Mr. R. H. Sampson's, Sydney, N.S., Advice to all Sufferers from Nervo Trouble Is

"GET A BOX OF MILBURN'S HEART AND NERVE PILLS."

He says: "I have been ailing for about a year from deranged nerves, and very often weak spells would come over me and be so bad that I sometimes thought I would be unable to survive them. I have been treated by doctors and have taken numerous preparations but none of them helped me in the least. I finally got a box of Milburn's Heart and Nerve Pills. Before taking them I did not feel able to do any work, but now I can work as well as ever, thanks to one box of your pills. They have made a new man of me, and my advice to any person troubled as I was, is to get a box of Milburn's Heart and Nerve Pills."

POOR MAUDIE.

"I love all that is beautiful in art and Nature," she said, turning her dreamy eyes to his. "I revel in the green fields, the babbling brooks, and the little way side flowers. I feast on the beauties of earth and sky and air; they are my daily life and food and—"

"Maudie!" cried out the mother from the kitchen, not knowing that her daughter's beau was in the drawing-room—"Maudie, whatever made you go and gobble up that big dish of mashed potatoes that was left over from dinner? I told you we wanted them to warm up for supper. If your appetite isn't enough to bankrupt your poor pa!"

The Greatest Family Remedy.

And one well known in most Canadian homes is Nerviline, a perfect panacea for all internal and external pain. Mrs. M. E. Cartwright of Morris, says:—I couldn't think of being without Nerviline. When I get toothache Nerviline stops it. If I get a sick headache, have a trouble with my stomach and bowels, I can rely on Nerviline to cure me promptly. To break up a cold or to rub on for rheumatism or neuralgia, Nerviline has no equal. It's priceless to any family. Nerviline is king over all pain and costs 25c.

The best way of recognizing a benefit is never to forget it.—Bartholmey.

A Satisfactory Pile Remedy

HOW TO GAIN FLESH

The life of food is the fat within it—the more fat the more real benefit from the food; that is why cod liver oil is a powerful builder of flesh.

Scott's Emulsion of pure cod liver oil solves the problem of how to take cod liver oil. That is one reason why doctors have been prescribing Scott's Emulsion for all wasting diseases, coughs, colds and bronchitis for almost thirty years.

SEEN AND HEARD.

"Laugh and the world laughs with you, weep and you weep alone."

It is better to always live in doubt about a buzz saw than to touch it to learn if it is running.

Little Harold had a severe cold and on waking one winter morning said: "Oh, mamma, come here; my eyes is all glued up and one of my noses won't go."

A boy of 8 years was asked by his teacher where the zenith was. He replied: "The spot in the heavens directly over one's head." To test his knowledge further, the teacher asked: "Can two persons have the same zenith at the same time?" "They can." "How?" "If one stands on the other's head."

Doctor—Well, Mrs. O'Brien, I hope your husband has taken his medicine regularly, eh?

Mrs. O'Brien—Sure, then doctor, I've been sorely puzzled. The label says, "One pill to be taken three times a day," and for the life of me I don't see how it can be taken more than once.

Henry Ward Beecher performed the marriage ceremony for the late Collis P. Huntington twice. Mr. Huntington was called abroad, and wishing to take his wife with him, they were quietly married by Mr. Beecher, who received a cheque for $500. When they returned to America, they had a wedding reception with another ceremony, and Mr. Beecher again was paid $500. "Dear me!" he remarked as he looked at it. "It is almost a pity, Mr. Huntington, that you are not a Mormon."

Some persons have periodical attacks of Canadian cholera, dysentery or diarrhoea and have to use great precautions to avoid the disease. Change of water, cooking and green fruit is sure to bring on the attacks. To such persons we would recommend Dr. J. D. Kellogg's Dysentery Cordial as being the best medicine in the market for all summer complaints. If a few drops are taken in water when the symptoms are noticed no futher trouble will be experienced.

Sore and swollen joints, sharp, shooting pains, torturing muscles, no rest, no sleep—that means rheumatism. It is a stubborn disease to fight, but Chamberlain's Pain Balm has conquered it thousands of times. One application gives relief. Try it. A. T. Brown sells it.

The more a man has to say about himself the less he likes to hear others talk of themselves.

Always a Good Friend.—In health and happiness we need no friend, but when pain and prostration come we look for friendly aid of sympathetic hands. Those hands can serve us no better than in rubbing in Dr. Thomas' Eclectric Oil, for when the Oil is in the pain is out. It has brought relief to thousands who without it would indeed be friendless.

First And Foremost

In the field of medicine is Hood's Sarsaparilla. It possesses actual and unequalled merit by which it cures all diseases caused or promoted by impure or impoverished blood. If you have rheumatism, dyspepsia, scrofula or catarrh you may take Hood's Sarsaparilla and be cured. If you are run down and feel weak and tired, you may be sure it will do you good.

The favorite family cathartic is Hood's Pills.

Each day brings its separate and distinct opportunities for doing good.

An End to Bilious Headache.—Biliousness, which is caused by excessive bile in the stomach, has a marked effect upon the nerves, and often manifests itself by severe headache. This is the most distressing headache one can have. There are headaches from colds, from fever, and from other causes, but the most excruciating of all is the bilious headache. Parmelee's Vegetable Pills will cure it—cure it almost immediately. It will disappear as soon as the pills operate. There is nothing suver in the treatment of bilious headache.

Many a man who owes something to himself refuses to pay it.

That makes catarrh such a dreaded disease. If you have catarrh taint, dropping in the throat, if you hawk and spit and have a stuffed up feeling in your nostrils you should use fragrant healing Catarrhozone at once and get cured. Thousands have been saved from consumption and completely cured by Catarrhozone, so there is no reason why you shouldn't stamp out your catarrh also. Futile is the search for perpetual motion, the search for perpetual rest still more so.—Ivan Paris.

There never was and never will be a universal panacea in one remedy for all ills to which flesh is heir. What would relieve one ill in turn would aggravate the others. We have, however, in Quinine Wine, when obtained in a sound, unadulterated state a remedy for many and grievous ills. By its gradual and judicious use the frailest systems are led into convalescence and strength by the influence which Quinine exerts on Nature's own restoratives. It relieves those to whom a chronic state of morbid despondency and lack of interest in life is a disease, and by tranquilizing the nerves disposes to sound and refreshing sleep—imparts vigor to the action of the blood, which being stimulated, courses through the veins, strengthening the healthy, animal functions of the system, thereby making activity a necessary result strengthening the frame and giving life to the digestive organs which naturally demand increased substance—result, improved appetite. Northrop & Lyman of Toronto have given to the public their superior Quinine By the opinion of scientists, the wine approaches nearest perfection of any on the market. All druggists sell it.

It is one thing to see that a line is crooked, and another thing to be able to draw a straight one.—Richard Sharp.

It may be only a trifling cold, but neglect it and it will fasten its fangs in your lungs, and you will soon be carried to an untimely grave. In this country we have sudden changes and must expect to have coughs and colds. We cannot avoid them, but we can effect a cure by using Bickle's Anti-Consumptive Syrup, the medicine that has never been known to fail in curing coughs, cold, bronchitis, and all affections of the throat, lungs and chest.

There is a maxim which says people not accustomed to speak truth cannot comprehend it in others. — Lord Lytton.

Dr. Wood's Norway Pine Syrup

Cures Coughs, Colds, Bronchitis, Hoarseness, Croup, Asthma, Pain or Tightness in the Chest, Etc.

It stops that tickling in the throat, is pleasant to take and soothing and healing to the lungs. Mr. E. Bishop Brand, the well-known Galt gardener, writes:—I had a very severe attack of sore throat and tightness in the chest. Some times when I wanted to cough and could not I would almost choke to death. My wife got me a bottle of DR. WOOD'S NORWAY PINE SYRUP, and to my surprise I found speedy relief. I would not be without it if it cost $1.00 a bottle, and I can recommend it to everyone bothered with a cough or cold.

Hurried and Worried All Day.

And the worst of it is you are a little run down and have mighty little chance to catch up. Everything seems like a grindstone wearing down your nerves. You are irritable and get less sleep than is absolutely necessary. Better stop before things get worse. Your best plan is to use Ferrozone for a while and give your nerves and brain a chance to pick up. Ferrozone is the finest tonic a busy man can take. It makes new blood, nourishes the body, strengthens the nerves, improves the appetite and rehabilitates the whole system. Try Ferrozone. Price 50c.

Gained Forty Pounds in Thirty Days.

For several months our younger brother had been troubled with indigestion. He tried several remedies but got no benefit from them. We purchased some of Chamberlain's Stomach and Liver Tablets and he commenced taking them. Inside of thirty days he had gained forty pounds in flesh. He is now fully recovered. The Best Remedy for Croup.

(From the Atchison, Kan., Daily Globe.)

This is the season when the woman who knows the best remedies for croup is in demand in every neighborhood. One of the most terrible things in the world is to be awakened in the middle of the night by a whoop from one of the children. The croup remedies are almost as sure to be lost in case of croup as a revolver is sure to be lost in case of burglars. There used to be an old-fashioned remedy for croup, known as hive syrup, but some modern mothers say that Chamberlain's Cough remedy is better, and does not cost so much. It causes the patient "to throw up the phlegm" quicker, and gives relief in a shorter time. Give this remedy as soon as the croupy cough appears and it will prevent the attack. It never fails and is pleasant and safe to take. For sale by A. T. Brown.

Many a man will notice a decided coldness on the part of his annexed rib this winter if that sealskin sack is not forthcoming.

A Poor Way.

It's a poor way to sit down to one's table, with the pains of dyspepsia in one's stomach. The meal is not enjoyed and may not be retained. There is a cure for dyspepsia—and we use the word cure in the strict sense—in Hood's Sarsaparilla.

It is remarkable what a salutary effect this medicine has on the stomach and other digestive organs. If you are dyspeptic take this medicine, and take it now—in advance of the Christmas dinner.

Many a candidate for office is not as immaculate as he is whitewashed.

Reduced circumstances are the kind that alter cases.

They Are Not Violent in Action.—Some persons, when they wish to cleanse the stomach, resort to epsom and purgative salts. These are speedy in their action, but serve no permanent good. Their use produces incipient chills, and if persisted in they injure the stomach. Nor do they act upon the intestines in a beneficial way. Parmelee's Vegetable Pills answer all purposes in this respect, and have no superior.

"WANTED, AN A. B. SEAMAN."

The captain of a large steamer was once filling up his crew for a long voyage, when a seaman came up and said "I want to sail with you, sir." "All right, my man," said the captain, "and where have you sailed before?" "O and O., sir, to Australia." "What countryman?" "An Ohidhman," was the ready response. "Well, you must get a character."

The discharge was obtained, and as the Irishman was presenting it, another seaman came up and said he wanted to join. "What line were you on before?" "Cunard, sir." "What countryman?" "English, your honor." "All right, go forward."

Shortly after, as the two men were swilling the decks in a heavy sea, the Englishman was swept overboard, bucket and all. Unmoved, Paddy finished his job, and then went to the captain's cabin.

"Come in," responded the officer to rap. "What's up now?"

"You mound Bill Smith, the Englishman and Cunarder?" queried Pat.

"Yes, sprely, my man."

"You took him without a character?"

"I believe so. What of that?"

"Well, he's gone off wid your bucket."

An Attack of Pneumonia Warded off.

"Some time ago my daughter caught a severe cold. She complained of pains in her chest and had a bad cough. I gave her Chamberlain's Cough Remedy according to directions and in two days she was well and able to go to school. I have used this remedy in my family for over seven years and have never known it to fail," says James Prendergast, Annato Bay, Jamaica, West India Islands. The pains in the chest indicated an approaching attack of pneumonia, which in this instance was undoubtedly warded off by Chamberlain's Cough Remedy. It counteracts any tendency of a cold toward pneumonia. For sale by A. T. Brown.

I was so badly troubled with indigestion that whatever I ate caused me so much torture that eating became a dread to me. I tried numerous physicians, but their medicines seemed to make me worse. I thought I would try B.B.B., so got a bottle, and after taking a few doses felt a lot better. By the time I had taken the last of two bottles I was as well as ever, and have had no return of the trouble since. I recommend your medicine to the highest degree.
