EYES.

What merry mischief lies
Within a maiden's eyes,
Sweet eyes of every shade and hue:
And whether false or true—
There soft light who can analyse?

Here eyes as black as sloes
Illume a face the rose
Might envy, and in shadows fade.
They glorify the maid,
Whose forehead mocks the mountain snows.

There eyes, large, soft and gray,
Add lustre to the day;
Their glory, like a flash of mind,
Might strike fond Cupid blind,
Or light a lover on his way.

Yonder are eyes of blue,
And their cerulean hue
Reflects a halo heavenly bright.
It is a trustful light,
Whose lustre, like its source, is true.

How can a lover choose,
When eyes as black as sloes,
Or flashing eyes of glorious gray,
As bright as cloudless day,
Their variant lights and shades disclose?

Half hidden light that lies
Within a maiden's eyes
May strike like lightning from above;
Or, like the light of love,
Be soft as rays of genial skies.

Eyes gray or brown or blue,
Let us believe them true;
The light of souls to mortals given
Is light of love divine,
May it forever shine
To make home here like home in heaven.

STANLEY OUTGENERALED.

Stanley told a friend the other day a story which illustrates the African's quickness of retort. "I was talking with one of the Ugangas," said Stanley, "while a monkey the native had tamed was jumping from limb to limb of a tree near by. In a spirit of fun I said, 'You are not so very much unlike monkeys. You Ugangas speak to each other after a fashion, and the monkeys make signs to each other, and that's all you can do when you talk. Neither you nor the monkeys know anything that is going on outside of these great forests.' The Uganga man thought for a moment, and then ran up to the monkey that had perched on a low limb near us. Bending over the monkey, the man blew on the monkey's back, separating the fur as a furrier does in exhibiting the skin to a purchaser. Then he turned to me and pointed with a triumphant gesture to the monkey, saying, 'Monkey skin white. Uganga man's black.

GIVE HIM TIME.

Overheard on a Wagner car. Fussy old gentleman to a chance travelling lady companion:—

"Have you any children, madame?"

"Yes, sir, a son."

"Ah, indeed! Does he smoke?"

"No, sir; he has never as much as touched a cigarette."

"So much the better, madame, the use of tobacco is a poisonous habit. Does he frequent the clubs?"

"He has never put his foot in one."

"Allow me to congratulate you. Does he come home late?"

"Never. He goes to bed directly after dinner."

"A model young man, madame—a model young man. How old is he?"

"Two months."

If you'd have me,

Expel the worms by using the safe and and reliable anthelmintic Freeman's Worm Powders.

Before you give way to anger, try to find a reason for not being angry.

National Pills are a mild purgative, acting on the stomach, liver and bowels, removing all obstructions.

The world is made up on sharps and flats; the sharps live on the flats.

Hard and soft corns cannot withstand Holloway's Corn Cure; it is effectual every time. Get a bottle at once and be happy.

A man who goes through life with no other ambition than saving money is a mean man.

No remedy for blood disorders can equal Ayer's Sarsaparilla. Though concentrated and powerful, this medicine is perfectly safe, and may be taken as well as adults. Physicians recommend it in preference to any other. Price $1. Worth $5 a bottle.

Tailor.—"You promised me faithfully yesterday morning that you would call in and settle for that suit last night, if it rained pitchforks." Customer—"Yes, I know; but it didn't rain pitchforks."

—What Breaks up a Plumber.

Nothing breaks up a plumber so badly as to have to buy something at a retail drug store. Nothing makes better or more beautiful biscuit than Imperial Cream Tartar Baking Powder. Sold by all Grocers.

Though a man who wants a drink may get it under prohibition, under license a thousand get it who do not want it.

A Friend's Face.

A friend's face often looks sour and glum from the effects of misery-making biliousness or liver complaint. If we tell him to use Burdock Blood Bitters and he does it, the face soon brightens with returning health and happiness. B.B.B. never fails.

We should not sadden the harmless mirth of others by suffering our own melancholy to be seen; and this species of exertion is, like virtue, its own reward; for the good spirits which are at first stimulated become at length real.

Just why so many people suffer pain when a remedy of known and certain effect like Hagyard's Yellow Oil may be had at every drug store, is not very clear. This peerless pain soothing remedy is a prompt and pleasant cure for sore throat, croup, colds, rheumatism, lame back, etc. Price 25 cents.

"I thought you were going to marry Miss Goldthwaite, Charley. Haven't you had some aspirations in that line?" "I had, but it was no go. Her family were all opposed to it." "Well, but if the girl herself——" "I said all the family. She was one of 'em."

Thomas Robinson, Farnham Centre, P. Q., writes:—"I have been afflicted with rheumatism for the last ten years, and have tried many remedies without any relief. I got a bottle of Dr. Thomas' Eclectric Oil, and found it gave me instant relief, and since then have had no attack. I would recommend it to all."

There is nothing purer than honesty; nothing sweeter than charity nothing warmer than love; nothing brighter than virtue; and nothing more steadfast than faith. These, united in one mind, form the purest, the sweetest, the richest, the brightest and the most steadfast happiness.

The lungs, liver, kidneys, bowels, &c., act as so many waste gates for the escape of effete matter and gases from the body. The use of Northrop & Lyman's Vegetable Discovery helps them to discharge their duty. Mr. W. H. Lester, H. M. Customs, Toronto, writes: "I have personally tested the health giving properties of Northrop & Lyman's Vegetable Discovery, and can testify as to its great value."

"Sa'ah, curus 'bout Joe. Yo, 'membahs when he was a yeah ole I wah twenty yeahs ob age? Dat made me twenty times ol'er 'an him; but now he's ten, an' I'm only free times ol'er 'an him. 'Foe keeps gainin at dat rate he gun ter be my fadder 'fo' I'e a hun'erd yeah ole. But somehow or rudder I kaint 'splain de flosty ob it."

Mother and Babe.

GENTLEMEN,—I have used Hagyard's Pectoral Balsam for a bad cough, and was cured by one bottle. My babe only two months old also had a cough and on giving him some it helped him very much.

MRS. E. J. GORDIER,
Florence, Ont.

Girls and boys.—Old Friend—"I s'pose girls are a good deal more expensive to rear than boys, ain't they?" Old family man "Well, they is for a while, but mos' generally as soon as a girl marries she expense is through with; but just as quick as a son gets married he wants to borrer all you're got."

4,000,000 Miles.

In a life of 70 years the blood travels 4,000,000 miles. If impure and unhealthy it carries disease with it. Purify your blood with B.B.B.

I was up night and day with a bad arm, and could find no cure from doctors' medicine, so I took two bottles of B.B.B., which cured me. MISS GERTIE CHURCH,
Alymer, Ont.

Easily Caught.

Croup, colds, sore throat and many painful ailments are easily caught in this changeable climate. The never-failing remedy is just as easily obtained in Hagyard's Yellow Oil, which is undoubtedly the best of all the many remedies offered for the cure of colds or pains.

Mr. J. R. Allen, Upholsterer, Toronto, sends us the following: "For six or seven years my wife suffered with dyspepsia, costiveness, inward piles and kidney complaint. We tried two physicians and any number of medicines without getting any relief, until we got a bottle of Northrop & Lyman's Vegetable Discovery. This was the first relief she got, and before one bottle was used the benefit she derived from it was beyond our expectation."

A Successful Mission.

The medical mission of Burdock Blood Bitters in curing constipation, has been markedly successful. No other remedy possesses such peculiar power over this disease.

Was very bad with costiveness, and one bottle of B. B. B. cured me, would not be without it, says

MRS. WM. FINLEY, JR.,
Bobcaygeon, Ont.

People Wonder

WHEN they find how rapidly health is restored by taking Ayer's Sarsaparilla. The reason is that this preparation contains only the purest and most powerful alteratives and tonics. To thousands yearly it proves a veritable elixir of life.

Mrs. Jos. Lake, Brockway Centre, Mich., writes: "Liver complaint and indigestion made my life a burden and came near ending my existence. For more than four years I suffered untold agony. I was reduced almost to a skeleton, and hardly had strength to drag myself about. All kinds of food distressed me, and only the most delicate could be digested at all. Within the time mentioned several physicians treated me without giving relief. Nothing that I took seemed to do any permanent good until I began the use of Ayer's Sarsaparilla, which has produced wonderful results. Soon after commencing to take the Sarsaparilla I could see an

Improvement

in my condition, my appetite began to return and with it came the ability to digest all the food taken, my strength improved each day, and after a few months of faithful attention to your directions, I found myself a well woman, able to attend to all household duties. The medicine has given me a new lease of life, and I cannot thank you too much."

"We, the undersigned, citizens of Brockway Centre, Mich., hereby certify that the above statement, made by Mrs. Lake, is true in every particular and entitled to full credence."—O. P. Chamberlain, G. W. Waring, C. A. Wells, Druggist.

"My brother, in England, was, for a long time, unable to attend to his occupation, by reason of sores on his foot. I sent him Ayer's Almanac and the testimonials it contained induced him to try Ayer's Sarsaparilla. After using it a little while, he was cured, and is now a well man, working in a sugar mill at Brisbane, Queensland, Australia."—A. Attewell, Starbot Lake, Ontario.

Victoria Carbolic salve is a great aid to internal medicine in the treatment of scrofulous sores, ulcers, and abscesses of all kinds.

Member of the Legislature.

In addition to the testimony of the Governor of the State of Maryland, U. S. A., a member of the Maryland Legislature, Hon. Wm. C. Harden, testifies as follows: "716 Dolphin St., Balto., Md., U.S.A., Jan, 18, '90. Gentlemen: I met with a severe accident by falling down the back of my residence, in the darkness, and was bruised badly in my hip and side, and suffered severely. One and a half bottles of St. Jacobs Oil completely cured me. WM. C. HARDEN." Member of State Legislature.

Rest and Comfort to the Suffering.

"Brown's Household Panacea" has no equal for relieving pain both internal and external. It cures pain in the side, back, or bowels, sore throat, rheumatism, toothache, lumbago and any kind of pain or ache. "It will most surely quicken the Blood and Heal as its acting power is wonderful." "Brown's Household Panacea," being acknowledged as the great Pain Reliever, and of double the strength of any other Elixir or Liniment in the world, should be in every family handy for use when wanted, "as it really is the best remedy in the world for cramps in the stomach, and pains and aches of all kinds and is for sale by all druggists at 25 cents a bottle.

Quack Advertisements

Are a nuisance and we think it behooves publishers to examine into the merits of many articles puffed up in their columns. We do not deny that many meritorious remedies are properly to be classed under this heading. Take the hundreds and thousands relieved from severe suffering by the use of Polson's Nerviline; would it not be unreasonable for them to condemn that far-famed remedy? Now we know for a fact that Polson's Nerviline is without exception the most powerful, pleasant and certain remedy in the world for pain. It cannot fail, for it goes right to the bottom of pain, penetrates to the nerves, soothes them into quietness, and affords prompt and permanent relief.

Consumption Cured.

An old physician, retired from practice having had placed in his hands by an East India missionary the formula of a simple vegetable remedy for the speedy and permanent cure of consumption, bronchitis, catarrh, asthma and all throat and lung affections, also a positive and radical cure after having tested its wonderful curative powers in thousand of cases, has felt it his duty to make it known to his suffering fellows. Actuated by this motive and a desire to relieve human suffering, I will send free of charge, to all who desire it, this recipe, in German, French or English, with full directions for preparing and using. Sent by mail by addressing with stamp naming this paper. W. A. NOYES, 820 Powers' Block, Rochester, N. Y.

Dangers In Delay.

If we were allowed to look into the future and see the fatal consequences that follow a neglected cold, how differently would our course be; could we realize our danger, how speedily would we seek a cure; but with many it is only when the monster disease has fastened its fangs upon our lungs that we awaken to our folly. What follows a neglected cold? Is it not diseases of the throat and lungs, bronchitis, asthma, consumption, and many other diseases of like nature. It is worse than madness to neglect a cold, and it is folly not to have some good remedy available for this frequent complaint. One of the most efficacious medicines for all diseases of the throat and lungs, is Dickie's Anti-Consumptive Syrup. This medicine is composed of several medicinal herbs, which exert a most wonderful influence in curing consumption and other diseases of the lungs and chest. It promotes a free and easy expectoration, soothes irritation and drives the disease from the system.

The pangs endured by the early Christian martyrs were no doubt excruciating, but not so prolonged or scarcely more dreadful than those experienced by the sufferers from inflammatory rheumatism—a disease which is easily curable at the outset with Dr. Thomas' Eclectric Oil—a sovereign remedy for pain—a reliable curative of kidney, liver and other complaints, and a medicine of the purest as well as the most salutary kind.

Cold Waves

Are predicted with reliable accuracy, and people liable to the pains and aches of rheumatism dread every change to damp or stormy weather. Although Hood's Sarsaparilla is not claimed to be a positive specific for rheumatism, the cures it has effected show that it may be taken for this complaint with reasonable certainty of benefit. Its action in neutralizing the blood, which is the cause of rheumatism constitutes the secret of Hood's Sarsaparilla. If you suffer from rheumatism, give Hood's Sarsaparilla a fair trial; it will do you good.
