The value of a good Banker

A GOOD banker is a man you can rely on to look after your best interests, to give every reasonable financial support, to advise you on investments, to make your problems his problems.

Bank of Toronto managers are good bankers. They know the farmer's needs. They are schooled in every phase of agricultural finance.

When you need a loan or experienced investment counsel, go to a good banker—your Bank of Toronto branch manager. He will give you a warm welcome, unfailing service and sound, conscientious advice.

IN MEMORIAM

KAITTING — In loving memory of our dear wife and mother, Mrs. J. J. Kaitting, Feversham, who passed away September 11th, 1925.

Short and sudden was the call
Of one so dearly loved by all.
The blow was great, the shock severe,
We little thought her death so near
And only those who loved can tell
The pain of not saying a last farewell.

She had a nature you could not help loving
And a heart that was purer than gold
And to those who knew her and loved her,
Her memory will never grow old.

As we loved her, so we miss her,
In our memory she is near,
Loved, remembered, longed for always
Bringing many a silent tear.
—Husband and Family.

She was a grand old lady, hair turned to silver grey,
She never failed to write me when I was far away,
When I would come home, how glad she'd be,
Loving days that I recall.
She was a grand old lady, and I loved her best of all.
—Her son, Guy.
