ENTRANCE EXAMINATIONS.—Following is the list of those who succeeded in passing the recent high school entrance examinations at Fenelon Falls:—Lily Allin, George Aldous, Bertie Chambers, William Candal, Charles Deyman, Carrie Gillis, Minnie Golden, Robert Hetherington, Charles Hunter, Alta Junkin, Ella Johnston, Lizzie Knight, Flora McFayden, William Mark, Beatrice Maundee, Florence Maybee, Lizzie Moyne, Hattie Martin, Sarah McCallum, Martha Puley, Martha Quibell, John A. Reid, Lily Suddaby, Maggie Suddaby, Eliza Switzer, Annie Twomey, Violet Wilson, George Ingram.

Daniel Ritz, proprietor and publisher of the *Hamburg, Ont., Independent*, says: "I was suffering from dyspepsia and liver trouble. I took a few bottles of Shiloh's Vitalizer and it cured me. I can heartily recommend it."

THE LOCKS.—For some few days past Mr. William Junkin of Verulam, the well-known professional diver, and two or three other men have been working at the lock gates, which of late have been somewhat out of order, in consequence of the accumulation of gravel and rubbish beneath them. The swing bridge across the locks, with which something had gone wrong, has also been made to work properly, and Mr. John Dobson, of Verulam, is now carefully pointing the walls of the locks, that is, filling up all the interstices between the stones from which the cement has been washed by the action of the water.

A BIG DAY.—As will be seen by whole-sheet posters, (printed three or four days later than they ought to have been), there is to be a big day in the driving park on Wednesday next, the civic holiday, for the purpose of raising a fund to pay for the school charts purchased *sub rosa*, and also *ultra vires*, by consent of all but one of the trustees, but without a regular motion justifying the transaction. The programme of sports, which will be faithfully carried out, is a good one, and, as the price of admission is very low and this is the most delightful season of the year, it is hoped that there will be a big turn out from both town and country.

BIG TEN DAYS' SALE
Of Boots and Shoes. See our Bargain Tables. Piles of Boots and Shoes about half price. Every line reduced. Don't miss this sale at "THE MONSTER SHOE STORE, LINDSAY. JOHNSTON & SISON."

A BOY HURT.—On Friday last Mr. Thomas Archer's son Willie, a little fellow about eight years old, was unable to resist the temptation to meddle with one of the windlasses by means of which the lock gates are opened, and, knocking out a small stone that had been placed between two cogged wheels to prevent them from turning, the flesh on the lower part of his left arm was caught and torn so badly that Dr. Wilson had to put five or six stitches in the edges of the wound. It isn't much use warning boys to be careful of machinery; it isn't their nature to be careful, and it isn't likely that they will change their nature to please us "or any other man."

ABORIGINES.—Yesterday the village was invaded by Indians, some of whom are here yet. About half past 12 the *Crowdella* arrived from Chemong with a large party of excursionists, a good many of whom had more or less aboriginal blood in their veins; and a little earlier or a little later, we are not sure which, the nine Kickapoos who are going about from place to place advertising an alleged tribal medicine, came to the Falls from Cobocook. The excursionists were allowed barely an hour in which to see the sights of the village, but the Kicks will remain for nine days, which is the limit fixed for their stay in any place they visit. They have two tents, four wigwags and a theatre erected in the grove near Maryborough Lodge, and last night gave their first performance, which consisted of vocal and instrumental music and dancing and brief orations in favor of their physis.

The run of salmon in British Columbia this year has been enormous. Half the cotton crop in Dallas county, Texas, is said to have been destroyed by boll worms.

The wheat crop of North Dakota and Minnesota this year is one of the largest ever harvested. Miss Mary Brown, of Princess Anne, Md., swallowed a chew of gum some time ago and has just died from the effects.

The churches are all waging more or less open war against the liquor traffic. Many secret orders have followed suit and the indications are that the Knights of Pythias, now meeting at Washington, will soon be in line with the rest. It will not be long before those engaged in the traffic are outlawed by custom if not by statute.

Two masked men attempted to rob the crew of a freight train on the Chicago, Milwaukee & St. Paul Railroad at Deerfield, Ill., on Friday night last. The special officers of the railway company, who were on the train, went to the rescue of the crew, and in a running fight, with revolvers, which followed, one of the men and a special officer were killed. Both robbers escaped, and, as far as learned, neither was seriously injured. Both, however, were thought to have been struck by bullets from the revolvers of the officers.

CORRESPONDENCE.

To the Editor of the Fenelon Falls Gazette.
Sir,—

Kindly allow me space enough in your paper to thank the business men of Fenelon Falls, and all those who have so liberally subscribed towards the funds for sports on the civic holiday, for the benefit of our public schools. Will the parents etc. kindly turn out in force that day in the park, so that on the 6th of September I will be able to pay in full for all the charts, for which purpose we are trying to raise the funds.

Yours respectfully,
JOSEPH HEARD.
