The Business of Agriculture

FARMING is more than an occupation; it is a highly commercialized business which requires careful planning and thoughtful execution. Bountiful production is necessary but much effort is wasted unless the business of disposing of the year's output is properly managed. In conducting the business of the farm the Standard Bank can play a prominent and useful part. Consult the manager and learn how true co-operation between banking and agriculture builds a more prosperous community.

Send The Advance to a relative.

Mrs. N. McKechnie visited in Toronto last week.

Tuesday was an unlucky day for many politicians, and the date was not the 13th, either.

Mr. F. Pinder, the local baker, has had two demonstrators on pastry products at his bake shop the past week.

Mr. Bob Trimble of Wales, Ont., is holidaying this week at his parental home here.

Mr. and Mrs. O. W. Phillips and son Bob, and Mrs. M. Phillips, spent Sunday at Mt. Forest.

Mrs. M. Phillips returned on Friday after visiting their children in Toronto and Detroit.

Mr. and Mrs. W. Thompson of Newmarket are visiting with relatives in town.

Mrs. H. Down will leave this week for an extended visit with friends in Toronto.

Rev. H. H. Eaton of Unionville was a caller in town Tuesday morning while motoring through.

Mr. and Mrs. Tom Love and family of Weston motored up and spent Sunday with the latter's sister, Mrs. John MacDonald.

Mr. Jack Neilson and sister, accompanied by Miss Maggie Chester of Scarboro, were week end visitors at Mr. and Mrs. John MacDonald of Flesherton.

Messrs. Fred Stuart and W. W. Trimble motored to Huntsville to spend a few days.

Mr. and Mrs. Holland attended the funeral of the latter's sister, Miss Watson, at Woodbridge, on Tuesday of this week.

Rev. C. McDonald and Rev. A. Huband, of Corbetton, visited at Wm. Paton's over the week end.
been reported this year.

Mr. and Mrs. A. Biggar and two children, also Mr. and Mrs. A. Cockburn and daughter, all of Niagara Falls, were visitors at the home of Mr. and Mrs. Wes. Armstrong over the week end.

The Toronto exhibition broke the record of last year when nearly 82,000 more people attended than those passing through the gates last year. It is becoming known better each year as the world's premier fair.

Mr. and Mrs. N. H. Durrant and two little daughters, Dorothy and Helen, of Mitchell, and Mr. Harry Rodgers of Stratford, also Mr. and Mrs. A. S. Thurston and three children of Meaford, were week end visitors with W. H. Thurston and family a week ago.

Last week we neglected to mention that the Markdale band supplied music at the Dundalk-Flesherton ball game played here. The band includes in its roster about twelve young ladies who improve the appearance of the band with their natty costumes, and the music they render is excellent.

Mrs. W. H. Thurston received word from her brother, Rev. S. D. Gaudin, Norway House mission, Manitoba, stating that on August 27 he had fallen and twisted his knee so badly that an anaesthetic had to be given while the doctor straightened it and put it in splints. Although still suffering keenly, he was on the mend, but it will be a long time before he will be able to use it, as it is the same knee which was injured when he was a boy and from which he suffered for five and a half years.

Big Steel Truck Broke Down Kimberley Bridge

A bad accident occurred at Kimberley on Tuesday afternoon, when a truck loaded with steel went through the 4th line bridge over the Beaver river, just north of Kimberley. The truck was owned by the McGregor-McIntyre firm of bridge builders, who have the contract for erecting a steel bridge over the river at that point. Several of their employees were on the truck at the time and all were more or less shaken up, two being injured quite seriously. Doctors from Priceville and Markdale attended to the injured.

Artemesia School Fair Being Held this Thurs.

The annual school children's fair for Artemesia township takes place this Thursday afternoon on the agricultural grounds, Flesherton, when all the schools in the township are expected to take part. It is fortunate that the fair is to be held Thursday afternoon, as it is the half holiday and many more citizens will be able to visit the young people's exhibition, of which the latter are so proud. Each year the exhibits are more numerous and more interest is being shown by the people. Prior to this the school fair has always been held on Saturday.

Local Dog Won Prizes

A beautiful German Police dog, owned by Mr. J. H. Corkill of town, took honors at the dog show at the Toronto Exhibition that are worthy of mention. Mickey took first prize in the limit class of under one year, 3rd in the novice and 3rd in the puppy classes, notwithstanding the handicap of being ill at the time. There were sixteen competing in the limit class and to win first prize against other high class dogs is a distinction. The dog, whose registered name is Pride of Grey, is only nine months of age and was raised from the former dog that Mr. Corkhill had and which he sold to a Toronto man. The dog is not for sale even though Mr. Corkill was offered $150 at the show.

LOCAL AND PERSONAL

We had a pleasant call on Monday from Mr. W. Fenwick of Toronto, who was on a visit with Osprey relatives, and was accompanied by Mr. James Cable of Orillia and Mr. A. Sloan of Chicago. Mr. Fenwick has been in the cartage business in Toronto for 33 years and has built up a big business. He now has nine trucks and fifteen horses which are busy all the time. During all this time in Toronto Mr. Fenwick has been a constant reader of The Advance.

A couple of freaks have come to our notice the past week of a rabbit with only one ear and a cat with a naturally bobbed tail. Pussy gave birth the other day to three kittens, two of them being like their mother, tailless. On Monday Mr. Sam Semple of town brought into this office a potato top with small potatoes growing out of the joints where the leaves join the stalk. The small potatoes had started growing and the leaves were about one inch long. These were real potatoes, not the potato balls.

Agnes Macphail Given Big Majority of 1722

Once again the electors of South-East Grey have returned their lady member to parliament, this time with a larger majority than was accorded her in 1925, but not as much as in the general election of 1921. It is expected that Miss Macphail's majority this year will be around 1722. As the returns came in about nine o'clock it was seen that Mr. Edwards was not piling up the vote in the villages and towns as was expected and it was a forgone conclusion that the lady member would again be returned wtih a large majority, as very few of the townships had given out full returns and the votes in the urban centres was all announced. Miss Macphail put up the greatest scrap that she has yet indulged in and Mr. Edwards had high hopes of winning the riding back to the fold of the Conservative party, but it was impossible. The returns from the various centres as we could secure them are as follows:-

NO REPORT ON COL. ARMSTRONG

Up until the time of going to press we have not learned of the results in South Temiskaming where Co. Ernest Armstrong is running against a Liberal. Col. Armstrong was elected to Parliament last year and his many friends here would like to see him returned.

NORTH GREY GOES TELFORD

In North Grey M. R. Duncan, ex-M. P., was defeated by Mr. W. P. Telford by a majority of 527, after a very strenuous fight. Euphrasia township gave Duncan a majority of 220 while Owen Sound dropped over 1000 votes for Duncan, he only receiving a majority of 122 there.

FUNERAL OF GEO. THOMPSON.

Funeral services for Geo. Thompson of Feversham, who answered the call of his Maker to come to the great beyond, were held at the Gospel Workers' church in Feversham on Thursday afternoon, August 12, at 2 o'clock. A brief service at the home preceded the one conducted at the church. The latter service was attended by a number of friends and acquaintances from distant towns. Burial was made in the cemetery at Feversham, the body being borne to its final resting place by the three surviving brothers and three cousins, namely Chris. and John Thompson of the 9th line, and Chris. Thompson of Nottawa.

The deceased was born in Collingwood township on August 11, 1872, and at the age of four moved with his parents to the farm in Osprey township, where he has made his home ever since. In the year 1903 he was united in matrimony to Miss Charlotte Ottewell, who has been to him a faithful wife and helpful companion. He departed this life on the evening of August 9th, following an attack of heart trouble.

His departure was a shock, not only to widow, sister and three brothers—Mrs. A. Douglas of New Liskeard, Christopher and James of Feversham, and John of Scarboro, but also to a host of friends, who came from far and near to pay a final tribute. His kindness and thoughtfulness for others made him a desirable neighbor, and any who were in need were certain to find him a sympathetic counsellor and friend. He was an active member of the Gospel Workers' church in Feversham, and a credit to his church. Probably the best tribute that could be paid to him or to any man is that he lived the life of a true Christian gentleman, and so his departure was for him a triumph and a release. His family and friends may well find solace in the thought that he is not dead, but living, for "to live in the hearts we leave behind is not to die."

Those who survive wish to take this means of expressing their gratitude to all who have in any way sought to bring solace to the bereaved, and to thank the many friends for their beautiful floral tributes.

Again Victorious!

To My Supporters :

Your work for the cause of independent political action was truly magnificent. The united effort of all made our victory possible. I appreciate your work and sacrifice and I thank you all very much. I will serve you as well as I possibly can.

Sincerely,
Agnes C. Macphail.

AINTS AND VARNISHES THAT BRIGHTEN UP

SHERWIN WILLIAMS—the old reliable, for inside and outside use.

FLAT TONE — An ideal flat finish for use on walls and ceilings etc. It does not drag or pull under the brush or show brush marks.

ISHER—WILLIAMS LAC—A modern finish for renewing old floors, furniture, woodwork, etc. Easy to apply, dries over night and when used on furniture will not stick to clothes.

AUTO ENAMEL—Your car may run well, but you will not be satisfied if it looks shabby, a coat of enamel makes it look like new. Also top dressing etc.

Call and get some color cards and the Household Guide. Stop making mistakes in painting.
