The Young Folks.

I KNOW A BANK.

A NEW VERSION OF AN OLD SONG.

There's a Bank that I hear about now and then,
Which takes deposits from working-men;
It has glaring mirrors and flaring gas,
And its drafts are drawn in a jug or glass.
The customer there for his savings snows—
A shaky hand and a blazing nose.
Keep out of its books, for I've come to learn
The Gin-Palace Bank is a queer concern.

There's a Bank that I hear about now and then,
Which takes deposits from working-men;
Its clerks are never too proud or fine
To enter a trifle of yours or mine;
And the pence mount up, as I hear folks say,
To a nice little sum for a rainy day.
Get one of its books, for I've come to learn
The Post Office Bank is a safe concern.

There's a Bank that I hear about now and then,
Which takes deposits from working-men.
A shake of the hand, a smile, a look,
Is entered fair in an angel's book.
Good words are its silver, good deeds its gold.
And its riches ne'er fall, nor its bags wax old.
O think of that Bank, for I've come to learn,
To have treasure above is our chief concern.

—*Poor Folks' by Fredk. Langbridge.*

THE PRAYING ENGINEER.

One winter, several years ago there was a good deal of religious interest in a certain Western town, and among those who joined the church was Allie Forsyth, a little fellow twelve years of age. His mother was a widow, and had removed four years before from their home in Vermont to this town in Wisconsin.

On the Sabbath evening of the day he joined the Church Allie was sitting in the twilight with his mother, when she said to him: Allie, tell me what lead you to be a Christian? Was it your home teaching, your lessons in Sabbath-school, the regular preaching of your pastor, or has it all come through the influence of revival meetings?"

Looking up into his mother's face, he replied: "Mamma, it was none of these. But do you remember when we were coming from St. Albans to live here that I wanted to ride on the engine with the engineer? You were afraid to let me, till the conductor, whom you knew well, told you that the engineer was a remarkable man, and that I was just as safe with him as in the parlor car with you. Then," continued Allie, "when we were ready to start from the station where I first got on the engine, the engineer knelt down just a little bit, and then got up and then started his locomotive. I asked him many questions about its different parts, and things we passed, and he was very patient in answering. When we reached the next station, he knelt again before he started. He did this before leaving every station, and I asked him after awhile what he was doing. He looked at me very earnestly, and said: 'My little lad, do you ever pray?'

"I replied: 'O yes, sir! I pray every morning and evening.'

"'Well, my dear boy, when I kneel down I pray. There are, perhaps, two hundred lives now in this train intrusted to my care. A little mistake on my part might send all or many of these souls to eternity So at every station I kneel down and ask the heavenly Father to help me. He has helped me, and in all the years I have been on this engine not a single human being of the thousands that have ridden my train has been harmed. I have never had an accident.'"

For four years the life and words of that praying engineer had been constantly present with this boy, and became at length the means of leading him into a Christian life—*David Gray.*

GOOD MANNERS.

Never try to outshine, but to please.

Never press a favor where it seems undesired.

Never intrude ill-health, pains, losses or misfortunes.

Never intentionally wound the feelings of a human being.

Never talk or laugh aloud in public places or upon the street.

Never forget that vulgarity has its origin in ignorance or selfishness.

Never urge another to do anything against his desire unless you see danger before him.

Never omit to perform a kind act when it can be done with any reasonable amount of exertion.

Never needlessly wound the vanity of another or dilate unnecessarily upon a disagreeable subject.

Remember that good manners are thoughts filled with kindness and refinement and then translated into behavior.

Be not ostentatious in dress or deportment; nothing can be more vulgar. See that costumes fit the time and occasion.

Be rude to none; rudeness harms not even the humblest and poorest to whom it is directed, but injures the exhibitors.

JINGLES AND JOKELETS.

Half an Hour With the Wise Men, the Wits and the aragraphs of the Day.

It is the principal, and not the manners, that makes the man. The principal is the mainspring; the manners are only the figures on the dial.

A Painful Subject.

"I was suffering for three months with pain in my back, and was advised to use B. B. B. I had not used two bottles before I became as well as ever. I advise all who suffer from pain in the back to use B. B. B." Mrs. Paul Brondear, Lenoxville, P. Q.

James H. Gilmour, of T. Gilmour & Co., Wholesale Grocers, Brockville, says—I have used Tamarac Elixir for a severe cold and cough, which it immediately relieved and cured.

Our Annual Picnic.

Will occur in August this year. In preparing your lunch we suggest you use Cream Tartar Baking Powder (Sold by all grocers) in making the biscuit cakes &c., it is the most healthy and perfect. M'f'd by E. W. Gillett, Toronto, Ont.

Freeman's Worm Powders are safe, sure and speedy to remove worms from children or adults.

Like Magic.

"It always acted like magic. I had scarcely ever need to give the second dose of Dr. Fowler's Extract of Wild Strawberry for Summer complaints." Mrs. Walter Govenlock, Ethel, Ont.

Pleasant as syrup; nothing equals it as a worm medicine; the same is Mother Graves' Worm Exterminator. The greatest worm destroyer of the age.

Ayer's Sarsaparilla, by purifying and enriching the blood, improves the appetite, aids the assimilative process, strengthens the nerves, and invigorates the system. It is, therefore, the best and most thoroughly reliable alternative that can be found for old and young.

Wheezing, gasping sufferers from Asthma receive quick and permanent relief by using Southern Asthma Cure. Sold by all druggists or by mail on receipt of price.

Nothing But The Truth.

Sirs,—I have found Dr. Fowler's Extract of Wild Strawberry to be the best remedy I have ever used for dysentery and all summer complaints among children, and I think it is recommended none too highly. Abbie A. Reagh, Victoria Vale, Annapolis Co., N. S.

If you want to buy or sell a Farm, advertise in the Toronto *Weekly Mail*. That paper reaches 100,000 Farmers' homes every week, and your advertisement should meet the eye of someone who wants to purchase. Advertisements of this class are inserted in the Toronto *Weekly Mail* for Five Cents a word each insertion, or Twenty Cents a word for five insertions. Address The Mail, Toronto, Canada.

Ayer's Hair Vigor restores color and vitality to weak and gray hair. Through its healing and cleansing qualities, it prevents the accumulation of dandruff and cures all scalp diseases. The best hair-dressing ever made, and by far the most economical.

Dr. Low's pleasant Worm Syrup is a safe and reliable worm remedy for all worms afflicting children or adults.

Over 500.

"I take much pleasure in stating that since using Burdock Blood Bitters, I have entirely recovered. I suffered from impure blood and had over 500 boils. I can confidently recommend B. B. B. to any sufferer from the same complaint. David F. Mott, Spring Valley, Ont.

The best form in which electricity is embodied is Dr. Thomas' Eclectric Oil a sovereign and highly sanctioned specific for rheumatic pains, and thoroughly reliable remedy for all affections of the throat and lungs, used externally and internally.

A Confirmed Grumbler

is generally so because of confirmed dyspepsia or indigestion, caused by eating too rapidly, bolting food without chewing it sufficently, overloading the stomach, etc. Burdock Blood Bitters cures dyspepsia and all kindred diseases.

Nature Makes No Mistakes.

Nature's own remedy for bowel complaints, cholera morbus, colic, cramps, vomiting sea-sickness, cholera infantum, diarrhœa, dysentery, and all diseases of a like nature belonging to the summer season, is Dr. Fowler's Extract of Wild Strawberry, which can be obtained from all dealers in medicine. Price, 35 cents.

It is well to be posted in the practical details of one's business, the more especially so when the business is exceptionally intricate. $10,000 was recently saved by the McCausslands, of Toronto, when an American specialist in the Stained Glass business found to his surprise that his firm had been working for years the very item that he had to dispose of and which was supposed to be of recent discovery.

Mr. John Blackwell, of the Bank of Commerce, of Toronto, writes: "Having suffered for over four years from Dyspepsia and weak stomach, and having tried numerous remedies with but little effect, I was at last advised to give Northrop and Lyman's Vegetable Discovery a trial. I did so with a happy result, receiving great benefit from one bottle. I then tried a second and a third bottle, and now I find my appetite so much restored, and stomach strengthened, that I can partake of a hearty meal without any of the unpleasantness I formerly experienced.

Out of Sorts.—Symptoms, Headache loss of appetite, furred tongue, and general indisposition. These symptoms, if neglected, develope into acute disease. It is a trite saying that an "ounce of prevention is worth a pound of cure," and a little attention at this point may save months of sickness and large doctor's bills. For this complaint take from two to three of Parmelee's Vegetable Pills on going to bed, and one or two for three nights in succession, and a cure will be effected.

Rest and Comfort to the Suffering.

"Brown's Household Panacea" has no equal for relieving pain, both internal and external. It cures Pain in the Side, Back, or Bowels, Sore Throat, Rheumatism, Toothache, Lumbago and any kind of a Pain or Ache. "It will most surely quick on the Blood and Heal as its acting power is wonderful." "Brown's Household Panacea," being acknowledged as the great Pain Reliever, and of double the strength of any other Elixir or Liniment in the world, should be in every family handy for use when wanted, "as it really is the best remedy in the world for Cramps in the stomach, and Pains and Aches of all kinds, and is for sale by all Druggists at 25 cents a bottle.

Astonishing Success.

It is the duty of every person who has used *Boschee's German Syrup* to let its wonderful qualities be known to their friends in curing Consumption, severe Coughs, Croup, Asthma, Pneumonia, and in fact all throat and lung diseases. No person can use it without immediate relief. Three doses will relieve any case, and we consider it the duty of all Druggists to recommend it to the poor, dying consumptive, at least to try one bottle, as 80,000 dozen bottles were sold last year, and no one case where fairly was reported. Such a medicine as the *German Syrup* cannot be too widely known. Ask your druggist about it. Sample bottles to try, sold at ten cents. Regular size, 75 cents. Sold by all Druggists and Dealers, in the United States and Canada.

Always required—a good cathartic medicine. National Pills will not disappoint you.

Cause And Effect.

Many persons wonder at the tired, worn and weary feeling that oppresses them without any apparent cause. It may be poverty of the blood or a disordered stomach; in either case the stomach, blood and liver are not performing their regular functions and, with many persons, they will follow a dull, heavy headache, nausea and many other symptoms that precede a well developed case of Dyspepsia, purify the blood, cleanse the system of the clogged secretions by using Meacham's Mandrake Mixture, prepared by J. B. Meacham, 133 Yonge street, a chemist of nineteen years experience.

Mrs. E. H. Perkins, Creek Centre, Warren Co., N. Y., writes: "She has been troubled with asthma for four years, had to sit up night after night with it. She has taken two bottles of Dr. Thomas' Eclectric Oil and is perfectly cured. She strongly recommends it, and wishes to act as agent among her neighbors."

Dangerous Counterfeits.

Counterfeits are always dangerous, more so that they always closely imitate the original in appearance and name. The remarkable success achieved by Nasal Balm as a positive cure for Catarrh and Cold in the Head has induced unprincipled parties to imitate it. The public are cautioned not to be deceived by nostrums imitating Nasal Balm in name and appearance, bearing such names as Nasal Cream, Nasal Balsam, etc. Ask for Nasal Balm and do not take imitations dealers may urge upon you. For sale by all druggists or sent post-paid on receipt of price (50c and $1) by addressing Fulford & Co., Brockville, Ont.

The Third page of the Toronto *Daily Mail* is noted for "Want" advertisement. If you want to buy or sell anything. If you want a situation, a mechanic, a business, machinery, lodgings, if you have lost or found anything, or if you want to find out where anyone is, advertise in the Toronto *Daily Mail* and read the advertisements on the Third page of that paper. The charge is Two Cents a word each insertion. Address The Mail, Toronto, Canada.

Meacham's Beef, Iron and Wine.

If you are languid and weak, and your appetite poor, my Beef, Iron and Wine is the tonic, be cured.

As an invigorating tonic it is recognized by the Medical Profession as the best strengthening medicine thus far produced. It is invaluable as a blood-and-muscle maker, especially in those cases where weakness is the result of imperfect or in-food, of wasting fevers or excess of any sort. It contains the nutriment of Beef, the stimulant properties of Wine and the tonic powers of Iron, and is admirably calculated to build up the emaciated system.

Low's Sulphur Soap should be found with every toilet. It is cleansing and healing.

The Teacher

Who advised her pupils to strengthen their minds by the use of Ayer's Sarsaparilla, appreciated the truth that bodily health is essential to mental vigor. For persons of delicate and feeble constitution, whether young or old, this medicine is remarkably beneficial. Be sure you get Ayer's Sarsaparilla.

"Every spring and fall I take a number of bottles of Ayer's Sarsaparilla, and am greatly benefited."—Mrs. James H. Eastman, Stoneham, Mass.

"I have taken Ayer's Sarsaparilla with great benefit to my general health."—Miss Thirza L. Crenor, Palmyra, Md.

"My daughter, twelve years of age, has suffered for the past year from

General Debility.

A few weeks since, we began to give her Ayer's Sarsaparilla. Her health has greatly improved."—Mrs. Harriet H. Battles, South Chelmsford, Mass.

"About a year ago I began using Ayer's Sarsaparilla as a remedy for debility and neuralgia resulting from malarial exposure in the army. I was in a very bad condition, but six bottles of the Sarsaparilla, with occasional doses of Ayer's Pills, have greatly improved my health. I am now able to work, and feel that I cannot say too much for your excellent remedies."—F. A. Pinkham, South Molunkus, Me.

"My daughter, sixteen years old, is using Ayer's Sarsaparilla with good effect."—Rev. S. J. Graham, United Brethren Church, Buckhannon, W. Va.

"I suffered from

Nervous Prostration,

with lame back and headache, and have been much benefited by the use of Ayer's Sarsaparilla. I am now 80 years of age, and am satisfied that my present health and prolonged life are due to the use of Ayer's Sarsaparilla."—Lucy Moffitt, Killingly, Conn.

Mrs. Ann H. Farnsworth, a lady 79 years old, So. Woodstock, Vt., writes: "After several weeks' suffering from nervous prostration, I procured a bottle of Ayer's Sarsaparilla, and before I had taken half of it my usual health returned."
