GROWING LESS POLITE

There was a very impolite man in a store here the first of the week. He crowded ahead of women and children. He "sassed" a woman who stepped on his toe. Canadian men in general are less polite than they were a few years ago. Perhaps it is because women have been screaming so much for equality with men that men are beginning to treat them as equals. It is noticeable that no longer do young men tip their hts to young ladies. And when a young man calls at a young lady's home nowadays to take her for a ride in his car he either whistles for her or honks the horn, and remains in his seat. He does not get out and assist the girl to get into the car. The fact is that girls and women are becoming too masculine, and the men folk feel under no obligation to be particularly polite to them. That is not as it should be.

A SLIGHT MISTAKE

It happened that two men bearing the same name;—one an editor, the other a business man — lived on the same street in a certain city. The editor died, and about the same time his neighbor went to southern California. When he arrived there, he sent his wife a telegram informing her of his safe arrival, but unfortunately it was delivered to the wife of the late editor. What was the surprise of the good woman to read: "Arrived safely. Heat terrific!"

W. E. Turney President of C.G.L. for This Year

At an executive meeting of the Centre Grey League, held in Flesherton on Thursday night last, it was unanimously decided to reorganize again this coming season. Mr. W. E. Turney of Flesherton was elected President, while his runner up, Dr. Marshall, of Dundalk was elected 1st Vice-President and Russell Ellis of Kimberley the 2nd Vice. Mr. Howard Graham of Vandeleur was re-elected Sec.-Treas., while C. K. Armstrong of Dundalk, the retiring President, was elected Hon. President for the coming term. A good season is looked forward to, with Dundalk, Kimberley, Vandeleur and Flesherton, having entered teams. An invitation was extended to the Markdale club to enter a team, and this will be dealt with at a meeting to be held in Flesherton this Wednesday evening. The schedule will also be drawn up and the player's lists passed.

The league is in a sound condition financially, and a record sport season is looked forward to, with baseball fans seeing a real struggle for the Centre Grey League Cup.

Receive Ordination

At the first ordination service of the Toronto Conference of the United church, the names of two young men apepar, who have the interest of many Flesherton people, namely Mr. Charles Clare Oke, son of Rev. J. H. Oke, who ministered to the people of the Methodist church, and Harold Everett Wright, son of the late Everett Wright, who was organist in the Methodist church, and who also gave vocal and piano lessons a few years ago.

A SLIGHT SURPLUS

A sad looking woman of mature years appeared in the street pushing a baby carriage in which a fine, healthy looking infant was howling lustily. A friend approached, "Why, Mrs. Larkins!" she ejaculated, "What a darling baby! But you have no children. Whose is it?"

"You're wrong, my dear," replied the sad faced one, "This is my husband; he went too far with the gland cure."—The Medico.

MISS McPHAIL TO OLD DUBLIN

Honors are coming to Miss McPhail a-plenty She is to attend as a delegate, the Women's International Peace Conference which meets this year in Dublin, Ireland, early in July. She is on the program to represent Canada and we have no doubt will do it worthily. Of course she will visit England and Scotland, among them her father's birthplace in Argyleshire, before she returns, and will probably meet Lady Astor and the Duchess of Atholl, the latter a recent visitor to Canada and who assured Miss MacPhail that anything she could do to make her trip more pleasant would be done. In several ways Miss MacPhail will be able to diffuse a little Canadian atmosphere in the old land. She sails about June 15th.

PASSED EXAMS

Miss Margaret Runstadler received word yesterday of her success in fourth year medicine. This young lady has been very successful in her studies, and is to be congratulated for her attainments.

THE ROAD WRECKERS

Suggestions have been made, says the Peterboro Examiner, that truck licenses should not be issued until May 1st, in order to keep the heavy machines off the roads in the spring. In all parts of Ontario there are complaints of the roads being torn to pieces by ponderous trucks and it is the opinion of all those responsible for road construction and maintenance that more drastic regulations along this line will have to be taken. A few stiff fines might help in doing what appeals to the good sense of the offending owners have failed to accomplish. Road maintenance is becoming a heavy burden enough without permitting all roads pounded to pieces every spring just for the convenience or profit of a few individuals or firms. The conditions will grow worse, if some real effort is not made to grapple with this yearly situation.
