Dundalk Deafeated Locals

The way Dundalk trimmed Flesherton in their first meeting last week, reminds one of the Rocklyn-Flesherton debacle of last season. It was a real "shave and haircut," and the locals on the afternoon's exhibition, looked like a bunch of high school youths in a spring workout. By the way the score was 27-10, enough runs for three or four ball games.

The home team simply could not get going, were apparently lacking in practice, and the breaks were all the wrong way. Kitchen was wobbly throughout, but with any kind of defensive support, things might have been a lot better. However it was a good time to work a lot of bad baseball out, and the Greys should play baseball from now out.

Thompson and Douglas hit two homers for Dundalk, and each of the team is credited with at least one run excepting Stafford.

Lockhart's fine catch of Sparks' bid for a hit in the 4th, was the feature of the day. She was a peeler.

Vandeleur won their first game of the season on Wednesday last, when they defeated Markdale 17—12. Both these teams are playing good ball, and are "weak sisters" to no team in the league.

The locals are playing in Vandeleur this Thursday afternoon, and must have a win to re-establish themselves in the league race.

Kitchen and Major were off color by reason of playing three games in a tournament at Camilla the day previously. The rest of the gang thought it a good time to do the fadeaway too!

Flesherton and Dundalk play at Inistioge Garden Party this Friday afternoon. A good game should result.

The Old Durham Road team play in Flesherton this Monday evening at 6.30 sharp. All players are requested to be present, whether they need practice or not.

Kimberley play in Dundalk this Wednesday afternoon at 3.30 A battle royal should result as Kimberley are picked to win the cup by many.

Farm Youth Rally

The final rally for the year of the Farm Youth of Grey, held in Markdale on Thursday afternoon and evening attracted large crowds at both sessions. The young people of the county took an active part, in the activities throughout, and much benefit is being derived by rural Grey as a result of the work of Miss A. C. McPhail M.P. and T. S. Cooper, Agricultural Representative of Grey.

The finals in the athletic contests were staged in the afternoon with Massie winning the softball title. Recognition badges were given the winners of each contest in every event.

In the evening, the armouries were packed to capacity, and an interesting if lengthy programme was presented. A debatet between Edgehill and Bunessan on the subject, "Resoled that Freedom of Speech is a public Safeguard, Rather than a Menace," was won by the Edge Hill club, supporting the negative side. Miss Myrtle McKessock, in her rendition of speech which won the championship in the public speaking contest, displayed marked talent, and her theme, "Health and Happiness," was closely followed by an appereciative audience.

Bognor club presented the prize winning playlet, 'The Cuckoo's Nest,' in a very exemplary manner, and the rendition was very entertaining as well.

Mr. Harold McKechnie, of Durham, acted as chairman, while Miss A. C. Macphail M. P., presented the prizes to the various winners of events.

A number of musical selections, short addresses, and readings helped make the evening enjoyable. Bognor orchestra supplied music throughout the evening. It is estimated that the aggregate attendance numbered closely to 1200 people.

The United Church

(Continued from Page 5)

existence in Canada to pioneers from the United States? The United Church of Canada has followed, embracing as it does, not only the two churches arising out of the former unions but the Congregational church as well. "We have now had a full year of this enlarged union, and the success of the United church has already exceeded the most sanguine expectations of those who had worked and prayed for the bringing of it about. But it had been asked, would their success continue? Without a doubt, if the United Church is true to the principles on which it is founded. How is the mission to be carried out that shall ensure the maintenance and extension of the Kingdom of Christ. The Church had a great field. Their United church extended throughout the length and breadth of this vast Dominion, and it had missionaries already doing good work in India, Japan, Africa, the Islands of the Sea, with missions of great opportunities for promoting the cause of Christ not only among our native population but among the hitherto neglected new comers They had the injunction of Christ in thus uniting for the common cause. In this community the United Church, which had come together under circumstances so auspicious would be successful, too just in proportion as it was faithful in each member personally living and working for the advancement of the cause of Christ."

At the close of the service Rev. Mr. Harrower expressed the gratefulness of the congregation to Rev. Dr. Wilson for coming to them and preaching sermons so impressive and appropriate for the memorable occasion. He trusted that Dr. Wilson would again visit them at no distant date.

The choir, with Mrs. Joseph Blackburn as leader and organist, was out Wilson and was not acquainted with cellent aid in the praise service but several appropriate solos. There was a full attendance of worshippers.

In the afternoon Rev. Dr. Wilson, accompanied by the pastor, journeyed their son, Elwood, and his wife motwith Flesherton in the United Church, and preached to a much-interested congregation. There was also a solemn communion service.

Still Another Still

Constables Beckett and Cooke unearthed an illicit still at the home of Mr. Art. Porteous, about one mile east of Maxwell, on Wednesday afternoon of last week. On searching the house the constables found the still in an upstairs room, and when an investigation was held Wm. Higgins admitted connection with the kick produceh. He was taken to Owen Sound, and being unable to pay his fine of $200 and one month in jail, was sentencew to 8 months inprisonment. Higgins admitted Porteous had knowledge of the manufacture of the wet goods, and it is at present unknown just what steps will be taken to satisfy the demands of justice in his case.

IN MEMORIAM

McMULLEN — In loving memory of our dear Mabel, who passed away July 6th, 1925.

While the midnight stars are gleaming
On a lonely silent grave,
Beneath it sleeps our darling,
The one we could not save.

Her voice on earth is heard no more,
Her battle's fought, her race she's run,
With just enough clouds o'er her life
To cause a gorious setting sun.

—Sadyl missed by family.
