The Young Folks.

"WHAT THE FLOWERS SAY."

The Red Rose says, "Be sweet;"
The Lily says, "Be pure!"
The Hardy, brave, Chrysanthemum,
Be patient and endure.

The Violet whispers, "Give"—
"Nor grudge, nor count the cost."
The Woodbine, "Keep on blossoming
In spite of cold and frost."

And so each gracious flower,
Has each a separate word,
Which, read together, maketh up
The message of the Lord.

TEMPERANCE SHOTS.

Whom and what the saloon wants you should not want.

Prohibition may be delayed but it will not die. The wisdom of temperance men giving it their support now in place of waiting until it does not need their help is apparent.

The political issue of to-day is whether the saloon, being proven a crime, shall be forbidden and abolished like other crimes. That other crimes are not more completely abolished is due to the continuance of the saloon crime.

Sam Small says: "High license, it is simply a bigger division with the devil, and the chief of the man who was killed by high license whiskey doesn't take any pride in saying to the orphan of the free whisky drunkard: 'I'm higher in the social scale than you are, for my father was slain by high license.

The Lord's prayer and the liquor license. What do you think of the professed christian who prays: "Thy will be done," and then voting that it shall not be done "Lead us not into temptation," and then voting to place temptation in every one's path; "Deliver us from evil," and then voting for the greatest of evils, if, so be that a little money comes to the city or town treasury; "Give us this day our daily bread," and voting to license that which takes bread from almost starving children."

Dr. Talmage says: "Gather up the money that the working classes have spent for rum during the last thirty years, and I will build for every working man a house, and lay out for him a garden, and clothe his sons and daughters in silks, and stand at his front door a prancing span of sorrels or bays; and secure him a policy of life insurance, so that the present home may be well maintained after he is dead. The most persistent, most overpowering enemy of the working classes is intoxicating liquor. It is the anarchist of the centuries."

"Many men, many minds," but all men and all minds agree as to the merits of Burdock Pills, small and sugar-coated.

MESSRS. C. C. RICHARDS & Co.

Gents—Having used Minard's Liniment for several years in my stable, I attest to its being the best thing I know for horse flesh. In the family we have used it for every purpose that liniment is adapted for, it being recommended to us by the late Dr. J. L. R. Webster. Personally I find it the best allayer of neuralgic pain I have ever used. B. TITUS,
Proprietor Yarmouth Livery Stable.

Frederick T. Roberts, M. D., Professor of Clinical Medicine at University College Hospital, London, England, says: "Bright's Disease has no symptoms of its own and may long exist without the knowledge of the patient or practitioner, and no pain will be felt in the kidneys or their vicinity." Warner's Safe Cure is the only recognized specific. R. A. Gunn, M. D., Dean, and Professor of Surgery of the United States Medical College; Editor of the "Medical Tribune;" Author of "Gunn's New and Improved Hand-book of Hygenie and Domestic Medicine," says: "I am willing to acknowledge and commend thus frankly the value of Warner's Safe Cure.

Stubborn children readily take Dr. Low's Worm Syrup. It pleases the child and destroys the worms.

It is worse than madness to neglect a cough or a cold which is easily subdued if taken in time becomes, when left to itself, the fore-runner of consumption and premature death. Inflammation, when it attacks the delicate tissue of the lungs and bronchial tubes, travels with perilous rapidity; then do not delay, get a bottle of Bickle's Anti-Consumptive Syrup, the medicine that grasps this formidable foe of the human body, and drives it from the system. This medicine promotes a free and easy expectoration, subdues the cough, heals the diseased parts, and exerts a most wonderful influence in curing consumption, and other diseases of the throat and lungs. If parents wish to save the lives of their children, and themselves from much anxiety, trouble and expense, let them procure a bottle of Bickle's Anti-Consumptive Syrup, and whenever a child has taken cold, has a cough or hoarseness, give the Syrup according to directions.

"I Was suffering"

Says S. S. Shewfelt, of Kingsley, Man., "from weakness and loss of appetite, with a severe headache, and could scarcely walk. My first bottle of Burdock Blood Bitters enabled me to walk about the house, and when I had taken the second bottle I found myself entirely cured."

Consumption Cured.

An old physician, retired from practice, having had placed in his hands by an East India missionary the formula of a simple vegetable remedy for the speedy and permanent cure of Consumption, Bronchitis, Catarrh, Asthma and all throat and Lung Affections, also a positive and radical cure for Nervous Debility and all Nervous Complaints, after having tested its wonderful curative powers in thousands of cases, has felt it his duty to make it known to his suffering fellows. Actuated by this motive and a desire to relieve human suffering, I will send free of charge, to all who desire it, this recipe, in German, French or English, with full directions for preparing and using. Sent by mail by addressing with stamp, naming this paper, W. A. Noyes, 149 Power's Block, Rochester, N. Y.

Warner's Safe Cure cures nervousness, insomnia, hysteria and neuralgia. Why? Because these are the symptoms of an impure condition of the blood, caused by unhealthy kidney action. The poisonous ures and uric acid being retained in the blood cause the symptoms of kidney disease first noted.

JINGLES AND JOKELETS.

Half an Hour With the Wise Men, the Wits and the Paragraphs of the Day.

There was a cook in our town,
And she was wond'rous wise,
She bought Imperial Baking Powder,
And caused her bread to rise;
And, when she saw how nice it was,
Declared with might and main
That Imperial was the only B. P.
She would ever use again.

As an aid to internal remedies for skin diseases, Dr. Low's Sulphur Soap proves very valuable.

A dry, hacking cough keeps the bronchial tubes in a constant state of irritation, which, if not speedily removed, may lead to bronchitis. No prompter remedy can be had than Ayer's Cherry Pectoral, which is both an anodyne and expectorant.

Give Holloway's Corn Cure a trial. It removed ten corns from one pair of feet without any pain. What it has done once it will do again.

The value of a remedy should be estimated by its curative properties. According to this standard, Ayer's Sarsaparilla is the best and most economical blood medicine in the market, because the most pure and concentrated. Price $1. Worth $5 a bottle.

Quick Time—48 Hours.

"I always use Hagyard's Pectoral Balsom for colds and it cannot be beaten. It has always cured me within 48 hours, which no other medicine will do, and I always keep a bottle by me." These words from Chester Miller, Linery, Ont., prove the efficacy of a popular preparation.

The Horse—noblest of brute creation—when suffering from a cut, abrasion, or sore, derives as much benefit as his master in a like predicament, from the healing, soothing action of Dr. Thomas' Eclectric Oil. Lameness, swelling of the neck, stiffness of the joints throat and lungs, are relieved by it.

Severely Burned.

"I burn't my hand severely, and did not know what to do till a friend ran in with some Hagyard's Yellow Oil and applied it, and it drew out the pain and healed it in a few days. I would not be without it." Mary Lepard, 59 Cecil St., Toronto.

Strong Resistance.

A healthy human body has strong powers of resistance against disease, but where weakness or lack of tone exists disease quickly assails it. Keep the system clean, the blood pure and the vital powers vigorous and active by the use of Burdock Blood Bitters, the true vitalizer and restorative.

Volumes of Bombast have been published about the multifarious and irreconcilable effects of many proprietary remedies. The proprietors of Northrop & Lyman's Vegetable Discovery content themselves with facts susceptible of proof. They state their Purifier to be what it has proved itself to be, an eradicator of Dyspepsia, Constipation, Liver and Kidney troubles, and a fine general alterative.

From Ocean to Ocean.

Fishermen and miners in Nova Scotia, mechanics and farmers in Ontario and Quebec, hunters and trappers in the Territories, and gold miners in British Columbia, use and praise Hagyard's Yellow Oil, the great internal and external remedy for all pain. It cures rheumatism, neuralgia, sore throat and croup, and is the reliance of thousands.

To lessen mortality and stop the inroads of disease, use Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure. For all diseases arising from Impure Blood, such as Pimples, Blotches, Biliousness, Indigestion, etc., etc., it has no equal. Mrs Thomas Smith, Elm, writes: "I am using this medicine for Dyspepsia. I have tried many remedies, but this is the only one that has done me any good."

James H. Gilmour, of T. Gilmour & Co. Wholesale Grocers, Brookville, says—I have used Tamarac Elixir for a severe cold and cough, which it immediately relieved and cured.

Differences of opinion regarding the popular internal and external remedy, Dr. Thomas' Eclectric Oil—do not, so far as known, exist. The testimony is positive and concurrent that the article relieves physical pain, cures lameness, checks a cough, is an excellent remedy for pains and rheumatic complaints, and it has no nauseating or other unpleasant effect when taken internally.

The Red Color of the blood is caused by the Iron it contains. Supply the iron when lacking by using Milburn's Beef, Iron and Wine.

An Unwelcome Guest.

Disease in any of its myriad forms is never welcome, and the end of its visit is always rejoiced at. Burdock Blood Bitters cures all diseases of the stomach, liver, bowels and blood, giving life and hope with every dose.

Minard's Liniment Cures Dandruff.

PAINE'S CELERY COMPOUND

ACTS AT THE SAME TIME ON
THE NERVES, THE LIVER, THE BOWELS, and the KIDNEYS

This combined action gives it wonderful power to cure all diseases.

Why Are We Sick?

Because we allow the nerves to remain weakened and irritated, and these great organs to become clogged or torpid, and poisonous humors are therefore forced into the blood that should be expelled naturally.

PAINE'S CELERY COMPOUND

WILL CURE BILIOUSNESS, PILES, CONSTIPATION, KIDNEY COMPLAINTS, URINARY DISEASES, FEMALE WEAKNESS, RHEUMATISM, NEURALGIA, AND ALL NERVOUS DISORDERS,

By quieting and strengthening the nerves, and causing free action of the liver, bowels, and kidneys, and restoring their power to throw off disease.

Why suffer Bilious Pains and Aches?
Why tormented with Piles, Constipation?
Why frightened over Diseased Kidneys?
Why endure nervous or sick headaches?
Why have sleepless nights?

Use PAINE'S CELERY COMPOUND and rejoice in health. It is an entirely vegetable remedy, harmless in all cases.

Sold by all Druggists. Price $1.00. Six for $5.00.

Best of All

Cough medicines, Ayer's Cherry Pectoral is in greater demand than ever. No preparation for Throat and Lung Troubles is so prompt in its effects, so agreeable to the taste, and so widely known, as this. It is the family medicine in thousands of households.

"I have suffered for years from a bronchial trouble that, whenever I take cold or am exposed to inclement weather, shows itself by a very annoying tickling sensation in the throat and by difficulty in breathing. I have tried a great many remedies, but none does so well as Ayer's Cherry Pectoral which always gives prompt relief in returns of my old complaint."—Ernest A. Hepler, Inspector of Public Roads, Parish Terre Bonne, La.

"I consider Ayer's Cherry Pectoral a most important remedy

For Home Use.

I have tested its curative power, in my family, many times during the past thirty years, and have never known it to fail. It will relieve the most serious affections of the throat and lungs, whether in children or adults."—Mrs. E. G. Edgerly, Council Bluffs, Iowa.

"Twenty years ago I was troubled with a disease of the lungs. Doctors afforded me no relief and considered my case hopeless. I then began to use Ayer's Cherry Pectoral, and, before I had finished one bottle, found relief. I continued to take this medicine until a cure was effected. I believe that Ayer's Cherry Pectoral saved my life."—Samuel Griggs, Waukegan, Ill.

"Six years ago I contracted a severe cold, which settled on my lungs and soon developed all the alarming symptoms of Consumption. I had a cough, night sweats, bleeding of the lungs, pains in chest and sides, and was so prostrated as to be confined to my bed most of the time. After trying various prescriptions, without benefit, my physician finally determined to give me Ayer's Cherry Pectoral. I took it and the effect was magical. I seemed to rally from the first dose of this medicine, and, after using only three bottles, am as well and sound as ever."—Rodney Johnson, Springfield, Ill.

Millinery.

We were delighted with the very flattering accounts the papers gave of our Grand Millinery Display, but we are more delighted with the constant flow of flattering remarks we hear heaped on it day by day.

One remark we often hear and one that pleases us very much is that our Millinery is so cheap. This, in connection with the fact that it is the handsomest, is a very high recommendation, as we always try to give as good or better goods than others at less money.

Carpets.

We are showing this spring, the largest stock of Carpets we have ever had on hand, and all bought direct from the manufacturers. Special attention has been paid to having border to match.

How Lost. How Restored!

Just published, a new edition of Dr. Culverwell's Celebrated Essay on the Radical cure of Spermatorrhœa or impotency induced by excess or early indiscretion.

The celebrated author, in this admirable essay, clearly demonstrates from a thirty years' successful practice, that the alarming consequences of early error may be radically cured; pointing out a mode of cure at once simple, certain and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, privately and radically.

This lecture should be in the hands of every youth and every man in the land.
