A Joint Savings Account Is a Real Convenience

BANKING FIFTY YEARS

PARTICULARLY as a matter of family convenience does the joint account demonstrate its value. All funds deposited are subject to withdrawal at any time by either of the persons in whose names the joint account is opened. In case of the decease of one of the parties holding a joitn account, all money may be withdrawn by the other. A joint savings account in the Standard Bank is a real convenience where two people desire access to the same fund.

All Ready for Biggest Fair in This District.

All that is required now to make Fair Day a success is favorable weather. Everything to make the day a very interesting one has been arranged for, and the directors are confident that Flesherton Fair will more than hold its own again this year. Many innovations have been made in connection with the program and exhibits, all with a view to making the exhibition what it should be. The school fair, held during the past week, has evidently put the folks in the mood for showing their produce, etc., at the Fair on Friday next, as the entry card in the Secretary's hand will show. Up until Monday evening over eight hundred entries had been made, and if they continue at this rate a bumper exhibit is assured. While many more prize lists were printed this year as compared with last, they are getting scarce, such has been the demand for them. Some fine horses will show here this year and will come from many distant points. There will be something of interest for everybody who attends the fair, and in connection with the big night event present signs forecast a capacity house, so great is the interest being taken in the competition for the Old Time Fiddlers and step dancers. Don't forget the big school parade, led by the newly augmented Markdale band, at one o'clock. Come and bring the family and friends. It is your fair. Be a booster and let us make it the best ever.

IN MEMORIAM

JULIAN—In loving memory of our dear father and husband, Thomas Julian, who passed away Sept. 16th, 1921.

The month of September again is here
For me the saddest of all the year;
A day of remembrance so sad to recall
But deep in our hearts he was loved by all.

RELIGIOUS ED. COUNCIL ORGANIZATION MEETING.

The heavy rains and muddy roads on Wednesday, Sept. 15 detained many from attending the organization meeting of the East Grey County Religious Education Council, held in Kimberley, but the numbers who were present spent a very helpful time together, discussing the work of religious education in the local Sunday school, and in the township and county work. Miss Bertha Laine, the Provincial representative, gave two very instructive addresses, which were followed by Rev. W. J. Gallagher, B. A., of Meaford. It was a forceful and clear statement of the meaning of religious education.

The election of the following officers completed the organization of the county Council, which covers the work in six townships, namely, Artemesia, Collingwood, Euphrasia, Osprey, Proton and St. Vincent: President, Mr. Howard Graham of Artemesia Township; Vice-Presidents— J. E. McKee, Artemesia; D. Stevens, Feversham; S. Wiley, Euphrasia; F. W. Wetherall, Osprey; J. E. Duncan, Proton; Rev W. J. Gallagher, B.A., Meaford. Sec-Treas., Rev. F. G. Stotesbury, Kimberley.
