The optimism of the man who sees benefit to imself out of a backward season is refreshing just now. Farmers who refuse to be apprehensiv say it means a wet June with a hot damp summer and bumper crops. The story was told in these columns last week of a Tossorontio man who was serving on the jury in Barrie the first week in May forty years ago. Not a stroke of work had been done on the land up to the time the jury was discharged. The jurymen were able to commence work on their arrival home and that summer gave them a crop which could not be beaten.—Alliston Herald.

John C. Adams Passed Away on Sunday Last

After ailing for several years and recently suffering acutely from an inward cancer, Mr. John C. Adams of Flesherton passed away Sunday evening last at his home at the age of seventy-one years and five months. He has been a resident of Artemesia for a great many years, and besides his sorrowing widow leaves six children to mourn the loss of a kind and loving husband and father. The funeral takes place this Wednesday afternoon, service being held at the house at 1 p.m., interment taking place in Flesherton cemetery.

Silent Cop to Scrap Heap

After serving the village faithfully for the past couple of years, as chief traffic officer, Flesherton's constable has at last been forced to retire from public life. During his long service in directing the traffic he has had several narrow escapes by being run over on different occasions by various reckless drivers, but each time bobbed up again and continued on duty, none the worse of his experiences. ....He continued on duty night and day during this time, tireless, never taking a rest and refusing to accept any filthy lucre for the performance of these duties, doing it all for the good of the community. It is very seldom that a municipality can boast of an official so sacrificing as ours has been, and we are indeed sorry that Mr. Constable will be relegated to the scrap heap. Yes, our constable has been a silent one, and when it was left on the square during the winter a team accidentally ran over the inanimate object, splintering the wooden covering, and so seriously injuring its "innards" that the bobbette fails to bob when 'bunty pulls the string.'

BETTS — McMULLEN

The marriage of Miss Lottie Ella McMullen, daughter of Mr. and Mrs. Sam McMullen of Flesherton to Mr. Francis Betts, son of Mr. and Mrs. Thos. Betts of Rock Mills, was solemnized at the St. John's United church parsonage this Wednesday afternoon, April 28th, Rev. W. R. Clements officiating. The happy young couple left on the afternoon train for Toronto.

Loses Sight of Eye

The nine year old daughter of Mr. and Mrs. J. J. Boyce of the 4th line Artemesia was splitting cedar when a chip flew up and struck her in the eye, cutting it so severely that she has lost the sight of it. She was taken to the hospital for sick children in Toronto, where efforts are being made to save the sight of the other eye. Mr. and Mrs. Boyce returned home on Saturday, leaving the little girl comparatively happy with other little invalids.

Social at Home of J. Field

A social evening was held on Thursday evening of last week at the home of Mr. and Mrs. Jos. Fields, east of Flesherton, by their neighbors and friends of the district and presented the esteemed couple with an electric reading lamp to be used in their new home in Flesherton. Miss Ella McMullen read the address and Mr. W. J. Talbot made the presentation, Mr. Fields replying in a fitting manner. The remainder of the evening was spent in dancing and games.
