The concert was opened with a few words of prayer by the Rev. Jos. Harrower, pastor of Chalmer's United church, followed with a chorus by the school. Recitations were given by a number of the members of the Sunday school, also some very fine musical selections by Messrs. Percy Rutt and Wes Armstrong, while Fred Large rendered some fine violin selections. Little Miss Georgina Blackburn sang a solo very sweetly, while Master Burton Bellamy brought down the house by his solo and encore. These two little people displayed much talent and were well received.

The cantatta, "Santa Claus Saves the Day," was of a more humorous nature than any of preceding years, and was excellently rendered by those taking part. The costuming was very fine and much credit is due those responsibe for the success of the event. Mr. Wm. Miller impersonated Santa to perfection, and nothing but praise can be given to all who took the long brain-testing parts throughout.

Dr. E. C. Murray gave the report of the Sunday school, and announced it to be in a flourishing condition and stated that the receipts of the evening to be in the neighborhood of $103.00. He also read a message of good wishes from a former superintendent, Mr. W. H. Bunt, of Toronto. On Monday the total receipts amounted close to $115.00.

The closing chorus by the school marked the end of a very successsful evening.

TO HITCH UP

Boston, Mass., papers of a recent date announce the engagement of Miss Priscilla Larned, daughter of Mr. and Mrs. Edward S. Larned, Winchester city, to Mr. John Hamilton Clarke, son of Mr. and Mrs. J. D. Clarke of Weston, Ont., formerly of Ottawa. Miss Larned is a graduate of Holyoak College. Mr. Clarke wil be remembered by many Ottawans as a former Collegiate Institute boy and a graduate in science of McGill University. He has successfully pursued his profession in the United States for some years and is now a resident of Winchester.—Ottawa Daily Citizen.

We congratulate Jack on his achievement. He has many friends hereabouts. The grandson of the late Mr. and Mrs. J. W. Armstrong, he has spent many holidays in Flesherton in recent years as the guests of his uncles and aunts.

Small boy: "Dad, how do they catch lunatics," Father: "With face powder beautiful dresses, and pretty smiles, my son."
