The Flesherton Advance.

Vol 45 No. 42 | Flesherton, Ontario April 28, 1926 | W. H. Thurston & Son, Proprietors

FEVERSHAM

The rain on Saturday made a lot of the snow skidoo and will take the frost out of the ground. If this weather continues we will soon hear the plowboy's merry whistle.

Mrs Howard Short and family have returned home after visiting for a time with the former's parents. Mr. and Mrs. Wm. Buckingham, near Collingwood.

Mrs. Jas. Simons on the 12th line is ill at present and Dr. Guy is in attendance.

We are glad to see Mr. Jas. Porteols of the 8th line able to be out again after a severe attack of the flu.

Torrence is making syrup over at Jim's. The run of sap is light but it is sweeter this year, so that will make up for the light run.

The Beaver river here is extra high and has tested the strength of the mill dam which so far has stood the test.

Mr. Alex. Mullin had the misfortune to lose a fine horse last week. Alex bought it about two months ago at a high price and after he got it home it was kicked on the shoulder by one of the other horses. An open joint was the result and the horse died.

Some of the culverts on the Beaver river south of here, have been washed out and there is water across the road in several places.

EAST MOUNTAIN

A number of the friends and neighbors of Mr. and Mrs. Gordon Wilson, presented them with a miscellaneous kitchen shower on Wednesday evening of last week.

Mrs. Ferguson and son Dalton of Kimberley spent Sunday with Mr. and Mrs. Thompson Allen.

Sorry to report Miss Aleda Feighen ill at time of writing. The school is closed for a few days but we hope to hear of her recovery soon.

Mr. Alfred Graham of Duncan spent the week end with Mr. Wm. Thompson.

PROTON STATION

Proton Station has been isolated for a few days owing to the floods in all directions. Several bridges have been swept away, causing both loss and inconvenience, but travel is commencing again and Mr. Plucky Mail Carriers are again making their rounds, though with difficulty.

Regardless of the flood which was at its height last Friday afternoon, Mr. Thos. Wachope's auction sale was well attended and quite successful.

Mrs. Vause is in Flesherton spending a few days with her brother, Hon. John Oliver, Premier of British Columbia, who is visiting friends there and on the Old Durham Road.

Stanley Carson, Elzer Park, Clark Wyville, Joe and John Hemphill and Gordon Wauchope are working near Markdale on an extra section gang.

Mrs. Mills of Montana was a visitor last week with Mrs. Stewart here.

Mrs. Walker of Owen Sound is visiting her daughter, Mrs. I. B. Whyte.

Mrs. McNalty is visiting her daughter in Toronto.

Mrs. B. Thompson Dies from Pneumonia

Just as we go to press we learn of the death in town of Mrs. Boyd Thompson who passed away this Wednesday afternoon after an illness with pneumonia. At present we have not heard what funeral arrangements have been made.

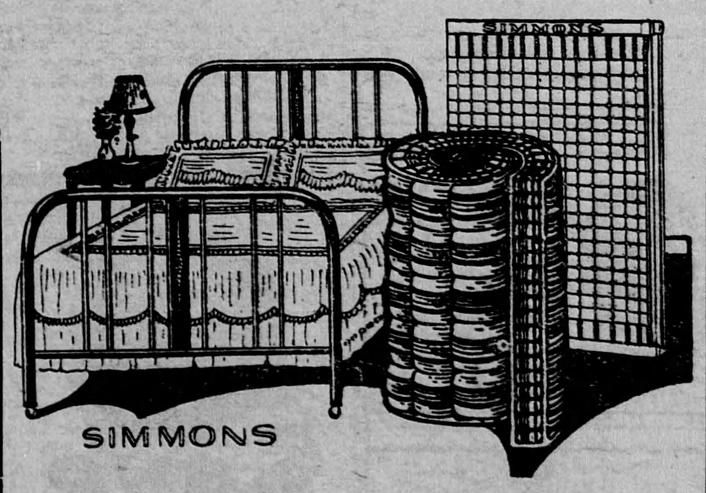
LET FINDLAY FEATHER YOUR NEST - - -



This is the season of the year that good housekeepers generally try and do their house cleaning and usually find out where an odd piece of furniture is needed. The illustration of a bed outfit shown above is only a sample of our good goods at right prices. Look this over—complete for $24.00—and see how it compares with prices you see other places. If you want something better we have it. We have the latest graceline finished iron bed and we have the Way-Sagless Springs guaranteed for 25 years, and the good Marshall guaranteed for 5 years. Perhaps your furniture has got scratched or needs brightening up. We can furnish you with Furniture Polish to fix it up. If you just leave it with us to feather your nest we will see you get a good comfortable one.

ROCK MILLS

Wedding Bells are loudly ringing.

Mrs. Lorne Atkinson returned to her home after a few weeks visit with relatives near Thornbury.

School commenced on Monday, with Miss Whittaker back again on the job.

Our sincere sympathy is extended to Mr. Jas. Fisher and family, in their hour of sorrow, by the death of the wife and mother.

Mr. Baker took the meeting on Sunday night and delivered a good message. The meeting will be at the home of Mr. Ned Croft, next Sabbath evening.

Road foreman, C. Newell has had men on shovelling out the hills between here and Flesherton, and also repairing some wash outs in the road east of Rock Mills, the water seems to be very high this spring and has been going over the road in places

Unity U.F.W.O. club will hold their monthly meeting at the home of Mrs. John Campbell, Eugenia, on Wednesday, May 5th. Roll call to be answered by "wise quotations". The program will consist of a paper on "Influence of Dress on Character" by Mrs. A. Cameron. Exchange of plants and bulbs. Paper by Marguerite Pedlar on "Correctly set table for dinner." Suggestions for entertaining the nearest U.F.W.O. club. Solo by Edith Betts. Meeting to commence at 2 p.m. Visitors welcome.

PRICEVILLE

We are glad to see the snow disappearing and the roads drying so quickly. We also hope that the cars will soon be able to make their rounds again.

Last Thursday and Friday the Saugeen river caused considerable excitement in town. It has never been known to be as high for over 20 years the current being very swift. From the road bridge to the dam is 150 yards and stumps, etc., flowing down were carried over the the dam in about 45 seconds.

Mr. and Mrs. McGillvray of Vaughan, Mrs. Runciman and little daughter and Miss Molly Ferguson of Toronto were visitors at Mr. and Mrs. Colin McLean's in town and attended the funeral of their relative, the late Alex. MacDonald.

We are sorry to report the sudden death of Mr. Alex. MacDonald, a further report of which is given in another column.

Mr. Bob McConkey attended the funeral of his aunt, Mrs. Thompson, of Toronto last week.

Mr. McClarey, a student of Knox College, filled the pulpit of the Presbyterian church here on Sunday. We hope that Mr. Sutherland will soon be able to resume his duties again.

Miss B. Jelly spent the week end at her home at Shelburne.

Miss Donelda Nichol returned Friday to her school at Rosemont after a severe attack of the cold.

ROCK MILLS CHURCH

The library of the Rock Mills Baptist Sunday school has received an addition of 100 volumes quite recently. These books have been appreciated during the winter months. The library was inaugurated by Rev. A. J. Preston some time ago and the volumes have been donated by other Baptist churches and Sunday schools.

The weather has been a great drawback to our work of late. We shall all be delighted to have the warm days of summer once again. We ask the parents of our Sunday school scholars to come to our assistance by sending the children to Sunday school regularly each Lord's day. We anticipate many joyous days together during the coming summer.

Sunday, May 9th, will be Mother's Day. We are going to hold special services in the afternoon of which full particulars will be made in The Advance next week.

CARD OF THANKS

Mr. Jas. Fisher and family desire to thank all the friends and neighbors for kindnesses rendered during the illness and death of our wife and mother.—HUSBAND and FAMILY.

"ONWARD" NEWS

The largest spring flood for some years is now upon us. The roar of the turbulent Saugeen can be heard distinctly in its mad rush to open seas, moving from their moorings, certain frail bridges which have stood the test only to be placed with other driftwood upon high filled jams.

With the changeable weather of late, many flu complaints are to be heard in this locality, besides other afflictions. Sorry to report Mrs. Jos. Oliver, suffering from a bad attack of rheumatism, also Mr. Farquhar Oliver is laid up with a very sore finger.

With the snow partially gone, yet insufficiently to permit highway travel except on foot, the farmer will find time to overhaul his gas buggy before taking it out. Before this time last year quite a number had shaken hands with their Lizzie before backing it out of the garage, and received in turn a responsive kick at having to start out so early.

Mr. Archie McLean of Glenelg, is on the South Line with his buzz sawing outfit.

Mr. John Meads, an extensive chicken raiser of the O. D. R., has a large number of 1926 chicks which are now well feathered. These seem like early birds with the snow scarcely gone.

Mr. Jas. Turner has erected a large buzz-saw outfit upon which he will utilize the power of his Samson tractor.

Before four weeks have elapsed, the fishing season will be open once more.

Advertise For Tourists

It is estimated by the Tourist Association of Ontario that $40,000,000 was left in the Province last year by Tourists. This amount of additional business and new money was secured without any comprehensive publicity campaign such as is carried on by other countries states and provinces.

The statement has been made that citizens of the United States expend annually one billion, eight hundred million dollars for vacations. The power of advertising has had the effect of distributing this amount of money throughout the world. Ontario within easy access of the most thickly populated and highly industralized areas of the United States has within her power the possibility of receiving a large proportion of this tremendous spending capacity.

Everything desirable for a summer holiday can be secured in Ontario. Even our ruggged winrous of a change.

Within seven hundred miles of Ontario are over six million automobile owners, who if informed of the excellent highway system, the fishing, the scenic charm of Ontario, would be here for at least two weeks during the summer months.

Thousands of citizens of the United States when informed at the Ontario Exhibit conducted at the National Automobile Show, New York City, in January, that it was possible to secure everything necessary three days by road and eighteen hours by train from New York immediately desired detailed information so that plans for the coming summer could be made. Modern transportation has revolutionized the trend of tourist traffic—a summer vacation in Canada is talked of by all who come.

Other provinces have already recognized the stimulating effect on business generally by the influx of tourists and are now energetically and systematically developing it.

The chambers of commerce and boards of trade Association of Ontario have realized the possibilities and sponsored the formation of the Tourist Association of Ontario which is now supported by the Ontario government. This Association should do what has been done for Florida and California, and this will no doubt be done when the public generally support it.

The campaign of publicity this year in the United States to be conducted by this province-wide organization requires the minimum sum of Thirty Thousand Dollars, an amount insignificant as compared with the advertising bill for popularizing single products.

The people of Ontario have it in their own hands to develop business and incidentally show first hand the immense natural resources of our province.

A gentleman farmer is just like any other kind except that he loses more money.

The disappearance of the corkscrew is mute evidence that the day of the pull is past.
