Asthma

"One of my daughters had a terrible case of asthma. We tried almost everything, but without relief. We then tried Ayer's Cherry Pectoral and three and one-half bottles cured her."—Emma Jane Entsminger, Langsville, O.

Ayer's Cherry Pectoral certainly cures many cases of asthma.

And it cures bronchitis, hoarseness, weak lungs, whooping-cough, croup, winter coughs, night coughs, and hard colds.

Three sizes: the smallest for an ordinary cold; the next size for bronchitis, hoarseness, hard colds, etc.; $1, most economical for chronic cases and to keep on hand.

Nae shoon to hide her tiny toes,
Nae stocking on her feet;
Her nipple ankles white as snow
Of early blossome, sweet.

Her slimple dress of sprigghed pink,
Her double, dimpled chin;
Her puckerd lip and bonny mou',
With nae sae tooth between.

Her een so like her mither's een,
Twa gentle, liquid things:
Her face is like an angel's face—
We're glad she has nae wings.

Foes With Allies.

Life is in great danger when threatened by foes that have allies in the very elements; when attacked by them, it is a struggle for existence.

Among these foes at this time of the year are the grip, pneumonia and diphtheria.

At the risk of telling our readers what they may already know, we will say that as a guard against these foes, these diseases, prevalent now, Hood's Sarsaparilla is entitled to the greatest confidence. It builds up and fortifies the whole system.

Occupation is the best time annihilator.

Youth, enthusiasm, and tenderness are like the days of spring. Instead of complaining, oh, my heart, of their brief duration, try to enjoy them.—Ruckert.

Catarrh.

Called an American disease, is cured by an American medicine, originated and prepared in the most catarrhal of American countries.

That medicine is Hood's Sarsaparilla. It cures radically and permanently, in that it removes the cause, cleansing the blood of scrofulous and all other impurities. It overcomes all the effects of catarrh, too, and builds up the whole system.

Some men know just enough to make fools of themselves.

He who thinks his place below him will certainly be below his place.

Why go limping and whining about your corns, when a 25 cent bottle of Holloway's Corn Cure will remove them? Give it a trial, and you will not regret it.

A Sure Cure For Constipation.

Some remedies cure this distressing complaint in a day, some in a month, but Nerviline never fails to cure it in a few minutes. Just ten drops of Nerviline in sweetened water—that's enough, and away goes the dysentery, cured to stay cured. Nerviline also cures cramps, colic, pain in the side, and sick headache. It has five times the strength and curative properties of ordinary remedies, and should be in every household. Better buy a 25c. bottle and try it. Nerviline is all right. Sold by A. T. Brown.

The saloon steals the nest egg that should be laid by for a rainy day.

Are you willing for your boy to be a saloon victim?

Miss Jones' Voice Greatly Improved.

A startling improvement is noticeable in Miss Jones' singing. Her voice is stronger, and sounds clearer and sweeter than before using Catarrhozone, which is a wonderful aid to singers, speakers and ministers. "Catarrhozone Inhaler insures perfect freedom from colds, coughs and catarrh, clears the nose and throat, and prevents hoarseness and huskiness. Catarrhozone makes the voice brilliant and enduring, and is uncommonly well recommended by Prima Donnas, members of Parliament, lawyers, doctors and thousands that use it daily. Better try Catarrhozone.—Price $1.00; trial size 25c. Druggists, or N. C. Polson & Co., Kingston, Ont. Sold by A. T. Brown.

As long as one bible remains, the empire of Satan is in danger.

The credit that is got by a lie only lasts till the truth comes out.

HOPEFUL VIEW

The hopeful view consumptives take of their own cases is strongly in their favor. Each year is showing a larger percentage of cures.

One of the best reasons for good hope is the record of Scott's Emulsion as a medicine for consumptives. So long as the system is strong enough to use medicine of any kind it can use Scott's Emulsion.

The reason for its helpfulness in this disease is because of its long tolerance by the patient; one does not tire of it as quickly as other medicines and that is where the great benefit comes.

GATHER SUNSHINE.

Some persons are like the humble heart, in as much as they sprinkle rest and kindness and heart-ease all through their daily tasks. They weave a bright thread of thankful happiness through the web and woof of life's pattern. They are never too busy to say a kind word or do a gentle deed. They may be compelled to sigh betimes, but amid their sighs are smiles that drive away the cares. They find sunbeams scattered in the trail of every cloud. They gather flowers where others see nothing but weeds. They pluck little sprigs of rest where others find only thorns of distress.

Like the human heart, they make much of the little opportunities presented to them. They rest that they may have strength for others. They gather sunshine with which to dissipate the shadows about them.

The grandest conception of life is to esteem it as an opportunity for making others happy. He who is most true to his higher self is truest to the race. The lamp that shines brightest gives the most light to all about it.

Foundation Principles.

First: When we undertake to fill your subscriptions, we give them our undivided attention and best care. The patient's welfare is our first consideration.

Second: We guarantee our drugs to be of full strength as well as pure and fresh.

Third: Our customers are supplied with just what they ask for; substituting is never allowed.

PAINE'S CELERY COMPOUND.

If you are a sufferer from kidney disease, liver complaint, blood troubles, rheumatism, neuralgia or nervous prostration, we confidently recommend the use of Paine's Celery Compound. This reliable and never disappointing medicine is a true disease banisher and system builder. We supply the genuine Paine's Celery Compound.—A. T. Brown, Acton Ont.

Don't cry over spilled milk, be glad it is not cream.

Grow Inside.

Little children should grow not only outwardly, but should develop big strong hearts and lungs and other vital organs to prepare for adult life. Scott's Emulsion is an excellent medicine for growth both outside and inside.

The great secret of success in life is to be ready when your opportunity comes.

Doan's Kidney Pills act on the kidneys, bladder and urinary organs only. They cure backaches, weak back, rheumatism, diabetes, congestion, inflammation, gravel, Bright's disease and all other diseases arising from wrong action of the kidneys and bladder.

Virtue is the beauty, and vice the deformity of the soul.

Severe colds are easily cured by the use of Hickle's Anti-Consumptive Syrup, a medicine of extraordinary penetrating and healing properties. It is acknowledged by those who have used it as being the best medicine sold for coughs, colds, inflammation of the lungs, all affections of the throat and chest. Its agreeableness to the taste makes it a favorite with the ladies and children.

The morning hour has gold in its mouth.

If Tormented With Corns.

Save yourself pain, worry and distress, by using the never-failing Putnam's Painless Corn and Wart Extractor. It is reliable and acts quickly.

Some societies spend a dollar in their effort to raise a dime for charity.

LOADED UP WITH IMPURITIES.

IN THE SPRING THE SYSTEM IS LOADED UP WITH IMPURITIES.

After the hard work of the winter, the eating of rich and heavy foods, the system becomes clogged up with waste and poisonous matter, and the blood becomes thick and sluggish.

This causes Loss of Appetite, Biliousness, Lack of Energy and that tired, weary listless feeling so prevalent in the spring.

The cleansing, blood-purifying action of

BURDOCK BLOOD BITTERS.

eliminates all the pent-up poison from the system, starts the sluggish liver working, acts on the Kidneys and Bowels, and renders it, without exception,

The Best Spring Medicine.

Many people say they are "all nervous," easily startled or upset, easily worried and irritated. Milburn's Heart and Nerve Pills are just the remedy such people require. They restore perfect harmony of the nerve centres and give new nerve force to shattered nervous systems.

National progress is the sum of individual industry.

Dr. J. D. Kellogg's Dysentery Cordial is prepared from drugs known to the profession as thoroughly reliable for the cure of cholera, dysentery, diarrhoea, griping pains and summer complaints. It has been used successfully by medical practitioners for a number of years with gratifying results. If suffering from any summer complaint it is just the medicine that will cure you. Try a bottle. It sells for 25 cents.

Do Your Kidneys Perform Their Functions?

PAINE'S CELERY COMPOUND

Is The World's Spring Remedy For all Kidney and Bladder Troubles.

Unless your kidneys properly and regularly perform their functions, the accumulation of morbid materials in your blood will act like a poison on the nervous system. Have you headache, vertigo, puffiness under the eyes or dropsical tendencies? Have you fever sometimes with chills, and a dry skin? Is the urine highly colored, sometimes scanty in quantity, sometimes bloody and foul? Any of these symptoms are true warnings of Kidney disease.

To-day, a multitude of men and women suffering from various forms of kidney affections, enduring pains and mind agony, are, through the use of Paine's Celery Compound eliminating morbid and poisonous materials from the blood. Prominent and able physicians are prescribing Paine's Celery Compound for their patients. No other medicine in the world is so strongly endorsed by the best people of the land. Mrs. E. O. Chairmont, Vancouver, B. C., writes about her blessed experience with Paine's Celery Compound; she says:

"For five years kidney and urinary troubles made life a misery for me. Before coming here I was treated by two doctors; both failed to cure me, and my sufferings increased. I was advised by a friend to try Paine's Celery Compound. After use of the second bottle I experienced a happy change. I could eat and feel that your wonderful medicine was doing its work well. After using eight bottles I am free from all symptoms of the old troubles, and feel that I am a new person. Paine's Celery Compound is truly a blessing to those afflicted with kidney complaints."

When is a dog's tail not a dog's tail? When it's a waggin'.

Sick With Worms.

Mrs. J. D. Mayo, South Stukely, P. Q., wrote the following: "One of my children took sick with worms and after trying everything without getting relief we procured Dr. Low's Worm Syrup which acted promptly and effectually."

Bad luck gets the blame for a lot of poor judgment.

Great Things From Little Causes Grow.—It takes very little to derange the stomach. The cause may be slight, a cold, something eaten or drunk, anxiety, worry or some other simple cause. But if precautions be not taken, this simple cause may have most serious consequences. Many a chronically debilitated constitution today owes its destruction to simple causes not dealt with in time. Keep the digestive apparatus in healthy condition and all will be well. Parmelee's Vegetable Pills are better than any other for the purpose.

Great actions, like great men, appear only at intervals.

The Ladies' Favorite.

Laxa-Liver pills are the ladies' favorite medicine. They cure constipation, sick headache, biliousness, and dyspepsia without griping, purging or sickening.

The Story of Morning Tiredness.

is told by impure blood, poor digestion, sluggish liver and tired nerves. It is a warning of very serious trouble ahead, and should prompt sensible people to take a bracing tonic like Ferrozone, an energetic invigorant and rebuilder. Ferrozone will give you a sharp appetite, promote good digestion and sound sleep; it will feed and energize the enfeebled organs, strengthen the nerve and vital forces and regulate the heart. Ferrozone changes that tired feeling to vigor, strength and ambition, and does it quickly. Remember the name and insist on having only Ferrozone; it's the best tonic made. A Pleasant Medicine.—There are some pills which have no other purpose evidently than to beget painful internal disturbances in the patient, adding to his troubles and perplexities rather than diminishing them. One might as well swallow some corrosive material. Parmelee's Vegetable Pills have not this disagreeable and injurious property. They are easy to take, are not unpleasant to the taste, and their action is mild and soothing. A trial of them will prove this. They offer peace to the dyspeptic.

Spring Medicine.

As a spring medicine Burdock Blood Bitters has no equal. It tones up the system and removes all impurities from the blood, and takes away that tired, weary feeling so prevalent in the spring.

Picking a tumble and taking a drop are not synonymous, but one often leads to the other.

Agitation in the world of homeopathic medicine has been its very soul of progress as in politics and religion—the difficulties of opinion and of men have been present to the disagreements of which the standard of these bodies have been elevated. So with some of our famous preparations—for instance the world famous remedy to general debility and languor, "Quinine Wine"—and, which, when obtained in its genuine strength is a miraculous creation of appetite, vitality and stimulant to the natural fertility of the system. Quinine Wine and its improvement have been from the first discovery of the great virtues of Quinine as a medicinal agent been one of the most thoroughly discussed nostrums ever offered to the public. It is one of the great tonics and natural life-giving stimulants which the medical profession have been compelled to recognize and prescribe. Messrs. Northrup & Lyman, of Toronto, have given the preparation of their pure Quinine Wine the great care due to its importance, and the standard excellence of the article which they offer to the public comes into the market purged of all defects which skilful observation and scientific opinion has pointed out in the past.

STANDING ON HIS RIGHTS.

The next witness was a hard-fisted, resolute yeoman with a bristling chin beard.

"Mr. Gibson," said the attorney for the defence, "are you acquainted with the reputation of this man for truth and veracity in the neighbourhood in which he lives?"

"I reckon I am," replied the witness. "I will ask you to state what it is."

"Well, sir, his reputation for truth ain't no good. His reputation for veracity well, that's diff'rent. Some says he does and some says he don't.

"Witness," interposed the judge, "do you know the meaning of veracity?"

"I reckon I do."

"What do you understand by the word?"

The witness twirled his hat in his fingers a few moments without replying.

"I refuse to answer that question, judge," he said, "on the ground that it might discriminate me!"—Chicago Tribune.

Miss Alice Bailey, of Atlanta, Ga., tells how she was permanently cured of inflammation of the ovaries, escaped surgeon's knife, by taking Lydia E. Pinkham's Vegetable Compound.

"I had suffered for three years with terrible pains at the time of menstruation, and did not know what the trouble was until the doctor pronounced it inflammation of the ovaries, and proposed an operation.

"I felt so weak and sick that I felt sure that I could not survive the ordeal. The following week I read an advertisement in the paper of Lydia E. Pinkham's Vegetable Compound in such an emergency, and so I decided to try it. Great was my joy to find that I actually improved after taking two bottles, and in the end I was cured by it. I had gained eighteen pounds and was in excellent health."—Miss ALICE BAILEY, 50 North Boulevard, Atlanta, Ga.—$5000 forfeit if original of above letter proving genuineness cannot be produced.

The symptoms of inflammation and disease of the ovaries are a dull throbbing pain, accompanied by a sense of tenderness and heat low down in the side, with occasional shooting pains. The region of pain sometimes shows some swelling.
