WHEN THE BIRDS COME NORTH AGAIN

Oh, every year hath its winter,
And every gear hath its pain;
But a day is always coming
When the birds come North again.

When new leaves swell in the forest,
And grass springs green on the plain
And the alder's veins turn crimson—
And the birds come North again.

Oh, every heart hath its sorrow,
And every heart hath its pain;
But a day is always coming
When the birds come North again.

'Tis the sweetest thing to remember,
If courage be on the wane,
When the cold, dark days are over—
Why, the birds come North again.
—Ella Higginson.

MANNERISMS

"Long ago, when I was a child," said the little woman in grey, "I read a story about a hen who couldn't say anything bad enough about one of the other hens who because she (the other hen) had a speckled feather in her wing, while all the time the gossiper was being laughed at by the whole barnyard because she had two speckled feathers in her wing and didn't know it. I reminded myself of that hen the other day.

"For a long time I've been annoyed by the mannerisms of my family. Tom doesn't eat his soup in the quietest fashion, and father keeps up a continual tattoo with his fingers while talking; and even my dear mother hums about her work—off the key, too—in a way that gets on my nerves awfully. I've said little things from time to time about mannerisms, and they promised to reform, but yesterday they turned on me. I proposed that we set up a mite box and each one put in a penny whenever he or she gave way to a mannerism.

"'And if I have any mannerisms, you must remind me when I sin,' I said generously, but feeling quite sure that I had kept too close a watch over myself to have any annoying habits.

"There was silence. Then my mother spoke. 'Well, dear,' she said, 'if a mite box would only cure you of that way you have of giving a perfectly meaningless "tee hee" at the end of nearly every sentence you speak, I'd be in favor of it.'

"'Her "tee-heeing" isn't half so bad as the way she has of rocking madly while she converses.' This came from my younger sister.

"Then Tom cut in and said he could stand the rest of my faults if only I'd cure myself of that dreadful habit of drumming on the edge of the chess-board when he was trying to concentrate his mind on his next play.

"And dear old father finished me by saying mildly: 'My dear, of course you're not conscious of it, but that trick of sniffing is growing on you. Now, for a lady to sniff'—

"Et caters, et caters. Well," finished the little woman in grey, "we haven't set up that mite box yet."—Tribune.

HOW GOOD IS YOUR BEST?

How good is your best? Sometimes one does his best and does very poorly. That may or may not be his fault. A boy who tries to take the entrance examination to the high school may do his utmost to pass and yet drop below the required percentage. His present best is the result of years of careless, superficial work. He has done his best in this instance. If he had begun to do it earlier, his best to-day would be far better than it is.

How good is your best? That depends on whether it is the product of half-hearted effort in the past, or of whole-souled, earnest, persistent endeavor. "I do my best," is no excuse for failure, if by negligence and carelessness we have been steadily lowering the standard of the best.

Most cases of baldness are due solely to neglect. The hair often becomes dry and dandruff forms because the hair glands do not supply enough natural oil. Nothing overcomes this deficiency so effectively as that delicately perfumed, refreshing hair pomade, Bearine. Avoid baldness; apply Bearine to your hair occasionally. All druggists, 50 cts. a jar.

Pain in Heart

"For two years I had pain in my heart, back and left side. Could not draw a deep breath or lie on left side, and any little exertion would cause palpitation. Under advice I took Dr. Miles' Heart Remedy and Nervine. I took about thirteen bottles, am in better health than I ever was, and have gained 14 pounds."

MRS. LILLIE THOMAS,
Upper Sandusky, Ohio.

For many years Dr. Miles' Heart Remedy has been very successful in the treatment of heart troubles, because of its tonic effect upon the heart nerves and muscles. Even in severe cases of long standing it has frequently prolonged life for many years after doctors had given up all hope, as proven by thousands of letters we have received from grateful people.

Pills That Have Benefited Thousands.—Known far and near as a sure remedy in the treatment of indigestion and all derangements of the stomach, liver and kidneys, Parmelee's Vegetable Pills have brought relief to thousands when other specifics have failed. Innumerable testimonials can be produced to establish the truth of this assertion. Once tried they will be found superior to all other pills in the treatment of the ailments for which they are prescribed.

Milburn's Laxa-Liver Pills cure Constipation and all Stomach, Liver and Bowel complaints.

Mr. Henry Pearce, 40 Blandish Ave., Owen Sound, Ont., writes: "Having been troubled for years with constipation, and trying various so-called remedies which did me no good whatever, I was persuaded to try Milburn's Laxa-Liver Pills. I have found them most beneficial; they are, indeed, a splendid pill, and I can heartily recommend them to all those who suffer from constipation."

GEOGRAPHICAL

My little daughter Helen recently had her first introduction to geography. Her father thinks that perhaps she is destined to become a great Arctic explorer.

"If you stood with your right hand toward the east and your left hand toward the west, you would be facing the north," said the teacher. "Now, tell me, what would be back of you?"

"My hair," answered Helen in a patient tone.—Woman's Home Companion.

NO WONDER

Our little boy ate salt mackerel for the first time the other morning. "Where does those fish come from—the lake?" he asked after the first bite. "No, from the ocean," answered his father. "Well," said Benny, "I don't wonder the ocean's salty!"

INJURIES & SKIN SORES—QUICK CURE.

A little child ran crying to her mother the other day with a nasty flesh wound *and asked for Zam-Buk.*

There lies a more powerful argument for Zam-Buk than even the scientists can bring. The child had Zam-Buk before, and *knew* it eased pain and healed.

Zam-Buk works in two directions. Prevents worse results from a skin injury or skin disease (such as festering and blood poisoning) while it repairs the damage already done. Zam-Buk is entirely herbal, is pure, contains no trace of animal fat or mineral coloring. Surest and quickest known healer.

CONTAINS NO ANIMAL OIL OR FAT. NOW ALL DRUGGISTS. Zam-Buk

FATHER AND SON BENEFIT FROM USE OF THIS BALM.

Mr. Walter Adams, 177 Railway Ave., Stratford, says:—"My son, William, while playing barefooted about the back-yard, cut his little toe on the sharp edge of a piece of tin. The toe was cut at the first joint, and almost severed from the foot. My wife hurriedly bathed it with warm water, afterwards applying some lint thickly spread with Zam-Buk. The healing balm quickly checked the flow of blood, eased and soothed the pain, and prevented inflammation and more serious results. In a few weeks Zam-Buk healed the wound so nicely that my son was able once more to go about, and also to wear his shoes without the slightest inconvenience. Not only is Zam-Buk valuable for wounds and cuts, but, used as an embrocation, I have also found it effective for rheumatic pains."

Zam-Buk cures cuts, burns, scalds, ringworm, eczema, rodd cracks, and all skin diseases. Druggists and stores, 50c. box, or post free from Zam-Buk Co., Toronto, for price.

SEND ME ANOTHER BOX OF "LITTLE DIGESTERS"

That's what Mr. E. S. Glassco, of Toronto, wrote us last May, after he had tried and proved "Little Digesters" for Indigestion. He said:

"I wish you would send me another box of your "Little Digesters." All the members of my family have been using them and have obtained the most satisfactory results.

"I congratulate you on your success in putting up a tablet for the cure of Indigestion. I suffered for years and tried everything that was recommended to me. Nothing gave me relief until I was persuaded to try "Little Digesters." Now I never suffer from Indigestion. I enjoy my meals and am not afraid to eat, because I know a "Little Digester" after each meal will digest my food.

"I recommend them to all my friends who suffer from Indigestion and would further say that you may publish the above if you wish. I know there are thousands of people suffering from Indigestion who will be glad to know there is a safe and sure cure for them."

"Little Digesters" are positively guaranteed to cure or money is refunded.

QUITE MISTAKEN

The editor was dying, says an exchange, but when the doctor bending over, placed his ear on his breast, said, "Poor man! circulation almost gone!" the dying editor sat up and shouted, "You're a liar! We have the largest circulation in the country."

Could Not Sleep In The Dark.

Doctor Said Heart and Nerves Were Responsible.

There is many a man and woman tossing night after night upon a sleepless bed. Their eyes do not close in the sweet and refreshing repose that comes to those whose heart and nerves are right. Some constitutional disturbance, worry or disease has so debilitated and irritated the nervous system, that it cannot be quieted.

Mrs. Calvin Stark, Rasmore, Ont., writes:—"About two years ago I began to be troubled with a smothering sensation at night, when I would lie down. I got so bad I could not sleep in the dark, and would have to sit up and rub my limbs, they would become so numb. My doctor said my heart and nerves were responsible. I saw Milburn's Heart and Nerve Pills advertised and got a box to try them. I took three boxes and can now lie down and sleep without the light burning and can rest well. I can recommend them highly to all nervous and run down women."

Price 50 cents per box or 3 for $1.25 at all dealers, or mailed direct on receipt of price, by the T. Milburn Co., Limited, Toronto, Ont.

Cheapest of All Oils.—Considering the curative qualities of Dr. Thomas' Eclectric Oil it is the cheapest of all preparations offered to the public. It is to be found in every drug store in Canada from coast to coast and all country merchants keep it for sale. 25c. being easily procurable and extremely moderate in price, no one should be without a bottle of it.

CLOTHES AND CHARACTER

Long ago the wise woman learned that clothes often tell tales as to character. And of all the tale-bearing clothes none can equal the dresses a woman wears about the house in the morning.

Do you take pride in your home and are you willing to work yourself to always keep it its shining best? Then, let your clothes, which you wear in the morning when your are busy about the home duties, indicate those characteristics of yours most plainly. To-day there is no excuse for a woman not to look neatly and tastefully dressed in the morning. There are so many materials for her to choose from which launder to perfection and wear well, too. And there are so many designs specially created for clothes for morning wear that she need have no difficulty in suiting her individual preference.

Two-piece dresses for morning wear are quite as much the vogue as the one-piece dress. Many of them, however, have the princess effect, though they consist of a separate waist and skirt, for the belt which is made of the same fabric is joined to the skirt, thus giving the costume effect. The separate belt made of ribbon or elastic belting in a contrasting shade from the dress is not as good style as it used to be, though with the shirt-waist suit the black belt will never be wholly discarded.—Grace Margaret Gould in Woman's Home Companion.

A Pill That Is Prized.—There have been many pills put upon the market and pressed upon public attention, but none has endured so long or met with so much favor as Parmelee's Vegetable Pills. Widespread use of them has attested their great value, and they need no further advertisement than this. Having firmly established themselves in public esteem, they now rank without a peer in the list of standard vegetable preparations.

NOT SAFE

"Prisoner at the bar," said the portly, pompous and fiery magistrate, "you are charged with stealing a pig, a very serious offence in this district. There has been a great deal of pig stealing and I shall make an example of you or none of us will be safe."

Had Weak Back.

Would Often Lie in Bed For Days, Scarcely Able To Turn Herself.

Mrs. Arch. Belmaro, Black Point, N.B., writes:—"For years I was troubled with weak back. Oftentimes I have lain in bed for days, being scarcely able to turn myself, and I have also been a great sufferer while trying to perform my household duties. I had doctors attending me without avail and tried liniments and plasters, but nothing seemed to do me any good. I was about to give up in despair when my husband induced me to try Doan's Kidney Pills, and after using two boxes I am now well and able to do my work. I am positive Doan's Kidney Pills are all that you claim for them, and I would advise all kidney sufferers to give them a fair trial."

DOAN'S KIDNEY PILLS are a purely vegetable medicine, realizing quick, permanent relief, without any after ill effects. A medicine that will absolutely cure Backache and all forms of Kidney and Bladder Disease.

Price, 50 cents per box, or 3 for $1.25, at all dealers or The T. Milburn Co., Limited, Toronto, Ont.

In ordering specify "Doan's."

Protect the child from the ravages of worms by using Mother Graves' Worm Exterminator. It is a standard remedy, and years of use have enhanced its reputation.

Mastery is promised only to the man who strives lawfully.

If a cough makes your nights sleepless and weary, it will worry you a good deal, and with good cause. To dispel the worry and give yourself rest try Bickle's Anti-Consumptive Syrup. It exerts a soothing influence on the air passages and allays the irritation that leads to inflammation. It will subdue the most stubborn cough or cold, and eventually eradicate it from the system, as a trial of it will prove to you.

Carelessness is the great sin of most people.

It is better to see things gradually and live than to see them suddenly and die.

"Bronchitis."

THE SYMPTOMS ARE

Tightness across the Chest, Sharp Pains and a Difficulty in Breathing, a Secretion of Thick Phlegm, at first white, but later of a greenish or yellowish color coming from the bronchial tubes when coughing, especially the first thing in the morning.

Bronchitis is generally the result of a cold caused by exposure to wet and inclement weather and when neglected will become chronic.

Chronic Bronchitis is one of the most general causes of Consumption. Cure the first symptoms of Bronchitis by the use of Dr. Wood's Norway Pine Syrup.

Bronchitis Cured.

Miss Martha Bourget, Little Pabos, Que., writes: "Last spring I was very poorly, had a bad cough, sick headache, could not sleep, and was tired all the time. I consulted two doctors, and both told me I had bronchitis, and advised me to give up teaching. I tried almost everything but none of the medicines gave me any relief. One of my friends advised me to try Dr. Wood's Norway Pine Syrup. I had scarcely taken the first bottle when I began to get better and when I had taken the fourth bottle I felt as well as ever, my cough had left me and I could sleep well."

Dr. Wood's is the original Pine Syrup. It is put up in a yellow wrapper, three pine trees the trade mark, and the price 25 cents. There are many imitations of "Dr. Wood's" so be sure you receive the genuine when you ask for it.

Make Each Animal Worth 25% Over Its Cost

On 3½ of a Cent a Day

Did you ever hear of "stock food" curing the hide or milk, making hens lay in winter, increasing the yield of milk five pounds per cow a day, or restoring run down animals to pleasure and vigor.

When you feed "stock food" to your cow, hen or pig, you are merely feeding them what you are growing on your own farm.

Your animals do need bulk more food, but something to help their bodies get all the good out of the feed you give them so they can get fat, and stay fat all year round; also to prevent disease, cure disease and keep them up to the best possible condition. No "stock food" can do all these things. ROYAL PURPLE STOCK SPECIFIC can and does. It is

Not a "Stock Food" But a "Conditioner"

ROYAL PURPLE STOCK SPECIFIC contains no grain nor farm products. It increases yield of milk from three to five pounds, cow per day before the first to the last two or three weeks. It makes the milk richer and adds flesh faster than any other preparation known. Young calves fed with ROYAL PURPLE are as large at six weeks old as they would be when fed with ordinary materials at ten weeks.

ROYAL PURPLE STOCK SPECIFIC builds up run down animals and restores them to pleasure almost magically. Cures colic, scours, scabs, distemper, coughs, heaves, poll evil, fistula, worms, skin diseases and debility. Acts like a tonic on the system.

Dan McEwen, the horseman, says: "I have used ROYAL PURPLE STOCK SPECIFIC persistently in the feeding of 'The Bell,' 7203, largest winner of any pacer on Grand Circuit in 1909, and 'Mary Winters,' 2.08¼, brother of Allen Winters, winner of $36,000 in trotting stakes in 1909. These horses have never been off their feed since I commenced using Royal Purple Specific almost a year ago, and I will always have it in my stables."

Royal Purple

STOCK AND POULTRY SPECIFICS

One 25c. package of ROYAL PURPLE STOCK SPECIFIC will last one animal seventy days, which is a little over two thirds of a cent a day. Most stock feeds require to be fed for fifty days and are given three times a day. ROYAL PURPLE STOCK SPECIFIC is given but once a day, and lasts half again as long. A $1.20 pail containing four times the amount of the fifty cent package will last 300 days. ROYAL PURPLE will increase the value of your stock 25%.

It is an astonishingly quick fatterner, stimulating the appetite and the celerity for food, assisting nature to digest and turn feed into flesh. As a long fattener it is a leader, it will take from three to four weeks less time to fatten a steer in ordinary lots. ROYAL PURPLE POULTRY SPECIFIC is our other specific for poultry, not for stock. One 25 cent package will last twenty-five hens 30 days, or a pail costing $1.20 will last twenty-five hens 300 days, which is four times more material for only three times the cost. It makes a "laying machine" out of your hens women and winter, prevents fowls losing flesh at moulting time, and prevents poultry diseases. Every package of ROYAL PURPLE STOCK SPECIFIC or POULTRY SPECIFIC is guaranteed.

Just use ROYAL PURPLE on one of your animals and any other preparation on another animal in the same condition and after comparing results you will say ROYAL PURPLE has them all beat to death, or also back comes your money. Profit—Ask your merchant or write us for our valuable 32-page booklet on cattle and poultry diseases, containing the cooking receipts and full particulars about ROYAL PURPLE STOCK and POULTRY SPECIFICS.

If you cannot get Royal Purple Specifics from merchants or agents, we will supply you direct, express prepaid, on receipt of $1.20 a pail for either Poultry or Stock Specifics.
