THE FAIRY TALE

At evening, when my prayers are said,
And mother's tucked me into bed,
She sometimes sits by me and sings
The sweetest songs of sleepy things;
But I like when she holds my hand
And tells me tales of Fairyland:

Where little children just like me
Pick candy canes from any tree;
Where fairy queens hold royal court,
And ladybugs caper round in sport.
Then somehow I seem there myself,
With wings to fly, just like an elf.

I watch the babies growing up
In every pretty flower cup;
Or join the fairies when they sing
And whirl about in a magic ring.
But when I look at mother's place
I find the sunshine in my face.

—Julia Mason Fear.

SPARKLES

"When you goes lookin' fob some one to help you decide sumpin," said Uncle Eben, "remember dat it takes most as much smartliness to pick out reliable advice as it would to make up yoh own mind."

Dr. Philem: You needn't worry about your wife. She has a remarkable constitution.

Hepex: Say, doc, you might tu see her by-laws, rules and regulations!

The minister of a certain parish in Scotland was walking one inky night through a street in the village when he fell into a deep hole. There was no ladder by which he could make his escape, and he began to shout for help. A laborer passing heard his cries and looking down asked who he was. The minister told him, whereupon the laborer remarked: "Weel, weel, ye needna kick up sic a noise. You'll no be needed afore Sawbath, an' this is only Wednesday nicht."

Maud (who has answered the door bell herself)—"George, you must not come into this house to-night. If you love me, darling, fly at once and do not let my father discover your presence."

George (tragically).—"Oh, Maud, my darling, what serpent has entered our Eden to wreck our happiness? Speak, girl, speak!"

Maud (tearfully)—"Father has just had the gas bill."

"I declare," said the housewife. "I don't know what we are to do when round steak costs as much as porterhouse. "It is outrageous."

Yes, mum," agrees the marketman. "What's a body going to do if this keeps on?"

"I would advise you, mum, that being the case, to eat porterhouse."

Visitor—"I saw your husband in the crowd down town to-day. In fact, he was so close that I could have touched him."

Hostess—"That's strange. At home he's so close that nobody can touch him."

Johnny—"Does the hen sit or set?"

Ma—"I don't know or care, but when she cackles I want to know whether she's laying or lying."

SNEEZED AT HER

The court room was crowded. A wife was seeking divorce on the grounds of extreme cruelty and abusive treatment. Guns, axes, rolling-pins and stinging incentives seemed to have played a prominent part in the plaintiff's married life.

The husband was on the stand undergoing a gruelling cross-examination.

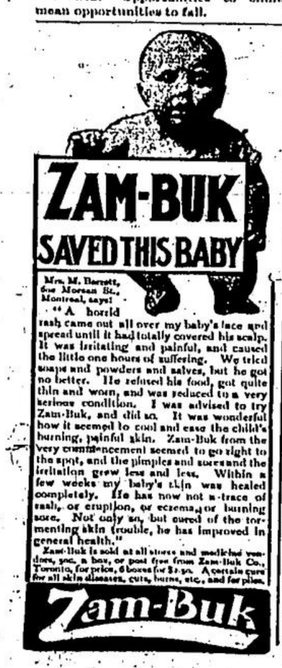
The examining attorney said: "You have testified that your wife on one occasion threw cayenne pepper in your face. Now, sir, kindly tell us what you did on that occasion?"

The witness hesitated and looked confused. Every one expected that he was about to confess to some shocking act of cruelty. But their hopes were shattered when he finally blurted out:

"I sneezed."

OPPORTUNITY WORKS BOTH WAYS

Opportunity works both ways. The chance to get ahead implies the chance to slip back. The world is continually seeing the tables turned as the generations come and go—the son of a wealthy house, and bearer of an honored name, slipping down into poverty and obscurity or worse, while the descendants of some immigrants who, under the modern regulations, would not be allowed to enter Ellis Island because of empty pockets, are among our legislators and financial princes. Many an opportunity grasped sets a man on his feet, but it is left to his own powers to decide whether he will go forward or fall back. Opportunities to climb mean opportunities to fall.



Nervous Prostration For Three Years

"Dr. Miles' Restorative Nervine cured me of a period of nervous prostration of over three years duration; and the Anti-Pain Pills are as necessary to us as the roof of our house. They have been household remedies with us for many years."

WM. J. LOUGHRAN,
1214 Catherine St.
Philadelphia, Penna.

Much sickness is due to nervous troubles. Headache, dizziness, epilepsy and insanity are nervous troubles. Then there is a large class of disorders which arise from a weakness of the nerves of an organ or part, as weak lungs, heart, stomach, kidney, bladder, eyes, etc. Dyspepsia and indigestion are usually the result of nervous disorders.

Restorative Nervine

soothes the irritated nerves, and assists the nerve cells to generate nerve force.

CHARACTER FORMING

Have you ever noticed how an icicle is formed? If you have, you noticed how it froze one drop at a time until it was a foot or more long. If the water was clear, the icicle remained clear and sparkled almost as brightly as diamonds in the sun; but if the water was slightly muddy, the icicle looked foul, and its beauty was spoiled. Just so our characters are forming—one little thought or feeling at a time. If each thought be pure and right, the soul will be lovely and sparkle with happiness; but if impure and wrong there will be deformity and wretchedness.

The Impossible Has Become Possible—English Chemists are the Discoverers

To grow hair on bald spots was once considered impossible. They have recently discovered the long looked for remedy.

Ladies need never wear rats. The ladies of Paris have abandoned all false hair fillers, and are using the new hair grower—SALVIA. Hair can be grown in a few weeks.

Mrs. Jackson, of New York, writes stating that since using SALVIA her hair has grown six inches in two months. Marvellous are the results obtained from this new preparation. Not only does it produce a beautiful, fluffy head of hair, but at once destroys the dandruff germ. E. J. Hassard guarantees SALVIA to grow hair, kill dandruff and to make the hair soft and fluffy. SALVIA is not a dye; does not contain anything injurious. All of its ingredients are simple and harmless. A daintily perfumed hair dressing, used and endorsed by men and women of society. A large generous bottle only costs 50c., and remember a money back proposition.

He that would be truly happy must think his own lot the best.

The depth from which our words are spoken is the measure of the depth at which they will be heard.—Julian Hawthorne.

Blood Was Bad.

From impure blood comes Pimples, Boils, Ulcers, Tumors, Abscesses, Festering Sores, Rashes, Constipation, Headaches, etc.

Get pure blood and keep it pure by removing every trace of impure morbid matter from the system by using

BURDOCK BLOOD BITTERS.

Mrs. Fred. Biggs, Kingston, Ont., writes:—"I was completely run down, my blood was out of order, and I used to get so weak I would be compelled to stay in bed for weeks at a time. I could not eat, was pale and thin; every one thought I was going into consumption. I tried everything and different doctors until a friend advised me to use Burdock Blood Bitters. I did not have one bottle used when my appetite began to improve. I used six bottles. I gained ten pounds in two weeks. When I began to take it I only weighed ninety-three pounds. It just seemed to pull me from the grave as I never expected to be strong again. I will tell every sufferer of your wonderful medicine."

For sale by all dealers.

Manufactured only by The T. Milburn Co., Limited, Toronto, Ont.

ON FRIENDLY TERMS WITH NATURE

Go back to nature when you are out of sorts, as a child in trouble turns to its mother. There is nothing better for an attack of the blues than a brisk walk in the bracing air. An interest in outdoor things, in flowers and birds and woodland lore, is the best of all antidotes for unhealthy thoughts and brooding. Modern medical science has discovered that sleeping in the outdoor air is both a cure and a preventive of the greatest physical scourge to which mankind is subject, and fresh air is important in the maladies of the spirit as well as those of the body.

The young people who keep on friendly terms with nature have the best chance to make their lives count.

NOT A PARALLEL CASE

Jokes on the doctor are tempting if the doctor suffers no injustice from them. A writer in the Argonaut has recently related a variation of an old jest, the victim of which is the medical man. Among the patients in a certain hospital there was one disposed to take a dark view of his chances for recovery.

"Cheer up, old man," admonished the youthful intern attached to the ward wherein the patient lay. "Your symptoms are identical with those of my own case four years ago. I was just as sick as you are. Look at me now!"

The patient ran his eye over the physician's stalwart frame.

"What doctor did you have?" he finally asked, feebly.

TOO MUCH OF A SACRIFICE

Courtesy never demands a sacrifice of principle. The young man who empties his wine glass in a social company will very often explain apologetically, "I had to do it to be polite." The girl who laughs at a story which takes its point from making light of something sacred, may feel inwardly a sensation of shocked disgust, though she forces her lips to smile.

One can be courteous yet loyal to principle. One may rebuke what is unfitting with no violation of the laws of politeness. And conscientious young people need to learn that gayety at the expense of principle is uncalled for.

Peevish, pale, restless, and sickly children owe their condition to worms. Mother Graves' Worm Exterminator will relieve them and restore to health.

Let friendship creep gently to a height; if it rushes to it, it may soon run itself out of breath.—Fuller.

Corns and warts disappear when treated with Holloway's Corn Cure without leaving a scar.

Do good constantly, patiently and wisely, and you will never have cause to say that life is not worth living.—Hines.

Troubled With Backache For Years.

Now Completely Cured By The Use Of DOAN'S KIDNEY PILLS.

Mrs. W. C. Doerr, 13 Brighton St., London, Ont., writes:—"It is with pleasure that I thank you for the good your Doan's Kidney Pills have done me. Have been troubled with backache for years. Nothing helped me until a friend brought me a box of your Kidney Pills. I began to take them and took four boxes, and am glad to say that I am cured entirely and can do all my own work and feel as good as I used to before taken sick. I am positive Doan's Kidney Pills are all you claim them to be, and I advise all kidney sufferers to give them a fair trial."

Let Doan's Kidney Pills do for you what they have done for thousands of others. They cure all forms of kidney trouble and they cure to stay cured.

Price, 50 cents per box or 3 boxes for $1.25 at all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

When ordering specify "Doan's."

None so little enjoy life, and are such burdens to themselves, as those who have nothing to do.—Jordon.

A Pill That Lightens Life.—To the man who is a victim of indigestion the transaction of business becomes an added misery. He cannot concentrate his mind upon his tasks, and loss and vexation attend him. To such a man Parmelee's Vegetable Pills offer relief. A course of treatment, according to directions, will convince him of their great excellence. They are confidently recommended because they will do all that is claimed for them.

Bring to bear upon thyself the resolutions of a noble mind; then mayst he what thou resolvest to be.—Moncius.

In the cases of infant mortality cholera morbus figures frequently, and it may be said that complaints of the bowels are great destroyers of child life. If all mothers would avail themselves of so effective a remedy as Dr. J. D. Kellogg's Dysentery Cordial many a little one could be saved. This cordial can be given with safety to the smallest child, as their is no injurious substance in it.

MODERATE IN JUDGMENT

Be moderate in judgment. Do not be too ready to conclude that one whom you admire is altogether good, while another whom you dislike lacks a redeeming feature. Do not make up your mind that the effort which has baffled you is incapable of improvement. Take the safe middle road. Judge moderately.

MILBURN'S LAXA-LIVER PILLS

Stimulate the Sluggish Liver.

Clean the coated tongue, sweeten the breath, clear away all waste and poisonous material from the system in Nature's easy manner, and prevent as well as cure Constipation, Sick Headache, Biliousness, Heartburn, Catarrh of the Stomach, Sour Stomach, Water Brash, and all troubles arising from a disordered state of the Stomach, Liver or Bowels.

Suffered for Years.

Mrs. J. C. Weatherg, Swan River, Man., writes: —"I suffered for years, more than tongue can tell, from liver trouble. I tried several kinds of medicine, but could get no relief until I got Milburn's Laxa-Liver Pills. I cannot praise them too highly for what they have done for me."

Price 25 cents a vial, or 5 for $1.00, at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

We cannot bear ourselves ignobly that others do not suffer; nor bravely, that others are not helped.—Scovil.

Clean Stomach, Clear Mind.—The stomach is the work shop of the vital functions and when it gets out of order the whole system clogs up in sympathy. The spirits flag and the mind droops and work becomes impossible. The first care should be to restore healthful action of the stomach and the best preparation for that purpose is Parmelee's Vegetable Pills. General use for years has won them a leading place in medicine. A trial will attest their value.

Whenever you see a man in distress recognize in him your fellow man.—Seneca.

It Eases Pain.—Ask any druggist or dealer in medicines what is the most popular of the medicinal oils for pains in the joints, in the muscles or nerves, or for neuralgia and rheumatism, and he will tell you that Dr. Thomas' Eclectric Oil is in greater demand than any other. The reason for this is that it possesses greater healing qualities than any other oil.

No man is measured by his failures; limitations show the way to attainment; not by his successes the best is capable of infinite expansion.—Steele.

Caught Cold By Working In Water.

A Distressing, Tickling Sensation In The Throat.

Mr. Albert MacPhee, Chignecto Mines, N.S., writes:—"In Oct., 1908, I caught cold by working in water, and had a very bad cough and that distressing, tickling sensation in my throat so I could not sleep at night, and my lungs were so very sore I had to give up work. Our doctor gave me medicine but it did me no good so I got a bottle of Dr. Wood's Norway Pine Syrup and by the time I had used two bottles I was entirely cured. I am always recommending it to my friends."

Dr. Wood's Norway Pine Syrup combines the potent healing virtues of the Norway pine tree with other absorbent, expectorant and soothing medicines of recognized worth, and is absolutely harmless, prompt and safe for the cure of Coughs, Colds, Bronchitis, Croup, Sore Throat, Pain or Tightness in the Chest, and all Throat and Lung Troubles.

Beware of imitations of Dr. Wood's Norway Pine Syrup. Ask for it and insist on getting what you ask for. It is put up in a yellow wrapper, three pine trees the trade mark, and the price 25 cents.
