The Young Folks.

THE FARMER'S DAUGHTER.

Upon the doorstep meekly waits,
Since all the summer days are spent,
While sunset floods the western gates,
The gentle, gracious Millicent.

Meek as the lily by the door,
That from the flower-bed lifts its head,
Is she, with thoughts that evermore
Upon her life sweet influence shed.

A farmer's daughter plainly dressed,
Of charming modesty and grace,
With character as well expressed
As is the beauty of her face.

When duty calls she forward springs
To answer all the tasks that come,
And by her mastery of things
How beautiful she makes the home!

The house responds to her control;
The table is most neatly spread;
There's not a chair, or cup, or bowl,
On which some charm she has not shed.

But now she hears a step close by,
Which momently approaches last;
It is a youth's, whose happy eye
Upon her worth has long been cast.

How easily his thoughts are guessed,
Through love's transfiguring surprise;
She is the one he loves the best,
And nothing else attracts his eyes.

At length the happy tale is told,
And welcomed with an answer sweet;
The message which is never old,
Which makes two hearts and lives complete!

—*Joel Benton.*

In his new story, "A Group of Noble Dames," Thomas Hardy says: "For every summer there is a winter and sometimes a winter and a half.

Skin diseases are most annoying because so noticeable. Dr. Low's Sulphur Soap heals and cleanses the skin.

Ask Your Friends

Who have taken Hood's Sarsaparilla what they think of it, and the replies will be positive in its favor. One has been cured of indigestion and dyspepsia, another finds it indespensible for sick headache, others report remarkable cures for scrofula, salt rheum, etc. Truly, the best advertising which Hood's Sarsaparilla receives is the hearty endorsement of its army of friends.

Have you tried Imperial Cream Tartar Baking Powder? Do so: it is the purest and best, always reliable.

Mr. John Anderson, Grassmere, Ont., writes: "The Vegetable Discovery you sent is all gone, and I am glad to say that it has greatly benefited those who have it. One man in particular says it has made him a new man, and he cannot say too much for its cleansing and curative qualities."

Holloway's Corn Cure destroys all kinds of corns and warts, root and branch. Who then would endure them with such a cheap and effectual remedy within reach?

Pickled tongue.—There is a paper printed in the Cherokee nation in the "native dialect." An Arkansas editor says: "It is the worst specimen of pickled tongue we ever saw. It looks as though a nitro-glycerine explosion had occurred in a type foundry.

C. R. Hall, Grayville, Ill., says:—"I have sold at retail price since the 4th of December last 156 bottles of Dr. Thomas' Eclectric Oil, guaranteeing every bottle. I must say I never sold a medicine in my life that gave such universal satisfaction. In my own case, with a badly Ulcerated Throat, after a physician penciling it for several days to no effect, the Eclectric Oil cured it thoroughly in twenty-four hours, and in threatened croup in my children this winter it never failed to relieve almost immediately."

A Chief of Police.

There is no body of men more liable to suffer from exposure than the police. But as an example of how they get rid of their maladies, the following is cited: Green Island, N.Y., U.S.A., Feb. 11, 1889: "I suffered with neuralgia in the head, but found instant relief from the application of St. Jacob's Oil, which cured me." E. P. Bellport, Chief of Police.

If the man with a pen is made of the right stuff there will always be an affinity between him and the man of the hoe and plow.

Don't Miss It.

A new and attractive publication containing many useful, interesting and instructive features has just been issued by T. Milburn & Co., of Toronto, under the title of Burdock Blood Bitters Almanac or 1891. It is now in the hands of druggists and merchants for free distribution and we would advise our readers to secure a copy before the supply is exhausted.

Judge for yourself.—The agent for a patent coffin says in his circular, "Undertakers who have used it pronounce it a perfect success, and we ask you to try it, free of charge, and judge for yourself."

A $750 COTTAGE.

or its equivalent in cash will be given to the person detecting the greatest number of errors, (words wrongly spelled or misplaced) in the December issue of "*Our Home.*" In addition will be given two cash prizes of $200 each, four of $100, eight of $50, ten of $25, twenty-five of $10, fifty of $5, one hundred of $2, and one hundred and fifty of $1, distributed in the order mentioned in rules and regulations, which will be sent with a copy of December issue on receipt of 15 cents in stamps. Special Cash Prizes given away almost every day during competition which closes February 1st, 1891.

Address *Our Home* Publishing Co., Brockville, Canada.

Never played such a trick.—A Hampshire farmer wanted a farm hand, and was applied to by an Irishman who wanted to work. The farmer objected to engaging him on the ground that two Irishmen previously in his employ had died on his hands. "Then you object to hiring me for that, do ye?" said Pat. "Faith, and I can bring you riocmendations from many a place where I've worked that I never played such a trick."

My Toothache!

is an exclamation heard every hour in the day. Toothache is the most common ailment of young and old, and in the aggregate inflicts more suffering than perhaps any other single complaint. A one minute cure is just what every person desires to possess. Nerviline—nerve pain cure—acts almost instantly in relieving the agony, and a sample bottle affords a quantity sufficient for 100 applications. 10 cents fills the bill. Polson's Nerviline is the positive remedy for toothache and all nerve pains. Sold by all dealers in medicine.

"Brown's Household Panacea" has no equal for relieving pain both internal and external. It cures pain in the side, back, or bowels, sore throat, rheumatism, toothache, lumbago and any kind of pain or ache. "It will most surely quicken the Blood and Heal as its acting power is wonderful." "Brown's Household Panacea," being acknowledged as the great Pain Reliever, and of double the strength of any other Elixir or Liniment in the world, should be in every family handy for use when wanted, "as it really is the best remedy in the world for cramps in the stomach, and pains and aches of all kinds and is for sale by all druggists at 25 cents a bottle."

A minister, looking into the box after the collection, remarked:—"Alexander the coppersmith is evidently present." "Yes," responded another, "Some of the sect of the Nicodemitans also."

Medical Hints.

The quickest, surest and best remedy for rheumatism, neuralgia, lumbago, sore throat, soreness, and lameness, is Hagyard's Yellow Oil. It quickly cures sprains, bruises, burns, frostbites, chilblains, etc. For croup, colds, quinsey, etc., take 10 to 30 drops on sugar, and apply the oil externally also, when immediate relief will result.

Reading cars, fitted out with the most popular periodicals and books, will be attached to the passenger trains of the St. Petersburg & Warsaw railroad.

In order to give quietus to a hacking cough, take a dose of Dr. Thomas' Eclectric Oil thrice a day, or oftener if the cough spells render it necessary. This widely esteemed remedy also cures crick in the back, rheumatic complaints, kidney ailments, pains, etc. It is used inwardly and outwardly.

Does Experience Count?

It does, in every line of business, and especially in compounding and preparing medicines. This is illustrated in the great superiority of Hood's Sarsaparilla over other preparations, as shown by the remarkable cures it has accomplished.

The head of the firm of C. I. Hood & Co. is a thoroughly competent and experienced pharmacist, having devoted the whole of his life to the study and actual preparation of medicines. He is also a member of the Massachusetts and American Pharmaceutical Association, and continues actively devoted to supervising the preparation of and managing the business connected with Hood's Sarsaparilla.

Hence the superiority and peculiar merit of Hood's Sarsaparilla is built upon the most substantial foundation. In its preparation there is represented all the knowledge which modern research in medical science has developed, combined with long experience, brainwork, and experiment. It is only necessary to give this medicine a fair trial to realize its great curative value.

People Wonder

WHEN they find how rapidly health is restored by taking Ayer's Sarsaparilla. The reason is that this preparation contains only the purest and most powerful alteratives and tonics. To thousands yearly it proves a veritable elixir of life.

Mrs. Jos. Lake, Brockway Centre, Mich., writes: "Liver complaint and indigestion made my life a burden and cause near ending my existence. For more than four years I suffered untold agony. I was reduced almost to a skeleton, and hardly had strength to drag myself about. All kinds of food distressed me, and only the most delicate could be digested at all. Within the time mentioned several physicians treated me without giving relief. Nothing that I took seemed to do any permanent good until I began the use of Ayer's Sarsaparilla, which has produced wonderful results. Soon after commencing to take the Sarsaparilla I could see an

Improvement

in my condition, my appetite began to return and with it came the ability to digest all the food taken, my strength improved each day, and after a few months of faithful attention to your directions, I found myself a well woman, able to attend to all household duties. The medicine has given me a new lease of life, and I cannot thank you too much."

"We, the undersigned, citizens of Brockway Centre, Mich., hereby certify that the above statement, made by Mrs. Lake, is true in every particular and entitled to full credence."—O. P. Chamberlain, G. W. Waring, O. A. Wells, Druggist.

"My brother, in England, was, for a long time, unable to attend to his occupation, by reason of sores on his foot. Present him Ayer's Almanac and the testimonials it contained induced him to try Ayer's Sarsaparilla. After using it a little while, he was cured, and is now a well man, working in a sugar mill at Brisbane, Queensland, Australia."—A. Attewell, Sharlot Lake, Ontario.

Consumption Cured.

An old physician, retired from practice having had placed in his hands by an East India missionary the formula of a simple vegetable remedy for the speedy and permanent cure of consumption, bronchitis, catarrh, asthma and all throat and lung affections, also a positive and radical cure after having tested its wonderful curative powers in thousand of cases, has felt it his duty to make it known to his suffering fellows. Nothing so suddenly obstructs the perspiration as sudden transitations from heat or cold. Heat rarifies the blood, quickens the circulation and increases the perspiration, but when these are suddenly checked the consequences must be bad. The most common cause of disease is obstructed perspiration, or what commonly goes by the name of catching cold. Coughs, colds, sore throat, etc., if attended to in time are easily subdued, but if allowed to run their own course; generally prove the fore-runner of more dangerous diseases. Nine-tenths of the consumptives date their affliction from a neglected cold, and the diseases caused by wet feet, damp clothes, or exposure are more generally supposed. One of the most efficacious medicines for all diseases of the throat and lungs is Bickle's Anti-Consumpation Syrup. It promotes a free and easy expectoration, which frees the lungs from viscid phlegm by changing the secretions from a diseased to a healthy state.
