90 Licenses Issued The First Day

FISHING IN EUGENIA HYDRO LAKE

EUGENIA

Friday evening, yes all night and all day Saturday, Eugenia was a stirring little burg. Mine host Munshaw could not accommodate all the visitors on Friday night Fishermen came from Toronto, St. Catherines, Niagara Falls, Galt, Listowel and other points. They arrived here at all times Friday night to be ready for a good day's fishing on Saturday, May 15th in the Eugenia Hydro basin The season opened on Saturday last and all anglers are required to pay a license fee of 50 cents per day for the privilege of catching the speckled beauties. Great credit it due Mr. W. E. Morgan, who assisted in securing the right of fishing in the lake here. Fishing on Saturday was not so very good, owing to unfavourable weather conditions, but nevertheless some beauties were captured. Now, since the fishing right has been obtained, our village should be made to look as attractive as possible. How more admirable our park would look if a rustic seat was placed here and there beneath some well-trimmed evergreens. A couple of artistically built booths would add to the picturesque scene. Come join the throng and have a day's fishing. Secure your permits from Mr. W. E. Morgan who has been appointed by the government to issue licenses, and a most capable man, Ernie Is, for the position. He issued ninety on Saturday. Help boost our little village, for it may be a great tourist centre yet, with summer cottages erected along the lake shore, so boost for our little town.

Mr. Rody Gordon returned to Toronto Friday of last week.

Mr. and Mrs. Edwin Purvis of Toronto visited over the week end at the former's parental home here.

The Proton boys who are working on the extra gang on the railroad at Markdale were home over Sunday.

Mr. and Mrs. Roy McNalty spent Sunday with the fomer's parents.

"ONWARD" NEWS

Week ending May 15th finds the farmers around here off to a nice start at the seeding. The weather, although cool is very dry and seems to replace somewhat the previous predictions of a summerless summer. Numerous herds of cattle and sheep have been turned out to pasture owing to lack of stored fodder which has eked out by long winter feeding.

Mr. Robt. Dingwall preached acceptably to the congregation of United church on Sunday last

The Farm Youth Rally will be held this year at Flesherton on Thursday, July 8th

M. W. B. Williamson's team of horses caused a bad runaway last week while hitched to a disc. When left standing momentarily, they made their getaway, dashing over a number of fences, finally coming to a stop at the barn. The horses were little the worse of their wild run, but the disc was damaged beyond immediate repair.

Mr. A. Johnston is assisting Mr. D. McMillan, South Line with the seeding

NOTICE
