THE DEADLY CIGARETTE

The boy who smokes these filthy things—
These cigarettes, I mean—
With clothes and breath offensive, vile,
Can never be called clean.

They stunt the growth of the physique,—
The brilliant eye bedim,
Befog the mental vision, too;
For judgment, don't trust him!

If he's a servant anywhere,
This slave of cigarettes,
His duties cannot be the best,
His duties he forgets.

My boy, don't use these "coffin nails";
For surely, if you do,
You undervalue manhood's worth,
And crush your spirits, too.

Say "No!" when first you're tempted,
Say "No!" you surely can;
Say "No!" to every evil:
Be first and last a MAN!

NEW CLIFF-DWELLINGS DISCOVERED

The most extraordinary ruins ever unearthed in America have rewarded the efforts of Dr. J. Walter Fewkes of Smithsonian Institution. In the southwest corner of Colorado, along the canon of the Rio Mancos, which ranges from 1,000 to 2,000 feet deep, are newly found houses of cliff-dwellers, which contain from 100 to 200 rooms. Each large room is a complete, fortified house in itself. The walls are high as 30 feet in places, and as thick as two feet three inches. The builders, however, were a peaceful, agricultural people, who built mainly for defence against Sioux and Apaches. They deserted their homes, probably because of raids upon their crops by hostile tribes, or because of contagious disease or clan feuds among themselves.

SEEING THE WORLD

A new light on the servant question in England is shed by Miss Loane in her book, "The Common Growth." "I asked," she says, "one capable, steady servant of five or six and twenty why she changed places every year and by what curious chance her mistresses all lived so far from one another. She replied frankly, 'I love to see the world, and it's the only way I can afford to travel.'"

On Sale Everywhere.—There may be country merchants who do not keep Dr. Thomas' Eclectric Oil, though they are few and far between, and these may suggest that some other oil is just as good. There is nothing so good as a liniment or as an internal medicine in certain cases. TAKE no other. The demand for it shows that it is the only popular oil.

The Terrible Pains of INDIGESTION

Mr. Wm. H. MacKwen, Mount Tryon, P.E.I., says:—"For more than a year I suffered with all the terrible pains of indigestion, and my life was one of the greatest misery. It did not seem to make any difference whether I ate or not, the pains were always there, accompanied by a severe bloating and a belching of wind. I did not even get relief at night, and sometimes hardly got a bit of sleep. In my misery I tried many remedies said to cure indigestion, but they did me not one particle of good, and I fully expected that I would always be afflicted in this way. At this time my brother came home on a visit, and urged me to try MILBURN'S LAXA-LIVER PILLS, and gave me a few vials. By the time I had taken one vial I began to improve and could eat with some relish. I was greatly cheered, and continued taking the pills until all traces of the trouble had disappeared; and I could once more eat all kinds of food without the slightest inconvenience. I am so firmly convinced of their virtue as a family medicine I have no hesitation in recommending them."

Milburn's Laxa-Liver Pills are 25c. per vial, or five for $1.00, at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

PHOTOGRAPHING SEA BOTTOM

In France experiments have been made that promise considerable success in submarine photography. A specially constructed camera was carried down by a diver to a depth of twenty-two or twenty-three feet, and with an exposure of half an hour negatives were obtained which were fairly satisfactory.

It was found that the best results were obtained by placing a blue glass in front of the lens. It is intended to have improved lenses specially constructed for underwater work in France.

Flashlight photographs of the sea bottom during a storm have been obtained. This light was furnished by an alcohol lamp fed from a reservoir of oxygen. Magnesium powder was projected into the flame through a tube from the shore. It is thought that such flashlight photographs may be made at any depth to which a diver may descend.

A HARD TEST

The hardest test to which character can be put is to be misunderstand and misjudged. Hard work and sacrifice are nothing in comparison with having our motives questioned, our honesty derided, our actions misinterpreted and our words twisted into meanings we never thought of. One who although misunderstood, keeps brave, hopeful and steadfast, has established his claim to true heroism.

Always Serviceable.—Most pills lose their properties with age. Not so with Parmelee's Vegetable Pills. The pill mass is so compounded that their strength and effectiveness is preserved and the pills can be carried anywhere without fear of losing their potency. This is a quality that few pills possess. Some pills lose their power, but not so with Parmelee's. They will maintain their freshness and potency for a long time.

Had a Weak Aching Back and a Nasty Sick Headache

Mrs. W. H. Hodge, Fielding, Sask., writes: "A few lines highly recommending Doan's Kidney Pills. For this last year I have been troubled very much with nasty sick headaches, and a weak aching back which caused me much misery, for I could not work, and had no ambition for anything. My kidneys were very badly out of order and kept me from sleeping at nights.

"I tried many kinds of pills and medicines but it seemed almost in vain. I began to give up in despair of ever being well and strong again when a kind neighbor advised me to try Doan's Kidney Pills, which I did, and am thankful for the relief I obtained from them for now I am never troubled with a sore back or sick headaches. I will always say Doan's Kidney Pills for mine and can highly recommend them to any sufferer."

Price 50c per box, or 3 boxes for $1.25, at all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

When ordering direct specify "Doan's."

It is Wise to Prevent Disorder.—Many causes lead to disorders of the stomach and few are free from them. At the first manifestation that the stomach and liver are not performing their functions, a course of Parmelee's Vegetable Pills should be tried, and it will be found that the digestive organs will speedily resume healthy action. Laxatives and sedatives are so blended in these pills that no other preparation could be so effective as they.

MANY GENERATIONS

The case of six generations living is given by Tennyson thus: "Daughter, arise; thy daughter to her daughter take whose daughter's daughter crieth." George Hakewell in the seventeenth century had imagined one descent more, for in his "Apologie" he writes that the mother said to her daughter, "Daughter, bid thy daughter tell her daughter that her daughter's daughter hath a daughter," a credible injunction in the case of a centenarian only.

Nerves Were A Wreck. Could Not Stand The Least Noise

Miss Florence H. Perry, Courtland, Ont., writes:—"I wish to write you a short letter telling you of the help I received from the use of your Milburn's Heart and Nerve Pills. A year ago my nerves were a real bad wreck and was so nervous I could not stand the least noise. My sister had taken your pills and advised me to give them a trial. I took three boxes and saw they were helping me so I kept on taking them until I had used five boxes, and I can say in true words that I am entirely cured."

To anyone troubled with their heart or nerves we would strongly advise them to take a course of our Heart and Nerve Pills as we feel confident that they will do them a world of good.

If your druggist or dealer does not keep them, we will mail them direct on receipt of price—50c. per box or 3 boxes for $1.25.

Cholera Infantum
is one of the Most Fatal Diseases of Young Children

Mothers should look well after their children during the hot summer months, as this is the time of year this trouble is most prevalent.

If any of your children become troubled in this way it will not pay you to experiment with some new and untried remedy.

Get one having stood the test of time. Dr. Fowler's Extract of Wild Strawberry has been on the market for over 65 years and we have yet to hear of a case of cholera infantum it has not cured.

Mrs. S. S. Johnstone, Ochre River, Man., writes:—"About four years ago I gave Dr. Fowler's Extract of Wild Strawberry a good test.

"My oldest son, five years old, got very bad with cholera infantum; two days after my next son took it; and the third day my little girl also took it. I doctored with all kinds of things but they kept on getting worse and the doctors could do them no good. I then started the Dr. Fowler's Extract of Wild Strawberry and after two or three days could see a difference, so kept on with the treatment, but they were so bad it took about two weeks to complete the cure.

Different people have asked me how I saved my children's lives that time, and I always say it was Dr. Fowler's Extract of Wild Strawberry. I am, now, never without it in the house."

Price 35 cents.

WE MAKE OUR WORLD

Each of us is a fellow-worker with God in creating the universe we live in. There are young people in adjoining houses who, nevertheless, are living in worlds which bear no resemblance to each other. We make our world a sunny, beautiful, joyful place, or a dismal and cheerless one, according to creative impulse. Don't blame some power outside if the world you live in is not to your liking. The chances are you have created the very things to which you object.

AFTER 7 YEARS SUFFERING

I Was Cured by Lydia E. Pinkham's Vegetable Compound

Waurika, Okla.—"I had female troubles for seven years, was all run down, and so nervous I could not do anything. The doctors treated me for different things but did me no good. I got so bad that I could not sleep day or night. While in this condition I read of Lydia E. Pinkham's Vegetable Compound, and began its use and wrote to Mrs. Pinkham for advice. In a short time I had gained my average weight and am now strong and well."—Mrs. SALLIE STEVENS, R. F. D. No. 3, Box 31, Waurika, Okla.

Another Grateful Woman

London, Ont.—I feel as if I could not tell others enough about the good Lydia E. Pinkham's Vegetable Compound has done for me. I was so weak and tired that I could not rest nights. A friend recommended your Compound and I soon gained health and strength and could not wish to sleep better. I know other women who have taken it for the same purpose and they join me in praising it.—MRS. WM. A. BUFFY, 905 Dame St., London, Ont.

Lydia E. Pinkham's Vegetable Compound has surely cured many cases of female ills, such as inflammation, ulceration, displacements, fibroid tumors, irregularities, periodic pains, backache, that bearing-down feeling, and nervous prostration.
