The Young Folks.

"ANA, MANA, MONA, MIKE."

In an empty room we three
Play the games we always like,
And count to see who "it" shall be—
Ana, mana, mona, mike.

Round and round the rhyme will go
Ere the final word shall strike,
Counting fast or counting slow
Barcelona-bona, strike

What it all means no one knows,
Mixed up like a peddler's pack,
As from door to door he goes
Hare, ware, frow, frack

Now we guess and now we doubt,
Words enough or words we lack,
Till the rhyme brings about
Welcomed with a farewell shout
Hallico, hallico, we wi do wack You are out

"SAVED MY LIFE."

It's no Hopeless Wail, but Testimony With a True Ring to it for the Great South American Cures.

WONDERFUL TESTIMONIALS.

RHEUMATISM. The Great South American Rheumatic Cure is safe, harmless, and acts quickly. Gives instant relief and an absolute cure in one to three days; works wonders in the most acute forms of rheumatism and neuralgia. "I was crippled so that I had to use a stick to get about," writes James A. Anderson, of Calgary, N. W. T. "At times I suffered untold misery. I tried every medicine under the sun spent six weeks in the hospital under special treatment, without any relief. I was induced to try South American Rheumatic Cure. After using two bottles I threw away my stick and went to work, and have worked every day since, and that was two and a half years ago."

KIDNEYS. "I believe it saved my life, is the positive testimony of Mr. James McBrine, of Jamestown, Huron County, Ont., in speaking of the miraculous cure of a complication of kidney troubles by the Great South American Kidney Cure. This gentleman was so severely affected that his physician had to attend him daily to take the urine from him. The first dose gave him relief, and half a bottle cured him completely, dissolving all obstructions, and healing and strengthening the parts. South American Kidney Cure is a kidney specific only, and it does all that is claimed for it every time.

STOMACH AND NERVES.—"Two-thirds of all chronic diseases are due to disordered nerve centres. Cure the nerves and you will control the disease. South American Nervine has proved this thousands of times. It is a powerful nerve builder and, in cases of acute indigestion and dyspepsia, has effected marvellous cures. Geo. Webster, of Forest, writes: "For a number of years I suffered greatly from nervousness, twitching of muscles and sleeplessness. I tried almost every known remedy without relief. I was induced as a last resort to try South American Nervine. The first bottle benefited me, and five bottles cured me. It is a grand medicine, and I owe my life to it."

In an Irish daily there recently appeared this advertisement: "Wanted, a gentleman to undertake the sale of patent medicine; the advertiser guarantees it will be profitable to the undertaker."

Korns. Korns.

There are more than one sort of korns. Some korn is planted in the ground and the other sort don't need planting; they grow quite naturally on men's toes and don't need hoeing. This kind of korn has two sorts: one gentle or tender like until Bill Jones steps on your foot, when it gets boiling mad and swears like everything; the other is a hard headed and makes a row all the time, especially when your boots are on. I don't like korns, and use the extracting medicine, Putnam's Painless Corn Extractor, which removes them painlessly in twenty four hours.

Sweethearts and wives are entirely different women.

"Satisfactory Results."

So says Dr. Curlett, an old and honored practitioner, in Belleville, Ont., who writes: "For wasting diseases and scrofula I have used Scott's Emulsion with the most satisfactory results."

To keep your own secret is wisdom; to expect others to keep it is folly.

Always on Hand.—Mrs. Thomas H. Porter, Lower Ireland, P. Q., writes: My son, 18 months old, had croup so bad that nothing gave him relief until a neighbor brought me some of Dr. Thomas' Eclectric Oil, which I gave him, and in six hours he was cured. It is the best medicine I ever used, and I would not be without a bottle of it in my house."

There is a moralizing influence in learning. The educated man is, by virtue of his education, more likely to be pure and true than the illiterate. The Rev. L. F. Marten, Ashbury Park, N. J.

What do you think of this? Mrs. Jas. McArthur, 118 Robert Street, Toronto, states that the action of Wright's Liver and Stomach Pills was "marvellous." Had been troubled with bilious and sick headache for years, one box, taken according to directions removed the cause of all the trouble and restored me to health. Ask J. V. Kannawin, chemist and druggist, about them, get a circular.

Make life a ministry of love, and it will always be worth living.

Would not bring happiness to the person suffering with dyspepsia, but Hood's Sarsaparilla has cured many thousands of cases of this disease. "Gentlemen, I am not one man as good as another?" "Of course he is," shouted an excited Irish Chartist, "and a great deal better."

A Churn that Churns in One Minute

I have been in the dairy business all my life and have many times churned for an hour before butter would appear, so when I heard of a churn that would churn in a minute, I concluded to try it. Every day for a week I used it, and not only could I churn in a minute, but I got more and better butter than with the common churn. This is very important information to butter makers. The churn works easily, and will churn an ordinary churning in less than 60 seconds. I have sold two dozen of these churns in the past month. Every butter maker that has seen my churn in less than a minute has bought one. You can obtain all desired information regarding the churn by addressing J. F. Casey & Co., St. Louis, and they will give you prompt and courteous attention.

When you take Hood's Pills. The big, old-fashioned, sugar-coated pills, which tear you all to pieces, are not in it with Hood's. Easy to take and easy to operate, is true of Hood's Pills, which are up to date in every respect. Safe, certain and sure. All druggists. 25c. C. I. Hood & Co., Lowell, Mass. The only Pills to take with Hood's Sarsaparilla.

Hood's Pills

Severe colds are easily cured by the use of Bickle's Anti-Consumptive Syrup, a medicine of extraordinary penetrating and healing properties. It is acknowledged by those who have used it as being the best medicine sold for coughs, colds, inflammation of the lungs and all affections of the throat and chest. Its agreeableness to the taste makes it a favorite with ladies and children.

Always turn leaves from the top with the middle or forefinger.

A New Combination

As their name signifies, Laxa Liver Pills are a combination of laxative principles with the best liver medicines obtainable. They cure sick headache, Constipation, Biliousness, Liver Complaint, Dyspepsia and all deranged conditions of the stomach, Liver and Bowels.

An empty head and a rattling tongue go well together.

Colic Cured

DEAR SIRS,—I was very bad last summer with colic and a few doses of Wild Strawberry cured me. I am safe in recommending it as the best remedy ever used. I can not speak too highly of it.

MRS. ALFRED VICE, Berlin, Ont.

Most women are ambitious, they want to be men.

When Baby was sick, we gave her Castoria.
When she was a Child, she cried for Castoria.
When she became Miss, she clung to Castoria.
When she had Children, she gave them Castoria.

It is not luck that enables men to climb to positions of merit and attainment, it is the natural consequence of high and noble purpose, coupled with industry. Rev. M. G. Coleman, Beardstown, Ill.

Sick Headache and Constipation are promptly cured by Burdock Pills. Easy to take, sure in effect.

The best Cough Cure is Hagyard's Pectoral Balsam. It heals the lungs and cures Coughs and Colds.

unfortunate

Cod-liver oil, suggests consumption, which is almost unfortunate.

Its best use is before you fear consumption, when you begin to get thin weak, run down, then is the prudent time to begin to take care, and the best way to take care is to supply the system with needed fat and strength. Scott's Emulsion of cod liver oil, with hypophosphites, will bring back plumpness to those who have lost it, and make strength where raw cod-liver oil would be a burden.

A substitute only imitates the original.

A CHANCE TO MAKE MONEY

I have berries, grapes and peaches, a year old, fresh as when picked. I use the California Cold Process, do not heat or seal the fruit, just put it up cold, keeps perfectly fresh, and costs almost nothing; can put up a bushel in ten minutes. Last week I sold directions to over 120 families; anyone will pay a dollar for directions when they see the beautiful samples of fruit. As there are many people poor like myself, I consider it my duty to give my experience to such, and feel confident any one can make one or two hundred dollars round home in a few days. I will send sample of fruit and complete directions to any of your readers for eighteen two cent stamps, which is only the actual cost of the samples, postage etc.; etc. to me. FRANCIS CASEY, St. Louis, Mo.

If we could see better the world would be better.

Why Some People Fail.

The world is full of people who have failed because of Dyspepsia, Biliousness and Constipation, which are responsible for nine tenths of life's miseries. Burdock Blood Bitters cures these diseases as well as all other diseases of the stomach, liver, bowels and blood in 99 cases out of 100.

GOLD OR SILVER?

You'd Give All You Have of Both to be Restored to Health—Dr. Agnew's Great Cures are Specific Cures for Specific Ailments.

HEART DISEASE. Relief in thirty minutes in most alarming cases of heart trouble. A strong statement to make for Dr. Agnew's Cure for the Heart, but it is borne out by the testimony of thousands who to day proclaim themselves snatched from the grave by its wonderful curative powers. If the heart flutters, palpitates, tires easily, it indicates heart disease. Be warned in time. Use this surest and quickest cure: it never fails. James Allen of St. Stephen, N. B., writes: "I was troubled with very severe pains in the heart, pain in the side, and shortness of breath. I became completely exhausted with the least exertion. Doctors said my case was a hopeless one. I procured a bottle of Dr. Agnew's Cure for the Heart. A few doses gave me permanent relief; six bottles entirely cured me, and to day I am well, and strong as I ever was. I think it the best medicine on earth for heart trouble."

CATARRH. It goes right to the seat of the trouble, attacks the disease, removes the cause, cleanses out and heals the parts, quickly and permanently. Dr. Agnew's Catarrhal Powder does all this, and it's no hearsay. The slaves who are freed from this loathsome malady, by this positive cure, are singing its praises day in and day out. "I am eighty years old. I have had catarrh for 50 years. Dr. Agnew's Catarrhal Powder cured me, and I look upon my cure as almost a miracle," says Geo. Lewis, of Shamokin, Pa. A simple cold in the head may be the first step to chronic catarrh. Stop the cold and prevent the catarrh. Dr. Agnew's Catarrhal Powder is harmless and easily applied.

Love of God and love of men are the only requisites of religious faith to day. The only test of the religion the world cares for to day is the word character.—Celia P. Woolley, Chicago.

Light in Asia. It Shines Clearly.

MESSRS. T. MILBURN & Co., Toronto.

DEAR SIRS, There is a light in Asia after all, and the man that advised me to try your heart and nerve pills was a friend indeed and truly a friend in need. Before I started to take them I was languid, weak, sleepless and nervous. My brain was be clouded and I could not collect my thoughts. I had gone through an operation in the hope of relief but still remained generally broken up, my appetite was gone and I was almost without hope or ambition.

Now I feel thoroughly rebuilt through the use of Milburn's heart and nerve pills, and it took only three or four weeks to do the work.

I often think of the years of suffering I might have escaped had I only known of Milburn's heart and nerve pills in time but I am grateful to be restored to health at last, and gladly recommend the medicine that cured me.

Hair Restored to Natural Color.

I have used many preparations for restoring hair to natural color, but never had satisfactory results till I used Zola Vulier. It will restore any hair or beard to its natural color in three weeks. If it does not they return your money, so you take no risks. People who have never tried it can get a sample package which contains enough to restore any one's hair to natural color, by sending 21 two-cent stamps, to pay postage, etc., to Wilson & Co., New Concord, Ohio.

The regular price is $2.50 per package. If it does not restore your hair to natural color, or make any color of hair darker in three weeks, they will return your stamps. This proposition is so fair that thousands are using it. It is harmless but never fails. Why can't big money be made by selling Zola Vulier from house to house?

We want liberty for man, woman and child, but we want the child under subjection while under parental authority, so that they may be under control as a citizen.—Rev. J. F. Bradley, Dallas.

Dyspepsia or Indigestion is occasioned by the want of action in the biliary ducts, loss of vitality in the stomach to secrete the gastric juices, without which digestion can not go on; also being the principal cause of Headache. Parmelee's Vegetable Pills taken before going to bed, for a while, never fail to give relief and effect a cure. Mr. F. W. Ashdown, Ashdown, Ont., writes: "Parmelee's Pills are taking the lead against ten other makes which I have in stock."

"THIS INDENTURE."

The phrase "this indenture," which is still frequently used in written contracts, is probably unintelligible to most persons; since no one now "indents." Indenting a deed or contract consisted in cutting a zigzag line across the top of the document from one side to the other. All English deeds were formerly written in duplicate upon the same kind of parchment and separated by cutting them apart with a knife in a zigzag manner referred to. One of these instruments was given to each party named, and the fact that the two documents would exactly join each other was evidence of their genuineness. Butler, in his verses on Human Learning, speaks of two persons:—

Whose tempers, inclinations, sense and wit,
Like two indentures did agree to fit.

Never put iron or steel bits in a horse's mouth in frosty weather without first warming them. They will take the skin off the horse's tongue.

Agitation in the world of homœpathic medicine has been its very soul of progress, as in politics and religion the difficulties of opinion and the individuality of men have been parent to the disagreements by which the standard of these bodies have been elevated. So with most of our famous preparations foremost in illustration of which truth stands the world famous remedy to general debility and languor, "Quinine Wine," and which when obtainable in its genuine strength, is a miraculous creator of appetite, vitality and stimulant to the general fertility of the system. Quinine Wine, and its improvement, has from the first discovery of the great virtues of Quinine as a medical agent, been one of the most thoroughly discussed remedies ever offered to the public. It is one of the great tonics and natural life giving stimulants which the medical profession have been compelled to recognise and prescribe. Messrs. Northrop & Lyman, of Toronto, have given to the preparation of their pure Quinine Wine the great care due to its importance, and the standard excellence of the article which they offer to the public comes into the market purged of all the defects which skilled observation and scientific opinion has pointed out in less perfect preparations of the past. All druggists sell it.

CASTORIA

for Infants and Children.

MOTHERS, Do You Know that Paregoric, Bateman's Drops, Godfrey's Cordial, many so-called Soothing Syrups, and most remedies for children are composed of opium or morphine?

Do You Know that opium and morphine are stupefying narcotic poisons?

Do You Know that in most countries druggists are not permitted to sell narcotics without labeling them poisons?

Do You Know that you should not permit any medicine to be given your child unless you or your physician know of what it is composed?

Do You Know that Castoria is a purely vegetable preparation, and that a list of its ingredients is published with every bottle?

Do You Know that Castoria is the prescription of the famous Dr Samuel Pitcher. That it has been in use for nearly thirty years, and that more Castoria is now sold than of all other remedies for children combined?

Do You Know that the Patent Office Department of the United States, and of other countries, have issued exclusive right to Dr. Pitcher and his assigns to use the word "Castoria" and its formula, and that to imitate them is a state prison offense?

Do You Know that one of the reasons for granting this government protection was because Castoria had been proven to be absolutely harmless?

Do You Know that 35 average doses of Castoria are furnished for 35 cents, or one cent a dose?

Do You Know that when possessed of this perfect preparation, your children may be kept well, and that you may have unbroken rest?

Well, these things are worth knowing. They are facts.

The fac-simile signature of Chas. H. Fletcher is on every wrapper.

"Monsoon" Tea is packed under the supervision of the Tea growers, and is offered and sold by them as a sample of the best qualities of Indian and Ceylon Teas. For that reason they use that alone but the very fresh leaves go into Monsoon packages.

That is why "Monsoon" the perfect Tea, can be sold at the same price as inferior teas.

It is put up in sealed packages of ¼ lb., ½ lb. and 1 lb., and sold in three flavors, as follows, viz.: Japan, Mixed and Green.

If your grocer does not keep it, tell him to write to STEEL, HAYTER & CO., 23 and 25 Front St. East, Toronto.
