Over 200 Schools in Fairs in Grey County

The officials of the local branch of the Department of Agriculture, Markdale, are kept quite busy with the annual school fairs, the majority of which are now over for 1926. The Agricultural representative, T. Stewart Cooper, informs us that there are now 202 schools engaged in 19 school fairs. This is exactly double the number of schools engaged in 1920.

Interest everywhere in Grey Co. is increasing in this work. Many parents are realizing that their children get a most practical training in things that will be of immense value to them in future years.

The judges this year are: Miss E.E. Zavitz, Ilderton, a graduate of McDonald Institute, Mr. J. B. Nelson, B. S. A., assistant agricultural representative, Markdale, Mr. C. Mercer, Markdale, and Mr. A. Stewart, Holland Centre, with Miss Blanch Walker as secretary, and Mr. T. Stewart Cooper as manager.

The total amount paid in prizes at the fairs will approximate $1,800. This is raised by (first), fees subscribed by the school boards, (second) Township Council grants, (third) donations by Women's Institutes, U. F. O. Clubs, (fourth) private subscriptions of either money or goods, and lastly, profits of a booth conducted at the majority of school fairs.
