The Young Folks.

CHILDREN'S BOOKS.

They are sitting in the twilight, little golden head and brown,
They are reading tales of wonderment, of sea and ship and town;
And the glimpses out of fairyland the glowing pictures rife,
Through the misty magic twilight before their spell-bound eyes.

And I watch their happy faces, and see those pages bright
With the lovely little children sitting in the golden light.
And I trow; no deft hand painted, no poet ever sung
Such things of tender beauty in the day when we were young.

And I think of one old nursery book I read in years agone,
Where the letters were not all with flowers—where no bright pictures shone;
Yet with all its battered pages, it is made of gold for me,
For it brings me back my mother's love and all she used to be.

And in after days, sweet children, when you are older grown,
And other children's books are fair, or fairer than your own,
As you turn the old pages over and your mother's voice recall,
You will say you found old story-books were sweetest after all.

—*Frederick E. Weatherly.*

THE FARMER WAS NOT SCARED.

A Kingston, N. Y., special to the New York *Sun*, of April 29, says: As a farmer from West Hurley was driving with his wife on the outskirts of this city yesterday he came upon a Turk leading a tame bear. The farmer, wishing to have his wife see the bear dance, said he would give 5 cents to the master of the bear if he would make it dance. After the dirty Turk got the money he told the farmer the terpsichorean performance would not begin until another 5 cents was placed in his hand. This made the farmer angry, and he said:

"If you don't make that bear dance I'll make you dance and the bear, too."

The owner of bruin made no move until the farmer got off his waggon to carry his threat into execution; when he put his hand to his pocket as if to draw a revolver. Then the farmer "let out with his right" and sent the bear owner sprawling in the gutter. As soon as the Turk could get up he took the muzzle off the bear, and, in an unknown tongue, told bruin to "go for" the farmer.

The bear, thus encouraged, "went for" the farmer, who soon made his fingers almost meet around the bear's windpipe. When the farmer saw fit to let go the bear sneaked up to its master coughing and spitting blood, and its master began to make tracks from the spot. All this time the farmer's wife sat still in the waggon, simply saying:

"James, I wish you wouldn't be so foolish."

"I can't help it, Marier," said the farmer; "I wasn't brought up in the woods to be scart by owls."

The New York *Medical Journal* says: "In an experimental observation of thirty-eight boys of all classes of society and of average health who have been using tobacco for periods ranging from two months to two years, twenty-seven showed severe injury to the constitution and insufficient growth, thirty-two showed the existence of irregularity of the heart's action, disordered stomachs, coughs, and a craving for alcohol, thirteen had intermitency of the pulse, and one had consumption. After they had abandoned the use of tobacco within six months one half were free from all their former symptoms, and the remainder had recovered by the end of the year."

Gents,—Having used Minard's Liniment for several years in my stable, I attest to its being the best thing I know for horse flesh. In the family we have used it for every purpose that liniment is adapted for, it being recommended to us by the late Dr. J. R. R. Webster. Personally I find it the best allayer of neuralgic pain I have ever used. B. TITUS,

Proprietor Yarmouth Livery Stable.

Consumption Cured.

An old physician, retired from practice, having had placed in his hands by an East India missionary the formula of a simple vegetable remedy for the speedy and permanent cure of Consumption, Bronchitis, Catarrh, Asthma and all throat and Lung Affections, also a positive and radical cure for Nervous Debility and all Nervous Complaints, after having tested its wonderful curative powers in thousands of cases, has felt it his duty to make it known to his suffering fellows. Actuated by this motive and a desire to relieve human suffering, I will send free of charge, to all who desire it, this recipe, in German, French or English, with full directions for preparing and using. Sent by mail by addressing with stamp, naming this paper, W. A. NOYES, 149 Power's Block, Rochester, N. Y.

It is worse than madness to neglect a cough or a cold which is easily subdued if taken in time becomes, when left to itself, the fore-runner of consumption and premature death. Inflammation, when it attacks the delicate tissue of the lungs and bronchial tubes, travels with perilous rapidity; then do not delay, get a bottle of Bickle's Anti-Consumptive Syrup, the medicine that grasps this formidable foe of the human body, and drives it from the system. This medicine promotes a free and easy expectoration, subdues the cough, heals the diseased parts, and exerts a most wonderful influence in curing consumption, and other diseases of the throat and lungs. If parents wish to save the lives of their children, and themselves from much anxiety, trouble and expense, let them procure a bottle of Bickle's Anti-Consumptive Syrup, and whenever a child has taken cold, has a cough or hoarseness, give the Syrup according to directions.

ADVICE TO MOTHERS.—Are you disturbed at night and broken of your rest by a sick child suffering and crying with pain of cutting teeth? If so send at once and get a bottle of "Mrs. Winslow's Soothing Syrup" for children teething. Its value is incalculable. It will relieve the poor little sufferer, immediately. Depend upon it, mothers; there is no mistake about it. It cures dysentry and diarrhœa, regulates the stomach and bowels, cures wind colic, softens the gums, reduces inflammation, and gives tone and energy to the whole system. "Mrs. Winslow's Soothing Syrup" for children teething is pleasant to the taste and is the prescription of one of the oldest and best female physicians and nurses in the United States, and is for sale by all druggists throughout the world. Price twenty-five cents a bottle. Be sure and ask for "Mrs. Winslow's Soothing Syrup," and take no other kind.

Minard's Liniment Cures Diphtheria.

JINGLES AND JOKELETS.

Half an Hour With the Wise Men, the Wits and the Paragraphs of the Day.

As an aid to internal remedies for skin diseases, Dr. Low's Sulphur Soap proves very valuable.

The Horse—noblest of brute creation—when suffering from a cut, abrasion, or sore, derives as much benefit as his master in a like predicament, from the healing, soothing action of Dr. Thomas' Eclectric Oil. Lameness, swelling of the neck, stiffness of the joints throat and lungs, are relieved by it.

"I Was Suffering"

Says S. S. Shewfelt, of Kingsley, Man., "from weakness and loss of appetite, with a severe headache, and could scarcely walk. My first bottle of Burdock Blood Bitters enabled me to walk about the house, and when I had taken the second bottle I found myself entirely cured.

"It is a great public benefit."—These significant words were used in relation to Dr. Thomas's Eclectric Oil by a gentleman who had thoroughly tested its merits in his own case—having been cured by it of lameness of the knee, of three or four years' standing. It never fails to remove soreness as well as lameness.

James H. Gilmour, of T. Gilmour & Co. Wholesale Grocers, Brockville, says—I have used Tamarac Elixir for a severe cold and cough, which it immediately relieved and cured.

Severely Burned.

"I burn't my hand severely, and did not know what to do till a friend ran in with some Hagyard's Yellow Oil and applied it, and it drew out the pain and healed it in a few days. I would not be without it." Mary Lepard, 59 Cecil St., Toronto.

If your children are troubled with worms give them Mother Graves' Worm Exterminator; safe, sure, and effectual. Try it, and mark the improvement in your child.

Strong Resistance.

A healthy human body has strong powers of resistance against disease, but where weakness or lack of tone exists disease quickly assails it. Keep the system clean, the blood pure and the vital powers vigorous and active by the use of Burdock Blood Bitters, the true vitalizer and restorative.

Rheumatism is caused by acid in the blood; therefore, external treatment affords no permanent relief. To eliminate the poison and make a thorough cure of the disease, nothing else is so efficient as Ayer's Sarsaparilla. Give it a trial. Price $1. Worth $5 a bottle.

From Ocean to Ocean.

Fishermen and miners in Nova Scotia, mechanics and farmers in Ontario and Quebec, hunters and trappers in the Territories, and gold miners in British Columbia, use and praise Hagyard's Yellow Oil, the great internal and external remedy for all pain. It cures rheumatism, neuralgia, sore throat and croup, and is the reliance of thousands.

The Red Color of the blood is caused by the Iron it contains. Supply the iron when lacking by using Milburn's Beef, Iron and Wine.

Mamma (to her little boy). "Now Bennie, if you'll be good and go to sleep, mamma'll give you one of Dr. Ayer's nice sugar-coated Cathartic Pills, next time you need medicine." Bennie, smiling sweetly, dropped off to sleep at once.

An Unwelcome Guest.

Disease in any of its myriad forms is never welcome, and the end of its visit is always rejoiced at. Burdock Blood Bitters cures all diseases of the stomach, liver, bowels and blood, giving life and hope with every dose.

Stubborn children readily take Dr. Low's Worm Syrup. It pleases the child and destroys the worms.

A lady from Syracuse writes: "For about seven years before taking Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure, I suffered from a complaint very prevalent with our sex. I was unable to walk any distance or stand on my feet for more than a few minutes at a time without feeling exhausted, but now I am thankful to say, I can walk two miles without feeling the least inconvenience." For Female Complaints it has no equal.

Quick Time—48 Hours.

"I always use Hagyard's Pectoral Balsom for colds and it cannot be beaten. It has always cured me within 48 hours, which no other medicine will do, and I always keep a bottle by me." These words from Chester Miller, Lieury, Ont., prove the efficacy of a popular preparation

Volumes of Bombast have been published about the multifarious and irreconcilable effects of many proprietary remedies. The proprietors of Northrop & Lyman's Vegetable Discovery content themselves with facts susceptible of proof. They state their Perifier to be what it has proved itself to be, an eradicator of Dyspepsia, Constipation, Liver and Kidney troubles, and a fine general alterative.

Diamond Dyes

Brilliant! Durable! Economical!

Diamond Dyes excel all others in Strength, Purity and Fastness. None other are just as good. Beware of imitations, because they are made of cheap and inferior materials, and give poor, weak, crocky colors. To be sure of success, use only the DIAMOND Dyes for coloring Dresses, Stockings, Yarns, Carpets, Feathers, Ribbons, &c., &c. We warrant them to color more goods, package for package, than any other dyes ever made, and to give more brilliant and durable colors. Ask for the *Diamond* and take no other.

The Favorite

Medicine for Throat and Lung Difficulties has long been, and still is, Ayer's Cherry Pectoral. It cures Croup, Whooping Cough, Bronchitis, and Asthma; soothes irritation of the Larynx and Fauces; strengthens the Vocal Organs; allays soreness of the Lungs; prevents Consumption, and, even in advanced stages of that disease, relieves Coughing and induces Sleep. There is no other preparation for diseases of the throat and lungs to be compared with this remedy.

"My wife had a distressing cough, with pains in the side and breast. We took various medicines, but none did her any good until I got a bottle of Ayer's Cherry Pectoral, which has cured her. A neighbor, Mrs. Gleim, had the croup, and the cough was relieved by the use of Ayer's Cherry Pectoral. I do no hesitation in recommending this

Cough Medicine

to every one afflicted."—Robert Horton, Foreman *Headlight*, Morrilltor, Ark.

"I have been afflicted with asthma for forty years. Last spring I was taken with a violent cough, which threatened to terminate my days. Every one pronounced me in consumption. I determined to try Ayer's Cherry Pectoral. It worked wonderfully. I was immediately relieved, and continued to improve until completely recovered."—Joel Bullard, Colchester, Conn.

"Six months ago I had a severe hemorrhage of the lungs, brought on by an incessant cough which deprived me of sleep and rest. I tried various remedies, but obtained no relief until I began to take Ayer's Cherry Pectoral. A few bottles of this medicine cured me." Mrs. E. Coburn, 19 Second st., Lowell, Mass.

"For children afflicted with colds, croupe, sore throat, or croup, I do not know of any remedy which will give more speedy relief than Ayer's Cherry Pectoral. I have found it, also, invaluable in cases of Whooping Cough."—Ann Lovejoy, 127 Washington street, Boston, Mass.

It Takes Like Wildfire.

Thousands of voluntary compliments and recommendations are pouring in from all parts, declaring Imperial Cream Tartar Baking Powder much better than any other. All grocers sell it.

"Hemorrhage may take place from the kidneys or from the mucus membranes, particularly that of the nostrils." So writes T. Granger Stewart, M. D., F. R. S. E., Ordinary Surgeon to H. M., the Queen in Scotland, Professor of Practice of Physic in the University of Edinburgh, in an article on Bright's disease. Hence the only natural indifference is that the kidneys must be restored to a healthy condition before its effects will disappear. Warner's Safe Cure is the most efficient agent for this purpose known to science.

Many of the recognized authorities in civil as well as military circles say, "The malarial disease is most dangerous in that the kidneys are most liable to break down." Such men as Dacosta, Atkinson and Pepper, professors in our leading medical schools, and Soldatou, Surg. Gen. in the Russian army, Woodward, Surgeon General in our army, speak of malaria as a direct complication of chronic Bright's disease. The kidneys must be kept free from disease and the poisonous germs of malaria; they must act normally in cleansing the blood, for 55 gallons of it passes through them every hour. People in malarial localities recover from both the cause and effect of malaria by using Warner's Safe Cure. Every person, in the spring or fall, who has either kidney disease or malaria, should use Warner's Safe Cure as a precautionary measure.

"Many men, many minds," but all men and all minds agree as to the merits of Burdock Pills, small and sugar-coated.

MANHOOD

How Lost. How Restored!

Just published, a new edition of Dr. Culverwell's Celebrated Essay on the Radical cure of Spermatorrhœa or impotency induced by excess or earlyer indiscretion.

The celebrated author, in this admirable essay, clearly demonstrates from a thirty years' successful practice, that the alarming consequences of early error may be radically cured, pointing out a mode of cure at once simple, certain and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, privately and radically.

This lecture should be in the hands of every youth and every man in the land.
