The Young Folks.

GOOD MORNING TO GOD.

"Oh! I am so happy," the little girl said,
As she sprang like a lark from her low trundle bed
'Tis morning, bright morning! Good morning papa
Oh, give me one kiss for good morning mamma!
Only just look at my pretty canary,
Chirping his sweet "Good-morning to Mary"
The sunshine is peeping straight into my eyes
Good morning to you, Mr. Sun, for you rise
Early, to wake up my birdie and me,
And make us as happy as happy can be."

"Happy you may be, my dear little girl"
And the mother stroked softly a clustering curl,
"Happy as can be but think of the One
Who wakened this morning both you and the sun."

The little one turned her bright eyes with a nod—

"Mamma, may I say 'Good morning to God?'"
"Yes, little darling one, surely you may
Kneel as you kneel every morning to pray"

Mary knelt solemnly down with her eyes
Looking up earnestly into the skies,
And two little hands that were folded together,
Softly she laid on the lap of her mother.

"Good morning, dear Father in heaven," she said,
"I thank Thee for watching my sung little bed,
For taking good care of me all the dark night,
And waking up with the beautiful light.
Oh, keep me from naughtiness all the long day,
Blest Jesus, who taught little children to pray"

SERVICE.

Service is one of the conditions of society It is due from all to all in different ways, and the more fully and heartily it is given, the more happily and permanently will social life progress. So far from service ever being a mark of degradation, it is the very mark of nobility and he who refuses to render it, whatever be his talents, or power or wealth, or education, is the true object of contempt. It is very often the case that this service is bought and sold, and, where the terms of the contract are fair on both sides and honored by both, it is as purely a business matter as the purchase of goods, their delivery and their payment. There is no question of superiority or inferiority, no mark of authority of subjection in the one case any more than in the other.

DR. SUNSHINE.

With Health the World is a World of Sunshine—With Disease, a Dark, Gloomy, Prison-like Abode—The Great South American Remedies Have Brought Back the Sunshine to Many a Life.

Rheumatism—What joyful news to the sufferer from chronic rheumatism or neuralgia! That instant relief and an absolute cure can be had in from one to three days by using the Great South American Rheumatic Cure seems incredable, but thousands say it's a fact, and here is the testimony of one: "For three years I suffered untold misery in my legs, for six months I was confined to my bed. I used all the ordinary remedies I could lay my hands on. South American Rheumatic Cure being brought to my notice, I procured a bottle and to save me instant relief. A few bottles completely cured me."—George Denham, druggist, Petrolea.

Kidneys—Spontaneous, unsolicited testimony is the highest recommend that can be given the Great South American Kidney Cure. What it has done it can do again. It is a kidney specific—gives quick relief in all kidney disorders, heals and strengthens. Michael McMullen, Chesley, Ont., writes: "I had been troubled with gravel and kidney disease for eight years. "Remedies" and doctors could give me no relief—pain was so severe that I could not be down or remain in one position any time. I procured a bottle of South American Kidney Cure, took it according to directions I got instant relief, the soreness all left me and to-day I am cured of the dangerous trouble and recommend this wonderful remedy to all similarly affected."

The Nerves—We live in a hurry and nine-tenths of our ailments are due to nervous exhaustion, impoverished blood or bad digestion South American Nervine is a blood-builder, it tones the nerves and stimulates digestion. Thousands whose lives were a burden to them are to-day in excellent health because they have tested its marvellous power. W H. Sherman, of Morrisburg, writes: "I was completely run down—a great sufferer from stomach and nervous troubles. Tried every medicine in the market with little or no relief. I obtained a bottle of South American Nervine. Before half of it was taken I had derived great benefit Six bottles made me my old self again I recommend it to everybody so afflicted, and cheerfully give it my testimony" Sold by J. V. Kannawin.

Some men in the race for business, like some trotting horses, display much action but little speed.

A Churn That Churns in One Minute

I have been in the dairy business all my life and have many times churned for an hour before butter would appear, so when I heard of the churn that would churn in one minute, I concluded to try it. Every day for a week I used it and not only could I churn in one, but I got more and better butter than with the common churn This is very important information to butter makers The churn works easily, and will churn an ordinary churning in less than 60 seconds. I have sold two dozen of these churns in the past month. Every butter maker that has seen me churn in less than one minute has bought one. You can obtain all desired information regarding the churn by addressing J. F. Casey & Co., St. Louis, Mo., and they will give you prompt and courteous attention.

"THE SALOON MUST GO."

"The saloon must go." The wicked will not combine against it; the vile will not hinder its work or attempt to close its doors. The good people are the only ones that can work against it. The people who fear God love their neighbors and country and homes. These people can and will do it. Only let their leaders move out and say: "Come on" against the great enemy of God, our holy religion, our families, and our homes. These leaders have been appointed of God, given charge to watch, give no uncertain sound as to the designs, movements, and ultimate purpose of this great enemy. These leaders do not seek this responsible place, but were put there by the Great Head of the Church, and cannot trifle with or ignore the demands made upon them in this our time of need. The people for whom Jesus died, whom God loves, are looking to their leaders to know what to do, and I trust will not look in vain.

The saloon is kept open and does its nefarious work under the protection and sanction of the law of our land, and the makers of the law. Let the good people come together by representatives and say this shall no longer exist. That the local option law shall be so amended as to meet this great enemy in all of his dark and devious ways, and that we will not intrust the enforcement of that law to the time servers and bribe taking seekers of office The cry of loyalty to party, the party lash may be cracked over us, but we will say, Our God, our country, and our homes first, last and forever. Rev. J. L. Spencer, in Richmond *Christian Advocate.*

Be Sure You Are Right

And then go ahead. If your blood is impure, your appetite failing, your nerves weak, you may be sure that Hood's Sarsaparilla is what you need. Then take no substitute. Insist upon Hood's and only Hood's. This is the medicine which has the largest sale in the world. Hood's Sarsaparilla is the one true blood purifier.

Hood's Pills are prompt, efficient, always reliable, easy to take, easy to operate.

All men are born free and equal, but a good many of them get married.

Build Up

When the system is run down, a person becomes an easy prey to Consumption or Scrofula. Many valuable lives are saved by using Scott's Emulsion as soon as a decline in health is observed.

The genius that every young man should court is the genius for work.

Suddenly Attacked.

Children are often attacked suddenly by painful and dangerous colic, cramps, diarrhœa, dysentery, cholera morbus, cholera infantum, etc. Dr. Fowler's Extract of Wild Strawberry is a prompt and sure cure which should always be kept in the house.

Derangement of the heart and nerves in women is followed by various nervous disorders, such as hysteria, melancholia, neuralgia, sleeplessness, palpitation and pains and aches in various parts of the body In such cases strengthen the heart and build up the nervous system by the use of Milburn's Heart and Nerve Pills

Money Make It Yourself

I have never seen anything in the papers about the People's Wind Mill, we call it the People's because the inventor never patented it, but let everybody use it free Any farmer can make a mill himself, and all the material complete will not cost over $10 It is a splendid mill, will pump the deepest wells, and will last longer than any mill I ever had Any person can get diagrams and complete directions free, as I did, by sending 18 two cent stamps to pay postage, etc, to E. D. Wilson & Co., Allegheny, Pa., Wilann & Co. sell pumps, and when you get your wind mill going would be glad to sell you a pump if you need it. It is certainly useless to pay $50 and $60 dollars for a wind mill, when you can make one just as good for $10. I think there could be big money made putting these mills up through the country as everbody would like them. A Reader.

FOUR KINGS.

Dr. Agnew's Four Great Cures Never Fail in Their Mission—There is no "Beyond Hope" Point With Them, They Cure and Physicians Pronounce Them—Relief Comes in Thirty Minutes.

Heart-Disease—If the heart palpitates, flutters, trembles, it indicates disease, a day's neglect may mean death. Dr. Agnew's Cure for the Heart is regarded by physicians as the greatest known remedy for the heart. George Crates, Customs house officer, Cornwall says "I had acute heart trouble for a number of years. I was unable to attend to business. The slightest exertion proved very fatiguing. My physician recommended Dr. Agnew's Cure for the Heart. To-day I am as well as ever, and able to attend to business."

Catarrh—This disgusting membraneous inflammation affecting the throat and sensitive cavities of the head, was at one time regarded as incurable, and could only be checked in its extention by the use of red hot irons and the strongest of acid sprays. The fallacy of such drastic treatment has been conclusively exposed in the appliance of Dr. Agnew's Catarrhal Powder. It will cure the most stubborn cases is absolutely painless, and is easily applied. H. W. Francis, of the G. N. W. Telegraph Co., Brampton, says: "I was a martyr to catarrh in the head for ten years. I tried every remedy I could hear of, with little or no benefit. I got a sample bottle of Dr. Agnew's Catarrhal Powder. It gave me great relief, and after using four bottles I was completely cured."

Piles—Dr. Agnew's Ointment relieves and cures all forms of piles in from three to six nights. Comfort in one application. 35 cents.

Dr. Agnew's Liver Pills cure constipation, biliousness and sick headache. Never gripe. Easy and pleasant. Forty doses, 10 cents. Sold by J. V. Kannawin.

Money Saved and pain relieved by the leading household remedy, Dr. Thomas' Eclectric Oil a small quantity of which usually suffices to cure a cough, heal a sore, cut, bruise or sprain, relieve lumbago, rheumatism, neuralgia, excoriated nipples, or inflamed breast.

The truest sympathy is never expressed in words.

Mr. Thomas Ballard, Syracuse, N. Y., writes: "I have been afflicted for nearly a year with that most to be dreaded disease Dyspepsia, and at times worn out with pain, and want of sleep, and after trying almost everything recommended, I tried one box of Parmelee's Vegetable Pills. I am now nearly well, and believe they will cure me I would not be without them for any money."

When Adam Was a Boy.

This was years ago, for Adam has been dead quite a while, though, to be sure, he has left a progeny that keeps up pretty well the family characteristics. There are wise men to-day who delve into the misty past and tell us all sorts of things, but they are silent on those events that would make Adam interesting to the modern man. What did Adam do when he ran a sliver under his finger nail? Had he to take measles and whooping cough? If he had corns did he cut them with a razor or did he stretch forth a hand in the future and get a bottle of Putnam's Painless Corn Extractor? Putnam's is the best, is sure, safe, painless, all acts in twenty-four hours.

The New Hook Spoon Free to All.

I read in the Christian Standard that Miss A. M. Fritz, station A., St Louis, Mo., would give an elegant plated hook spoon to anyone sending her ten 2-cent stamps. I sent for one and found its so useful that I showed it to my friends, and made $13.00 in two hours, taking orders for the spoon. The hook spoon is a household necessity. It cannot slip into a dish or cooking vessel, being held in the place by a hook on the back. The spoon is something that housekeepers have needed ever since spoons were first invented. Anyone can get a sample spoon by sending 10 2-cent stamps to Miss Fritz. This is a splendid way to make money around home.

If?

If you want to preserve apples, don't cause a break in the skin. The germs of decay thrive rapidly there. So the germs of consumption find good soil for work when the lining of the throat and lungs is bruised, made raw, or injured by colds and coughs. **Scott's Emulsion,** with hypophosphites, will heal inflamed mucus membranes. The time to take it is before serious damage has been done. A 50 cent bottle is enough for an ordinary cold.
