### Haliburton L.O.L. Receives Thanks Of Troops Overseas

Haliburton, Feb. 21 (Staff)—The following are letters of appreciation received by the members of the Ladies Orange Lodge Haliburton for Christmas parcels received  
Dear Friend:-

Very best thanks to you for the gift I received this week. The articles are most welcome and I certainly appreciate your kindness. We hope it won't be too long before we shall be back to say Thank You in person. I understand that Haliburton is getting a real old-fashioned winter this year and I sure would like to get a look at snow again. It's not, precisely hot here at the moment, but the oranges and bananas are still growing. I'd trade them for an apple.

Best wishes to all the members of the LOBA.

Sincerely  
Bill Anderson
