BASEBALL DOINGS

Kimberley threw a wrench into the Dundalk machine when they whipped the strong Shramrock aggregation on Thursday last by a 10—3 score. The Valleyites, with everything to gain, and nothing to lose, played with a grim determination, and their befensive game was a treat to see. Dillon Smith, and Myles covered everything in the infield, and supported the steady pitching of Elmer Ellis, in a manner which pleased their large crowd of supporters immenseiy.

Kimberley received the breaks at all times, while the Shamrocks were continuously running into hard luck, either hitting the ball into a fielder's mitt, or being out of position when the Kimberleyites hit the old pill on the nose. Ellis blanked the visitors in the first seven frames while his teammates piled up a seven run league before the Shramrock registered a single tally. The league leaders, however, scored two runs in the eighth, and another one in the ninth stanza, while Kimberley scored three in the 8th, and did not go to bat ni the nineth.

Douglas pitched fairly steady ball, but was hit hard at opportune moments. Kimberley were fortunate in bunching hits, which generally end in runs, and runs win ball games.

Kimberley had the largest crowd on Thursday, that has attended a ball game in years. Quite a number of local fans made the trip.

While the final score is a one-sided affair, there was no runaway in any one inning, and Kimberley scored all runs by ones and twos with the exception of the 8th, when a trio of tallies flocked across the plate.

Flesherton took an All-Star aggregation to the Sports Day celebration at Clarksburg on Wednesday and brought home the long end of a 9—7 score against the pick of the Beaver Valley. The game was featured by the large crowd, two or three hundred people being present, but was marred by numerous errors, on acount of the rough grounds, and half-a-dozen or more players had injuries occur to them, let alone disputed decisions. Rus. Kitchen had the homesters subdued throughout, while the local batters hit Johnston and Smith hard throughout.

The Centre Grey League has had a splendid year, and the brand of baseball, has, on the whole been of a very fine calibre.

If Flesehrton beats Markdale the championship play-offs will take place on Wendesday, August 25 in Dundalk and in Flesherton on Thursday, September 2.

If Flesherton can defeat Markdale, Dundalk and the locals will be tied for the leadership. A loss for the locals will place the Greys in a tie with Kimberley, providing the Valleyites bat up Markdale and Vandeleur.

Kimberley won another game on Monday at Kimberley against Markdale 9-1, and if Flesherton loses to Markdale in their next game will be tied with Kimberley for second place, otherwise Kimberley has not a chance for the League championship this year.

Flesherton is to play Markdale on the latter's diamond on or before Saturday of this week, according to a ruling made by the League Executive at the meeting held in Flesherton Tuesday evening. If Flesherton is victorious in that game they meet Dundalk for the championship of the Centre Grey League, and if they lose a sudden-death game is to be played with Kimberley the following Wednesday on neutral grounds and the winner of that contest will meet the Dundalk aggregation for League honors. The race is interesting and the brand of ball displayed is excellent. The game between Kimberley and the Vans that was not played two weeks ago on account of Vandeleur not appearing before 5.30 p.m. was awarded to Kimberley.

STANDING OF LEAGUE

Flesherton	5	2	1	.715

MEADS — CHANDLER

Amid a setting of summer flowers and ferns before the altar of Bonar Presbyterian Church, Toronto, Ethel E., daughter of Mr. and Mrs. Wm. L. Chandler, Wingham, Ont., and Robert O., son of Mr. and Mrs. Wm. J. Meads, Flesherton, Ont., were united in holy honds of matrimony on Saturday, August 7th at two o'clock by Rev. Norman A. MacEachern, former pastor, now of Winnipeg. The bride who was given away by her father, looked charming in her bridal gown of white canton with trimmings of silver and ribbon, wearing a veil of tule with coronet of orange blossoms, and carrying a shower bouquet of Premier roses,lily-of-the-valley,maiden-hair fern and baby's breath. She was attended by her youngest sister, Miss Mary M., in poudre blue georgette over gold, with gold lace trimmings and picture hat to match, who carried a bouquet of Ophelia roses, lily-of-the-valley and fern. L. Marguerite Ferris, niece of the groom, was a charming little flower girl on her fourth birthday, scattering petals from her basket of sunset roses in the bridal path. She was very daintily attired in French frock of peach crepe de chine, and wore a wreath of lily-of-the-valley in her hair. The groom was assisted by his youngest brother, Mr. Joseph J., and Messrs. James Roe and John Dickon, city associates, acting as ushers.

While the register was being signed Mr. Angus McLeod rendered ,'For You Alone," very beautifully, accompanied at the organ by Mr. Harold Frost, who played softly throughout the ceremony.

The wedding reception was held at the home of the groom's sister, Mrs. James Ferris, St. Clarens Ave.

The groom's gift to the bride was a beautiful white fox fur, to the bridesmaid white bold bracelets set with brilliants and pearls. The groomsman was given a mottled fountain pen with pencil to match and the little flower girl an initialed signet ring. The gift to the soloist was a set of white gold links bearing the Masonic emblem and to the ushers mottled fountain pens respectively.

The four o'clock boat to the Thousand Islands carried the happy couple on their honeymoon, the bride travelling in a gown of poudre blue georgette with moire ribbon trimmings and coat of French blue with ribbon cloche hat to match.

Upon their return they will visit at Flesherton and Wingham, where receptions will be held in their honor. Mr. and Mrs. Meads will reside in Toronto.

TREE PLANTING AT DURHAM

This Spring Mr. Herb Murdoch, south of town, has planted out 2,000 pines, 500 black walnuts and 500 spruce on his 25 acre farm. Dr. Jamieson, too, the man who started it all in this part of Ontario has planted out 3540, making his total over 40,000 trees put out on his farm of 350 acres at Wilder's Lake. That the planting of these trees is, however, not all pleasure, was the information handed out to us last week by Mr. Murdoch who said that already there had been parties on his premises who had taken some and destroyed others and that it was his intention to take legal proceedings against any found so doing. Tree planting is from a provincial standpoint, a most important part of the government's scheme of reforestation, and it is too bad that some people so far forget themselves as to want to destroy that which in a few years will be of value to the province. It is to be hoped that the depredation will not continue and that those who have taken an interest in the matter will not be troubled with others whose whole ambition seems to be to destroy.—Chronicle.

CHILD SLEEPS BETWEEN RAILS AND TRAIN PASSES OVER HER

Parkhill—To fall asleep between the rails on the C. N. R. right of way near her home, and to have a fast passenger train run completely over her body was the strange experience of the two-year old daughter of Mr. Ralph Robinson, East Williams. To the fact that the child was asleep and that she chose the exact middle between the rails is her life due. The occurrence is considered one of the strangest that has ever happened in the district, perhaps in Western Ontario.

The tot had wandered away from her home, and evidently exhausted stretched out on the warm cinders. It is believed that soon after she had fallen asleep the locomotive and its string of cars passed over her body, leaving her unharmed. The noise of the train wakened the sleeping girl, but her confused mind was instrumental in preventing her from moving during the dangerous moment in which the cars were pasisng over her. Had she raised her head or moved sideways, her life would have been snuffed out in an instant.

She was found soon after her strange experience, and returned to her home.

Tax Mail Order Houses

The proposal of the Retail Merchants' Association to tax mail order houses for all business done in each municipality and remit the tax direct to the municipalities is a move in the right direction provided the scheme can be worked. Talk as we like of the few advantages of dealing with these mail order houses, if their expansion is not curbed the day will come when there will be but a few retail stores in the towns and villages. Local merchants can head off the expansion of these octopuses to a great extent by taking the best means of reaching the buyer—consistent and persistent use of their local paper.

A Federal eletion will in all probability be followed by a Provincial one.
