Mother

"My mother was troubled with consumption for many years. At last she was given up to die. Then she tried Ayer's Cherry Pectoral, and was speedily cured."
D. P. Jully, Avoca, N. Y.

No matter how hard your cough or how long you have had it, Ayer's Cherry Pectoral is the best thing you can take. It's too risky to wait until you have consumption. If you are coughing today, get a bottle of Cherry Pectoral at once.

Three sizes! 25c., enough for an ordinary bottle; 50c., just right for bronchitis, bronchitis, hard colds, etc.; $1; most economical for chronic cases and to keep on hand.

MUCH THINKING.

If I tho't she tho't the tho't I think,
I wouldn't be so fearful;
But to think my tho't she may not think,
Makes me most mighty tearful.

I never tho't I'd think the tho't
I think I'm ever thinking;
But think and think, and think I must,
And wonder what she's thinking.

I think she thinks I think I love her,
And that helps me a little;
She thinks I think she thinks she loves me,
But she is non-committal.

I think I'll think the tho't I've tho't,
And then approach her boldly;
If she thinks what I think she tho't,
She will not treat me coldly.

Oh, I've tho't and tho't and tho't and tho't
What Jane thinks of the matter,
Till my heart that once went pitty pat,
Is going pitty patter.

So I must learn the tho'ts Jane thinks,
For think I can no longer
Of tho'ts I wonder if she thinks—
My love is growing stronger!

Oh, I tho't she tho't the tho't I tho't,
And now, umh! I know it, oh!
For I told Jane the tho't I tho't,
And Jane said, "I think ditto."

How to Treat Painful Corns.

Night and morning apply Putnam's Painless Corn Extractor. It acts like magic. Kills the pain, cures the corn, does it without pain quickly, and surely. Use only Putnam's. Sold by A. T. Brown.

That man has money to burn is odorously obvious; that woman munches here is often equally apparent.

What Everybody Knows

Or ought to know, is that health and even life itself depends upon the condition of the blood. Feeding as it does, all the organs of the body, it must be rich and pure in order to give proper nourishment. Hood's Sarsaparilla makes the blood pure, rich and nourishing, and in this way strengthens the nerves, creates an appetite tones the stomach, builds up the health, wards off colds, pneumonia and fevers.

Tenderness belongs to woman exclusively It has an odor of sweetness, gentleness and purity about it which men do not exhale.

Liver Pills

That's what you need; something to cure your biliousness and give you a good digestion. Ayer's Pills are liver pills. They cure constipation and biliousness. Gently—laxative. 25c. All druggists.

Used internally Hagyard's Yellow Oil cures sore throat, hoarseness, quinsy, pain in the chest, croup, etc. Used externally cures rheumatism, stiff joints, contracted cords, sprains, strains, burns, scalds, cuts, and bites of insects.

"Marion," said Henry, proud of his newly acquired knowledge, "do you know that the earth turns round?" "Of tos it does! answered Marion. "That's the reason I tumbles out of bed."

Only those who have had experience can tell the torture corns cause. Pain with your boots on, pain with them off—pain night and day; but relief is sure to those who use Holloway's Corn Cure.

Happy are the women who possess refinement in love which adds so much to her charms. And happy the man who possesses such a woman.

BOTTLE BABIES

Bottle babies are so likely to get thin. What can be done? More milk, condensed milk, watered milk, household mixtures—try them all. Then try a little Scott's Emulsion in the bottle.

It does for babies what it does for old folks—gives new, firm flesh and strong life. You'll be pleased with the result. It takes only a little in milk to make baby fat.

We will prove this to any Druggist who writes SCOTT & BOWNE, Chemists, Toronto.

ONE DOLLAR.

An old man who kept a provision store in a factory town was more or less odd in his ways, and by some persons was thought to be not over and above bright. The coarser young fellows of the neighborhood called him "Old Pro," and in other respects treated him rudely. One day three of them, to use their own expression, "put up a job on him."

They filed into the shop with an air of importance, and one of them demanded:

"How much do you ask for a yard of pork?"

"One dollar," answered the old man.

"I'll take a yard," said the spokesman.

"Where is your money?"

The dollar was produced, the dealer pocketed it, and handed the customer three pig's feet.

"How is that?" said the fellow.

"Why," answered Old Pro, "three feet make a yard, don't they?"

Paine's Celery Compound

STRENGTHENING AND HEALTH GIVING IS THE BEST MID-WINTER MEDICINE.

This Is The Season When the System Should Be Fortified and the Blood Made Pure.

At this time when thousands are confined for hours each day and night in badly ventilated homes, offices, stores and workshops, the system should be fortified and the blood thoroughly cleansed so that the disease may be successfully resisted.

Paine's Celery Compound is the best mid-winter medicine for all ailing, weak and rundown men and women. It is the world's great disease banisher and system builder. It quickly furnishes nutriment for the innumerable nerve fibres; it arouses the organs of digestion to brisker action; it enables the wasted body to build up flesh and muscle, and dissipates the seeds of deadly disease to all who have dallow faces, hollow cheeks and sunken eyes, betokening ill health, we say use Paine's Celery Compound and you will find a new and happier existence. New blood, fresh vim, energy and activity gained in January and February will give you a solid foundation of health for the coming spring time. Mrs. Hopper, Thornhill, says:

"With very great pleasure and satisfaction I wish to add my testimony to what has already been said in favor of Paine's Celery Compound. For a very long time I suffered from general debility and a run-down system. Having heard of Paine's Celery Compound, I determined to give it trial, and I am happy to say it has done for me more good than I can express. For ten years I doctored with other medicines without any good results; but, after using Paine's Celery Compound, I am perfectly restored to health, can eat well, digestion is good, and my sleep is sweet and sound. Altogether, I am a new woman. I always recommend Paine's Celery Compound to my friends."

Success at first doth many times undo men at last; many say that they had never been unhappy if they had not been happy.—Venning.

How It Is Done.

The first object in life with the Canadian people is to get rich; the second, how to regain good health. The first can be obtained by energy, honesty and saving; the second, (good health) by using Green's August Flower. Should you be a despondent sufferer from any of the effects of dyspepsia, liver complaint, appendicitis, indigestion, etc., such as headache, palpitation of the heart, sour stomach, habitual costiveness, dizziness of the head, nervous prostration, low spirits, etc., you need not suffer another day. Two doses of the well-known August Flower will relieve you at once. Regular size, 75 cents. You can get Dr. Green's reliable remedies at Wm. Erskine's, Druggist, Acton.

White Watery Pimples.

Five years ago my body broke out in white watery pimples, which grew so bad that the suffering was almost unbearable.

I took doctors' medicine and various remedies for two years but they were of little benefit, whenever I got warmed up or sweat the pimples would come out again.

A neighbor advised Burdock Blood Bitters, and I am glad I followed his advice, for four bottles completely cured me.

That was three years ago and there has never been a spot or pimple on me since.

Attention in the world of homeopath medicine has been its very source of progress, as in politics and religion—the difficulties of opinions and the individuality of men have been parent to the disagreement by which the standard of these bodies have been elevated. So with most of our famous preparations—foremost in illustration of which truth stands the world-famous remedy to general debility and languor, "Quinine Wine,"—and which when obtainable in its genuine strength, is a miraculous creator of appetite, vitality and stimulant, to the general fertility of the system, Quinine Wine, and its improvement, has, from the first discovery of the great virtues of Quinine as a medical agent, been one of the most thoroughly discussed remedies ever offered to the public. It is one of the great tonics and and natural life-living stimulants which the medical profession have been compelled to recognize and prescribe. Messrs. Northrop and Lyman, of Toronto, have given to the preparation of their pure Quinine Wine the great care due to its importance, and the standard excellence of the article which they offer to the public comes into the market purged of all the defects, which killed observation and splenetic opinion are pointed out in the less perfect preparations of the latter.

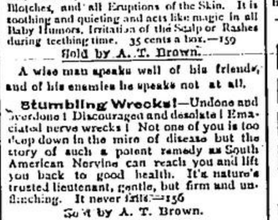
PEOPLE RECOVERING

From Pneumonia, Typhoid or Scarlet Fever, Diphtheria, La Grippe or any Serious Sickness



Require the Nerve Toning, Blood Enriching, Heart Sustaining Action of Milburn's Heart and Nerve Pills.

It is well known that after any serious illness the heart and nerves are extremely weak and the blood greatly impoverished. For these conditions there is no remedy equals Milburn's Heart and Nerve Pills. It restores all the vital forces of the body which disease has impaired and weakened.

Mr. T. Barnicott, Aylmer, Ont., says: "About a year ago I had a severe attack of La Grippe which left my system in an exhausted condition. I could not regain strength and was very nervous and sleep less at night, and got up in the morning as tired as when I went to bed.

"I had no energy and was in a miserable state of health.

"Milburn's Heart and Nerve Pills, which I got at Richard's Drug Store here, changed me from a condition of misery to good health. They built up my system, strengthened my nerves, restored brisk circulation of my blood, and made a new man of me.

"I heartily recommend them to any one suffering from the after effects of Grippe, or any other severe illness."

WOULD STAND NO NONSENCE.

Believing that true love can never run smooth when a man continually kisses the woman of his affection, the Mount Hope Married Men's Anti-Kissing League, a western organization, after due deliberation arrived at the following agreement:

"That henceforth we will not kiss our own wives or any other woman, but that we will still hold the same deep affection for our wives and retain our admiration for the feminine beautiful."

We do not believe that kissing is right and therefore we agree not to practice it.

Any member of this organization who is found guilty of disobeying the order will be dismissed at once. It is a dirty and filthy habit—one that is apt to spread disease; and against the true principles of love. One does not need to kiss to show their affection. The grasp of a hand is sufficient to do that, and as for loving, one's actions speak for that and not by the number of times you can kiss your wife.

When these resolutions were handed out to the women a great sensation was created, and the wife of the president threatened to leave her husband at once. The thirteen wives of the thirteen members held a meeting and decided that they would leave their husbands within one month if they did not break up the club.

A QUESTION OF BILLS.

A traveller in England rested at noon at a wayside inn, and took luncheon. The landlord after presenting his bill sat down and chatted with his guest.

"By the way," the latter said after a while, "what is your name?"

"My name," replied the landlord, "is Partridge."

"Ah," replied the traveller, with a humorous twinkle in his eyes, "by the length of your bill I should have thought it was Woodcock!"

This story, as it appears in a recent book by a distinguished English diplomat, is credited with having amused Bismark.

How One Million is Spent. Not less than one million dollars is annually spent by people seeking an absolute cure for catarrh, bronchitis and consumption. Numerous are the remedies, but the one standing pre-eminently above all the others is catarrhozone. It cures these diseases because it is sure to reach them. Catarrhozone is inhaled into the lungs, throat and nasal passages, and bathes every part of the diseased membrane with its germ-killing healing vapour. You simply breathe catarrhozone and it cures. Price 25 cents and $1 at druggists. Sold by A. T. Brown.

B.B.B. Makes Blood Pure.

If the blood is pure the whole body will be healthy.

If the blood is impure the whole system becomes corrupted with its impurities.

Burdock Blood Bitters transforms impure and watery blood into rich pure blood and builds up the health.

Disease germs cannot lurk in the system when B.B.B. is used.

Miss Ella McDonald, Ellscomb Mills, Guy Co., N.S., writes: "I have found B.B.B. an excellent remedy for purifying the blood and curing sick headache. I had tried many remedies, but none of them did me much good. B.B.B. has made me so well that I feel like a new woman and I am constantly recommending it to my friends."

A good heart is like the sun, for it shines bright and never changes, but keeps its course truly.

Severe colds are easily cured by the use of Bickle's Anti-Consumptive Syrup, a medicine of extraordinary penetrating and healing properties. It is acknowledged by those who have used it as being the best medicine sold for coughs, colds, inflammation of the lungs, and all affections of the throat and chest. Its agreeableness to the taste makes it a favorite with ladies and children.

It is a good idea not to believe everything you hear.

F. A. WERMAN, OF BALTIMORE, SAYS:

Baltimore, Md., March 10, 1901.

Gentlemen—Being entirely cured of deafness, thanks to your treatment, I will now give you a full history of my case. I was deaf in both ears as a result of a cold, which I had caught while in the service of the United States Navy. Ever since then I had been growing worse, until I lost my hearing in the ear entirely.

I made up my mind to try your treatment for three months, without any success, consulted a number of physicians, among others the most eminent specialist of this city, who told me that only an operation could help me, and even that only temporarily, that the head noises would then cease, but the hearing in the affected ear would be lost forever.

Then I saw your advertisement in a leading daily in a New York paper, and ordered your treatment. After I had used it only a few days according to your directions the noises ceased, and to-day, after twenty-six weeks, my hearing in the diseased ear has been entirely restored. I thank you heartily and beg to remain

Very truly yours,
