### GOD'S LITTLE GIRL

She left her home in the starry ways,
And reached our arms in the April days
We thought to keep her and hold her here
And "our little girl" we called "the dear."

One pleasant eve, when the sun had dipped
Out of sight, and the stars had slipped
Silently back to their wonted ways,
She turned her face with a wistful gaze
Up to the blue of the arching skies;
We knew by the look in her pretty eyes,
And the smile that brightened her small face so,
It was time for God's little girl to go.

A kiss we dropped on her curly head;
"Sweet little heart, good-by," we said,
Then, unafraid, though the way was dim,
God's little girl went back to Him.

### TITLE OF QUEEN MOTHER

It is many years since the title of queen mother, by which Queen Alexandra will in future be known, has been borne by the widow of an English king. The consort of William IV. became, of course, at his death queen dowager, while the wives of the four Georges all died before their husbands. The last queen mother, in fact was Henrietta Maria, wife of Charles I., who lived for years after her son's restoration to the throne. For a previous instance we have to go back to Queen Elizabeth Woodville, widow of Edward IV. and mother of the infant king who was murdered with his brother in the Tower of London.—Dundee Advertiser.

**Shiloh's Cure** quickly stops coughs, cures colds, heals the throat and lungs. 25 cents.

### EASY WAY OF MEASURING HEIGHTS

Anybody who knows how to take the altitude of the sun or a star with a sextant and wishes to take that of any distant hill, steeple or the like should put a tea tray on the ground, fill it with water and then retire from it until the top of the hill, steeple or what not is reflected in the liquid. Now take the sextant and make the image of the summit coincide with its reflection in the liquid. The angle of elevation will thus obviously have been measured double. Half of this will give the measurement required.

### Will Make Hair Grow

Every up-to-date woman should have radiant hair.

There are thousands of women with harsh, faded, characterless hair, who do not try to improve it.

In England and Paris women take pride in having beautiful hair. Every Canadian woman can have lustrous and luxuriant hair by using SALVIA, the great American Sage Hair Tonic. E. J. Hassard sells a large bottle for 50 cents, and guarantees it to banish Dandruff, stop falling hair and itching scalp in ten days, or money back.

### THE DEAD SEA

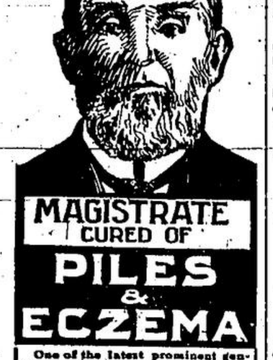
The daily average of 6,500,000 tons of water is received into the Dead Sea from the Jordan. There is no outlet, and the level is kept down by evaporation only, which is very rapid because of the intense heat, the dry atmosphere and the dry winds.

### HER ONLY COURSE

Lady Anne Lindsay, the author of the old poem, "Auld Robin Gray," was not only a delightful conversationalist, but she was a great storyteller.

This gift made her not only a welcome guest abroad, but a valuable member of the home circle, for it is related in "A Group of Scottish Women" that at a dinner-party which she was giving to some friends, an old servant caused some amusement by saying in a perfectly audible undertone:

"My lady, you must tell another story. The second course won't be ready for five minutes."



MAGISTRATE CURED OF PILES & ECZEMA

One of the latest prominent gentlemen to speak highly in Zam-Buk's favour is Mr. C. E. Sanford of Weston, King's Co., N.S. Mr. Sanford is a Justice of the Peace for the County, and a member of the Board of School Commissioners. He is also Deacon of the Baptist Church in Berwick. Indeed it would be difficult to find a man more widely known and more highly respected. Here is his opinion of Zam-Buk. He says:—

"I never used anything that gave me such satisfaction as Zam-Buk. I had a patch of Eczema on my ankle which had been there for over 20 years. Sometimes also the disease would break out on my shoulders. I had applied various ointments and tried all sorts of things to obtain a cure, but in vain. Zam-Buk, unlike everything else I had tried, proved highly satisfactory and cured the ailment.

"I have also used Zam-Buk for rubbing piles, and it has cured them completely also. I take comfort in helping my brother man, and if the publication of my opinion of the healing value of Zam-Buk will lead other sufferers to try it, I should be glad. For the relief of suffering caused by Piles or Skin Diseases I know of nothing to equal Zam-Buk."

Zam-Buk cures ulcers, abscesses, blood poison, ring-worm, festering or running sores, bad leg, varicose ulcers, salt rheum, prairie itch, eczema, burns, bruises, baby's sores, etc. Purely herbal. 50c box, druggists and stores. Refuse imitations.

TAKE ONE OF THESE LITTLE TABLETS AND THE PAIN IS GONE.

"I have awful spells of Neuralgia and have doctored a great deal without getting much benefit. For the last two years I have been taking Dr. Miles' Anti-Pain Pills and they always relieve me. I have been so bad with Neuralgia that I sometimes thought I would go crazy. Sometimes it is necessary to take two of them, but never more, and they are sure to relieve me." MRS. FERRIER, 2134 Lynn St., Lincoln, Neb.

### THE WHEAT EARS

Edward H. Crump, mayor of Memphis, praised in a recent address those charities that send slum children to the country in the hot weather.

"The pale lean urchins of the slums," said Mayor Crump, "show in quaint ways how strange they are to the country and its charms. Those little country weeker on leaving the train at Green Willows ran ahead of his companions over the meadows. He soon came running back again, shouting excitedly:

"'Hey, fellers, come here quick! Here's a field of shrimps!'

"The field to which he pointed was planted in wheat."—Washington Star.

Attacks of cholera and dysentery come quickly, there seldom being any warning of the visit. Remedial action must be taken just as quickly if the patient is to be spared great suffering and permanent injury to the lining membranes of the bowels. The readiest preparation for the purpose is Dr. J. D. Kellogg's Dysentery Cordial. It can be got at small cost at any drug store or general dealer's, and it will afford relief before a doctor can be called.

There are too many people in the world who use their neat eggs to make cake of.

The difference between what we are and what we know we ought to be is the great opportunity in life.

### AN OLD BALLOON PROJECT

As early as 1780 the French Government granted a sum of money to establish a balloon service between Paris and Marseilles with what were known as the Montgolfier air balloons, though the project never became more than a project.

### Rheumatism Cured by Fig Pills

Not often do you hear of a 25c preparation being sold with a guarantee to cure you. An absolute guarantee goes with every box of FIG PILLS. They will cure Rheumatism, Backache, Bladder Trouble, Frequent Urinating, Burning Sensation, Painful Stitches, Sluggish Liver and all Stomach Trouble. If not, your money back. At all druggists.

A confident man naturally has no confidence in any man but himself.

A man who makes friends easily and keeps them is sure of enjoying life.

HAS USED DR. FOWLER'S EXTRACT OF WILD STRAWBERRY

For Over Seventeen Years

FOR DIARRHŒA, DYSENTERY, SUMMER COMPLAINT, ETC.

Mrs. Holliday, Box No. 86, Wroxeter, Ont., writes:—"I must say that we have used Dr. Fowler's Extract of Wild Strawberry for over seventeen years, and have found nothing to equal it for all Summer Complaints, Diarrhœa, Dysentery, etc. Our house is never without a bottle of the Extract and I can recommend it to be kept in every home, especially where there are children."

You run absolutely no risk when you buy Dr. Fowler's Extract of Wild Strawberry, as it has been a standard remedy on the market for over sixty-five years.

A few doses have often cured when doctors' prescriptions and other remedies have failed. Its effects are marvellous. It acts like a charm. Relief is almost instantaneous.

We wish to warn the public against being imposed on by unscrupulous dealers who substitute the so-called Strawberry Compounds for "Dr. Fowler's."

Ask or "Dr. Fowler's," and insist on getting it, as the cheap imitations may be dangerous to life.

The original is manufactured only by The T. Milburn Co., Limited, Toronto, Ont. Price 35c.

### HIS FACE AND NECK WERE COVERED WITH PIMPLES

Pimples are caused by bad blood. There is only one way to get rid of them, outward applications are no good, and that is to get at the seat of the trouble, by using a good reliable blood medicine.

Burdock Blood Bitters has been on the market for over 30 years, and is one of the most reliable blood cleansers procurable. It removes all the poisonous matter from the blood, and leaves a beautiful clear complexion.

Mr. Philip S. Cobb, Crapaud, P.E.I., writes: "About a year ago my neck and face were entirely covered with pimples, and having tried nearly every medicine I could think of, and getting no relief, I at last thought of Burdock Blood Bitters and decided to try a bottle.

"After the first bottle was done the pimples were almost gone, so I got another and after finishing it they entirely disappeared, and I now have a beautiful clear complexion free from all ailments of the skin. To all persons troubled with pimples or any other skin diseases I highly recommend Burdock Blood Bitters. I feel quite sure it will cure them."

### MUSTARD PLASTER CURE

"Mustard as a promoter of morals was a new role," said the woman.

"Yesterday I heard my Bohemian neighbor say to her eleven-year-old daughter:

"'If you do that again I'll put a mustard plaster on you'.

"The child didn't do it again. When I asked why the mother told me that in her country disobedient children are punished by applying a mustard plaster. It is more efficacious than whipping, scolding or moral suasion.

The plaster isn't left on long enough to blister badly, but even without a blister a mustard plaster is a corrective measure that all little Bohemians try to avoid, even at the expense of good behavior."

### NATURAL POTTERY

Excellent natural pottery is manufactured by nature in the case of a certain cactus. Woodpeckers are apt to excavate nests in the trunk and branches, and in order that it may protect itself again these incursions the plant exudes a sticky juice, which hardens, forming a woody lining to the hole made by the birds. Eventually the cactus dies and withers, but the wooden bowl remains.

If one be troubled with corns and warts, he will find in Holloway's Corn Cure an application that will entirely relieve suffering.

### WHERE THEY MISSED IT

It was their first baby.

The mother was in a perfect rapture.

It was an ugly baby, but she did not know it.

Happy young mother!

All of them are like her.

But the father had dark misgivings.

His salary was only two ten a week, and babies are expensive luxuries.

Her father was rich, but he had frowned upon their union and had heterodox and heretical notions as to supporting a son-in-law besides.

Cruel old man!

On day when the baby was a month old the father came home from his office in the city and found his wife radiant.

She was not happy when the baby was out of her sight.

"What is it, Jennie?" asked her husband gloomily, for he was yet uncertain as to the blessings conferred by the baby.

He was also sleepy.

"Oh, Charlie!" she chirruped. "I heard from papa to day."

Charlie looked gloomier than ever.

"Don't say anything, dear," she pleaded, for she knew her husband's opinion of her father. "He has heard of our baby, and, though he has not yet determined to forgive us, he has sent us a check for £50 for dear baby's sake."

At first the young husband's face lit up with pleasure, then it shadowed again.

"Are you glad, Charlie?" she asked, with a quivering lip.

Then he smiled joyfully.

"Yes, darling," he whispered; "but what a pity it wasn't twins!"—Ally Sloper.

**Suffered from Heart Trouble and Nervousness for Six Years**

Lost All Desire To Live.

WAS FINALLY CURED BY THE USE OF MILBURN'S HEART AND NERVE PILLS.

Mr. Regis Lavallee, Sorel, Que., writes: "For six years, at least, I suffered from heart trouble and nervousness which took from me all desire to work and even to live.

"When I found myself in this condition and getting worse I took the medicine the doctor prescribed for me but without any result.

"One evening I was reading the paper when I saw your advt., so cut it out and the next day went to the druggist and procured a box, and since that time my nervous system has been in perfect condition.

"He assured, gentlemen, that I will never be without Milburn's Heart and Nerve Pills for they gave me strength to work and support my mother, who is an infirm widow and of whom I am the only support."

Milburn's Heart and Nerve Pills are 50c per box, or 3 boxes for $1.25, at all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

Pills That Have Benefitted Thousands.—Known far and near as a sure remedy in the treatment of indigestion and all derangements of the stomach, liver and kidneys, Parmelee's Vegetable Pills have brought relief to thousands when other specifics have failed. Innumerable testimonials can be produced to establish the truth of this assertion. Once tried they will be found superior to all other pills in the treatment of the ailments for which they are prescribed.

"We always keep them in the house and would not be without them.
