Others do— you can!

To sell people one has never seen — by Long Distance — may seem strange to you but it is being done every day. "I sell by Long Distance to points 200 miles away," writes a hardware merchant, "and never see the customers."

"A man called at our store the other day" — writes another merchant, "I recognized his voice at once. I had been calling him by Long Distance for months, but had never seen him."

That is how Long Distance, by expanding the selling area is enabling merchants to sell far more in a day than their fathers ever dreamed of selling.

Be fair to yourself, and to your business. Give Long Distance a chance to do for you what it is so successfully doing for others.

Flesherton Won from Markdale and Meet Dundalk in Finale

Flesherton won the right to meet Dundalk Shamrocks in the final games for the championship of the Centre Grey League by their decisive victory over the Markdale Redmen in Markdale on Friday last. Seven innings were played and time ended with score sheet showing that Flesherton had sixteen runs to Markdale eight. By this win the locals eliminate the fast Kimberley outfit from the scene of action. who had been expected earlier in the season to win the coveted cup. Earl Dillon of the Kimberley team umpired the game to the satisfaction of all. Flesherton commenced right at once to hit White hard and scored three runs the first inning on four safe hits. They were blanked in the second inning, but scored three more runs in the third when Akins, Muir, Boyd and McTavish each connected for doubles. Wauchope struck out, Sparks was out at first and McTavish was caught off second bag to retire the side. The big inning came in the fourth, when Currie, Thurston, Akins, Muir and Boyd counted on six hits slammed out, one of them being a triple by McTavish, who was left stranded at third. Another single counter was added to the list in the fifth and four more in the seventh to make the final score against Markdale 16 runs. Markdale evened up on Flesherton when Bowler, Noble and Sullivan scored in the first and took the lead in the second, when Bowler and Noble again counted, but Flesherton drew ahead in the third and after that Markdale had no hope of bringing the locals to defeat. Noble counted in the fourth and again in the seventh inning, Dundas and Sullivan also, bringing Markdale's runs up to eight in the last frame. The players ler, Noble, Dundas, Sullivan, H. White, C. White, Dennison, Mercer and Kelly. Flesherton—Thurston, Kitchen, Akins, Muir, Boyd, McTavish, Wauchope, Sparks, Currie. Umpire—E. Dillon, Kimberley.

BASEBALL NOTES

The championship games are taking place this week when Flesherton goes to Dundalk to-day (Wednesday) for the first game, and Dundalk will visit Flesherton Thursday of next week, Sept. 2nd. Big crowds are expected at these games.

Thurston of Flesherton and Noble of Markdale were tied for scoring honors in the last game with four each. Akins, Muir and Boyd came next with three each and Currie of the O. D. R., who played his first game with the locals, secured two. C. McTavish had hard luck, as he was on bases four times but was left stranded each time.

White had eight strike-outs and Kitchen had nine. Flesherton secured 24 hits off White, eight of them being doubles and one tripple. McTavish, Kitchen and Thurston had four hits each, and Akins, Muir and Boyd scored three each.

Great interest is being taken in the play-off series and record crowds are expected to attend. The boys are playing great ball and are worthy of the support of all ball fans.

The schedule of the season of 1926 in the Centre Grey League finished with Dundalk and Flesherton tied for first place with six wins and two defeats, and Kimberley came next with five wins and three losses.

Flesherton has won their last five games, also an exhibition game at Clarksburg and tied with Dundalk at a garden party at Inistioge.

The champions of 1926 are again expected to repeat their performance and keep the cup for another year.

Holdfast Garden Party

The fine grounds of Mr. Peter Muir Six Corners, Artemesia, was the scene of a largely attended garden party on Monday night of last week, under the auspices of Holdfast U.F.W.O. club. The gate receipts were $125.00.

Following supper, when the tables were several times refilled, a softball game between mixed teams from No. 9, Glenelg, and Vandeleur, was won by Vandeleur 8-3.

The program was introduced by Miss Agnes Macphail, who made no lengthy remarks, but took the occasion to again emphatically deny the story that she had accepted $4000 a year indemnity for several sessions, which her opponents are still spreading.

Instead of the usual form of program a splendid play was given, entitled "A Fortunate Calamity," with three acts and lasting two hours. The various characters were taken by Mrs. B. McKenzie, Misses Stella Pedlar, Lottie Whittaker, Islay Stevenson, Ruby Muir, Bill McKenzie, Joe Hazard, B. Irwin and Russell Purdy. Stars of the cast were undoubtedly the two colored servants, Rastus Johnsing and his wife Dinah, taken by Mr. McKenzie and Miss R. Muir who evoked roars of laughter with their expressions and antics. A well-built platform in front of the home served as the stage and good attention was given throughout.

Before and between acts, Rocky Saugeen orchestra, comprising Messrs R. Lawson and son, Jack, and L. McComb were liberal with their musical numbers and won the unstinted applause of the large crowd.

Report W.I. Convention Held at Kimberley

The 20th annual convention of Women's Institutes for Grey County was held in Kimberley on Thursday, Aug. 12th.

The morning session was opened with Scripture reading and prayer by Rev. Stotesbury. Mrs. A. A. Thompson welcomed the delegates by giving a cheerful forecast of the day's proceedings, by drawing attention to the things conducive to the enjoyment of the day, such as the beautiful scenery on approaching the valley in which Kimberley is situated, the splendid comfort and convenience of the community Hall in which the sessions were to be held, the program with its treat in store full of well known names of capable speakers and singers. An equally suitable reply was given by Mrs. Danard of Kemble. Mrs. Holliday of Mt. Forest, County President, addressed the convention reviewing the work of the year. Mrs. B. J. Long of Meaford, the efficient Secretary, read the minutes of last year, which was followed by discussion and new business. Community singing was begun by rendering "The Little Brown Church." All the old officers were re-elected by acclamation.

Mrs. Thomas Frizell, representative for North Grey, gave a most excellent paper on the proper appreciation of music. A solo was rendered by Miss Justina Ellis in her usual pleasing style. Mrs. H. C. Hockridge, representative for Centre Grey, also gave a solo instead of an address, by request. Although a bountiful repast was prepared by the Kimberley ladies the crowd that came to partake of it seemed overwhelming, it required much presence of mind to maintain poise of manner on the part of the hostesses and led them to wish that the day of miracles was not past. However, the company smile was permanent, even throughout the long supper.

After the preliminary opening of the afternoon session, the reports of the three districts were given. Mrs. A. N. Taylor spoke for North Grey Mrs. Hawken for Centre Grey and Mrs. MacIlraith for South Grey. A collection was taken up to provide funds for the county treasury, amounting to $24.54.

Mrs. Wm. Rodgers, representative for South Grey, gave a splendid address, stressing the importance of women taking care of their health by avoiding doing things which they know are detrimental to health, such as overdoing, drinking tea, wearing unsuitable clothing, not taking rest periods. She advised visiting the schools and seeing where our children spend their time and how they spend it. Many other community efforts were advised, as well as private efforts, and advising women to compel themselves to read more.

Mrs. Aitken of Beeton, government lecturer made a very appealing address, telling of the need of more co-operation in many ways. She told of egg circles in Oxford county and egg pools in Alberta. Mrs. Aitken asked the women to look into the fact that Simcoe county and Grey showed the highest death rate in mothers and infants under one year than any other place in the world. She ventured the thought that perhaps mothers lack needed help and so health suffers, so that added burdens cannot be borne, and hence so much fatality.

An artistically rendered solo given by Miss Nellie Burritt called forth continued applause until responded to. Miss Burritt has a voice that shows unusual talent and training.

Miss Agnes McPhail spoke on the laws affecting women. Miss McPhail drew attention to the fact that as women are now citizens, that all laws which affect men affect women. There were some changes worthy of note, one being that a woman is an equal guardian to her children since 1923; that a widow can claim one thousand dollars and one-third of the value of her husband's property if he dies intestate, that is if she has children. The remaining two-thirds goes to her children, of course. Laws affecting marriage were mentioned, also laws prohibiting marriage of the feeble minded.

Mrs. Banks of Shelburne, who is Federal representative for Dufferinh and Grey, explained federation and reported on her visit to the seat of government in Toronto, and how she appealed to the Hydro Commission for cheap hydro power for farmers and their wives, so that they could produce more at cheaper rates and with less man power and woman power. Mrs. Banks' address was full of force and it is to be hoped that the vision she holds will some day be a reality.

The convention was closed by singing the National Anthem.

DETOURS

That the Department of Highways instead of the contractor is this year to keep in condition the detours on all government roads will be gratifying to most motorists. Some of the detours in the past have been horrors in the day time and nightmares in the later hours. They have been dreaded by drivers of horse drawn vehicles, to say nothing of car drivers of automatic power. The average contractor's interest in a detour generally ceased when he constructed a rickety bridge over an otherwise impassable ditch and hung a red lantern on it, or let down a fence to permit cars to pass over furrows and ridges as best they might. Detour conditions heretofore have been deplorable and in wet weather well nigh impassable and it was high time that the government did something to ameliorate the situation. — Grand Valley Star and Vidette.

"ONWARD" NEWS

Alarge crowd attended the "Holdfast'5 garden party held at Mrs. P. Muir's on Tuesday of last week. The play "A Fortunate Calamity", by North Line talent, was a winner.

Mr. and Mrs. A. Currie, son Thos., and Robert Turner motored to Toronto where they spent the week end. Mrs. Armstrong and children of Toronto, who have been visiting friends here accompanied them.

Haying tools have been laid away for another season and by the end of the week harvest will be in full swing. The cyclonic wind and torrential rains of Friday and Saturday last wrought much damage to the crops, the heavy grain being completely flattened.

Mr. Thos. Currier of the Onward baseball nine assisted the Flesherton team in their 16-9 win over Markdale on the latter's grounds on Friday. A carload of fans from this part went up to see the game.

Quite a number attended the Orangemen's picnic at Swinton Park last Wednesday. Devotees of the dancing art from this part attended the grand jubilee at night and report a good time.

The fine big hip roof barn of Mr. Geo. Banks is nearing completion.
