FIVE LITTLE FOXES

Among my tender vines I spy
A little fox named- Bye and Bye.
Then out upon him quick, I say,
The swift young hunter Right Away.
Around each tender vine I plant,
I find the little fox - I Can't.
Then, fast as ever he can run,
Chase him with bold and brave—I can.
No use in Trying—lags and whines
This fox among my tender vines.
Then drive him low, and drive him high,
With this good hunter, named—I'll try.
Among the vines in my small lot
Creeps in the young fox—I Forgot.
Then hunt him out and to his pen
With—I Will Not Forget Again.
A little fox is hidden there
Among my vines, named — I Don't Care.
Then let I'm Sorry—hunter true—
Chase him afar from vines and you.

THE CARE OF LAMPS.

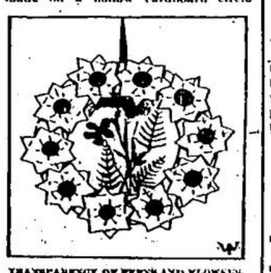
Wicks and Burners Should Be Boiled Once a Month.

Among the many artificial lights there is none other that gives such a soft, warm, pleasing radiance as the time honored kerosene lamp, and it is still the rule in the majority of homes. Its greatest disadvantage lies in the constant attention necessary to keep it clean, for not only is a smoking lamp an injury to the eyes, but it is a menace to the health as well.

The ordinary cleaning may be reduced to a simple filling and wiping of lamps and a washing of chimneys. Once a month give the lamp a thorough cleaning. Remove the wicks from the burners and place both in a kettle kept for the purpose, in which should be placed a heaping teaspoonful of salsoda for each quart of water. Let this boil for half an hour. Empty the lamps of oil and wash well inside and out. Remove the wicks from the kettle, wash in a mild suds, rinse in clear water and spread in a warm place until dry. Remove the burners and wash; the black, crusty accumulations will be gone and the burners will be bright and shining. When all are thoroughly dry fill the lamps and place burners and wicks in position. This cleaning requires less time and brings better results than many scourings, and the light will be clear and bright. At some seasons of the year, when lamps are used much, it may be found desirable to repeat this process oftener, while at other times the intervals may be longer.

For the Nursery Window.

For nursery windows a wild flower transparency has an educative value. This one, which a child could make, is made on a hollow cardboard circle



TRANSPARENCY OF VINES AND FLOWERS.

covered with stars of folded white rice paper with yellow centers. The center of the transparency is of pressed buttercups and ferns between transparent light green paper.

Keeping Cut Flowers.

Cut flowers will last fresh much longer if before putting them in water the stem is split up about an inch. Maidenhair fern will last fresh for a long time if when gathered the stems are inserted in boiling water and left until the water is cold before using.

Shank Buttons.

In sewing on shank buttons sew on the button with the shank running parallel with the button and not lengthwise, as the closing effect in the latter case will not be good.

The lecture was on the economics of Nature and showed that her great destructive powers were only used to transform the elements into other channels.

"To illustrate," said the professor "there is in one of the Pacific Islands a volcano which has for sixteen years been pouring molten lava into the ocean over a precipice 400 feet high and eleven miles long. Eggs are boiled in the open sea twenty-two miles away."

CONSTIPATION

FOUND NONE TO EQUAL

Milburn's Laxa-Liver Pills

Constipation is one of the most prevalent troubles the human race is subject to, and is the greatest cause of many of our ailments. Keep the Bowels open and you will very seldom be sick.

Mrs. M. Bell, 467 Harris St., Vancouver, B.C., writes:—"I had tried many remedies for Constipation and never found any so satisfactory as your Milburn's Laxa-Liver Pills.

We always keep them in the house and would not be without them."

"I recommended them to a neighbor and she is highly enthusiastic about them; as her's is a very difficult case, and she expected no good results from them. You may imagine her surprise and gratification when she found that they completely cured her."

Milburn's Laxa-Liver Pills are 25c per vial, or 5 vials for $1.00, at all dealers, or will be mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

They say a woman can't keep a secret. Ask one her age.

Some men wear good clothes because they can't afford not to.

FIRES OVER 9,000 POUNDS

The Brazilian battleship Paulo, which is being turned over to the Brazilian commission that went to England to take her over from her English constructors has fired the record broadside. Ten 12-inch guns and eleven 11-inch guns were fired simultaneously. The weight of metal comprised over 9,000 pounds. The ship was in no way damaged by the discharge.

In the latest British Dreadnought now in service the broadside is delivered by eight instead of ten 12-inch guns and thirteen 4-inch guns. The sister ships of the Paulo, the Minas Geraes, being built for the Brazilian Government, will have the same broadside.

Returned Explorer—The trouble up in that bleak northern region is that one is apt to lose one's bearings.

Miss Innocent—And are there no repair shops handy?

An Easy Pill to Take.—Some persons have repugnance to pills because of their nauseating taste. Parmelee's Vegetable Pills are so prepared as to make them agreeable to the most fastidious. The most delicate can take them without feeling the revulsion that follows the taking of ordinary pills. This is one reason for the popularity of these celebrated pills, but the main reason is their high tonical quality as a medicine for the stomach.

Probably the reason that the get-rich-quick men don't invariably succeed is because they can't stay out of jail long enough.

Suffered from Heart Trouble and Nervousness for Six Years

Lost All Desire To Live.

WAS FINALLY CURED BY THE USE OF MILBURN'S HEART AND NERVE PILLS.

Mr. Regis Lavallee, Sorel, Que., writes: "For six years, at least, I suffered from heart trouble and nervousness which took from me all desire to work and even to live.

"When I found myself in this condition and getting worse I took the medicine the doctor prescribed for me but without any result.

"One evening I was reading the paper when I saw your advt.; so cut it out and the next day went to the druggist and procured a box, and since that time my nervous system has been in perfect condition.

"Be assured, gentlemen, that I will never be without Milburn's Heart and Nerve Pills for they gave me strength to work and support my mother, who is an infirm widow and of whom I am the only support."

Milburn's Heart and Nerve Pills are 75c per box, or 3 boxes for $1.25, at all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

How do we know he'll do all this and not a single thing will miss? Oh, hasn't it beat on your ear each day you've seen him for a year.

Bobbie's Absence Explained.

Bobbie's Sunday School Teacher—I've called, Mrs. Jector, to learn why little Bobbie doesn't come to his class any more.

Mrs. Jector—I'll tell you why, Miss Leaflette. The knowledge he received there was making Bobbie a wicked boy.

Bobbie's Sunday School Teacher—A wicked boy! Hostly, Mrs. Jector, I can't imagine what you have reference to.

Mrs. Jector—I'll explain, Miss Leaflette. The last time Bobbie attended Sunday school you taught him that people are made of dust. Well, he came home and nearly frightened me to death by trying to draw his little baby sister into the vacuum cleaner.—Chicago News.

"That's the one. Well, she told me the saddest moment of her life was when a man proposed to her and she wasn't able to say 'Yes' fast enough!"—Yonkers Statesman.

Irksome.

"You must sometimes find it irksome to be lionized wherever you go, don't you?" said the sweet young widow.

"Yes," replied the poet, "especially where they limit themselves to lionizing me when I'm as hungry as a wolf."—Chicago Record-Herald.

Small Practice.

Uncle Eben—Napoleon had twenty horses killed under him during his career.

Uncle Ezrh—He must have had a mighty small practice. Our veterinary shoots that many in a single mouth.—Boston Herald.

Always Serviceable.—Most pills lose their properties with age. Not so with Parmelee's Vegetable Pills. The pill mass is so compounded that their strength and effectiveness is preserved and the pills can be carried anywhere without fear of losing their potency. This is a quality that few pills possess. Some pills lose their power, but not so with Parmelee's. They will maintain their freshness and potency for a long time.

In making puddings of rice, always allow three hours slow cooking. It is a good plan to steam rice for curry for if it is boiled valuable parts are thrown away in the water.

There may be hypocrites in the church—but think of the vast numbers outside of it.

Avoid alcoholic and capsicum tonics which burn the hair and scalp. Use Bearine, a bear's grease pomade, which feeds the roots and makes hair grow.

A pretty ornamental hanging basket for the bay window can be made out of an old wire hat frame, bent into any desired shape, by lining it with moss and planting a pretty vine in it.

Dysentery corrodes the intestines and speedily eats away the lining, bringing about dangerous conditions that may cause death. Dr. J. D. Kellogg's Dysentery Cordial clears the intestinal canals of the germs that cause the inflammation, and by protecting the lining from further ravages restores them to healthy condition. Those subjected to dysentery should not be without this simple yet powerful remedy.

The greatest platform was the platform of peace:—Love thy neighbor as thyself.

Fresh Supplies In Demand.—Wherever Dr. Thomas' Eclectric Oil has been introduced increased supplies have been ordered, showing that wherever it goes this excellent Oil impresses its power on the people. No matter in what latitude it may be found its potency is never impaired. It is put up in most portable shape in bottles and can be carried without fear of breakage.

For Over Seventeen Years

FOR DIARRHŒA, DYSENTERY, SUMMER COMPLAINT, ETC.

Mrs. Holliday, Box No. 86, Wroxeter, Ont., writes:—"I must say that we have used Dr. Fowler's Extract of Wild Strawberry for over seventeen years, and have found nothing to equal it for all Summer Complaints, Diarrhœa, Dysentery, etc. Our house is never without a bottle of the Extract and I can recommend it to be kept in every home, especially where there are children."

You run absolutely no risk when you buy Dr. Fowler's Extract of Wild Strawberry, as it has been a standard remedy on the market for over sixty-five years.

A few doses have often cured when doctors' prescriptions and other remedies have failed. Its effects are marvellous. It acts like a charm. Relief is almost instantaneous.

We wish to warn the public against being imposed on by unscrupulous dealers who substitute the so-called Strawberry Compounds for "Dr. Fowler's."

Ask for "Dr. Fowler's," and insist on getting it, as the cheap imitations may be dangerous to life.

A few day after a farmer had sold a pig to a neighbor, he chanced to pass the neighbor's place, where he saw their little boy sitting on the edge of the pig-pen watching its new occupant.

HIS FACE AND NECK WERE COVERED WITH PIMPLES

Pimples are caused by bad blood. There is only one way to get rid of them, outward applications are no good, and that is to get at the root of the trouble, by using a good reliable blood medicine.

For sick Blood Bitters has been on the market for over 30 years, and is one of the most reliable blood cleansers procurable. It thoroughly all the poisonous matter from the blood, and leaves a beautiful clear complexion.

Mr. Philip S. Cobb, Capstal, P.E.I., writes: "About a year ago my neck and face were entirely covered with pimples, and having tried pretty every medicine I could think of, and getting no relief, I at last thought of Burdock Blood Bitters and decided to try a bottle.

"After the first bottle was done the pimples were almost gone, so I got another and after finishing it they entirely disappeared, and I now have a beautiful clear complexion free from all ailments of the skin. To all persons troubled with pimples or any other skin diseases I highly recommend Burdock Blood Bitters. I feel quite sure it will cure them."
