The Young Folks.

HE CARETH FOR YOU.

All thy griefs by Him are ordered.
Nor a jot is each one for thee;
All thy tears by Him are counted,
One too much there cannot be.

And, if while they fall so quickly
This or that even His way is right,
Then out of life's fear of anguish
Presently in Jesus' sight.

Far too well thy saviour loves thee
To allow thy life to be
One long, calm, unbroken sunbeam,
One untruffled, stormless sea.

He would have thee kindly nestling
Closer to his gentle breast;
He would have that world seem brighter
Where alone in perfect rest.

NATURAL HISTORY.

A Pet Deer Story. "Last fall Dr. Downes lost his pet deer by its running away to the mountains," says the *Lakeport Avalanche*. "On Last Monday it appeared again and came direct to the Doctor, laid its head on his arm, and acted very strange. While he was not noticing it, it ran away, but returned again Tuesday and repeated its strange actions, acting as though he wanted the Doctor to follow, which he did. After going some distance from the house, the doctor found a young fawn only a few days old, which he took in his arms and carried home. The deer had evidently been trying to get the fawn to the house, but could not on account of its weak condition. The Doctor is as tickled over the new addition to his family of pets as a boy with a new tin wagon."

The Canny Bird. A remarkable proof of the protective instinct of birds is reported from South America. In Chili the fruit of the year is said to have caused the death of many sheep and cattle when fed to them in large quantities. The birds, however, did not touch the fruit. From this fact it is argued that the instinct of birds in respect to fruit may well guide man in regard to eating it; and the further suggestion is made that the condition of the fruit crop of a particular season may have something to do with outbreaks of epidemic disease, such as cholera.—*N. Y. Ledger.*

Equine Heroes. When the Duke of Wellington was fighting in Spain, there were two horses which had always drawn the same gun, and had been side by side in many battles. At last one was killed, and the other, on having his food brought to him as usual, refused to eat, but turned his head round to look for his old friend, and neighed many times as if to call him. All the care that was bestowed on him was in vain. There were other horses near him, but he would not notice them; and he soon after died, not having once tasted food since his former companion was killed.

Hunting Wild Cattle. New Zealand now contains a great number of wild cattle, which have descended from those lost by the farmers during the Maori wars which ended in 1868. Hunting these animals is an exciting and dangerous sport. The game is not easily secured, as the animals hover—seemingly for protection—about thickets filled with long, twining creepers in which progression is very difficult. Into these vines they dash at the slightest alarm, seeming fully aware that neither horses nor man can follow them.

A Silver-plated Mule. A mule with an artificial throat is the latest thing in mules in Macon, Ga. A valuable animal was affected with a disease similar to laryngitis. A veterinary surgeon finding that it would be impossible for him to breathe through his windpipe, a portion of the pipe was removed and a silver tube inserted, and now the mule breathes freely.

Tree Mocking-Birds. A letter written from Orange, Cal., says that the mocking-birds in that locality feed on the berries that grow on the Chinese umbrella-tree, and that this sort of food makes them tipsy. They act very foolish just after a hearty meal, and stagger about badly intoxicated. *Chicago Herald.*

The Reason. Bees, it is said, always fly in a straight line. This is undoubtedly the reason why a drunken man never gets stung.

In Brief And to the Point.

Dyspepsia is dreadful. Disordered liver is misery. Indigestion is a foe to no good nature.

The human digestive apparatus is one of the most complicated and wonderful things in existence. It is easily put out of order.

Greasy food, tough food, sloppy food, bad cookery, mental worry, late hours, irregular habits, and many other things which ought not to be have made the American people a nation of dyspeptics.

But Green's August Flower has done a wonderful work in reforming this sad business and making the American people so healthy that they can enjoy their meals and be happy.

Remember:—No happiness without health. But Green's August Flower brings health and happiness to the dyspeptic. Ask your druggist for a bottle. Seventy-five cents.

It is worse than madness to neglect a cough or cold which is easily subdued if taken in time becomes, when left to itself, the forerunner of consumption and premature death. Inflammation, when it attacks the delicate tissue of the lungs and bronchial tubes, travels with perilous rapidity; then do not delay, get a bottle of Bickle's Anti-Consumptive Syrup, the medicine that grasps this formidable foe of the human body, and drives it from the system. This medicine promotes a free and easy expectoration, subdues the cough, heals the diseased parts, and exerts a most wonderful influence in curing consumption, and other diseases of the throat and lungs. If parents wish to save the lives of their children, and themselves from much anxiety, trouble and expense, let them procure a bottle of Bickle's Anti-Consumptive Syrup, and whenever a child has taken cold, has a cough or hoarseness, give the Syrup according to directions.

Advice to Mothers.—Are you disturbed at night and broken of your rest by a sick child suffering and crying with pain of Cutting Teeth? If so, send at once and get a bottle of "Mrs. Winslow's Soothing Syrup" for Children Teething. Its value is incalculable. It will relieve the poor little sufferer immediately. Depend upon it, mothers; there is no mistake about it. It cures Dysentery and Diarrhœa, regulates the Stomach and Bowels, cures Wind Colic, softens the Gums, reduces Inflammation, and gives tone and energy to the whole system. "Mrs. Winslow's Soothing Syrup" for children teething is pleasant to the taste, and is the prescription of one of the oldest and best female physicians and nurses in the United States, and is for sale by all druggists throughout the world. Price twenty-five cents a bottle. Be sure and ask for "Mrs. Winslow's Soothing Syrup," and take no other kind.

JINGLES AND JOKELETS.

Half an Hour With the Wise Men, the Wits and the paragraphs of the Day.

It is the principal, and not the manners, that makes the man. The principal is the mainspring; the manners are only the figures on the dial.

Made on Purpose.

We are taught that everything is made to fill some purpose. The reason Burdock Blood Bitters has succeeded in being placed in the front rank of modern medicines is that it fills so well the purpose for which it was intended—that of curing diseases of the stomach, liver and blood.

James H. Gilmour, of T. Gilmour & Co., Wholesale Grocers, Brockville, says—I have used Tamarac Elixir for a severe cold and cough, which it immediately relieved and cured.

Certain Cure.

A Cure for Cholera Morbus. A positive cure for this dangerous complaint, and for all acute or chronic forms of bowel complaint incident to summer and fall is found in Dr. Fowler's Extract of Wild Strawberry, to be procured from any druggist or medicine dealer.

Freeman's Worm Powders are safe, sure and speedy to remove worms from children or adults.

Wheezing, gasping sufferers from Asthma receive quick and permanent relief by using Southern Asthma Cure. Sold by all druggists or by mail on receipt of price.

On an Average.

It is said during a lifetime of the average man he will endure 500 days sickness. The best way to reduce your average is to use Burdock Blood Bitters whenever the system requires a tonic regulating and cleansing medicine.

Some one has well suggested that the reason why "things go in at one ear and out at the other" is because there is nothing between the ears to prevent it.

If you want to buy or sell a Farm, advertise in the Toronto *Weekly Mail*. That paper reaches 100,000 Farmers' homes every week, and your advertisement should meet the eye of someone who wants to purchase. Advertisements of this class are inserted in the Toronto *Weekly Mail* for Five Cents a word each insertion, or Twenty Cents a word for five insertions. Address The Mail, Toronto, Canada.

Buffalo Bill Coming.

With his Wild West Show, causes immense excitement, nearly equal to that caused by the introduction of that wholesome and pure article known as the Imperial Cream Tartar Baking Powder. Sold by all grocers.

The Third page of the Toronto *Daily Mail* is noted for "Want" advertisement. If you want to buy or sell anything. If you want a situation, a mechanic, a business, machinery, lodgings, if you have lost or found anything, or if you want to find out where anyone is, advertise in the Toronto *Daily Mail* and read the advertisements on the Third page of that paper. The charge is Two Cents a word each insertion. Address The Mail, Toronto, Canada.

Summer Travel

is usually subject to dangerous and sudden attacks of bowel complaints, diarrhœa, dysentery, etc., caused by change of food and water. The sovereign remedy and surest safeguard against all such troubles is Dr. Fowler's Extract of Wild Strawberry. Never travel without it.

Dr. Low's pleasant Worm Syrup is a safe and reliable worm remedy for all worms afflicting children or adults.

Low's Sulphur Soap should be found with every toilet. It is cleansing and healing.

A Correct Statement

is made by Miss Jane Rutherford, of Nelles Corners, Ont., who writes—"I have used your Burdock Blood Bitters for Dyspepsia and find it to be the best remedy I have ever tried." B. B. B. is sold by all dealers at one dollar per bottle.

That distention of the stomach which many people feel after eating, may be due to improper mastication of the food; but, in most cases, it indicates a weakness of the digestive organs, the best remedy for which is one of Ayer's Pills, to be taken after dinner.

Easily Understood.

The causes of summer complaint, diarrhœa, dysentery, cholera morbus, etc., are the excessive heat, eating green fruit, impure water, over exertion and sudden chill. Dr. Fowler's Extract of Will Strawberry is infallible and prompt remedy for all bowel complaints from whatever cause.

The vicissitudes of climate are trying to most constitutions, especially to people having impure blood. For all such (and they constitute the majority), the best safeguard is Ayer's Sarsaparilla, the use of which cleanses the blood and strengthens and invigorates the system.

Do not delay in getting relief for the little folks. Mother Graves' Worm Exterminator is a pleasant and sure cure. If you love your child why do you let it suffer when a remedy is so near at hand.

Ample warning is given us by our lungs when they are in danger. If foolhardy enough to neglect the warning signal, we incur imminent peril. Check a cough at the outset with Dr. Thomas' Eclectric Oil—which is a sovereign pulmonic—besides being a remedy for soreness, lameness, abrasions of the skin, tumors, piles, rheumatism, etc.

Robert Lubbuck, Cedar Rapids, writes: "I have used Dr. Thomas' Eclectric Oil both for myself and family for Diphtheria with the very best results. I regard it as the best remedy for this disease, and would use no other.

Out of Sorts.—Symptoms, Headache loss of appetite, furred tongue, and general indisposition. These symptoms, if neglected, develope into acute disease. It is a trite saying that an "ounce of prevention is worth a pound of cure," and a little attention at this point may save months of sickness and large doctor's bills. For this complaint take from two to three of Parmelee's Vegetable Pills on going to bed, and one or two for three nights in succession, and a cure will be effected.

Dangerous Counterfeits.

Counterfeits are always dangerous, more so that they always closely imitate the original in appearance and name. The remarkable success achieved by Nasal Balm as a positive cure for Catarrh and Cold in the Head has induced unprincipled parties to imitate it. The public are cautioned not to be deceived by nostrums imitating Nasal Balm in name and appearance, bearing such names as Nasal Cream, Nasal Balsam, etc. Ask for Nasal Balm and do not take imitations dealers may urge upon you. For sale by all druggists or sent post-paid on receipt of price (50c and $1) by addressing Fulford & Co., Brockville, Ont.

Merkam's Beef, Iron and Wine.

If you are languid and weak, and your appetite poor, my Beef, Iron and Wine is the tonic, be sure.

As an invigorating tonic it is recognized by the Medical Profession as the best strengthening medicine thus far produced. It is invaluable as a blood-and-muscle maker, especially in those cases where weakness is the result of imperfect or in-food, of wasting fevers or excess of any sort. It contains the nutriment of Beef, the stimulant properties of Wine and the tonic powers of Iron, and is admirably calculated to build up the emaciated system.

Rest and Comfort to the Suffering.

"Brown's Household Panacea" has no quat for relieving pain, both internal and external. It cures Pain in the Side, Back, or Bowels, Sore Throat, Rheumatism Toothache, Lumbago and any kind of a Pain or Ache. "It will most surely quick on the Blood and Heal as its acting power is wonderful." "Brown's Household Panacea," being acknowledged as the great Pain Reliever, and of double the strength of any other Elixir or Liniment in the world, should be in every family handy for use when wanted, "as it really is the best remedy in the world for Cramps in the stomach, and Pains and Aches of all kinds, and is for sale by all Druggists at 25 cents a bottle.

Astonishing Success.

It is the duty of every person who has used *Boschee's German Syrup* to tell its wonderful qualities be known to their friends in curing Consumption, severe Coughs, Croup, Asthma, Pneumonia, and in fact all throat and lung diseases. No person can use it without immediate relief. Three doses will relieve any case, and we consider it the duty of all Druggists to recommend it to the poor, dying consumptive, at least to try one bottle, as 80,000 dozen bottles were sold last year, and no one case where fairly was reported. Such a medicine as the *German Syrup* cannot be too widely known. Ask your druggist about it. Sample bottles to try, sold at ten cents. Regular size, 75 cents. Sold by all Druggists and Dealers, in the United States and Canada.

Always required—a good cathartic medicine. National Pills will not disappoint you.

Constipation

Demands prompt treatment. The results of neglect may be serious. Avoid all harsh and drastic purgatives, the tendency of which is to weaken the bowels. The best remedy is Ayer's Pills. Being purely vegetable, their action is prompt and their effect always beneficial. They are an admirable Liver and After-dinner pill, and everywhere endorsed by the profession.

"Ayer's Pills are highly and universally spoken of by the people about here. I make daily use of them in my practice."—Dr. I. E. Fowler, Bridgeport, Conn.

"I can recommend Ayer's Pills above all others, having long proved their value as a cathartic for myself and family."—J. T. Hess, Leitnsville, Pa.

"For several years Ayer's Pills have been used in my family. We find them an

Effective Remedy

for constipation and indigestion, and are never without them in the house."—Moses Grenier, Lowell, Mass.

"I have used Ayer's Pills, for liver troubles and indigestion, during many years, and have always found them prompt and efficient in their action."—L. N. Smith, Utica, N. Y.

"I suffered from constipation which assumed such an obstinate form that I feared it would cause a stoppage of the bowels. Two boxes of Ayer's Pills effected a complete cure."—D. Burke, Saco, Me.

"I have used Ayer's Pills for the past thirty years and consider them an invaluable family medicine. I know of no better remedy for liver troubles, and have always found them a prompt cure for dyspepsia."—James Quinn, 50 Middle st., Hartford, Conn.

"Having been troubled with costiveness, which seems inevitable with persons of sedentary habits, I have tried Ayer's Pills, hoping for relief. I am glad to say that they have served me better than any other medicine. I arrive at this conclusion only after a faithful trial of their merits."—Samuel T. Jones, Oak st., Boston, Mass.

MANHOOD

How Lost. How Restored!

Just published, a new edition of Dr. Culverwell's Celebrated Essay on the Radical cure of Spermatorrhœa or Impotency induced by excess or early indiscretion.
The celebrated author, in this admirable essay, clearly demonstrates from a thirty years' successful practice, that the alarming consequences of early error may be radically cured, pointing out a mode of cure at once simple, certain and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, privately and radically.
This lecture should be in the hands of every youth and every man in the land.
Sent under seal, in a plain envelope, to any address, on receipt of four cents, or two postage stamps. Address
