The Young Folks.

AMEN.

I can not say.
Repeat it in presence of cares today.
I joy in these;
But I can say
That I had rather walk this rugged way
If Him it please.

I cannot feel
That all is well, when darkening clouds conceal
The shining sun;
But then, I know
God lives and loves; and say, since it is so,
Thy will be done.

I can not speak
In happy tones the tear drops on my cheek
Show I am sad,
But I can speak
Of grace to suffer with submission meek,
Until made glad.

I do not see
Why God should e'en permit some things to be,
When he is love,
But I can see,
Though often slowly, through the mystery,
His hand above.

I do not look
Upon the present, nor in nature's book
To read my fate.
But I do look
For promised blessings in God's Holy Book,
And I can wait.

QUITE SATISFIED.

The Prince of Wales not long ago was one of a large house party at a place in the English Midlands, his host being a well-known peer.

After dinner the Royal guest, the host and the other male visitors repaired to the billiard room.

On a table at the side were two or three boxes of cigars, and the Prince was helping himself to one, when an ambitious millionaire approached him, and, taking from his pocket a cigar case, held it out to the Prince, saying, "I think, sir, you will find these better."

"Mr. —, if a man's dinner is good enough for me, his cigars are good enough for me," replied the Prince.

The millionaire was unexpectedly called away to town next morning on business!

OWN A HOUSE.

No matter how small, no matter how modest, no matter if you have to run in debt for it. It pays you in the long run. In cheers and encourages you every day; it makes you feel more like a man, makes you a better citizen, adds to the value of property and gives you a stimulus that nothing else can. Go into the town where the majority own the home they live in, and then go into a town composed of a class who cannot or think they cannot buy a permanent home. Note the difference. In the first instance you see neat homes that vary in the design and all around are little evidences that show how plainly the people who live there have an interest besides seeing the rent is paid.

Every observer who walks the streets of a great city, and scans with intelligent eye the colorous faces of more than fifty per cent. of the people he meets, can easily agree with us in the statement, that this age, which makes such drafts upon the working energies of the greater part of them in the intense pursuit of business, has destroyed in a proportionate degree the animal health and robust constitution. Nature, in this stage of exhaustion, cannot be restored of itself, but requires some stimulating tonic, to strengthen and keep the system in regular running order, and in Northrop and Lyman's Quinine Wine we have the exact remedy required. The peculiar operation of this medicine in cases of general debility and nervous prostration has undergone long and close observation, and it is believed it will never fail, if properly and judiciously administered. Prepared by Northrop & Lyman, Toronto, and sold by all druggists.

Instruct your son (well, or otherwise) will instruct him ill. No child goes altogether untaught. Send him to the school of wisdom or he will go of himself to the rival academy. There is always instruction going on of some sort, just as in the fields the progress of vegetation is never idle.

A Burn to Horsemen.—One bottle of English Spavin Liniment completely removed a curb from my horse. I take pleasure in recommending the remedy, as it acts with mysterious promptness in the removal from horses of hard, soft or callous lumps, blood spavin, splints, curbs, sweeny, stifles and sprains. George Robb, farmer, Markham, Ont. Sold by J. V. Kannawin.

Economy and Strength

Valuable vegetable remedies are used in the preparation of Hood's Sarsaparilla in such a peculiar manner as to retain the full medicinal value of ingredient. Thus Hood's Sarsaparilla combines economy and strength and is the only remedy of which "100 Doses One dollar" is true. Be sure to get Hood's.

Hood's Pills do not purge, pain or gripe, but act promptly, easily and efficiently.

In business three things are necessary knowledge, temper and time.

"Indigestion."—You have tried everything for it and found no help. We are no doctors, but can offer a prescription that has cured very many, and it might cure you as well; it will cost but a quarter dollar, and can be had at any Druggists. Ask for Perry Davis' Pain Killer. The new Big 25c. size.

Dyspepsia, Indigestion. C. W. Snow & Co., Syracuse, N. Y., writes: "Please send us four gross of Pills. We are selling more of Parmelee's Pills than any other Pill we keep. They have a great reputation for the cure of Dyspepsia and Liver Complaint." Mr. Chas. Smith, Lindsay, writes: "Parmelee's Pills are an excellent medicine. They Make Life Successful.—It is easier to face a cannon than to carry about with you, day after day, a sick headache, a wretched biliousness, a torturing neuralgic pang. Men and women go down before these things who brave the great afflictions of life. Stark's Powders cure these affections, and help make life successful. By removing pain, they put hope in the heart, they put brightness in the eye, and elasticity in the step. When one has a clear head and a sound stomach, he is always ready to the battle of life, to give a Roland for an Oliver. Stark's Powders are the secret of success. 25 cents a box.

CONSUMPTION CURED.

An old physician, retired from practice having had placed in his hands by an East India missionary the formula of a simple vegetable remedy for the speedy and permanent cure of Consumption, Bronchitis, Catarrh, Asthma and all throat and lung affections, also a positive and radical cure for Nervous Debility and all Nervous Complaints, after having tested its wonderful curative powers in thousands of cases, has felt it his duty to make it known to all his suffering fellows. Actuated by this motive and a desire to relieve human suffering, I will send free of charge, to all who desire it, this recipe in German, French or English with full directions for preparing and using. Sent by mail by addressing with stamp, naming this paper. W. A. Noyes, 820 Powers' Block, Rochester, N. Y.

Minard's Liniment relieves Neuralgia.

I can highly praise Burdock Blood Bitters because it had a fair trial in my case with wonderful success. My symptoms were dropsy, headache and sleeplessness, and all these disappeared after using two bottles of Burdock Blood Bitters. I cannot praise its healing powers too highly.

At last I got a bottle of Dr. Thomas' Eclectric Oil and resolved to try it, and to my astonishment I got almost instant relief, and the one bottle accomplished a perfect cure.

Cottolene

A SHORTENING.

Down the street through the busy way
A lady passed on marketing day;
Who, pausing at a grocery store,
Stepped quickly in at the open door,
With bated breath and anxious air
She queried: "have you COTTOLENE?"

The grocer, leaving off his work,
Interrogated everybody;
But none up to that time had seen
An article called "COTTOLENE."

"What is it?" said he to the dame,
"That answers to this curious name.
What is it made of? What's its use?
My ignorance you'll please excuse."

"You're not the merchant for my dimes,
I see you're quite behind the times.
For COTTOLENE, I'd have you know,
Is now the thing that's all the go,
An article of high regard;
A healthful substitute for lard.
Its composition pure and clean;
For cooking give me COTTOLENE."

As from his store the lady fled,
The grocer gently scratched his head—
On his next order, first was seen,
"*One dozen cans COTTOLENE.*"
