JUST KEEP ON KEEPIN' ON

If the day looks kinder gloomy,
And your chances kinder slim;
If the situation's puzzlin',
An' the prospect's awful grim;
And perplexities keep pressin'
Till all hope is nearly gone,
Just bristle up an' grit your teeth,
And keep on keepin' on.

Funning never wins a fight,
And frettin' never pays;
There ain't no good in broodin' in
These peculiatic ways.
Smile just kinder cheerfully,
When hope is nearly gone,
And bristle up and grit your teeth,
And keep on keepin' on.

There ain't no use in prowlin',
And grumblin' all the time;
When music's ringing everywhere,
—And everything's a rhyme,
Just keep on smiling cheerfully,
If hope is nearly gone,
And bristle up and grit your teeth,
And keep on keepin' on.

FATHER OF TOBACCO SMOKING

It is quite hopeless to trace out the fathers of smoking in general and tobacco smoking in particular. Who first drew in smoke of any kind through a pipe in England and who first of our countrymen took to tobacco will always remain disputable. It is equally uncertain which western tribe made the sublime discovery. There is even dispute as to whether tobacco takes its name from the Island of Tobago, from the Yucatan province of Tobacco, from Tobasco in Florida or from a y-shaped pipe which the people of Hispanlola smoked with their noses. Only one name is definitely associated with the the great institution, that of Jean Nicot, the French ambassador to Portugal, who spread the fame of the herb through Europe. And if all who are familiar with nicotine to-day how many associate it with Nicot or have even heard of him!—London Chronicle.

THERE ARE FEW PEOPLE

Who Have Never Experienced A HEADACHE.

Headaches effect all ages and both sexes alike, but the female sex is naturally the more effected through the higher nervous development and more delicate organization of the system.

Burdock Blood Bitters has, for years, been curing all kinds of headaches, and if you will only give it a trial we feel sure it will do for you what it has done, for thousands of others during the past thirty-five years.

Mrs. C. Meadows, Cirksburg, Ont., writes:—"For years I was troubled with sick headache and dizziness, and was also constipated. I was advised to try Burdock Blood Bitters. I only took three bottles of the medicine; now I feel like a new woman. I find I am completely cured, and I can truthfully testify that it is the best medicine I have ever used.

Burdock Blood Bitters is manufactured only by The T. Milburn Co., Limited, Toronto, Ont.

A TWENTIETH CENTURY STORY

The man with the bronzed face and the rolling eye was enthralling his friends when Mr. Button entered just in time to hear him say—"And so my ship went down with all hands." Went down?" queried Mr. Button, excitedly; "but where were you?" "I was in the captain's cabin at the time," said the bronzed man. "We sank, and scarcely a ripple was left to mark the spot." "How sad!" said Mr. Button. "But I suppose you forced your way out of the cabin and managed to swim ashore? Or were you taken off by a passing vessel?" "No, I wasn't," said the bronzed one; "I just stood where I was." "Look here," said Mr. Button, "you say you were locked in a cabin and made no effort to escape, and yet here you are safe and sound before us! Is this a tale of the horse-marines?" "Not exactly," said the salt; "it's a tale of the sub-marines. That was the sort of ship I was aboard."

Externally or Internally it is Good.—When applied externally by brisk rubbing. Dr. Thomas' Eclectric Oil opens the pores and penetrates the tissues as few liniments do, touching the seat of the trouble and immediately affording relief. Administered internally, it will still the irritation in the throat which induces coughing and will cure affections of the bronchial tubes and respiratory organs. Try it and be convinced.

Of thee we sing.
We love thy breast and wings
Back, legs and other things,
We love thy good stuffings,
O luscious bird."

WHAT HE THOUGHT

RELIEVE **Neuralgia**

"I have awful spells of Neuralgia and have doctored a great deal without getting much benefit. For the last two years I have been taking Dr. Miles' Anti-Pain Pills and they always relieve me. I have been so bad with Neuralgia that I sometimes thought I would go crazy. Sometimes it is necessary to take two of them, but never more, and they are sure to relieve me." MRS. WILL MAKE HAIR GROW

Every up-to-date woman should have beautiful hair.

There are thousands of women with harsh, faded, characterless hair, who do not try to improve it.

In England and Paris women take pride in having beautiful hair. Every Canadian woman can have lustrous and luxuriant hair by using SALVIA, the Great American Sage Hair Tonic. Mr. Hassard sells a large bottle for 50 cents, and guarantees it to banish Dandruff, stop falling hair and itching scalp in ten days, or money back.

Was Troubled With Liver Complaint For Three Years.

Milburn's Laxa-Liver Pills will regulate the flow of bile to act properly upon the bowels, and will tone, renovate and purify the liver, removing every result of liver trouble from the temporary but disagreeable headache to the severest forms of liver complaint.

Mr. S. Nelson, North Sydney, N.S., writes:—"I have used your Laxa-Liver Pills. I was troubled with liver complaint for three years, and could get no relief. I was persuaded by a friend to try your remedy, and after taking one vial I got relief. After I had taken three more I was cured completely, and I have not been troubled since, thanks to your valuable medicine."

Milburn's Laxa-Liver Pills are 25 cents per vial, or 5 vials for $1.00, at all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

A Boon for the Bilious.—The liver is a very sensitive organ and easily deranged. When this occurs there is undue secretion of bile and the acrid liquid flows into the stomach and sours it. It is a most distressing ailment, and many are prone to it. In this condition a man finds the best remedy in Parmelee's Vegetable Pills, which are warranted to speedily correct the disorder. There is no better medicine in the entire list of pill preparations.

Contracted a Heavy Cold.

It Became a Lung Splitting Cough.

Mr. J. H. Richards, 1852 Second Ave. East, Vancouver, B.C., writes: "Allow me to write a few lines in praise of your Dr. Wood's Norway Pine Syrup. Last fall I contracted a heavy cold which left me with a hacking cough and every time I would get a little more cold this hacking cough would become a lung splitting one. It kept on getting worse and I kept on spending money buying different cough remedies until my friend asked me if I had ever tried Dr. Wood's Norway Pine Syrup. I told him I was willing to try anything I thought would cure, and on his advice I at once bought two bottles. Before half the first one was used my cough began to get much easier, and by the time I had used a bottle and a half my cough was gone. I am keeping the other half bottle in case it should come again, but I am sure I have a positive cure. Let me recommend Dr. Wood's Norway Pine Syrup to all who suffer from a cough or throat irritation of any kind."

So great has been the success of this wonderful remedy, it is only natural that numerous persons have tried to imitate it.

Don't be imposed upon by taking anything but "Dr. Wood's."

SAVED BY HIS LAWYER

A man on trial for murder, who was undoubtedly guilty, was acquitted, greatly to the surprise of the presiding judge. The jury had been out two days considering the case, without reaching a conclusion. Then the judge called the jury into the court and asked what the difficulty was. The foreman said—"Judge, there is only one thing that is troubling us. Was the prisoner's counsel appointed by the court or retained by the prisoner himself?" "The prisoner is a man of means," said the judge, "and he retained his own counsel." Ten minutes later the jury sent out word that an agreement had been reached. They filed into court. The foreman rose and announced the verdict—"Acquitted, on the ground of insanity."

An Always Ready Pill.—To those of regular habit medicine is of little concern, but the majority of men are not of regular habit. The worry and care of business prevents it, and out of the irregularity of life comes dyspepsia, indigestion, liver and kidney troubles as a protest. The run down system demands a corrective and there is none better than Parmelee's Vegetable Pills. They are simple in their composition and can be taken by the most delicately constituted.

SHE WAS RIGHT

Once at breakfast at a friend's, Phillips Brooks noticed the diminutive but amusingly dignified daughter of the house having constant trouble with the large fork that she was vainly trying to handle properly with her tiny fingers. In a spirit of kindness, mingled with mischief, the Bishop said:

"Why don't you give up the fork, my dear, and use your fingers? You know fingers were made before forks."

Quick as a flash came the crushing retort: "Mine weren't."

BECAME SO WEAK AT TIMES COULD NOT WORK.

Mrs. George Hiles, Grimsby, Ont., writes:—"Just a few lines to let you know what Milburn's Heart and Nerve Pills have done for me. I suffered greatly with my nerves and became so nervous and weak at times I could not work. A friend of mine advised me to try a box of your pills, which I did, and soon found great relief. They are the best medicine I have ever taken for the heart and nerves. I recommend them to any one suffering from heart or nerve trouble.

Milburn's Heart and Nerve Pills make the weak heart strong and the shaky nerves firm by imparting a strengthening and restorative influence to every organ and tissue of the body and curing palpitation of the heart, dizziness, sleeplessness, anaemia, twitching of the muscles, general debility, lack of vitality, etc.

Free to Stock and Poultry Raisers

We will send, absolutely free, for the asking, postpaid, one of our large thirty-two-page booklets on the common diseases of stock and poultry. Tells you how to feed all kinds of heavy and light horses, colts and mares, milch cows, calves and fattening steers, also how to keep and feed poultry so that they will lay just as well in winter as in summer. No farmer should be without it.

At a cost of only two-thirds of a cent a day per Animal, Royal Purple Stock Specific makes each Animal worth 25 per cent. more.

You never heard of any other Specific, or "Stock Food," doing likewise.

Royal Purple will permanently cure the Hots, Colic, Worms, Skin Diseases and Debility, and restore run-down Animals to plumpness and vigor.

It will increase the milk-yield three to five pounds per cow a day inside of from two to three weeks. It makes the milk richer than ever before.

MR. ANDREW WEDRICH, of Walmfelt, Ont., says: "This is to certify that I have tried your Royal Purple Stock Specific for two weeks, on one cow. On the 16th I weighed her milk as 17 pounds. I noticed a change after 5 or 6 days, as there was an extra weight of milk. On the 29th, I carefully weighed the milk, and she gave 22 pounds. I am giving an order for 5 boxes, as I consider it the best I have ever used."

"Stock Food" will not do this. Because "Stock Food" is nothing more or less than a mixture of the very things which you, yourself, grow on your own farm.

It is not more food your Animals need. They must have something to help their bodies get all the nourishment from the food they are getting. So that they will fatten, and stay fat, all the year 'round.

They need something to prevent disease, to cure disease, and to keep them in the best of health, all the time.

Not a Stock Food

Royal Purple is not a "Stock Food," nor a "medicine." It is a Conditioner.

It does not contain Grain, nor farm products. Nor does it contain "Dope," or any other injurious ingredient. Royal Purple does not merely temporarily blast or inspire the Animal. It fattens and strengthens it, permanently.

No other Specific known adds flesh so quickly as Royal Purple. It makes 6-weeks-old Calves as large as ordinary fall Calves at 10 weeks.

Royal Purple makes naturally-thin Animals fat and heavy. And it builds up the health and restores the former plumpness and vigor of run-down stock, in little or no time.

The very best time to use this Conditioner is NOW. It digests the hard food properly and prevents the animals getting indigestion or losing flesh.

50 per cent. Cheaper

One 50-cent Package of Royal Purple will last one Animal 50 days. This figures a little over two-thirds of a cent per day.

Most "Stock Foods" in 50-cent Packages last but 50 days, and are given three times a day.

But Royal Purple Specific is given only once a day, and lasts 50 per cent. longer. (A $1.50 Pail, containing four times the amount of the 50-cent Package, lasts 200 days.)

So, you see, it is only necessary to give Royal Purple Specific once each day.

Just think of making each Animal worth 25 per cent. over its road! What will that mean to you, Mr. Stock Owner!

Never Off Feed

Dan McEwen, the horseman, says: "I have used Royal Purple Stock Specific persistently in feeding "The Kel," 2.03¼, largest winner of any pacer on Grand Circuit in 1908 and 1909, and 'Henry Winters,' 2.10¼, brother of 'Allen Winters,' winner of $30,000 in trotting stakes in 1910.

"These horses have never been off their feed since I started using Royal Purple Specific. I will always have it in my stables. Your Cough Powder works like magic."

For Poultry

Royal Purple Poultry Specific is our other Specific. It is for Poultry—not for stock.

It makes the Hens lay Eggs in Winter as well as in the Summer.

MRS. WM. BURNHAM, Stanford, Ont., says: "Dear Sirs,—This is to certify that I have used two boxes of your Poultry Specific for my hens. They laid so well while feeding it to them, I wondered if you would mind sending me word how or where I could get some this winter. I bought it from your agent last winter. I had 32 hens, and some days I got two dozen eggs a day in February and March, while feeding them the Specific."

Royal Purple Poultry Specific prevents Fowls losing flesh at moulting time, and permanently cures every poultry disease. It makes their plumage bright and keeps them always in prime condition.

It makes your Poultry worth more than they could ever be without it.

Yet one 50-cent Package will last 25 Hens 50 days. Or a $1.50 Pail will do 25 Hens 200 days. This is four times more material at only three times the cost.

Make This Test

Every ounce of Royal Purple Stock and Poultry Specific is guaranteed.

To prove that Royal Purple has no equal, we want you to make this test:

Feed Royal Purple to any one of your Animals for four weeks. And at the same time feed any other preparation to any other Animal in the same condition.

If Royal Purple does not prove to you, by actual results, that it is the best you ever used, we'll return your money.

And we'll ask no questions—make no excuses. You will be the Judge—not we.

This is an honest test, isn't it? We ask you to make it because we know that Royal Purple is the best Conditioner on the market.

If you are not satisfied, after testing it, you don't lose anything, do you?

Centralia, Ont., Feb. 7, '10.
The W. A. Jenkins Mfg. Co., London, Ont.:
Gentlemen,—We have been using Royal Purple Poultry and Stock Specific for the last three weeks, and must say that results are remarkable. Am feeding the Stock Specific to two milking cows, and they have increased 30 per cent. in their milk. The Poultry results are even more marked than this. We have about 50 hens, laying age. When we commenced feeding, we were getting five and six eggs a day, and in the last five days the average flock of hens laid 150 eggs, almost an average of 3 each day, and those five days have been the coldest this winter.

You can see results plainly in two or three days after the use of "Royal Purple," and the poultry have the same hustle and appearance now as in the summer time. With cows and poultry, am using exactly the same feed and care as before starting to feed "Royal Purple."

When farmers and stockmen get acquainted with Royal Purple, it will have a greater demand than all other tonics and stock foods on the market combined.

Yours truly, ANDREW HICKS.

Gentlemen,—Last Fall we had in our stables a young mare belonging to Miss Clouston, of Montreal. We could not feed her any bran on account of causing violent scouring, consequently causing her to become weak and thin. We commenced using your Royal Purple Stock Specific, and the results were wonderful. After using it three weeks, we found we could feed the animal bran or any other soft food without scouring her, and she actually took on in this time twenty-five pounds of flesh, we working her at the same time through the hunt. I can heartily recommend your Stock Specific.
