EDITORIAL NOTES

A change in the National flag of South Africa was advocated recently and a design was made that left out the Union Jack Now protest meetings are being held against the proposed change, and small Union Jack flags are being worn and carried by everyone. It is dangerous to tamper with the British Flag!

The snow which fell in the West last week, according to the estimators, leads one to expect bumper crops throughout the prairies again this year. Another big crop would make prosperity in the West an assured thing.

The motor car industry is assuming a brighter aspect since the duty on parts for manufacture of cars in Canada hs been reduced. Blue ruin for the industry was the talk when the rduction in duty on cars alone was announced.

IN MEMORIAM

ARMSTRONG — In loving memory of our dear wife and mother, Mrs. James Armstrong, who passed away on May 28th, 1925.

While the midnight stars are gleaming,
On a lonely, silent grave,
Beneath it sleeps our mother,
The one we loved but could not save.

Her weary hours, her days of pain,
Her troubled nights are past,
Her ever patient, worn out frame
Has found sweet rest at last.

Long days, long nights, she bore her pain,
To wait for cure, but all in vain,
Till God Himself knew what was best,
He took her home and gave her rest

God knows how much we loved her
He counts the tears we shed,
And whispers "hush," she only sleeps
Your loved one is not dead.
Sadly Missed by Husband and family

Chas. Palmer was driving his trotting stallion hitched to a cart the other day for exercise. The animal shied at something, upset the driver off and ran away, coming down the Main st., in full view of his home stable. Those who recognized the animal were very anxious about the driver until he walked into view on his own motive power. Now his neighbors are wondering why a man who has reached the four score or hereabous will take the risk of driving a spirited and speedy animal hitched to a high wheeled road cart. —Dundalk Herald.

An apparently bold physician challenges us to print the following:

Dottie: "Come in and see our new baby."

Teacher: "Thank you, but I will wait until your mother is better."

Dottie: "You needn't be afraid. It's not catching, teacher."

The Late Robert Brown

Robert Brown an old resident of Osprey township and Feversham village, died at the home of his son Fred, in Forest, Ontario, on Monday, May the 11th, aged 89 years and was brought here on Tuesday, and on Wednesday was laid to rest in Bethel cemetery beside his wife who predeceased him 13 years ago. Mr. Brown came with his parents when a lad from England, and they settled in Scarborough township where he, with his father had a blacksmith shop. About the year 1860 they moved to lot 12 on the 10th Con. of Osprey where they farmed and did blacksmithing for some years for the early settlers in that district. They came through all the hardships that pioneers of Osprey had to contend with. A few years afterwards he was united in marriage to Miss Elizabeth Cooper of the 12th line. About 51 years ago, he and his father sold their farms and moved to Feversham where they were partners in blacksmithing until his father retired, and after that, Robert ran the shop until his wife died 13 years ago, and Browns blacksmiths had customers for miles around. After his wife died he went to live with a son Fred in Forest, with whom he lived and was tenderly cared for until his death from pneumonia two weeks ago.

Mr. Brown used to come back and visit his old village every summer and was alway bright intelectually, and loved a joke at all times, and was highly respected by a large circle of friends.

Mr. Brown leaves a family of seven children to mourn his demise; Mrs A. Heron, of Shackleton, Sask., Mrs. Joseph Irwin of Milton, Ont., Mrs. Thos. Davidson, Toronto; Mrs. Fred Brackenbury of Flesherton; Mrs. Jos. Barber of Feversham, and two sons, John of St. Marys and Fred of Forest.

Rev. New of the United church, Maxwell, held a short service at the home of his son-in-law Mr. Joseph Barber, and officiated at the grave. A large number of old friends and neighbors gathered to pay their last respects to a departed pioneer.

Letter From Peace River

Peace River Alta.

Editor Advance: I see by last week's Advance that winter is still with you Ontario people, while here in the Peace River country, the snow is all gone, trees are all out in leaf, wheat sowing all done, and some of it up. If we have good weather for three weeks more, all seeding will be done, even root crops and garden stuff in. The wild fruits, such as raspberries, strawberries, gooseberires and Saskatoons are out in blossom. Of course this spring is earlier than usual.

The D. A. Thomas, our largest riverboat has made her first trip from here to Hudson Hope and back. On the 3rd, a couple of others went down to Fort Vermilion.

I did not see any Kimberley items in the last Advance; are they all snowed in?

What do you think of our government? I noticed that Forke, the Progressive leader said he was a Canadian, and all for Canada, and not for sale. I hope he my live and lead the party for twenty years to come, and not sell out. I am not going to say how many political members do sell themselves to do evil, for I do not know, but we read of the "Rt. Honorable" so and so, and others, who have turned out grafters, robbing us poor taxpayers and putting our country to the expense of bringing some of them to justice. Surely it is time that we farmers should know enough to vote for ourselves. Our only hope is in the Progressive party. Yours for Justice. —
