FLESHERTON
VS
DUNDALK

Flesherton has to win this game to stay in the running for the championship. The Dnndalk club are out to hang up a victory. 'Twill be a merry struggle all the way.

Game called at 3.30-sharp

ADMISSION: 25 and 15 cents

Flesherton 9, Markdale 6

Strong defensive playing was the big factor on Thursday, when the Flesherton Grey squeezed out a 9—6 victory in one of the best games witnessed this year. Kitchen allowed just sir hits, while White handed out just five, but the strong support given the local hurler was responsible for Markdale's defeat.

The game was late in starting, being postponed until five o'clock on account of wet grounds, but when started, it was a "dinger." The redmen scored two runs in the first inning, when Beard and Noble scored on White's timely double. Kitchen tightened up, and nary a run did the visitors get until the 8th.

White struck out Thurston, C. Betts and Kitchen in order, in the first innings. Akins was passed to open the 2nd, Muir singled, McTavish sacrificed Akins home, Muir scored on a passed ball, F. Betts and Sparks struck out. In the 3rd Thurston got first on a passed ball, C. Betts sacrificed, Thurston scored on a passed ball and Kitchen fanned. In the 4th Akins singled and stole home on Bowler's error, Muir, McTavish, F. Betts struck out. In the 5th, Sparks reached first on a passed ball, Wauchope S.O., Thurston got first on Oliver's error, Sparks scored, C. Betts S.O., Thurston scored on a passed ball and Kitchen was out to first.

Neither side scored in the 6th and 7th.

In the 8th Markdale tallied four runs, Beard was out, Wauchope to 1st, Smith hit by ball, Noble struck out. H. White was safe on C. Betts' error Smith scoring on the same. C. White singled, H. White scoring, Oliver singled, Dennison doubled, scoring C. White and Oliver. Armstrong was an easy out. Score tied 6—6. In Flesherton's half, Kitchen was safe on Beard's muff, Akins out at 1st, Muir safe on Smith's error, Kitchen scored on pitcher's overthrow, McTavish sacrificed, F. Bett's tripled scoring Muir, Sparks doubled scornig F. Betts, Wauchope out at 1st. In the 9th, Markdale were retired without tallying .

Score: 9—6.

GAMES NEAR AT HAND

July 29th—Flesherton at Dundalk.
July 29th—Vandeleur at Kimberley.
August 4—Markdale at Dundalk.
August 5—Vandeleur at Flesherton.

The locals play a Markdale-Vandeleur team at the Vandeleur celebration on Civic Holiday, August 2nd.

The local officers are asking for the fans' support at the ball game at Dundalk on Thursday afternoon. W. Moore's bus will make the trip at a flat rate, and all wishing to go should communicate with Mr. Moore by Thursday noon. A win for the locals will give them a strong hold on the coveted cup and a right to compete in the play-offs. If you have room for a passenger or two ask some of your friends.

"Harv" White, the young Markdale Markdale twirler, gave the fans an exhibition of what control will do in a ball game. He seldom "grooved" the ball, cut the corners closely and only issued two passes, both of these gifts going to Akins in the 2nd and 6th innings. White is credited with twelve strikeouts, and repeated the performance against Kimberley on Monday.

Flesherton batters had five hits to their credit while Markdale had 6.

Wauchope's work around second base reminds one of old John Dow on the war path! His pick-ups and throws were sensational and he accepted seven chances without an error.

Markdale took third place in the League race on Monday when they beat Kimberley 9-7 in a closely contested game.

The locals have been practising faithfully for the past three weeks and are "up and ready" for what may come.

FEVERSHAM

The long wished for rain came last week and though a little latte for the hay, still there will be a fair crop. The oats are coming into head, a little short in the straw, but every prospect for splendid grain.

Fall wheat is changing and will be a good crop.

Mr. Jas. Long and Mrs. Geo. Wrght both of the suburbs have their new barns about completed. Mr. JohnMcDonald of Flesherton had the contract and has rushed his work through in good style.

R. J. Colquette is able to be around again after a bad attack of Erysipelis in his face.

Misses Ruby, Blanche and Givia Henderson visited with friends in Toronto last week.

Mrs. R. J. Whiteoak is visiting with her mother in Collingwood.

Mrs. Howard McGee is visiting with her uncle's Messrs Harvey and Thos. Perigoe in Toronto

Mr. Emerson Osborne wife and baby of Hamilton, visited with his father, and brother Harold here last week.

Mrs. Wm. Davidson of Collingwood visited with her parents Mr. and Mrs. A. J. Conron.

Mrs. Foster Heron and daughter Etta of Ogama, Sask, are visiting with the former's brother Mr. J. A. Kernahan.

Mrs. J. W. Johnston and lady friend of Collingwood called on Mrs. R. J. Colquette one day recently.

Mr. and Mrs. Wm. Hulson of Lethbridge, Alta, are renewing old acquaintances in this village and around their old home neighborhood at present. About 20 years ago they settled out west about 16 miles east and south of Moosejaw, where he had bought a section of land at Eastview, Sask. At present their old home is in Lethbridge, Alta, and east of the city far enough to be clear of the dry belt. They have a large holding of land, looked after and farmed by their eldest son Harold, and for their remaining years they can enjoy the accomodation of life in the beautiful city in summer and go to the coast or California in the winter. Their many friends and neighbors were glad to see them again.

Sorry to report the death of Mr. and Mrs. John Black's little son who was about three weeks of age.

Mr. Gordon Henderson of London, Ont., spent Sunday with his family here. His brother, Ray, returned with him after having a week's holidays in that city.

THE "WISE" BALL FAN

The ball team lost a game to Walkerton on Monday night. It was a fair game but the breaks went against our boys. It was their first defeat this season. What we want to make reference to was some of the bunk that was passed out by the street critics. There was "wise" condemnation of the team. Those with the loudest mouths couldn't play ping-pong let alone baseball. Our team is not made up of perfect ball players. If they were of that class they wouldn't be here. When a team does its best and is doing it gratis, why roast the players. Any boob can shoot off hot air. What our boys want is encouragement, not so much when winning, but when losing. The ball team like every other sporting organization is an asset to the town. It gives publicity. There must be winners and there must be losers. When our boys lose, let us be good sports and not roasters. If we could do better we should apply for a position on the team. We are reminded of a remark made by Jim Arnold on the Durham Road. He said, in referring to a nasty criticism: "Some people start their tongues going and then walk off leaving them hanging in the air." That is true of those know-all ball critics.—Kincardine Reporter.

LICENSES FOR ALL HUNTERS

Hunters will be required to procure gun licenses before being allowed to carry weapons in Ontario forests this year, acording to amendments made by the Ontario Legislature to the Ontario Game and Fisheries Act. The amendment stipulates that every resident of Ontario not under 15 years of age must be licensed before he is allowed the use of firearms for hunting purposes. A fee of $1.75 will be charged for the necessary license together with a nominal charge of 25 cents for the issuing of the same. Non residents shal lnot hunt kill, wound or destroy any animal or bird or carry or use a firearm except under the authority of a license, another amendment states. In all actions and prosecutions the posession of any firearm or gun shall be prima facie evidence that the person in possession thereof was hunting such animals or birds.

Will the young man who takes position along the curb in front of the church every Sunday night to wait for his best girl please bend his ear a minute in this direction? Gossip desires a word with him. You are an unmitigated nuisance, you are, and the girl who will permit herself to be picked up by you in front of a church is wanting in self respect. Why don't you go to her home and take her to church and sit beside her during the sermon, and learn wisdom and take her home in a respectable manner. Do you know what you look like ranged along the curb stone? You look like a lot of crows on a fence rail. That's what you look like—Mitchell Advocate.
