Markdale Won Debate

An interesting debate was held in St. John's church on Thursday night when Inistioge and Markdale met to decide a winner on the subject, "Resolved that the Church rather than the State should be Responsible for the Moral Welfare of the Immigrant," with the former supporting the affirmative. Both teams put forward some splendid arguments, and the platform manner of both teams was of an exemplary nature.

Mr. John Duncan and Miss Marion Acheson represented Inistioge, while the Markdale League was upheld by Perry Lawson and Crosby Bowes, The negative team were successful in gaining the decision of the judges, and are to be congratulated upon the success of their initial effort. Markdale draw a bye and step into the final for this group.

The judges were Miss C. Stewart and Mr. C. F. Lawrence of Flesherton, and Rev. H. V. Ellison.

Bear Problem Solved

The bear mystery, which has been bothering the citizens west of Ceylo for the past year, has been solved at last. Last week the supposed bear was again seen around the O.D.R., Artemesia, after an absence of about a year, the last time being seen about the Stone's Line. After being viewed several times it at last was found among W. R. Meads' sheep and it was at once dispatched as a menace. Upon examination it was found to be a large black dog which had been roaming around the past year. It was a huge size and could quite easily have been taken for a bear. Some other excitement will now have to be hatched up in that section of the township.

ST. JOHN'S LADIES AID

The election of officers in the Ladies' Aid Society of St. John's church was held on Tuesday night last, and resulted as follows:

President—Mrs. Moore
1st-Vice—Mrs. Hickling
2nd Vice—Mrs. Heard
Sec.—Mrs. Pinder
Treas.—Mrs. C. N. Richardson
Parsonage Com—Mrs. Parker, and Mrs. Blakely
Auditors—Mrs. Hollad and Mrs. Miller

The past year has been a very successful one for the Ladies' Aid and the sum of $275 was raised.

The estate of the late Harry Steeley of Toronto, who died suddenly in Lodnon, Ontario, last week, is left principally to his mother, Mrs. Geo. Harris, of Ottawa, the remainder going to his uncle, Chas. Mosier, of Flesherton. The estate amounted to about $40.000.

Rev. Jos. Harrower gave a very inspiring address on the Easter theme at St. Johns' Young People's League on Monday evening. The election of officers for the Society will take place next Monday evening. Lantern slides will be shown that night on interesting parts of Canada.

Mr. Sam McKechnie left on Monday for the Peace River district in northern Alberta, after spending the past year and a half here with his brother, Neil. Mr. McKechnie owns a quarter section of land near Peace River, but has had it leased on shares and will again take control when he goes back.

Mrs. W. J. Bellamy received word on Monday afternoon that her brother-in-law, Benjamin Passmore, had died at his home at Emsdale, Ontario in his sixty-third year. Deceased had only been ill with pneumonia for a few days, and his passing came as a decided shock. The late Mr. Passmore was married to Nellie Osborne, a sister of Mrs. Bellamy's, who survives him. Interment is taking place at Emsdale this Wednesday afternoon, service being held in Emsdale United church.

Mrs. Mark Wilson gave an afternoon tea on Saturday to about fifteen young ladies, in honor of her daughter, Miss Irene. The time was pleasantly spent in needlework and contests. The tea tables presided over by Misses Evada and Thelma Wilson and Miss Gladys Pinder, were decorated in keeping with the Easter season. A very pleasant afternoon was spent, which was not dampened in the least by the depth of snow through which the pleasure seekers had to wallow to reach their homes.

Heavy Loss of Sheep

The sheep raising industry is not all profit, as shown to us by Mr. W. R. Meads of the O.D.R., Artemesia, this week. Recently ten of his sheep gave birth to lambs that promised great returns. Five of the sheep had triplets, four twins and one sheep had one lamb. Three of the sheep died after giving birth to triplets and ten of the lambs also died from various causes. Twenty-four lambs from ten sheep was a record that very few can equal—or would wish to equal with losses like those recorded.

CHECKER MEETING

A meeting of the checker players who have been playing in the checker tournament is being held on Thursday night in Mr. Findlay's shop and all are requested to attend. There are a number of games yet to be played and the committee are anxious that the schedule be completed that night.

Instead of awarding prizes to the first and second highest scorers in the tournament as at first decided, it has been thought best to have the first four play in the finals. That is the third and fourth men would play off for third place. The winner of that would then play the second high man for second place and the winner of this would then play the original first winner for first place.

WILSON — ALLEN

A quiet but pretty wedding took place at the home of Mr. and Mrs. W. Wyatt in Flesherton on Wednesday, March 31st, when William Myles Wilson of Durham was joined in holy matrimony to Miss Ann Ellen Allen of Flesherton. A large number of friends of the bride and groom had gathered and at 4 o'clock the groom entered the room accompanied by Mrs. H. Wilson. Immediately afterwards the bride was led by Mr. B. Wyatt to the side of the awaiting groom. The strains of the wedding march were heard. The ceremony was performed by Rev. Alfred J. Preston. A dainty supper was served to the friends who had gathered. The bride and groom left on the evening train for Durham, where the happy couple will reside.

With the sight of both eyes temporarily destroyed and the ingers of his left hand gone, Irvin Graham, aged 23, lies at the General Hospital Guelph, the victim of a peculiar accident at Moorefield. Finding a dynamite fuse in a car of coal which he was helping to unload at the C. N. R. siding in the village, he cut it in two with a crowbar and touched a match to the fuse. The explosion blew off his fingers and blinded him. It is surmised that the fuse was an old one which had been set to ignite a blast in the Pennslyvania coal mine from which the shipment came and which had not fired.
