Baseball Officers

The annual election of officers of the Flesherton Baseball Club was held in the town hall on Thursday of last week when Mr. Geo. Mitchell was again elected president of the club. Mr. John Wright was appointed the Vice-Pres., while F. J. Thurston was also returned as Secretary with T. W. Findlay handling the treasury. The managing committee is composed of S. E. DeCudmore, W. Turney, H. Freeman and the officers. W. George Akins, the popular manager of the team last year, has again been chosen to bring forward a winning aggregation this year with the talent which is at his disposal. The first workout was held on Friday evening, when about ten prospects were showing their stuff.

THROWN AGAINST SAW

A serious accident occurred on the 7th line of Mono last Wednesday which necessitated a speedy drive out on the part of Dr. F. M. Walker. Earl Haddock was helping in some wood sawing operations at his father's home. As everyone who has used a power saw knows the machine is operated at high speed, and the belt which connects the engine with the pulley of the saw travels rapidly. The young man was standing near the belt when it flew off the pulley of the engine and striking him a violent blow threw him against the saw. A bad cut was inflicted in the lower part of the back, and bleeding was profuse to an alarming extent. Phone calls were sent in for a doctor and Dr. Walker was able to respond at once. The time in which he covered the distance to Rosemont would be incredible to most people. The doctor was able to get the wound dressed before any very serious consequences had followed the bleeding. There was an element of good fortune in the accident. When the belt flew off, the saw was running by momentum and the injury it could inflict was very small compared to what could have happened had the victim been forced against the saw by some other cause, and at a time when the power was in use. — Alliston Herald.
