Dublin, Limerick and Various Counties Are Proclaimed.

Dublin, Sept. 3 .- The counties of King's, Limerick, Longford, Queen's and Westmeath, and the Boroughs of Dublin and Limerick, have been proclaimed, under the Crimes Act, under the sections dealing with trial by

special jury and change of venue. The Nationalists regard the new Crimes Act proclamation, which brings a total of 17 counties, nearly the whole of Ireland, under its operation, as a declaration of war by Mr. George Wyndham, the Chief Secretary for Ireland, on the Irish League, and the not unlikely precursor of the

suppression of the league. The proclamation empowers trial by special jury in cases of change of venue, and in some instances by summary jurisdiction: The counties of King's, Limerick, Longford, Queen's and Westmeath have been the scenes of recent Irish League agitation.
