Motoring to the West

Three young men of this vicinity Ted Parsons, Gordon Irwin and Dave Taylor left this Wednesday by motor for Senlac, Sask., to take part in the harvest of the western crops. They are travelling in a new Star car with camping equipment and will sleep in a tent at night while on the way. They expect to reach Chicago late the same night, and no doubt, will take about three days for the trip to Winnipeg.

The by-laws of the town should be revised. There are a large number of by-laws that are never enforced and therefore useless and should be cut off.

Huge Crowd Attended Inistioge Orange Picnic

A crowd of over 7oo people was present at the Orange Picnic, held at A. Stinson's grove, Toronto Line South, on Tuesday evening of this week, under the auspices of L. O. L. 244.

The softball tournament was won by Maxwell, they defeating Proton and Eugenia in turn, the latter having defeated Rock Mills.

The play, 'The Bashful Mr. Bobbs,' was presented by local talent, and everyone was pleased with the rendition.

Miss Agnes Macphail M. P., addressed the Orangemen preesnt on, "The Origin of Orangeism." Miss Macphail is an artist in the art of public speaking, and handled her subject in a very thorough and comprehensive manner.

R. T. Edwards, the Conservative candidate, made a racy speceh on the subject of "Influences, Yours and Mine." Genial "Bob," as he is called by his partisans and friends, speaks with conviction, which impresses his hearers with his sincerity. Both speakers refrained from discussing politics and the addresses were of a social nature.

Mr. A. E. Colgan of aMrkdale acted as chairman, and the local orchestra supplied music throughout the programme.

Dancing was indulged in by many, until the wee sma' hours, and the day was marked by the success of every feature of the programme.

The proceeds of the evening amounted to $153.00.

Why shouldn't they buy from you?

Make up your mind to secure the trade of the Summer cottages near town, this year. Think of all the things they will be buying! Why shouldn't they buy them from you? In the city they are used to ordering goods by telephone. Call them, even using Long Distance where necessary and tell them what you can do for them. Remind them that for week-end parties you can give them prompt delivery.

When they see how easy it is to order from you by telephone they will likely prove good customers all Summer.
