The Young Folks.

BESSIE'S FAITH.

Little Bessie's papa
Is an advertising man,
Who talks his business at early dawn,
Everywhere he can.

Little Bessie heard him.
Heard him talking ads,
And became a loyal convert
To that theory of her dad's.

And, like her good papa,
Believed that anything desired
Could be had by advertising
When properly inspired.

One day there came a babe,
To fill the house with joy,
A great big bouncing baby,
A ten pound baby boy.

And when Bessie saw her brother,
As she tip-toed on the quiet
And saw the babe, she said, "Mamma,
Did you advertise for that?"

THE "FASHION O' THE HOUSE."

A servant girl happened to be engaged at a farm house where the mistress was known to have a rather hasty temper.

On the first Saturday night the girl was told to clean the boots and shoes for Sunday.

Coming into the kitchen a short time afterward, the mistress, seeing that the servant had cleaned her own boots first, was so enraged that she lifted them and threw them in a tub of water which stood near. The servant made no sign, but when all the boots were cleaned she also lifted them and threw them into the tub of water.

"Why, what ever possessed you to do that?" gasped her mistress in a fury.

"Oh, I just thought it was the fashion o' the house," calmly replied the girl.

The age of the earth is estimated from the increment in the temperatures as we penetrate its crust. From data thus produced, Sir William Thompson says that it is at least 200,000,000 years old.

Shé—"You have met the beautiful Miss X, have you not? What do you think of her?" He—"She is one of that sort of women that any man could die for, but none could live with."

"Mr. De Verse wrote a poem last night on 'The Last Loaf of Bread' that was just beautiful." "He did? Well, he's different from the average poet. Most of them would have eaten it."

He—"I had my picture taken along with Nero—my big St. Bernard, you know. May I have the pleasure of presenting you with a copy?" She—"Oh, I guess so. I always did admire a handsome dog."

Oh, What a Cough?

Will you heed the warning. The signal perhaps of the sure approach of that more terrible disease Consumption. Ask your selves if you can afford for the sake of saving 50c., to run the risk and do nothing for it. We know from experience that Shiloh's Cure will cure your cough. It never fails. Sold by J. Y. Kannawin.

When you talk about there being a better place than Ontario, every potato slyly winks its eye, every cabbage shakes its head, every beet gets red in the face, every onion feels stronger, every wheat field is shocked, barley strokes its beard, corn sticks up its ears and every foot of land kicks. The horses even denounce the statement with a neigh.

She Found a Friend

STRONG AND MIGHTY TO DELIVER FROM TROUBLES.

This True, Tried and Honest Friend Proved to be Paine's Celery Compound.

Nature's Medicine Cures After a series of Medical Failures

The half has never been told of the suffering and misery endured from day to day by thousands of our Canadian women. Sleeplessness, nervousness, dyspepsia, indigestion and prostration claim a host of victims, who are earnestly desiring and seeking for deliverance from their burden of woes.

We wish briefly to draw attention to the fact that science has placed within reach of suffering women an agency—a cure—that fully meets the case of every women in ill health. Thousands of Canadian women in all ranks of society have used Paine's Celery Compound with the most satisfactory results. It is the only medicine that has ever been thoroughly indorsed by the best medical men of the times. No other medicine has ever received such strong and flattering testimonials from our best people, and no other has ever been so much spoken of by the press of this country.

Every woman who is overworked, run down, sleepless, nervous or dyspeptic, will find a friend in Paine's Celery Compound. This wonderful and life giving medicine quickly builds up in flesh, muscle and tissue, it braces the nervous system, gives health, vigor and youthful strength. There is no earthly reason why women should continue to live in a half dead condition, while Paine's Celery Compound is doing such a work in our midst.

The following letter from Mrs. E. R. Wheeler, of Windsor Mills, P. Q., proves that women have a mighty and strong friend to deliver from suffering and trouble.

"I have been troubled with indigestion, sleeplessness and general debility for about three years; I have been under the care of doctors and have used medicines for a long time, but could find no relief from suffering. Your Paine's Celery Compound was highly recommended to me, and I finally decided to give it a fair trial. I am astonished at the great benefits I have received by using your medicine. I am now blest with perfect digestion, I sleep well, and altogether I am a different woman. I most cheerfully recommend your Paine's Celery Compound to all who suffer from any of the troubles I have experienced, as I am sure it will give them instant relief."

DEARNESS.—In which, that terrible, aching, worn out feeling, comes to an end with Dr. Pierce's Favorite Prescription. It restores your strength, it puts new life into you, it brings you back into the world again.

It is a powerful general, as well as uterine, tonic and nervine, especially adapted to women's delicate needs. It regulates and promotes all the natural functions, and banishes pain, invigorates, and cures.

Clayton, Iowa

DR. R. V. PIERCE: Sir—My wife improved in health gradually from the time she commenced taking "Favorite Prescription" until now. She has been doing her own housework for the past four months. When she began taking it, she was scarcely able to be on her feet, she suffered so from uterine debility. I can heartly recommend it for such cases.

NOTES HERE AND THERE.

Items of General Interest to Free-Press Readers.

Common Sense

Should be used in attempting to cure that very disagreeable disease, catarrh. As catarrh originates in impurities in the blood, local applications can do no permanent good. The common sense method of treatment is to purify the blood, and for this purpose there is no preparation superior to Hood's Sarsaparilla.

Hood's Pills cure constipation by restoring the peristaltic action to the alimentary canal.

In all Europe there are 51,891 breweries, and they produce 4,980,000,000 gallons of malt liquors annually.

Beyond Dispute

There is no better, safer or more pleasant cough remedy made than Hagyard's Pectoral Balsam. It cures Hoarseness, Sore Throat, Coughs, Colds, Bronchitis and all throat and lung troubles.

A cubic foot of average newly fallen snow weighs five and a half pounds, and has twelve times the bulk of an equal weight of water.

Dyspeptic Symptoms

In healthy persons a good digestion is productive of a sense of comfort. It is quite the reverse in dyspeptics, they are often uneasy and miserable after eating, while the digestive process is going on, a feeling of fullness or general discomfort depressing them. A specific remedy for these symptoms is Ecolyn's Liver Lozenges, which are sold at 25 cents a box or 5 boxes for a dollar.

Astronomers say that if a cannon ball be fired on the equator of Jupiter the ball would travel 16 times faster than if fired at our equator.

My Toothache!

It is an exclamation heard every hour in the day. Toothache is the most common ailment of young and old, and in the aggregate inflicts more suffering than perhaps any other single complaint. A one minute cure is just what every person desires to possess. Nerveline nerve pain cure acts almost instantly in relieving the agony, and a sample bottle affords a quantity sufficient for 100 applications. 10 cents fills the bill. Polson's Nevriline is the only positive remedy for toothache and all nerve pains. Sold by all dealers in medicine.

Waves 20 feet high exert a force of about one ton to the square foot and are strong enough to move boulders of 10 cubic feet.

For Healthy Lungs

Milburn's Cod Liver Oil Emulsion with Wild Cherry and Hypophosphites combines the curative powers of the pectoral remedies mentioned in the most perfect and palatable form. Price 50c. and $1.00 per bottle.

In 1635, during the great "tulip craze," in Holland, a single bulb of the "Semper Augustus" sold for a sum equal to $2,200.

Signs of Worms are variable appetite, itching at the nose, etc. Dr. Low's Worm Syrup is the best worm expeller.

CONSUMPTION CURED.

An old physician, retired from practice having had placed in his hands by an East India missionary the formula of a simple vegetable remedy for the speedy and permanent cure of Consumption, Bronchitis, Catarrh, Asthma and all throat and Lung affections, also a positive and radical cure for Nervous Debility and all Nervous Complaints, after having tested its wonderful curative powers in thousands of cases, has felt it his duty to make it known to all his suffering fellows. Actuated by this motive and a desire to relieve human suffering, I will send free of charge, to all who desire it, this recipe in German, French or English with full directions for preparing and using. The incessant wasting of a consumptive can only be overcome by a powerful concentrated nourishment like Scott's Emulsion. If this wasting is checked and the system is supplied with strength to combat the disease there is hope of recovery.

Danger From Catarrh.

The most important feature about that very common complaint, catarrh in the head, is its tendency to develop into bronchitis or consumption, that destroyer which causes more deaths in this country than any other disease. As catarrh originates in impurities in the blood, local applications can do but little good. The common sense method of treatment is to purify the blood, and for this purpose there is no preparation superior to Hood's Sarsaparilla.

Can Recommend It. Mr. Enos Bourberry, Tuscarora, writes: "I am pleased to say that Dr. Thomas' Eclectric Oil is all that you claim it to be, as we have been using it for years, both internally and externally, and was always benefited by its use. It is our family medicine, and I take great pleasure in recommending it."

The only love in which a man has no rival is in the wonderful love he generally has for himself.

It may be only a trifling cold, but neglect it and it will fasten its fangs in your lungs and you will soon be carried to an untimely grave. In this country we have sudden changes and must expect to have coughs and colds. We cannot avoid them, but we can effect a cure by using Bickle's Anti-Consumptive Syrup, the medicine that has never been known to fail in curing coughs, colds, bronchitis and all affections of the throat, lungs and chest.

Mr. Jones. "My dear, have you seen that new hat I brought home last week?" Mrs. Jones. "Oh Tom, I hope you won't care, but I made it up into a bathing suit."

There never was and never will be a universal panacea, in spite of the fact that for all the ills to which flesh is heir the very nature of many diseases being such that were the germs of other and differently seated diseases rooted in the system of the patient what would relieve one ill in turn would aggravate the other. We have, however, in Quinine Wine, when obtainable in a sound unadulterated state, a remedy for many and grievous ills. By its gradual and judicious use the fractured systems are led into convalescence and strength, by the infinitude which Quinine exerts on Nature's own restorative. It relieves the drooping spirits of those with whom a chronic state of morbid despondency and lack of interest in life is a disease and by tranquilizing the nerves, disposes to sound and refreshing sleep, imparts vigor to the action of the blood, which, being stimulated, courses throughout the veins, strengthening the healthy animal functions of the system, thereby making activity a result, strengthening the frame, and giving life to the digestive organs, which naturally demand increased substance—result, improved appetite. Northrop & Lyman, of Toronto, have given to the public their superior Quinine Wine at the usual rate, and, guaged by the opinions of scientists, this wine approaches nearest perfection of any in the market. All druggists sell it.

Mrs. Colonie Coon, Syracuse, N. Y., writes: "For years I could not eat many kinds of food without producing a burning, excruciating pain in my stomach. I took Parmelee's Pills according to directions under the head of Dyspepsia or Indigestion. One box entirely cured me. I can now eat anything I choose without distressing me in the least." These pills do not cause pain or griping, and should be used when a cathartic is required.

A suburban paper, reporting a meeting of a Woman's Dress Reform League, says: "Thirty odd women were present."

Worms cause feverishness, moaning and restlessness during sleep. Mother Graves' Worm Exterminator is pleasant, sure and effectual. If your druggist has none in stock, get him to procure it for you.

PERRY DAVIS' PAIN-KILLER IS THE BEST REMEDY FOR SPRAINS, BRUISES, SCALDS, BURNS & CUTS.

A cynic says that women are like magazines; they must have a little romance and lots of pudding to make them perfect.

Stark's Powders, each package of which contains two preparations, one in a round wooden box, the cover of which forms a measure for one dose, an immediate relief for Sick Headache and Stomach, also Neuralgia, and all kinds of nervous pains, and another in capsules, (from ½ to ¾ of one is an ordinary dose) which acts on the Bowels, Liver and Stomach, forming a never failing perfect treatment for all Head and Stomach complaints. They do not, as most pills and so many other medicines do, lose their effect or produce after constipation, and are nice to take. 25 cents a box, at all medicine dealers.

Editor. "I want an article on the Milk Trust." Reporter. "A sort of curdler?" Editor. "Yes, fix it up your own whey."

Mr. John Blackwell, of the Bank of Commerce, Toronto, writes: "Having suffered for over four years from dyspepsia and weak stomach, and having tried numerous remedies with but little effect, I was at last advised to give Northrop & Lyman's Vegetable Discovery a trial. I did so with a happy result, receiving great benefit from one bottle. I then tried a second and third bottle, and now I find my appetite so much restored, and stomach strengthened, that I can partake of a hearty meal without any of the unpleasantness I formerly experienced."

The letter 'h' is like a timid lover, in doubt when there is no need of it.

A Terrible Experience

Mr. Geo. Tribe, of Stafordsville, Ont., a pretty village near the shores of Lake Erie went through an experience lately which he will never forget. He tells it in his own words:

For three years I suffered from skin disease in its worst form. I tried Kennedy's Medical Discovery and the Cuticura remedies, and doctored one year with the best physicians in the land but got no benefit. They pronounced my disease a Scaly Eruption, but failed to remove it. It came on in red blotches and spread over my body, the skin became dry and formed hard, white scales; the itching was intolerable, but I am now completely cured by the use of Burdock Blood Bitters. I can truly say that I owe my good health to B.B.B., and I advise all sufferers to use this splendid medicine.

A Christmas Book

It is quite a Christmas Number of the Toronto Saturday Night may well offer to place their Christmas Number of this year alongside anything produced anywhere. The book itself is extremely handsome. The cover is designed by Mr. John D. Kelly, of Toronto, and some of the most brilliant and attractive things in the way of a cover ever done in the Dominion. Three pictures, instead of one are given away with the Number this year, and "Charmed by the Song Bird" has only to be seen to be admired. The subject is a group of children listening to the birds. It was painted by G. A. Reid in three famous pictures, "Mortgaging the Homestead" and "Foreclosing the Mortgage," our readers will remember having seen at the Toronto Exhibition and is reproduced in the cheerful colors of real life by the newly discovered process called photo lithography. It is a great picture. No. 2 Supposed to "Playmates" is a French pastel. And a marvel of dainty coloring. No. 3 "Black and white, called "A Difficult Trick" is the first popular reproduction of an old fashioned steel engraving by T. Wolstenholme, the copy of the copyright. The Sheppard Publishing Co. did not once but a plate made, of which they are proprietors, and what formerly could not be bought for less than ten dollars they now give with the Christmas Number free. As a study in faces it cannot be equalled. The three pictures have been admired by all who have seen them. The leading story in the Christmas Number is by Robert Barr, recently associated with Jerome K. Jerome in publishing the London *Idler*, but better known as Luke Sharp, whose writings made the Detroit *Free Press* famous. His story, One Day's Courtship, occupies fifteen pages. The scene is laid in Canada, and the illustrations are capital. Other stories are The Shade of Helen, by Francis Morrison; La Longdistance, by Clifford Smith; Why Johnnie Went Back, by Edmund E. Sheppard; The Passing of Bungs the Club Man, by Margaret Harvey, and An Heroic Imbecile, by Joel Cook. There are beautifully illustrated poems by J. W. Bengough and Robert Reid, Kappelle Strange and James A. Tuckey. There are local features enough of no, sentiment should take hold of it and our readers should see the book. It costs fifty cents (the pictures cost alone and is published in time to be ready for mailing.

CASTORIA

for Infants and Children.

MOTHERS, Do You Know that Paregoric, Bateman's Drops, Godfrey's Cordial, many so-called Soothing Syrups, and most remedies for children are composed of opium or morphine?

Do You Know that opium and morphine are stupefying narcotic poisons?

Do You Know that druggists generally are not permitted to sell narcotics without labelling them poisons?

Do You Know that you should not give any medicine to be given your child unless you or your physician know of what it is composed?

Do You Know that Castoria is a purely vegetable preparation, and that a list of its ingredients is published with every bottle?

Do You Know that Castoria is the prescription of the famous Dr. Samuel Pitcher, that it has been in use for nearly thirty years, and that more Castoria is now sold than of all other remedies for children combined?

Do You Know that the Patent Office Department of the United States, and of other countries, have issued exclusive right to Dr. Pitcher and his assigns to use the word "Castoria" and its variations, and that to imitate it is a criminal offence?

Do You Know that one of the reasons for granting this government protection was because Castoria has been proven to be absolutely harmless?

Do You Know that 35 average doses of Castoria are furnished for 35 cents, or one cent a dose?

Do You Know that when possessed of this perfect preparation, your children may be kept well, and that you may have untroubled rest?

Well, these things are worth knowing. They are facts.

UNENDURABLE ITCHING

Suffered Three Years—Now Perfectly Cured by B.B.B.

Gentlemen: I have used Burdock Blood Bitters for Skin Diseases, from which I had been a sufferer for three years. I have spent much money and suffered greatly. I have tried other remedies, such as Dunder's Medical Discovery and Cuticura Remedies, but all to no good. I finally concluded that my disease was beyond the reach of medicine, but I decided to try Burdock Blood Bitters, which has completely healed me. I feel as well as I ever did, and the skin and scalp are as healthy as any man's. I shall always be a firm believer in B.B.B., and I do not hesitate to recommend it to all sufferers.
