Tie Game With Kimberley

A tie game was played at the Thursday celebration here, between Kimberley and Flesherton Centre Grey League teams, the final score of the exhibition tilt being 8—8, almost a coincidence with the 9—8 score at Kimberley one week before. The game was a trifle slow all the way with the exception of the last three innings when things were livened up considerably.

Flesherton are handicapped by having an infield composed of new men with the exception of McTavish at shortstop, and the general play lacks the machinelike speed and smoothness of last year's champions. Practise however,, and nothing but practise, will bring things to the standard required to win the Centre Grey championship. The outfield is practically the same as last year, namely Sparks, Thurston and Wauchope, with Dick Clark staging a "come back." The battery of Kitchen and Akins will improve with work, and if Len Alcox can get into the game things should be rosy right through.

Kitchen was hit hard, and the Kimberley bludgeons pounded 14 hits into the old score card. This can be credited in part to slow fielding, and lack of practise. Kitchen is known to be a slow starter but a strong finisher when he rounds into shape, and in short notice will make the fans sit up and take notice.

E. Ellis served up his assortment of goods for the Kimberleyites and hurled strong ball all the way. He was given fair support in field and at bat and the "blossoms" should win many a game in this season's campaign. Dillon and Fawcett each netted three runs, while Smith and E. Ellis hung up the other two.

Thurston scored four Flesherton counters, and drove in two more. L. Wauchope was second with two, while C. Betts and G. Akins halved the other two.

FLESHERTON—Thurston c.f., C. Betts 1stb., R. Kitchen p., G. Akins c, B. Sparks r.f., D Clark, l.f., F. Betts 3rd b., C. McTavish s.s., L. Wauchope c.f.

KIMBERLEY — Dillon s.s., R. Stafford c., R. Ellis, c.f., O. Smith 2nd b., E. Ellis p., Flood r.f., Fred Ellis 1st b., O. Lawrence, 3rd b., C. Fawcett l.f.

Kimberley opens the league competition here on Thursday afternoon, game being called at four o'clock sharp. Umpires and players are requested to be on the grounds by 3.30 p.m. It is necessary that all games be started on time, and this rule should be taken note of by fans and players alike.

Kimberely play their first league game in Flesherton this Thursday afternoon at 4 p.m. sharp. A win means a lot to either teams, so a fast game is assured. Be there to support your team.

Dundalk is in Markdale this Wednesday afternoon to open the Centre Grey League. These clubs are fielding strong teams and are out to win with a flying start.

Field Day at Flesherton

The Field Day put on at the local grounds by the Agricultural Society was not the success financially as the effort merited. The sports however left nothing to be desired, and a successful afternoon of baseball and softball was staged.

Kimberley and Flesherton baseball teams hooked up in an exhibition tilt, the account of which appears elsewhere in this issue.

Massey and the High School girls played an interesting game of softball, and both teams displayed a good brand of stuff, with the local team having a distinct superiority throughout. The final score was 12—8. A game was played between the Kimberleyites and the local town team. The Kimberley outfit were the victors the week before in Kimberley, but were unable to contend with the slugging power of the home squad. The score card showed the fixture to be closed with a 13—4 reading.

The final tilt was the best of the evening, and the fact that the finalists were local teams gives reason to be proud of the rapid advances made in this game in the last two years. After a close struggle the high school girls own the bologna end of the sausage by a 17—16 score.

The total receipts of the afternon amounted to $95.00.

NOTICE

A pair of shoes was left in the tent at the Agricultural grounds on Thursday last for safe keeping and were afterwards found there unclaimed. The young man may have them from Mrs. Will Moore by paying the expense of this ad., and take 'em away.

Eight youths, convicted in Barrie police court on a charge of spearing fish in Tollendale creek, were each fined $1 and $3 costs.

A St. Mary's clergyman says that out of 600 people in his parish, only four have ever voted other than Conservative.

Every motorist knows the danger and difficulty of driving with a damp windshield, so this tip may be valuable. A solution of two ounces of glycerine and one dram of common salt mixed well in an ounce of water will keep the winshield clear in all kinds of weather. It should be applied with a piece of gauze, a downward stroke being used.

The lowest or any tender not necessarily accepted.

Tenders must be accompanied by a Proposal Bond covering ten percent (10%) of the amount of the tender. — R. C. McKnight,
Township Engineer.

SAFETY FIRST AT CROSSINGS

A good many motorists fail to realize that the Highway Traffic Act means what it says when it enacted this clause: "No motor vehicle shall be driven at a street intersection at a greater rate of speed than ten miles per hour in a town or village. The penalty for first offence is not less than $5.00 nor more than $50.00 and for second or subsequent offence not less than $10.00 or more than $100.00 and the license may be suspended for any period not exceeding three months."

Government Control

Recently five men died at Lauzon, Quebec, as a result of drinking "of Moon-shine whiskey." Over in Quebec the liquor traffic is under what is known as Government Control. And there are those who recommend it on the ground that it will put a stop to the moonshine business and to the bootlegger.

WOOL WANTED

Coarse, medium and fine wool wanted.
