COUGHS KILL

We know of nothing better than coughing to tear the lining of your throat and lungs. It is better than wet feet to cause bronchitis and pneumonia. Only keep it up and you will succeed in reducing your weight, losing your appetite, bringing on a slow fever, and making everything exactly right for the germs of consumption.

Better kill your cough before it kills you.

Ayer's Cherry Pectoral

kills coughs of every kind. A 25 cent bottle is just right for an ordinary cough; for the harder coughs of bronchitis you will need a 50 cent bottle; and for the coughs of consumption the one dollar size is most economical.

"My cough reduced me to a mere skeleton. I tried many remedies, but they all failed. After using the Cherry Pectoral I immediately began to improve, and three bottles restored me to health. I believe I owe my life to it." SARAH F. MORGAN, Oct. 7, 1898. Irowtown, Va.

The Young Folks.

"MUD CAKES."

I don't see why the big folks, all
Need to go to cooking school,
For its easy enough to make a cake,
If you make it by this rule:

First, you must have an apron
That you're not afraid to hurt,
For in this receipt we use,
For flour, sifted dirt.

Then dig, with an iron spoon,
A hole in the cool dark ground,
And put in dirt and water,
Stirring it round and round:

And then a handful of pebbles
You'd best put into the dough,
What are these for? In this recipe,
Pebbles are raisins, you know.

And when you get it all thick enough
You make it into a cake,
Then put it on a nice, clean board
And set in the sun to bake.

Dear me! I'd almost forgot to say
You must sprinkle with sugar (for sand.)
And when they're done, no better cakes
Will be found in Babyland.

That's all! You see, to learn to cook
You don't need to make a fuss,
Though mamma says, when she comes to the door,
"Why, Bessie, child! What a muss!"

Does Children Good.

"I have used Dr. Low's Worm Syrup in my family, and it has always been effectual and has done the children good. I can highly recommend it." Mrs. Joseph Langtry, Brockville, Ont.

If we would overcome the laws of nature we must not resist, we must balance them against one another.

Sore Feet.—Mrs. E. J. Neill, New Armagh, P. Q., writes: "For nearly six months I was troubled with burning aches and pains in my feet to such an extent that I could not sleep at night, and as my feet were badly swollen I could not wear my boots for weeks. At last I got a bottle of Dr. Thomas' Eclectric Oil and resolved to try it and to my astonishment I got almost instant relief, and the one bottle accomplished a perfect cure.

Work paves the only way leading to knowledge. The way is a long one and the difficulties in it are many, but step by step it can be traversed, if labor be the guide.

As an all-roundfamily remedy, one that always should be in the house for an emergency, Dr. Petty's Pills discount anything in the market. They are so small a child can take them with ease yet one's a dose.

"No," said Mrs. Podgers, very positive, "if I go into the country, Mr. Podgers goes with me. This city ain't no safe place to leave a man alone in."

Liver troubles, biliousness, sallow complexion, yellow eyes, jaundice, etc., yield to the curative power of Laxa-Liver Pills. They are sure to cure.

A Vassar girl can hang on a trapeze head downwards, kick open a gate, jump a fence or crowd a saucy chap off the sidewalk.

Milburn's Sterling Headache Powders are easy to take, harmless in action and sure to cure any headache in from five to twenty minutes.

AN INTERRUPTED FEAST.

There dwell in one of the handsome residences of Tioga an elderly lady and her daughter. The mother recently went out of the city for a few days' stay. On the day she left the daughter informed the colored cook early in the morning that she would visit a friend and would not return until 9 o'clock at night.

But the friend was not at home, and the daughter came to the city to shop and returned home at 6 o'clock instead of three hours later. She found ten colored couples in the parlor, and the table in the dining room was set for 20 persons, with silver pieces and best china in evidence.

In the kitchen the cook was busy preparing a feast. When her eyes fell upon her young mistress, the servant exclaimed in horror: "Good gracious, you done come home so soon! "Why, I'se invited mah friends to dinner, 'Deed I didn't expect you."

The young woman said she was sure of that. Result: Colored friends left the house hungry; cook too; girl invited neighbors in, and all enjoyed the feast; new cook next day.

A TELEGRAM THAT TALKED.

At the time when the late Georgia Drew Barrymore was playing in San Francisco a fabulous sum was offered her by a local theatre for her services for a few weeks. The offer was exceedingly tempting, but her contract with Charles Frohman stood in the way. However, on the nothing venture nothing won theory, she telegraphed a detailed statement of the offer she had received to Frohman in New York, explained how anxious she was to accept it and wound up with the plea, "Will you release me?" In due course of time she received the following telegram in answer:

Mrs. Georgie Drew Barrymore, Palace Hotel, San Francisco:

No. CHARLES FROHMAN.

Albeit disappointed, Mrs. Barrymore at once sent this characteristic reply:

Charles Frohman, New York City:

Oh GEORGIE DREW BARRYMORE.

Handful of fine sand placed on a board to rub your flatirons on when ironing; also a piece of paper saturated with kerosene and the sand treatment will make the ironing process easier.

BE WISE TO-DAY

'Tis Madness to Defer.

If You are Weary, Wornout, Ailing or Sick, Use Paine's Celery Compound.

PRESCRIBED EVERYWHERE BY THE ABLEST PHYSICIANS.

The popularity of Paine's Celery Compound is wide and extended; its users are found in every class of society.

The life-giving powers and virtues of Paine's Celery Compound are lauded by the titled, the noble, the wealthy as well as by the humble sons and daughters of toil. It has saved lives of all conditions of people after the failure of honest and worthy physicians.

Paine's Celery Compound is more talked of, discussed, prescribed and inquired into, than any other known remedy, and no other medicine ever had such strong and convincing testimonials.

At this time when men and women have been ushered into a season of rapid and dangerous changes, they incur fearful risks if such troubles as rheumatism, neuralgia, kidney and liver complaints, stomach derangements and blood diseases are neglected. The use of Paine's Celery Compound will quickly regulate the nerves, cleanse the blood, banish sleeplessness, neuralgia and rheumatism and put the liver and kidneys in perfect working condition.

Paine's Celery Compound is not a patent medicine; it is a great physician's prescription fully recognized by our most eminent doctors in the treatment of disease. A trial of one bottle will convince every sufferer.

One of the most prosperous inventors of the day is Mr. George Westinghouse, whose wonderful brake has brought him in a fortune of $20,000,000.

Earache Cured.

Miss J. J. Johnson, Innisfail, Alta., says: "I was troubled with earache for a long time and nothing helped me until I used Hagyard's Yellow Oil, which cured me completely."

It is not in our open exposed deeds that we need the still voice of the silent monitor but in the small secret every-day acts of life.

HE COULD FIND NOT THEM.

The janitor in a Vermont school threw up his job the other day, says an exchange. When asked what was the trouble, he said: "I'm honest, and I won't stand being suspected. If I find a pencil or handkerchief about the school when I'm sweeping I always look for the owners. Every little while the teacher, or some one that is too cowardly to face me, will give me a slur. Why, a little while ago I saw written on the board, 'Find the least common multiple.' Well, I looked from cellar to garret for that multiple; and I wouldn't know the thing if I met it in the street. Last night, in big writin' on the blackboard, 'it said, 'Find the greatest common divisor.' 'Well,' I say to myself, 'both of them things are lost now; and I'll be accused of stealing 'em, so I'll quit."

A SARNIA LADY

Tells How Milburn's Heart and Nerve Pills Cured Her Nervous Troubles and Strengthened Her Weak System.

Milburn's Heart and Nerve Pills are an inestimable boon to anyone suffering from any disease or derangement of the heart or nerves or whose blood is thin and watery.

Mrs. E. Horning, of 115 George Street, Sarnia, Ont., is one of those whose experience with this remedy is well worth considering.

It is as follows:—"I am pleased to recommend Milburn's Heart and Nerve Pills to anyone suffering from nerve trouble, no matter how severe or of how long standing.

"For years my nerves have been in a terribly weak condition, but Milburn's Heart and Nerve Pills, which I got at Geary's Pharmacy, have strengthened them greatly and invigorated my system, leaving me no excuse for not making known their virtues.

"I cannot refrain from recommending these pills to all sufferers as a splendid cure for nervousness and weakness."

If we could read the secret history of our enemies, we should find in each man's life sorrow and suffering enough to disarm all hostility.

Sleeplessness is due to nervous excitement. The delicately constituted, the financier, the business man, and those whose occupation necessitates great mental strain or worry, all suffer less or more from it. Sleep is the restorer of a worried brain, and to get sleep cleanse the stomach from all impurities with a few doses of Parmelee's Vegetable Pills, gelatine coated, containing no mercury, and are guaranteed to give satisfaction or the money will be refunded.

Many a man's tongue shakes out his master's undoing.

SALT RHEUM.

A Severe case Permanently Cured by

Burdock Blood Bitters.

"I had Salt Rheum in my face and hands for three years and could not get anything to cure me till I used Burdock Blood Bitters.

"On taking the first bottle there was a great change for the better and by the time the second bottle was finished I was completely cured and have had no return of the disease since.

"I have great faith in B.B.B. as a cure for blood and skin diseases." Miss Maud Bruce, Shelburne, N.S.

Business worries are said to be the cause of twelve per cent. of the cases of insanity.

Bob McCready.

Above is a splendid portrait of Bob McCready, one of the best football players in Canada.—He is a member of the Ottawa University team, and has been in all of its championship matches. He is a splendid specimen of robust Canadian manhood, but, strong as he is, he has known what it is to suffer from dyspepsia. So variously afflicted was he at the opening of the past (1899) season, that he was not able to go out with his team. Pains in the back and sides, intermittent headache, and the awful pangs he suffered after eating, the result of an impaired digestion, warned him that he was in no condition to play football, the hardest of all games. Besides, he lacked the energy to carry him through a campaign. He consulted his physician, but that gentleman gave him no relief. At this stage," he writes, "I was advised to try Dr. Petty's Pills, the new remedy that one of my friends assured me was wonderful in its effects. I was sceptical, but he sounded their praises so persistently that I was at length induced to try them. The very first dose drove the pain away, and at the end of a week I rejoined my team, and I have round through one of our hardest seasons in the best form that I have ever been in. Dr. Petty's Pills are alone to thank for my fine condition. They are the best medicine I have ever taken. They make one so strong and so full of energy. I, for one, shall never take any others when I feel in need of a strengthener." Such is the recommendation of this well-known athlete, and such will be the experience of everyone who tries this wonderful remedy. If your druggist cannot supply you, write to us, enclosing price, 50 cents a bottle, six bottles for $2.50. Address The Dr. Petty Medicine Co., Ottawa, Canada.

"Delays Are Dangerous."

A small pimple on your face may seem of little consequence, but it shows your blood is impure, and impure blood is what causes most of the disease from which people suffer. Better heed the warning given by the pimple and purify your blood at once by taking Hood's Sarsaparilla. This medicine cures all diseases due to bad blood, including scrofula and salt rheum.

The non-irritating cathartic—Hood's Pills.

The chief office of silence is to bury all that is evil, and the chief office of speech is to disclose and to disseminate all that is good. Let this be done with sincerity and earnestness, and let no criticism discourage it, for its ultimate benefit to character and to conduct is established beyond a doubt.

They Never Fail.—Mr. S. M. Boughner, Langton, writes: "For about two years I was troubled with inward piles, but by using Parmelee's Pills, I was completely cured, and although four years have elapsed since then they have not returned. Parmelee's Pills are anti-bilious and a specific for the cure of Liver and Kidney Complaints, Dyspepsia, Costiveness, Headache, Piles, etc., and will regulate the secretions and remove all billious matter.

Experience has proved that the longer an engagement the more liable it is to be broken off.

We are spending thousands to make Petty's Pills known. Our money proves our faith. A trial will secure yours.

Many who have died of consumption dated their troubles from exposure, followed by a cold which settled on their lungs, and in a short time they were beyond the skill of the best physician. Attention in the world of homœopathic medicine has been its very source of progress, as in politics and religion—the difficulties of opinions and the individuality of men have been patent to the disagreement by which the standard of these bodies have been elevated. So with most of our famous preparations—foremost in illustration of which truth stands the world-famous remedy to general debility and languor, "Quinine Wine,"—and which when obtainable in its genuine strength, is a miraculous creator of appetite, vitality and stimulant, to the general fertility of the system. Quinine Wine, and its improvement, has, from the first discovery of the great virtues of Quinine as a medical agent, been one of the most thoroughly discussed remedies ever offered to the public. It is one of the great tonics and and natural life-giving stimulants which the medical profession have been compelled to recognize and prescribe. Messrs. Northrop and Lyman, of Toronto, have given to the preparation of their pure Quinine Wine the great care due to its importance, and the standard excellence of the article which they offer to the public comes into the market purged of all the defects which skilled observation and scientific opinion have pointed out in the imperfect preparations of the latter.

DISEASE GERMS IN BAR GLASSES

A new horror has been added to the saloon-drinking habit. Dr. Gehrman, of the Chicago city medical health department, has made the statement for publication as a warning that the drinking of beer and other liquors, hard and soft, from glasses which have been washed in water in which hundreds of other glasses have been cleansed is dangerous. Thousands of germs of disease, including those of the most loathsome known to medical practice, are collected in the water from the hands and lips of drinkers. For instance, a man with germs of typhoid fever on his lips may drink a glass of beer; another may bring along the bacilli of diphtheria; a third may have embryonic of smallpox on his clothes and brush is off on the glass. Thus Dr. Gehrman assures the drinkers at public bars that they run the risk of contracting a complication of diseases which would render truthful the wildest imaginings of a man suffering from delirium tremens. It should be observed, however, that in bars of the better class the glasses are wiped after having been washed, but that does not mend matters as the germs cling to the towel and are given a surer grip of the glass while in process of distribution. As a preventive of infection the doctor suggests the washing of the glasses in running water, which would carry the germs down where they would become harmless.

MUST KEEP UP HIS COURAGE.

A telegraph operator in Milwaukee was one day trying to call up an office in a small town in the interior of the state, where the instrument was presided over by by a woman. He was about giving up in despair when an operator in another small town a few miles distant from the first ticked out the query:

"What do you want?" "I want Miss B. at B——ville. I have been trying to get her for the last half hour." "That is nothing," came the reply, "there's a young fellow clerking in a dry good store there who has been trying to get her for the last three years, and he has not succeeded yet. Don't get discouraged.

The Old Reliable Remedy for Diarrhœa and Dysentery.

Grandma Used It. Mrs. Thos. Sherlock, Arnprior, Ont., recently wrote: "My little girl, three years of age, was taken very bad with diarrhœa, and we thought we were going to lose her, when I remembered that my grandmother always used Dr. Fowler's Extact of Wild Strawberry, and often said that it saved her life. I got a bottle and gave it to my child, and after the third dose she began to get better and slept well that night. She improved right along and was soon completely cured."

The man is poor indeed who cannot in some way help his neighbor, if only by words of sympathy; and unless he has the disposition to do this when he is poor, there is little liklihood that the possession of riches will transform his nature.

The church of All Hallows in London possesses an income originally given to it for the purpose of buying fagots for burning heretics.

Tired Housekeepers.

Disordered Kidneys bring them a multitude of pains and aches.

How often woman give out before the day's work is fairly begun and sink into a chair utterly worn out.

But the housework must be done even though the back does ache, and the head feels ready to burst.

These women can't understand why they are never strong, why the night does not bring rest, why they are always tired, have no appetite and seem to be pains and aches all over.

As a rule the real cause of the trouble is the last one thought of.

It all comes from the kidneys. These delicate little filters of the blood get out of order, and as a result the uric acid and other poisons that they ought to carry off are sent back into the system.

There's no use trying to get relief until the kidneys are restored to health.

The easiest, safest, quickest way to accomplish this is to take Doan's Kidney Pills—nature's own remedy for all kidney diseases and derangements.

Mrs. Martha S. Frost, Little River, Digby Co., N.S., recently wrote as follows: "I have much pleasure in stating that Doan's Kidney Pills have wonderfully improved my health. I had been suffering with lame back for a number of years and at the time I began taking Doan's Pills I was almost unable to do any housework.

"I have used three boxes and must say they have taken the pain out of my back and restored my strength. I don't think there is any other medicine equal to Doan's Kidney Pills for kidney troubles."
