Motorcycle Slipped on Wet Road and Took Fire

Some excitement occurred in town on Monday afternoon when a motorcycle, owned by Wesley White, south of town, and driven by F. J. Thurston and upon which both were riding, skidded on the wet road in front of Karstedt's store and threw the riders from the machine. Immediately there was a burst of flame from the escaping gasoline as it poured over the cylinders and fire exinguishers were used to no avail. Shovels were brought on the scene and the machine was covered with earth and the fire was thereby extinguished. The gasoline tank was damaged beyond repair and some of the wiring burned off but otherwise the machine was not damaged to any extent. The boys were not travelling at more than ten miles an hour when the accident occurred and escaped injury when thrown to the road.

There passed away on Monday evening a respected citizen of Flesherton and of Artemesia township, in the person of Roderick Stewart, at the advanced age of 74 years.

He was working in the wood shed of his home in town the latter part of the week when he tripped and fell heavily to the ground, bursting an inward growth with which he was suffering. He was unconscious for two days and quietly passed away on Monday evening at about eight p.m. He leaves a widow who has the sympathy of the whole community in her sorrow. The funeral of the late Mr. Stewart is taking place this Wednesday afternoon; service being held at the house at 2.30 p.m. and interment taking place in Flesherton cemetery.

Expect Best Year for East Grey Ag'l. Soc.

Interest continues to increase in the East Grey Agricultural Society and many new members are joining each week. This year is likely to see one of the best Fall Fairs ever held here, judging by the general feeling amongst the officers of the Society. Exhibitors who are in the habit of showing at the local fair will be well provided for in the matter of specials in the prize list, now almost completed. Outside business firms realize what a splendid medium the list is, in the matter of advertising, and in keeping their names and products before the public. Several new business concerns have made donations this year and the specials are being distributed throughout the various classes so that all exhibitors will have the opportunity of competing. Several new features are to be introduced on fair day this year and the Directors are working hard and sparing no efforts to make the day a success from all standpoints. Owing to circumstances the Directors' meeting called for Tuesday had to be postponed and will be held this Friday evening instead, when further arrangements regarding the Fair will be made.

CROFT—BOYCE

A quiet wedding was solemnized at the parsonage, Maxwell, on July 21, when Miss Mabel Boyce became the bride of Mr. Earl Croft, both of the 4th line, Artemesia. The bride looked very pretty in a blue silk canton crepe dress, with hat to match, and carried a bouquet of roses and ferns. The only attendants being Edith Boyce and Mr. Art Wilson.

After the ceremony the happy party repaired to the home of the bride's parents, and a dainty wedding supper was served. The young couple will reside on the groom's farm, 4th line.

Don't miss hearing the Meaford Band at the Chatsworth United church Garden Party, Wed. Aug. 11th, in the Agricultural Hall and grounds. Admission 50 and 25 cts.

Vandeleur Enjoyed Good Crowd on Civic Holiday

The Vandeleur Civic Holiday celebration was quite a success, although the rain which fell a few hours previous left conditions with a somewhat dampened mien, but not so the spirit of the workers and those who took advantage of the opportunity to celebrate.

Flesherton and Markdale girls played softball, the local girls having little trouble in vanquishing their opponents and won the five inning fixture 14-2. Good base running by the winners and some bad throwing by the Markdale girls played a large part in the victory. Vandeleur had the best of the Greys in a seven inning workout.

A concert was put on in the evening. Misses Noble and Sullivan of Markdale rendered several fine duets with ukulele accompaniment. Howard McGee was as good as ever with his reading and the Durham Melody Boys finished the program in that line. Miss A. C. Macphail and Mr. F. R. Oliver, the two Progressive canddates, were present and addressed the gathering, while Rev. Robt. Pritchard, an old Vandeleur boy now residing in Saskatchewan, also spoke a few words. Mr. R. D. Carruthers acted as chairman and filled the position very acceptably. He announced that Mr. Howard McGee was the winner of the calithumpian parade and that Miss Elsie Ferris of Flesherton was adjudged the prettiest lady on the grounds.

The proceeds of the day amounted to about $125.

BRUCE LADY FACES CHARGE OF MURDER

At about 4.30 on Tuesday afternoon last, Miss Kate Hardman of Mar, shot and killed E. B. McCoy of Newark N.J.

Edward Ketteringham, of Toronto, a summer camper at Red Bay, was on his way to Wiarton when he saw a woman standing side the body of a man and holding a .22 calibre rifle in her hand. He stopped his car, and asked the meaning, and Miss Hardman replied that McCoy had been bothering her for three years, and had followed her from the United States to Canada. She had reported him to the police, but it made no difference, so she shot him.

Mr. Ketteringham brought Miss Hardman to Wiarton and turned her over to the police, who took her to Walkerton, where Magistrate McCartney remanded the case until Wednesday, August 4, and the accused was taken to the county jail. Miss Hardman is about 25 years of age, and McCoy was about 60. She only fired one shot, which went through the right breast, and McCoy died in about five minutes.

FINED ONE HUNDRED DOLLARS

County Magistrate Creasor, Owen Sound, held court in the town hall on Wednesday morning of last week when inspector Beckett charged a couple of village boys with having liquor, giving or selling. The case against one young man was dismissed, while the charge against the other was changed on the consent of the Magistrate to that of drinking liquor in a place other than a private dwelling.

In this case heard on Friday, the Magistrate imposed a penalty on John Inkster of $100 and costs or two months in jail. The fine and costs were paid. The evidence given was very contradictory. Magistrate Creasor expressed his disbelief of the sworn evidence of two young women, who live at Singhampton, and who were out motoring in company with the defendant and another young man on the night of July 15th, when a bottle was said to have been passed. — Dundalk Herald.
