The Late J. K. Jamieson

A sad gloom was cast over this village and vicinity when it was learned that Mr. John K. Jamieson had answered the last roll call on Sunday morning, September 19th. He had been ailing for some time, although no one thought the end was so near. He was a very strict Conservative and cast his vote on Monday, Sept. 13. He was gently cared for by his daughter, Miss Kate, whose untiring efforts succeeded in making her father's life peaceful and happy. And even in his most trying illness it was Katie whom he wanted with him. Katie has been a very faithful and true daughter to her father, and much credit is due her for her faithfulness.

Mr. Jamieson was a highly respected citizen. He was 73 years and ten months of age. His wife pre-deceased him 31 years ago. The service on Wednesday was held at 1 o'clock at his late residence, where his pastor, Rev. Joseph Harrower, of the United Church, preached a very consoling sermon to his many friends and neighbors, who had gathered to pay their last tribute of respect to the deceased. Interment took place in the family plot at Salem cemetery, where lie the remains of his beloved wife.

He leaves to mourn his loss two sons and five daughters, viz., James Laura, Sask.; Fred, 8th line, Artemesia; Grace (Mrs. Ed. Hillock), near Maxwell; Eva (Mrs. Clarence Thompson,) Cayley, Alberta; Mary (Mrs. David Genoe,) near Eugenia; Katie at home, and Ella May at Mrs. James Genoe's near Flesherton. The beautiful oaken casket was laden with many pretty floral tributes, namely a wreath from the family; wreath from the grandchildren, Laura, Sask.; spray from D. J. Jamieson; spray from Mr. and Mrs. Will Magee and family; spray from Mr. and Mrs. R. McMaster and family, Flesherton; spray, from Miss Pearl McMaster Owen Sound; spray from Mr. and Mrs. Robert Gorley; spray from Mr. and Mrs. Len. Latimer; spray from Mr. and Mrs. Ern. Morgan; and a wreath from friends and neighbors. The pall bearers were Messrs. Thos. R. McKenzie, Robert Plantt, Will Magee, Richard Park, Len. Latimer and Thomas Gilliland. We extend our profound sympathy to the family, especially Miss Katie, who was her father's sole companion and who will miss him keenly.

There is one thing eath cannot sever
Love and remembrance, which last
for forever.

Congratulations to Mr. Ern. Morgan, who received first prize for his 18-months old heifer at Flesherton fair. He also received prizes for flowers. His salvia, for which he received first prize, is worth special mention. Ernie had a very fine flower garden this year and it bloomed profusely and continuously.

Chevrolet Smoothness is Built into this Power Plant!

for Economical Transportation
CHEVROLET

IT is by strictest attention to quality — of material and workmanship — that Chevrolet has achieved, not only the most powerful but also the smoothest, engine in its price class.

Notice how the working parts are fully enclosed—protected from road dust, grit and water. The valve-lifter assembly is completely encased in pressed steel covering to prevent entry of harmful foreign matter and to silence the engine. The Chevrolet Dry Disc Clutch is mounted in the flywheel housing, while the transmission is immediately behind the clutch and, with the propeller-shaft, is completely enclosed.

A newly-designed camshaft and well-balanced crankshaft with extra large main bearings insure the smoothness which has won for this Chevrolet such unanimous praise.

Go to your nearest Chevrolet dealer. Raise the hood of the smooth Chevrolet and examine for yourself the engine that makes Chevrolet so smooth and so powerful.

The Smoothest Chevrolet in Chevrolet history is selling at the Lowest Price for which Chevrolet has ever been sold in Canada.
