OVERWORK

You know all about it. The rush, the worry, the exhaustion. You go about with a great weight resting upon you. You can't throw off this feeling. You are a slave to your work. Sleep falls, and you are on the verge of nervous exhaustion.

What is to be done? Take

Ayer's Sarsaparilla

For fifty years it has been lifting up the discouraged, giving rest to the overworked, and bringing refreshing sleep to the depressed.

No other Sarsaparilla approaches it. In age and in cures, "Ayer's" is "the leader of them all." It was old before other sarsaparillas were born. $1.00 a bottle. All druggists.

Ayer's Pills aid the action of Ayer's Sarsaparilla. They cure biliousness. 25 cts. a box.

"I have used Ayer's medicines for more than 40 years and have said from the very start that you made the best medicines in the world. I am sure your Sarsaparilla saved my life when I first took it 40 years ago. I am now past 70 and am never without your medicines."

WHY?

Why does the doggie bark, papa,
Why does the doggie bark?

The reason why, if you must know,
Is that that the little dog can't crow,
And so he has to bark.

Why does the rooster crow, papa,
Why does the rooster crow?

The reason why I'll tell to you:
Because the rooster cannot mew,
And so he has to crow.

Why does the kitten mew, papa,
Why does the kitten mew?

The reason why, I'm forced to say,
Is that the kitten cannot bray,
And so he has to mew.

Why does the donkey bray, papa,
Why does the donkey bray?

The reason why the donkeys bray
Is that the beast was born that way,
And so he has to bray.

Catarrh.

Called an American disease, is cured by an American medicine, originated and prepared in the most catarrhal of American countries.

That medicine is Hood's Sarsaparilla.

It cures radically and permanently, in that it removes the cause, cleansing the blood of scrofulous and all other impurities. It overcomes all the effects of catarrh, too, and builds up the whole system.

A rolling gait gathers remorse.

Can Recommend It.—Mr. Enos Borberr, Tuscarora, writes: "I am pleased to say that Dr. Thomas' Eclectric Oil is all that you can claim it to be, as we have been using it for years, both internally and externally, and have always received benefit from its use. It is our family medicine and I take great pleasure in recommending it.

EASY CURE

What will you say to a cream that makes you digest your food so well that you lose your weakness and pain?

A GOLD MINE ON YOUR FARM

This is the adage of the Spramotor Company, of London, and in an elaborate catalogue and treatise of eighty pages, just issued by this enterprising company, gives ample proof that by using proper means every farm may become a veritable gold mine. The treatise shows that great profit may be made in the orchard, in the fields, in the vineyard and the garden, and by careful prepared and manifestly reliable tables shows what trees and plants have yielded and what they may be induced to yield under the magic touch of the Spramator. The Spramotor is a machine that has demonstrated to the satisfaction of the Department of Agriculture that over 60% of the possible fruit crop of the Dominion of Canada is going to waste and all through a lack of appreciation of proper means of saving it. Startling as this may seem, it is backed up by convincing details. Proof will be found in the report of the Superintendent of spraying experiments. His work was conducted by direction of the Hon. John Dryden, Minister of Agriculture for the Province of Ontario. Copies of this valuable catalogue may be had upon application to The Spramator Co., London.

VARIETIES.

It is worth while to do even the smallest kindnesses as we go along the way. Nothing is lost. No dewdrop perishes, but sinking into the flower makes it sweeter.

Do not be so busy that you cannot give another the benefit of a kindly smile, or a pleasant word, or a listening ear. Business and Christian sympathy need not, and ought not to conflict. The loving heart should always find expression.

It is dangerous to live a pent-up, shut-in life; and, without neglecting the home circle, they who are not forced by circumstances to confine their social life altogether to their home should see much of other people. It is a mistake which tends to narrowness to allow one's self to become too busy with his own affairs and his own home to get any of that kind of growth which the sunshine of social life alone promotes.—*Cumberland Presbyterian.*

Cholera morbus, cramps and kindred complaints annually make their appearance at the same time as the hot weather green fruit, cucumbers, melons, etc., and many persons are debarred from eating these tempting fruits, but they need not abstain if they have Dr. J. Attention to the world of home opathic medicine has been its very source of progress, as in politics and religion—the difficulties of opinions and the individuality of men have been parent to the disagreement by which the standard of these bodies have been elevated. So with most of our famous preparations—foremost in illustration of which truth stands the world-famous remedy to general debility and anguor, "Quinine Wine,"—and which when obtainable in its genuine strength, is a miraculous creator of appetite, vitality and stimulant, to the general fertility of the system, Quinine Wine, and its improvement, has, from the first discovery of the great virtues of Quinine as a medical agent, been one of the most thoroughly discussed remedies ever offered to the public. It is one of the great tonics and and natural life-living stimulants which the medical profession have been compelled to recognize and prescribe. Messrs. Northrop and Lyman, of Toronto, have given to the preparation of their pure Quinine Wine the great care due to its importance, and the standard excellence of the article which they offer to the public comes into the market purged of all the defects which skilled observation and scientific opinion has pointed out in the less perfect preparations of the latter.

More than one Woman

Who has been cured of backache and kidney trouble by the use of Doan's Pills has written us as follows:

Mrs. Wm. Bishop, Palmyra, Ont., writes: I have used Doan's Pills for lame back and know they are an excellent pill, as two boxes completely cured me.

Mrs. J. T. Dagenais, Montreal, Que., writes: One year ago I suffered terribly with kidney trouble. I consulted several physicians and used their prescriptions without success. I saw Doan's Pills advertised, so procured a box and they made a complete cure.

Mrs. J. P. Griffith, Montague Bridge, P.E.I., writes: About six months ago I suffered terribly with weak and lame back. I took one box of Doan's Pills and am thankful to say that they cured me and I have not had any sign of my trouble since.

Nine Boils On Neck.

Anyone who has ever been troubled with boils can sympathize with poor old Job. There was no Burdock Blood Bitters in those days, so Job had to suffer in silence. Now-a-days no one need endure the misery of boils.

All they have to do is take B.B.B. when their blood will be cleansed of all impurities and every boil will quickly disappear.

Miss Lydia Moody, Ruscom, Essex Co., Ont., sends the following statement of her case: "Some time ago my blood got so out of order that many boils appeared on my body and prevented me having any rest. I had nine on my neck at different times, and quite a number of small ones came on my shoulders and arms.

"Our next door neighbor, seeing the condition I was in, told me to take B.B.B. for my blood, and I did so.

"After I had finished the first bottle I found that some of the boils had disappeared and all the rest were getting much smaller. I then got two more bottles, and by the time I had these nearly all gone there was not a boil to be seen. Besides this, a headache, from which I suffered greatly, left me, and I improved so much in health that I am now a strong, robust girl."

The proprietors of Dream Ide's Dyke are constantly receiving letters similar to the following, which explains itself. Mr. John A. Beam, Waterloo, Ont., writes: "I never used any medicine that can equal Parmelee's Pills for dyspepsia or kidney and liver complaints. The relief experienced after using them was wonderful." As a safe family medicine Parmelee's Vegetable Pills can be given in all cases requiring a cathartic.

AT THE END OF THE JOURNEY.

A small boy sat quietly in a seat of the day coach on a train running between two Western cities. It was a hot, dusty day, very uncomfortable for travelling, and that particular ride is perhaps the most uninteresting day's journey in our whole land. But the little fellow sat patiently watching the fields and fences hurrying by, until a motherly old lady, leaning forward, asked sympathetically:

"Aren't you tired of the long ride, dear, and the dust and the heat?"

The lad looked up brightly and replied, with a smile: "Yes, ma'am, a little. But I don't mind it much, because my father is going to meet me when I get to the end of it."

What a beautiful thought it is, that when life seems wearisome and monotonous, as it sometimes does, we can look forward hopefully and trustingly and, like the lonely little boy, "not mind it much," because our Father, too, will be waiting to meet us at our journey's end.

WORSE YET.

A fresh story about the odd names of the colored people of the South comes from New Orleans *Times Democrat.*

An up-town housekeeper has a washerwoman with the queer Christian name of Damsel, and it once occurred to the lady to ask this matrona of the tubs for whom, or what, she had been called. In reply to the question the washerlady replied:

"'Twas a frien' of meh maw gimme that entitle—an' a mighty ugly one it is, I mus' say. But I've got worse names than that," she added, gloomily; "me full name's Queen Victoria Damsel Jones."

Very Curious.

The Yale *Record* reports that "an unknown friend" has lately presented some choice specimens to the Psychology Museum. A few of them are as follows:

A wail from the "Tale of Two Cities," some water from "all's well," the rollers from the "shades of evening," a drink from a "sand-bar," a rocker from the "cradle of the deep," a free lunch from the Sandwich Islands.

How to Cure Headache. — Some people suffer untold misery day after day with headache. There is rest neither day nor night until the nerves are all unstrung. The cause is generally a disordered stomach and a cure can be effected by using Parmelee's Vegetable Pills, containing mandrake and dandelion. Mr. Finlay Wark, Lysander, P. Q., writes: "I find Parmelee's Pills a first-class article for bilious headache."

LAXA LIVER PILLS

Those who have used Laxa-Liver Pills say they have no equal for relieving and curing **Constipation, Sick Headache, Biliousness, Dyspepsia, Coated Tongue, Foul Breath, Heart Burn, Water Brush** or any disease or disorder of the stomach, liver or bowels.

Mrs. George Williams, Fairfield Plains, Ont., writes as follows: "As there are so many other medicines offered for sale in substitution for Laxa-Liver Pills I am particular to get the genuine, as they far surpass anything else for regulating the bowels and correcting stomach disorders."

Laxa-Liver Pills are purely vegetable; neither gripe, weaken nor sicken, are easy to take and prompt to act.
