IN MEMORIAM

REIED—In loving memory of my father, Wm. Reid, who departed this life, June 20th, 1925.

"There is no death
To those, whose hearts are set
On higher things than this life doth afford;
How shall their pasing leave one least regret,
Who go to join their Lord?"

IN MEMORIAM

PEDLAR—In loving memory of our dear mother,, Mrs. Sam Pedlar who passed away June 8th, 1925.

We watched her suffer day by day,
It caused us bitter grief
To see her fail away
And could not give relief.

Her weary hours, her days of pain,
Her troubled nights are past.
Her ever patient worn out frame,
Has found sweet rest at last.
Ever remembered and loved by her sorrowing husband and family.

Real Sensible Talk

What would you think of a merchant, who advertised goods at Right Prices and when you called you found he was only bluffing? I guess you would say, "Stung Again," and go away back home and look up the old catalogue again, and make out another order We feel sure we have have proven to any person who has called inquiring about any of our advertisements that we actually are doing what we say we are because the increase in business shows us that they are satisfied. Just a word to any who have not proven our prices right. Call once when you want something, and if we cannot satisfy you that we are actually trying to serve you with goods at right prices. Then we would say, Buy from the catalogue, but we think you ought first try your own dealer who is trying to boost your community as well as his own, & by our own combined efforts make our little town a real live centre.
