The Young Folks.

AT SEVEN.

I take up a little cambric dress,
Trimmed with ruffles and edged with lace,
And a dainty cap with cobwebs frill...
But where is the baby face?

Out in the garden a pretty picture,
Underneath a tree,
Sweet as a rose in a delicate vase,
But where is my baby gone?

There's a little velvet boy in corduroy pants,
With blue eyes ready to wink,
And a patch of dirt on his dimpled cheek,
As only in India ink.

His strong young arms are around my neck,
He kisses mamma with a will,
And I lay down my dainty things with a smile;
For he is my baby still.

VOTED DOWN.

A lady living in Ohio is the mother of six boys. One day a friend calling on her said; "What a pity that one of your boys had not been a girl." One of the boys about eight years of age overheard this remark, and promptly interposed: "I'd like to know who'd a bin'er; I wouldn't a bin'er; Ed. wouldn't a bin'er; Joe wouldn't a bin'er; and I'd like to know who'd a bin'er."

Never think you can make yourself great by trying to make others less.

It is worse than madness to neglect a cough or a cold which is easily subdued if taken in time becomes, when left to itself, the fore-runner of consumption and premature death. Inflammation, when it attacks the delicate tissue of the lungs and bronchial tubes, travels with perilous rapidity; then do not delay, get a bottle of Bickle's Anti-Consumptive Syrup, the medicine that grasps this formidable foe of the human body, and drives it from the system. This medicine promotes a free and easy expectoration, subdues the cough, heals the diseased parts, and exerts a most wonderful influence in curing consumption, and other diseases of the throat and lungs. If parents wish to save the lives of their children, and themselves from much anxiety, trouble and expense, let them procure a bottle of Bickle's Anti-Consumptive Syrup, and whenever a child has taken cold, has a cough or hoarseness, give the Syrup according to directions.

The Third page of the Toronto *Daily Mail* is noted for "Want" advertisements. If you want to buy or sell anything. If you want a situation, a mechanic, a business, machinery, lodgings, if you have lost or found anything, or if you want to find out where anyone is, advertise in the Toronto *Daily Mail* and read the advertisements on the Third page of that paper. The charge is Two Cents a word each insertion. Address *The Mail*, Toronto, Canada.

Toronto Takes the Cake.

Who would have thought it was left for Toronto to produce the greatest the world ever knew? but such is the case. Imperial Cream Tartar Baking Powder is the most wonderful ever invented. It makes the most elegant biscuit ever eaten. Sold by grocers.

ADVICE TO MOTHERS.—Are you disturbed at night and broken of your rest by a sick child suffering and crying with pain of cutting teeth? If so send at once and get a bottle of "Mrs. Winslow's Soothing Syrup" for children teething. Its value is incalculable. It will relieve the poor little sufferer immediately. Depend upon it, mothers; there is no mistake about it. It cures dysentery and diarrhœa, regulates the stomach and bowels, cures wind colic, softens the gums, reduces inflammation, and gives tone and energy to the whole system. "Mrs. Winslow's Soothing Syrup" for children teething is pleasant to the taste and is the prescription of one of the oldest and best female physicians and nurses in the United States, and is for sale by all druggists throughout the world. Price twenty-five cents a bottle. Be sure and ask for "Mrs. Winslow's Soothing Syrup," and take no other kind.

C. C. RICHARDS & CO.

GENTS.—I was formerly a resident of Port La Tour, and have always used Minard's Liniment in my household, and know it to be the best remedy for emergencies of ordinary character. JOHN A. SHAW.

Norway, Me.

Disease gathers strength as it advances. Annihilate it at its birth. When the bowels become sluggish, digestion feeble, or the liver torpid, they should be aroused and stimulated with Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure, a medicine foremost in usefulness among alteratives. It should not be abandoned if an immediate cure is not effected, but be used as it deserves, systematically and with persistence. It will then prove that it is thorough.

Enrich the blood by the use of Milburn's Beef, Iron and Wine, which supplies the necessary blood building mate

Rest and Comfort to the Suffering.

"Brown's Household Panacea" has no equal for relieving pain both internal and external. It cures pain in the side, back, or bowels, sore throat, rheumatism, toothache, lumbago and any kind of pain or ache. "It will most surely quicken the Blood and Heal as its acting power is wonderful." "Brown's Household Panacea," being acknowledged as the great Pain Reliever, and of double the strength of any other Elixir or Liniment in the world, should be in every family handy for use when wanted, as it really is the best remedy in the world for cramps in the stomach, and pains and aches of all kinds and is for sale by all druggists at 25 cents a bottle.

Consumption Cured.

An old physician, retired from practice, having had placed in his hands by an East Indian missionary the formula of a simple vegetable remedy for the speedy and permanent cure of Consumption, Bronchitis, Catarrh, Asthma and all throat and Lung Affections, also a positive and radical cure for Nervous Debility and all Nervous Complaints, after having tested its wonderful curative powers in thousands of cases, has felt it his duty to make it known to his suffering fellows. Actuated by this motive and a desire to relieve human suffering, I will send free of charge, to all who desire it, this recipe, in German, French or English, with full directions for preparing and using. Sent by mail by addressing with stamp, naming this paper, W. A. NOYES, 149 Power's Block, Rochester, N. Y.

Half an Hour With the Wise Men, the Wits and the Paragraphs of the Day.

Have you tried Holloway's Corn Cure? It has no equal for removing these troublesome excrescences, as many have testified who have tried it.

In 10 Days Time.

"Was troubled with headache, bad blood and loss of appetite, and tried all sorts of medicines without success. I then tried one bottle of Burdock Blood Bitters and found relief in 10 days." A. J. Meindle, Mattawa, Ont.

James H. Gilmour, of T. Gilmour & Co. Wholesale Grocers, Brockville, says—I have used Tamarac Elixir for a severe cold and cough, which it immediately relieved and cured.

Pictou Pencillings.

Mr. Hazen F. Murray, of Pictou, N. S., writes: "I was affected with dyspepsia and nervous debility, and tried many remedies without avail, but one bottle of Burdock Blood Bitters much improved me and two more made me a well man."

Thomas Myers, Bracebridge, writes:—"Dr. Thomas' Eclectric Oil is the best medicine I sell. It always gives satisfaction, and in cases of coughs, colds, sore throat, &c., immediate relief has been received by those who use it."

If you want to buy or sell a Farm, advertise in the Toronto *Weekly Mail*. That paper reaches 100,000 Farmers' homes every week, and your advertisement should meet the eye of someone who wants to purchase. Advertisements of this class are inserted in the Toronto *Weekly Mail* for Five Cents a word each insertion, or Twenty Cents a word for five insertions. Address The Mail, Toronto, Canada.

Gives Instant Relief.

"I have been troubled with asthma and a bad cough for years. I get nothing to help me like Hagyard's Pectoral Balsam, and would recommend it to others as it gives instant relief." Extract from letter from Walter McAuley, Ventnor, Ont.

Low's Sulphur Soap is an elegant toilet article, and cleanses and purifies the skin most effectually.

A Confectioner's Confidence.

"I can plainly state that I can find nothing better than Hagyard's Yellow Oil. I have rheumatism occasionally, and Yellow Oil does me great good. You can use my name if you wish." Yours truly, H. Dickinson, confectioner, St. Thomas, Ont.

Work every hour, paid or unpaid; see only that you work, and you cannot escape your reward. Whether your work be fine or coarse, planting corn or writing epics, so only if be honest work, done to your own approbation, it shall earn a reward to the senses as well as to the thought. No matter how often defeated, you are born to victory. The reward of a thing well done is to have done it.

Occasional doses of a good cathartic like Burdock Pills are necessary to keep the blood pure and the body healthy.

Consumption Surely Cured.

To the Editor:—

Please inform your readers that I have a positive remedy for the above named disease. By its timely use thousands of hopeless cases have been permanently cured, I shall be glad to send two bottles of my remedy free to any of your readers who have consumption if they will send me their Express and P. O. address.

Respectfully, DR. T. A. SLOCUM,
164 West Adelaide st., Toronto, Ont.

There are many indications of worms, but Dr. Low's Worm Syrup meets them in every case successfully.

Nerve Tortured.

"I suffered with neuralgia and obtained no relief until I used Hagyard's Yellow Oil. Since then I have also found it an invaluable remedy for all painful burns and cuts, rheumatism and sore throat." Mrs. F. Cameron, 137 Richmond Street West, Toronto, Ont.

Pale, woebegone invalids suffering from poverty of the blood, bilious sufferers and those whose circulation is depraved, should use without delay Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure, the celebrated blood purifier, which stimulates digestion, increases the nutritive properties of the blood, and expels impurities from the system.

Many Thanks.

"My age is 58 and for 20 years I have suffered from kidney complaint, rheumatism and lame back, and would have been a dead woman if it had not been for Burdock Blood Bitters, of which two bottles restored me to health and strength." Miss Maggie Hendsby, Half Island Cove, N. S.

Dollars, which might otherwise be thrown away by resorting to ineffectual medicines, are saved by purchasing that inexpensive specific for bodily pain and remedy for affections of the throat, lungs, stomach liver and bowels, Dr. Thomas' Oil, which does not deteriorate, and is thorough and pure.

Best of All

Cough Medicines, Ayer's Cherry Pectoral is in greater demand than ever. No preparation for Throat and Lung Troubles is so prompt in its effects, so agreeable to the taste, and so widely known, as this. It is the family medicine in thousands of households.

"I have suffered for years from a bronchial trouble that, whenever I take cold or am exposed to inclement weather, shows itself by a very annoying tickling sensation in the throat and by difficulty in breathing. I have tried a great many remedies, but none does so well as Ayer's Cherry Pectoral which always gives prompt relief in returns of my old complaint."—Ernest A. Hepler, Inspector of Public Roads, Parish Terre Bonne, La.

"I consider Ayer's Cherry Pectoral a most important remedy

For Home Use.

I have tested its curative power, in my family, many times during the past thirty years, and have never known it to fail. It will relieve the most serious affections of the throat and lungs, whether in children or adults."—Mrs. E. G. Edgerly, Council Bluffs, Iowa.

"Twenty years ago I was troubled with a disease of the lungs. Doctors afforded me no relief and considered my case hopeless. I then began to use Ayer's Cherry Pectoral, and, before I had finished one bottle, found relief. I continued to take this medicine until a cure was effected. I believe that Ayer's Cherry Pectoral saved my life."—Samuel Griggs, Waukegan, Ill.

"Six years ago I contracted a severe cold, which settled on my lungs and soon developed all the alarming symptoms of Consumption. I had a cough, night sweats, bleeding of the lungs, pains in chest and sides, and was so prostrated as to be confined to my bed most of the time. After trying various prescriptions, without benefit, my physician finally determined to give me Ayer's Cherry Pectoral. I took it, and the effect was magical. I seemed to rally from the first dose of this medicine, and, after using only three bottles, am as well and sound as ever."—Rodney Johnson, Springfield, Ill.

MANHOOD:
How Lost, How Restored!

Just published, a new edition of Dr. Culverwell's Celebrated Essay on the Radical cure of Spermatorrhœa or Impotency induced by excess or early indiscretion.

The celebrated author, in this admirable essay, clearly demonstrates from a thirty years' successful practice, that the alarming consequences of early error may be radically cured; pointing out a mode of cure at once simple, certain and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, privately and radically.
