The Young Folks.

HIS VISION.

I am sitting alone here and thinking,
And a vision before me doth rise
Of a lovely girl with teeth like pearl
And such beautiful dark brown eyes.
I can hear her silvery laughter
And the tones of her musical voice,
Oh! You would gare with rapt surprise
If you could see—so dear to me
This girl with the dark brown eyes.

She is standing over yonder
With her face towards the Lea.
She is thinking now of her sweetheart,
But never a thought of me.
Ah well, I need not trouble,
I can ease my heart with sighs,
And I can always have my vision!
Of the girl with dark brown eyes.

She is just like one of the angels
That come down from the skies,
Diffusing light and joy, without alloy
From the depths of her dark brown eyes.
I don't think of a world without her,
A journey through life, wherever my pathway lies,
Of the sun shining bright, and the stars at night,
And no girl with dark brown eyes.

But why do I sit here dreaming,
A fond lover will soon claim the prize
What then will be left to those bereft
Of the light of the dark brown eyes
Advise—but I know she'll be happy,
What's this—tush—'tis but the weak that cries;
Here—let me wish all joy and happiness
To the girl with the dark brown eyes.

"I Am So Tired."

Is a common exclamation at this season. There is a certain bracing effect in cold air which is lost when the weather grows warmer. It is remarkable how susceptible the system is to the help to be derived from a good medicine at this season. Possessing just those purifying, building-up qualities which the body craves, Hood's Sarsaparilla soon overcomes that tired feeling, restores the appetite, purifies the blood, and, in short, imparts vigorous health.

Honey bees never sting one another.

Milburn's Cod Liver Oil Emulsion with Wild Cherry and Hypophosphites is the surest and best cure for coughs, colds, hoarseness, bronchitis and asthma. Price 50c. and $1.00 per bottle.

A bad reputation is a hard thing to lose.

Seven Years' Suffering.

GENTLEMEN,—I had suffered very much from inflammatory rheumatism, which through wrong treatment left ugly running sores on my hands and feet. With these I suffered for seven years, during which time I had neither shoe nor stocking on. I commenced using B. B. B. externally and internally, using the pills also, and I can say now that the sores are entirely cured, and have been for some time. I believe the bitters were the means of saving my life.

MRS. ANNIE BABB,
Crewson's Corners, Acton P.O., Ont.

An evil thought is the mother of an evil deed.

Beckles Anti Consumptive Syrup is a a combination of several medicinal herbs which exert a most wonderful influence in curing pulmonary consumption and all other diseases of the lungs, chest and throat. It promotes a free and easy expectoration, and gives ease even to the greatest sufferer. Coughs, colds, shortness of breath, and affections of the chest, attended with weakness of the digestive organs, or with general debility, seems to vanish under its use. No other remedy acts so readily in allaying inflammation or breaking up a severe cold, even the most obstinate cough is overcome by its penetrating and healing properties. When children are affected with colds, coughs, inflammation of the lungs, croup, quinsey, and sore throat, this Syrup is of vast importance. The number of deaths among children from these diseases is truly alarming. It is so palatable that a child will not refuse it, and is put at such a price that will not exclude the poor from its benefits.

Going to heaven on a tombstone is a risky business.

If you are despondent, low spirited, irritable, and peevish, and unpleasant sensations are felt invariably after eating, then get a bottle of Northrop & Lyman's Vegetable Discovery and it will give you relief. You have Dyspepsia. Mr. R. H. Dawson, St. Mary's, writes: "Four bottles of Vegetable Discovery entirely cured me of Dyspepsia; mine was one of the worst cases. I now feel like a new man."

As soon as we form a habit we have a master.

Harassing headaches make many lives miserable, needlessly so, when a prompt cure like Burdock Blood Bitters is obtainable.

Every tear shed in sympathy for others makes us better.

CONSUMPTION CURED.

An old physician, retired from practice having had placed in his hands by an East India missionary the formula of a simple vegetable remedy for the speedy and permanent cure of Consumption, Bronchitis, Catarrh, Asthma and all throat and Lung affections, also a positive and radical cure for Nervous Debility and all Nervous Complaints, after having tested its wonderful curative powers in thousands of cases, has felt it his duty to make it known to all his suffering fellows. Actuated by this motive and a desire to relieve human suffering, I will send free of charge, to all who desire it, this recipe in German, French or English with full directions for preparing and using. Sent by mail by addressing with stamp, naming this paper. W. A. Noyes 820 Powers' Block, Rochester, N. Y.

One Minute Cure for Toothache.

Toothache, the most common and one of the most painful affections, is instantly cured by the application of Polson's Nerviline. Polson's Nerviline is a combination of powerful anodynes and it strikes at once to the nerves, soothing them and affording in one minute total relief from pain. Mothers, try it for your children's toothache. Nerviline is sold in 10 and 25 cent bottles by all druggists.

Remember that you are made out of the same kind of dust as all other people.

Sick headache caused by excess of bile or a disordered stomach is promptly relieved by using National Pills.

PROGRESS.

It is very important in this age of great material progress that a remedy be pleasing to the taste and to the eye, easily taken, acceptable to the stomach and healthy in its nature and effects. Possessing these qualities, Syrup of Figs is the one perfect laxative and most gentle diuretic known.

Every sin that is not forsaken marries and raises a family.

Fabesh Snow, Gunning Cove, N. B., writes:—"I was completely prostrated with the asthma, but hearing of Dr. Thomas' Eclectric Oil, I procured a bottle, and it did me so much good that I got another, and before it was used, I was well. My son was cured of a bad cold by the use of half a bottle. It goes like wild-fire, and makes cures wherever it is used."

Children always Enjoy It.

SCOTT'S EMULSION

of pure Cod Liver Oil with Hypophosphites of Lime and Soda is almost as palatable as milk.

A MARVELLOUS FLESH PRODUCER

It is indeed, and the little lads and lassies who take cold easily, may be fortified against a cough that might prove serious, by taking Scott's Emulsion after their meals during the winter season.

Beware of substitutions and imitations.

An Enterprising Hotel Man.

It is stated that a hotel man in Toronto has posted up a notice stating that all diners at his place who use Burdock Blood Bitters to tone up their appetite and strength, will be charged 20 per cent. extra. We do not know how true this is, but B. B. B. undoubtedly does the work and does it quickly and well.

Most girls like to regard themselves as cold and unapproachable.

Bessie H. Bedloe, Burlington, Vt., had a disease of the scalp, causing her hair to become very harsh and dry, and to fall so freely that she scarcely dared to comb it. Ayer's Hair Vigor gave her a healthy scalp, removed the dandruff, and made the hair thick and glossy.

The greatest charm of a good woman is that she is so little like a man.

One or two bottles of Northrop & Lyman's Vegetable Discovery will purify the blood, remove Dyspepsia, and drive away that extreme tired feeling which causes so much distress to the industrious, and persons of sedentary habits. Mr. W. E. Ellis, Druggist, Fenelon Falls, writes: "The Vegetable Discovery is selling well and giving good satisfaction."

SHILOH'S CONSUMPTION CURE.

This GREAT COUGH CURE, this successful CONSUMPTION CURE, is without a parallel in the history of medicine. All druggists are authorized to sell it on a positive guarantee, a test that no other cure can successfully stand. If you have a Cough, Sore Throat or Bronchitis, use it, for it will cure you. If your child has the Croup or Whooping Cough, use it promptly, and relief is sure. If you dread that insidious disease CONSUMPTION, don't fail to use it, it will cure you or cost nothing. Ask your druggist for SHILOH'S CURE, price 10cts., 50cts. and $1.00. If your Lungs are sore or Back Lame, use Shiloh's Porous Plaster. 25cts.

THE TANGLED SKEIN.

She put the skein upon my wrist,
Sweet Madeline, so young and fair;
For when a maiden once insists
Who can refuse her task to share?

Our talk, which had been long and brisk,
Was now resumed at closer view,
And still I noticed not my risk
While swift her ball and fingers flew.

I felt so happy we had met;
Ah, how I strove to do my part;
Her charms, which I could not forget,
Awoke new raptures in my heart.

Confused, I dropped one half the skein,
Until its threads were all askew;
And when she put it on again
I said: "The fault is all with you."

And whilst her fingers touched my hand—
O, fairest, rarest Madeline—
I said what she could understand;
I asked her if she would be mine.

Soft blushes mantled all her cheek;
And when the yarn and ball were done
A kiss told more than words can speak,
And all her love was straightway won!

Turn the Rascals Out.

We refer to such rascals as dyspepsia, bad blood, biliousness, constipation, sick headache, etc., infesting the human system. Turn them out and keep them out by using Burdock Blood Bitters, the natural foe to disease, which invigorates, tones and strengthens the entire system.

Some men will do you a favor and then bore you an hour about it.

SIRS,—A year ago I was troubled with spots breaking out all over my body, the effect of bad blood. I consulted three different doctors, who gave me medicine, but did not cure me. I was advised to try B. B. B., and after using two bottles I noticed the spots getting less. I continued the use of B. B. B., which entirely cured me, giving me a splendid appetite. Since then I would use no other medicine.

When a pretty girl discovers that she is pretty she loses her greatest charm.

Not many physicians make great therapeutic discoveries. For the most part they content themselves with administering judiciously what is prescribed in the books. To Dr. J. C. Ayer, however, is due the credit of discovering that greatest of blood-purifiers.—Ayer's Sarsaparilla.

Oh, What a Cough?

Will you heed the warning. The signal perhaps of the sure approach of that more terrible disease Consumption. Ask yourselves if you can afford for the sake of saving 50c., to run the risk and do nothing for it. We know from experience that Shiloh's Cure will cure your cough. It ever fails.
