EASY, BUT DIFFICULT

It is easy enough to be pleasant
When life flows along like a song,
But the man worth while
Is the one who will smile
When everything goes all wrong.
For the test of the heart is trouble,
And it always comes with the years.

Its easy enough to be prudent
When nothing tempts you to stray;
When no voice of sin, without or within,
Is luring your soul away.
But its only a negative virtue
Until it is tried by fire,
And the man who is worth
The honors of earth
Is the man who resists desire.
—Selected.

SPARKLES

A school inspector in England asked a child in a primary school to tell him as nearly as possible what he understood a pilgrim to be.

"A pilgrim is a man who goes about a good deal," was the reply.

This seemed not quite satisfactory to the inspector, and he said, "I 'go about a good deal,' but I am not a pilgrim."

"Please, sir, I mean a good man," was the eager addition.

"If your home is narrow that you cannot see far,
Knock a hole in the ceiling and look at a star."

"There were two Irishmen at a wake, and as they sat beside the coffin of the dear departed, Pat said to Mike:

"And what did he die for?"

"Gangrene," says Mike.

"Let's be thankful for the color," said Mike, gravely.

Absent-mindedly the young woman yawned.

"Pardon me," she said. "I didn't mean to do that."

"I see," responded Mr. Lingerlong. "Opened by mistake."

Church—What's that piece of cord tied around your finger for?

Chapell—My wife put it there to mind me to post her letter.

And did you post it?

No; she forgot to give it to me!

Royal names for hotels are sometimes the cause of peculiar misunderstandings. An aged farmer from the home county decided to make a visit to Toronto. It was the first time he had been at a city station and when a hotel crier hurried to him with the interrogation, "King Edward?" the new-comer simply smiled as he answered: "No, sir—Thomas Cox of Erampsen."

PAINE'S CELERY COMPOUND.

If you are a sufferer from kidney disease, liver complaint, blood troubles rheumatism, neuralgia or nervous prostration, we confidently recommend the use of Paine's Celery Compound. This reliable and never disappointing medicine is a true disease banisher and system builder. We supply the genuine Paine's Celery Compound. A.T. Brown, Acton, Ont.

Never part without loving words to think of during your absence. It may be that you will not meet again in life. —Richter.

Every man who has decision of character will have enemies; and the man who has no decision of character can have no friends.—Butler.

A Cure for Rheumatism.—A painful and persistent form of rheumatism is caused by impurities in the blood, the result of defective action of the liver and kidneys. The blood becomes tainted by the introduction of uric acid, which causes much pain in the tissues and in the joints. Parmelee's Vegetable Pills are known to have effected many remarkable cures, and their use is strongly recommended. A trial of them will convince anyone of their value.

In the progress of each man's character, he will have learned the lesson of life who is skillful in the ethics of friendship.—Emerson.

Rub it in for Lame Back.—A brisk rubbing with Dr. Thomas' Eclectric Oil will cure lame back. The skin will immediately absorb the oil and it will penetrate the tissues and bring speedy relief. Try it and be convinced. As the liniment sinks in the pain comes out and there are ample grounds for saying that its touch is magical, as it is.

OUR BEST RESOURCES

Governor Hughes, of New York, said the other day, when some thousands of school children passed before him in parade at Troy, N. Y.:

"Fellow citizens, these are your resources. We desire to conserve our natural resources. We pride ourselves upon the riches of the country, in mine, in forest and in field; but these are our true resources, without which all else fails. Our great object must be, if we would avail ourselves of the bounties of nature and make good use of the priceless opportunity which is ours, to conserve the manhood and womanhood of the country by taking good care of the boys and girls."

Then, should not every good citizen try fighting the liquor traffic?

DREAMS

Said the man in the moon as he winked
at his eye,
"I've a dozen good dreams, would you
like to buy?
They're filled with sugar-plums, pictures and toys
To please the dear little girls and boys."
"I'll have them," I said, "please tie
them up tight,
I'll give them away to my pals tonight."
I was taking my pocket-book down
from the shelf
When I wakened and found I'd been
dreaming myself.
—Anna M. Pratt.

WOMAN'S BACKACHE

The back is the mainspring of woman's organism. It quickly calls attention to trouble by aching. It is followed with other symptoms, such as nervousness, headache, pains in the loins, weight in the lower part of the body, that a woman's feminine organism needs immediate attention.

In such cases the one sure remedy which speedily removes the cause, and restores the feminine organism to a healthy, normal condition is

LYDIA E. PINKHAM'S VEGETABLE COMPOUND

Mrs. J. A. Laliberte, of 34 Artillerie Street, Quebec, writes to Mrs. Pinkham:

"For six years I have been doctoring for female weakness, heart and nerves, liver and kidney trouble, but in Lydia E. Pinkham's Vegetable Compound I can safely say I have found a cure.

"I was continually bothered with the most distressing backaches, headaches, and bearing down pains, and I kept growing more and more nervous.

"Lydia E. Pinkham's Vegetable Compound relieved me of all these distressing symptoms and made me a well woman. I would advise all suffering women, young or old, to use Lydia E. Pinkham's Vegetable Compound."

FACTS FOR SICK WOMEN.

For thirty years Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, has been the standard remedy for female ills, and has positively cured thousands of women who have been troubled with displacements, inflammation, ulceration, fibroid tumors, irregularities, periodic pains, backache, that bearing-down feeling, flatulency, indigestion, dizziness, or nervous prostration.

Do not let a cold settle on your lungs. Resort to Bickle's Anti-Consumptive Syrup at the first intimation of irritation in the throat and prevent disease from lodging in the pulmonary organs. Neglected colds are the cause of untold suffering throughout the country, all of which could have been prevented by the application of this simple but powerful medicine. The price, 25 cents, brings it within the reach of all.

I decided at last to take some of Milburn's Heart and Nerve Pills, and after taking eight boxes I gained in strength and weight, and now weigh one hundred and thirteen pounds, the most I ever weighed in my life. A Pill that Proves its Value.—Those of weak stomach will find strength in Parmelee's Vegetable Pills, because they serve to maintain the healthful action of the stomach and the liver, irregularities in which are most distressing. Dyspeptics are well acquainted with them and value them at their proper worth. A HARD DRY COUGH.

Mr. J. L. Purdy, Millvale, N.S., writes:—"I have been troubled with a hard, dry cough for a long time, especially at night, but after having used Dr. Wood's Norway Pine Syrup, for a few weeks, I find my cough has left me. To any person, suffering as I did, I can say that this remedy is well worth a trial. I would not be without it in the house."

DELIGHTFULNESS OF "DAUGHTERS".

Here is a recent sketch that appeared in a New York daily:

"Sit here, daughter!" The dignified elderly father designated a seat to the quiet middle-aged woman who came with him into the somewhat crowded railway suburban train. Something in the gentle authority and kindness of the tone caused two of the nearby passengers to look up interestedly.

The fine-faced woman—as dignified as was the father—seated herself at his suggestion. A moment later the father, from his seat just behind across the aisle, leaned forward to make some remark about the crowded conditions.

It was a slight and passing incident. Yet there was that degree of deference and direction on the one hand and of delicate acquiescence on the other, which gave to the relationship of the white-haired father and grey-haired daughter thoroughly unmistakable distinction.

"I wish my father would call me "daughter" in that way. There is a delightfulness in it that gives me a positive new sensation," said one of the two young women passengers who had heard and observed. "I could obey any man—father, husband brother, son—who would take care of me in that tone of voice."

NOT THE SAME

"I had half the young men in town for rivals when I was doing a courtship stunt," said the sad-eyed passenger.

"And did you land the prize?" queried the hardware drummer.

"Well, I never looked at it in that light," replied he of the sad eyes, "but I married the girl."

CURE FOR DYSPEPSIA

As is well known, this troublesome complaint arises from over-eating, the use of too much rich food, neglected constipation, lack of exercise, bad air, etc.

The food should be thoroughly chewed, and never bolted or swallowed in haste, stimulants must be avoided and exercise taken if possible.

A remedy which has rarely failed to give prompt relief and effect permanent cures, even in the most obstinate cases, is

BURDOCK BLOOD BITTERS

It acts by regulating and toning the digestive organs, removing costiveness and increasing the appetite and restoring health and vigor to the system.

Mr. Amos Sawler, Gold River, N.S., writes:—"I was greatly troubled with dyspepsia, and after trying several doctors to no effect I commenced taking Burdock Blood Bitters and I think it is the best medicine there is for that complaint."

Many Women Suffer Untold Agony From Kidney Trouble.

Very often they think it is from so-called "female disease." There is less "female trouble" than they think.

Women suffer from backache, sleeplessness, nervousness, irritability and a dragging down feeling in the loins. So do men, and they do not have "female trouble."

Why, then, blame all your trouble to "female disease"

Most of the so-called "female disorders" are no more or less than "kidney disorders," and can be easily and quickly cured by Doan's Kidney Pills.

Mrs. C. Dupuis, Belleview Village, N.B., writes: "I was unable to do my housework for two years on account of backache. I could not get up the stairs. Doan's Kidney Pills cured me permanently after doctors failed to even relieve the pain. I can highly recommend them to all sufferers from kidney trouble."

DOCTORS SAID "CUT OFF!"

"The only thing I can do now is to take the finger completely off." So said one of the leading doctors of Toronto to Mr. W. C. Edwards, P.D.G.R.A.O.F., P.G.M.I.O.O.F., the well-known Friendly Society leader, of Peter Street, Toronto. Almost a year before, Mr. Edwards cut the middle finger of his left hand very badly and blood poison ensued. For two months the doctor had been treating him, but no good had resulted, and this was the final decision. A fifty-cent box of Zam-Buk saved Mr. Edwards from life-long mutilation which $500 would not have compensated him for. He says: "The blood poison from the finger spread up my hand and arm and caused me terrible agony. After months' treatment the doctor said there was no cure, and amputation would have to take place. I intended to save the arm. My hand, at that time, was all swollen up and discolored, and I had to carry it in a sling. I left that doctor and consulted another.

After a few weeks' treatment he also told me that operation would be necessary, and the finger would have to be opened so that the bone could be scraped.

I went away to consider when I would have the operation performed, and met a friend who advised me to try Zam-Buk. That night I bathed the wound and put on some Zam-Buk. I got a little sleep for the first time for many nights. In the morning the wound began to bleed instead of the foul discharging as in the past. This was a healthy sign so I went on with the Zam-Buk. Well, to cut a long story short, in a few days I put away the sling and in a few weeks the finger was healed completely. To-day that finger is as sound as a bell and I owe it to Zam-Buk."

It cannot otherwise be cured."

A WORD TO WIVES

Wives and mothers should know that Zam-Buk is the finest, safest and surest healer yet known. It is a herbal balm which acts like magic in healing sores, cuts, poisoned wounds, cracked hands, chapped places, fo'd sores, eczema, ulcers, festering sores and all skin diseases. So pure is it that it can be applied to the delicate skin of babes, and yet so powerful that chronic wounds are closed and cured by it. It soothes the pain of piles and stops the bleeding. It is highly antiseptic. A box of Zam-Buk is as good as a medicine chest, so many uses it fulfils. All druggists and stores sell at 50c a box or post free from Zam-Buk Co., Toronto, for price.
