Fatally Injured by a Saw.

Midhurst, Ont., May 20.—A young man recently from the Old Country, named Watt, employed in Hulbert & Merryfield's sawmill at Monkton, was reaching over the edging saw and losing his balance fell upon it. His leg was cut off and he died a few hours later.

How to cure a corn.

It is one of the easiest things in the world to cure a corn. Do not use acids or other caustic preparations, and don't cut a hole in your boot. It is simply to apply Putnam's Painless Corn Extractor and in three days the corn can be removed without pain. Sure, safe, painless. Take only Putnam's Corn Extractor.

There's Magic in it!

What must be the satisfaction and gratification, at so small a cost, of one who writes like this: Mr W Mason, editor of the *Berkshire Bible, Through News*, Retford, Eng., says: "I had suffered from a sprained knee for twelve months, without being able to obtain relief from the pain, when I rubbed the knee thoroughly for twenty minutes with St Jacob's Oil. That night I traveled 200 miles by railway, the next day I walked 25 miles, and the pain had entirely disappeared. I have never had the slightest return of it since."

David Haverty, an old resident of Kingston, employed as night watchman on the steamer Spartan, fell into the dry dock early Sunday morning and was drowned.

Rev J. B. Huff, Florence, writes: "I have great pleasure in testifying to the good effects which I have experienced from the use of Northrop & Lyman's Vegetable Discovery for Dyspepsia. For several years nearly all kinds of food fermented on my stomach, so that after eating I had very distressing sensations, but from the time I commenced the use of the Vegetable Discovery I obtained relief."

CONSUMPTION CURED.

An old physician, retired from practice, having had placed in his hands by an East India missionary the formula of a simple vegetable remedy for the speedy and permanent cure of Consumption, Bronchitis, Catarrh, Asthma and all throat and Lung affections, also a positive and radical cure for Nervous Debility and all Nervous Complaints, after having tested its wonderful curative powers in thousands of cases, has felt it his duty to make it known to all his suffering fellows. Actuated by this motive and a desire to relieve human suffering, I will send free of charge, to all who desire it, this recipe in German, French or English with full directions for preparing and using. Sent by mail by addressing with stamp, naming this paper, W. A. NOYES, 820 Powers' Block, Rochester, N. Y.

Items of General Interest to Free Press Readers.

The Ladies Delighted.

The pleasant effect and the perfect safety with which ladies may use the liquid fruit laxative, Syrup of Figs, under all conditions make it their favorite remedy. It is pleasant to the eye and to the taste, gentle, yet effectual in acting on the kidneys, liver and bowels.

The disastrous floods in Iowa, Nebraska, Wisconsin and other States continue. The number of people drowned is estimated at several hundred.

Minard's Liniment for Rheumatism.

A lady in Syracuse writes: "For about seven years before taking Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure, I suffered from a complaint very prevalent with our sex. I was unable to walk any distance, or stand on my feet for more than a few minutes at a time, with but feeling exhausted, but now I am thankful to say, I can walk two miles without feeling the least inconvenience. For female complaints it has no equal."

It is said that should the Liberals be successful at the coming general elections in Great Britain Mr. Gladstone will enter the House of Lords, from whence he will direct the party.

The Dreaded Influenza.

Following this scourge of humanity come a train of evils in the shape of obstinate colds, coughs, lung troubles, etc. There is no remedy so prompt, and at the same time effectual and pleasant, as Milburn's Cod Liver Oil Emulsion with Wild Cherry and Hypophosphites, which is the latest and best combination of anti-consumptive remedies. Price 50c. and $1.00 per bottle.

Sins.—A year ago I was troubled with spots breaking out all over my body, the effect of bad blood. I consulted three different doctors, who gave me medicine, but did not cure me. I was advised to try B. B. B. and after using two bottles I noticed the spots getting less. I continued the use of B. B. B., which entirely cured me, giving me a splendid appetite. Sincerely I would use no other medicine.

The By-Elections

have passed by and we can now consider the best protection against disease. There is unrestricted reciprocity of sentiment between all people in Canada in pronouncing Burdock Blood Bitters the very best blood purifier, dyspepsia and headache remedy, and general tonic renovating medicine before the public.

SHILOH'S CONSUMPTION CURE.

This GREAT COUGH CURE, this successful CONSUMPTION CURE, is without a parallel in the history of medicine. All druggists are authorized to sell it on a positive guarantee, a test that no other cure can successfully stand. If you have a Cough, Sore Throat or Bronchitis, use it, for it will cure you. If your child has the Croup or Whooping Cough, use it promptly, and relief is sure. If you dread that insidious disease CONSUMPTION, don't fail to use it, it will cure you or cost nothing. Ask your druggist for SHILOH'S CURE, price 10cts., 50cts. and $1.00. If your Lungs are sore or Back Lame, use Shiloh's Porous Plaster. 25cts.

The Wonderful Success

Of Hood's Sarsaparilla as a blood purifier entitles it to your confidence. No other preparation has such a record of cures of Scrofula, Salt Rheum, Blood Poisoning, or other blood diseases. To try it is to know its merit. Be sure to get Hood's Sarsaparilla.

For a general family cathartic we confidently recommend Hood's Pills. They should be in every home medicine chest.

A Good Suggestion.

By constipation is meant irregular action of the bowels, often called costiveness, and commonly caused by dyspepsia, neglect, excess in eating or drinking, etc. A uniformly successful remedy is Burdock Blood Bitters which, if faithfully tried, never fails to effect a prompt and lasting cure even in the worst cases. The following extract from a letter from Mr. Jas. M. Carson, Banff, N. W. T., will speak for itself:—"I have been troubled with constipation and general debility and was induced to use your B. B. B. through seeing your advertisement. I now take great pleasure in recommending it to all my friends, as it completely cured me."

Saying yes to sin is saying no to Christ, no matter how little it is.

Canada is being congratulated everywhere on the excellences of her manufactures. Art Stained Glass is prominently in the front rank of her improvements, thanks to McCausland & Son, of Toronto, who for 10 years have labored not only to accumulate money, but to make Stained and Ornamental Glass of all kinds a credit to the Dominion.

The world is slow to believe that a sin is black as long as it pays well.

Dangers of Delay.

If we were allowed to look into the future and see the fatal consequences that follow a neglected cold, how differently would our course be; could we realize our danger, how speedily we would seek a cure; but with many it is only when the monster disease has fastened its fangs upon our lungs that we awaken to our folly. What follows a neglected cold? Is it not diseases of the throat and lungs, bronchitis, asthma, consumption, and many other diseases of like nature. It is worse than madness to neglect a cold, and it is folly not to have some good remedy available for this frequent complaint. One of the most efficacious medicines for all diseases of the throat and lungs, is Buckle's Anti-Consumptive Syrup. This medicine is composed of several medicinal herbs, which exert a most wonderful influence in curing consumption and other diseases of the lungs and chest. It promotes a free and easy expectoration, soothes irritation and drives the disease from the system.

WONDER IN WELLAND!

A Representative Farmer Speaks.

MR. C. C. HAUN.

The following remarkable facts are fully certified to as being undeniably correct in every particular. Mr. Haun is well known in the vicinity, having resided here over fifty years, and is highly respected as a man of the strictest honor, whose word is as good as his bond.

As will be seen from his letter, four physicians had attended him, and it was only after he had given up hope of cure that he decided to try Burdock Blood Bitters on the recommendation of a neighbor who had been cured of a similar disease by its use. Mr. Haun writes as follows:

DEAR SIRS,—I think I have been one of the worst sufferers you have yet heard of, having been six years in the hands of four of our best doctors without obtaining permanent relief, but continually growing worse, until almost beyond hope of recovery, I tried your Bitters and got relief in a few days. Every organ of my body was deranged, the liver enlarged, hardened and torpid, the heart and digestive organs seriously deranged, a large abscess in my back, followed by paralysis of the right leg, in fact the lower half of my body was entirely useless. After using Burdock Blood Bitters for a few days the abscess burst, discharging fully five quarts of pus in two hours. I felt as if I had received a shock from a powerful battery. My recovery after this was steady and the cure permanent, seeing that for the four years since I have had as good health as ever I had. I still take an occasional bottle, not that I need it but because I wish to keep my system in perfect working order. I can think of no more remarkable case than what I have myself passed through, and no words can express my thankfulness for such perfect recovery.

C. C. HAUN,
Welland P.O.

In this connection the following letter from T. Cumines, Esq., a leading druggist of Welland, Ont., speaks for itself:

Messrs. T. Milburn & Co., Toronto.

GENTLEMEN,—I have been personally acquainted with Mr. C. C. Haun for the last 20 years, and have always found him a very reliable man. You may place the utmost confidence in anything he says with regard to your medicine. He has on many occasions within the last four years told me that it was marvellous the way the Burdock Blood Bitters had cured him, and that he now felt as able to do a day's work as he ever felt in his life. Although quite well he still takes some B. B. B. occasionally, as he says, to keep him in perfect health.

Yours truly,
THOMAS CUMINES,
Welland, Ont.

"Spare the Advertisement AND Spoil the Business."

This is the course adopted during warm weather by thousands of men who would not enjoy being informed that they were anything but clear-headed managers. It is, however, a fact that those nervy men who use advertising space in abundance during the summer months secure business which would not otherwise be theirs. To sleep during the months of June, July, August and September, seems suicidal nonsense. It may be the old-fashioned method, but business certainly should not be done now on any such antiquated basis. Live men are learning pretty fast that those who advertise obtain the trade, and those who desire to secure trade all the year must advertise in the summer as well as during the balance of the year.
