EASTER GREETINGS

Never was winter so cold
But violets listened for spring,
And daffodils under the mold,
Heard songs that the April would sing
Never was sunrise so late
But away from its secret tomb,
An angel resistant rolled the stone,
And a hope burst into bloom

Never was night so dark
As the night our Lord seemed gone;
Never trilled morning's lark
As at that first Easter dawn.
Joy to the waiting three,
To a raptured transport stirred,
Joy of the budding tree,
Joy of the mating bird.

Incense swinging over the shrine;
Where lilies, ascension lilies twine,
Bloom of the fragrant spray;
Song and beauty and love be thine,
The peace of the risen Christ divine,
This Jubilant Easter day.

—By Emma Playter Seabury.

OF ONE OPINION

"My wife is one of the best managers in the world."

"I heard her saying the other day that she didn't believe there was another woman alive who could manage you."

WINNERS IN THEIR CLASS

Lady North was no beauty. It is said that one night at the opera somebody asked:

"Who is that plain-looking lady in the box opposite?"

"That," said Lord North, "is my wife."

"I did not mean her," came the obvious rejoinder. "I mean the lady next her."

"That, sir, is my daughter; and I may tell you that we are considered to be three of the ugliest people in London."

A LITTLE MIXED

"A Creole was giving French lessons to an Englishman, who in turn taught him English. After a lesson one day the Englishman said:

"'Come 'round to see me some time and talk English with me. That's the way to learn it.'

"'I vill come viz much plaisir,' responded the Creole, 'but I have so fear at I cockroach upon your time.'

"'You mean lancroach,' corrected the Englishman.

"'Ah, yes I always got so gondare wrong.'"

Do not allow worms to sap the vitality of your children. If not attended to, worms may work irreparable harm to the constitution of the infant. The little sufferers cannot voice their ailment, but there are many signs by which mothers are made aware that a dose of Miller's Worm Powder is necessary. These powders act quickly and will expell worms from the system without any inconvenience to the child.

ANOTHER JEWEL

They were at the skating rink. "George," she asked, as they rounded the head, "is your watch correct?"

"Yes," replied George, with a merry laugh, "it is keeping better time since I put your picture inside the case."

"Oh, you flatterer. How could that be?"

"Well, you see, when I placed your picture inside the case I added another jewel."

Had Salt Rheum.
Could Scarcely Do Work.

Skin diseases are invariably due to bad or impoverished blood, and while not usually attended with fatal results are nevertheless very distressing to the average person.

Among the most prevalent are: Salt Rheum, Eczema, Tetter, Rash, Boils, Pimples, and Itching Skin Eruptions.

Burdock Blood Bitters drives out all the humor from the blood, and makes it pure and rich.

Mrs. Rilwood Nesbitt, Apsley, Ont., writes:—"I had Salt Rheum so bad I could scarcely do my work. I took two treatments of doctor's medicine, but they did me no good. A friend told me his wife had had Salt Rheum, and that Burdock Blood Bitters had cured her, so I got a bottle, and before I had it all taken my hand was better."

Burdock Blood Bitters is manufactured only by The T. Milburn Co., Limited, Toronto, Ont.

BRIEFLETS

"Doing it now" is the root of success.

CONTROLLING CONDITIONS

"Well," replied Beatrice, "you see, I wanted to, but couldn't, and when I could I didn't want to."

CARDS FOR EASTER

The pretty custom of sending appropriate cards at Easter time grows in favor with every year, and the makers of these dainty trifles are beginning to find almost as many calls, upon their ingenuity and their skill to meet the Easter supply as to the Yuletide demand. They no longer hold exclusively to the religious character of the spring festival, as they did for a long time or to the pictured celebrations of the legends dear to childish hearts.

While supplying plenty of cards dealing with those themes, they now reach out for motives that deal solely with the signs of awakening spring and with the thoughts and emotions that these arouse even among those who do not respond to the religious interpretation of the day.

A COLD
Developed Into
BRONCHITIS.

However slight a cold you have, you should never neglect it. In all possibility, if you do not treat it in time it will develop into bronchitis, pneumonia, or some other serious throat or lung trouble.

Dr. Wood's Norway Pine Syrup is particularly adapted for all colds, coughs, bronchitis, pneumonia, asthma, whooping cough and all troubles of the throat and lungs. Three points in favour of Dr. Wood's Norway Pine Syrup are: 1. Its action is prompt. 2. It invigorates as well as heals, and soothes the throat and lungs. 3. It is pleasant, harmless and agreeable in taste.

Mrs. Albert Vait, Brockville, Ont., writes:—"Just a line to let you know about Dr. Wood's Norway Pine Syrup. Our eldest little girl is now six years old. When she was four months old she got a cold which developed into Bronchitis, and we tried everything we could think of and had two doctors attending her, but it was no good. One day I read in your almanac about Dr. Wood's Norway Pine Syrup, so I tried it, and before she had finished one bottle of it the dry hacking cough had nearly all gone. There is nothing equal to it, and we are never without it in the house."

See that you get "Dr. Wood's" when you ask for it, as there are numerous imitations on the market. The genuine is manufactured by The T. Milburn Co., Limited, Toronto, Ont.

Price, 25c.; family size, 50c.

BABY BUDS

Rock-a-by baby buds

Through the cold winter,
Your cradle will rock;
By and by baby buds,
Your thick coats will fall,
And out will peep leaves,
Blooms and all.

PASSOVER AND EASTER

Since the events of holy week and the resurrection took place during the Jewish passover it seems strange that the celebration in the synagogues and in Christian churches should not always be at the same time. Some years the times coincide, but they are often a week apart. The explanation is that the Jewish calendar, which dates from the creation of the world, is regulated by the rabbis. Their system is based on the lunar month, which is often nearly two days shorter than the month of the Christian calendar. Corrections are made, but instead of a day such as is added in leap year a month is added, so that some Jewish years consist of thirteen months. As Easter always falls the first Sunday following the full moon next after March 21st, this additional month in certain years causes a variation between the passover and the Christian festival.

PANAMA

The State of Panama, which received ten million dollars from the United States for the rights of the canal, has spent the money very wisely. Instead of creating an army, it put the money into public buildings and education. Panama City now has a municipal building, a national palace, a president's house and a university.

They are trying to establish industrial schools. Most of the Panama hats are made in Ecuador, but the palm grows in Panama, so the government has established a school where native boys are taught hat-making. There is also a trades' school, where boys are given a three years' course in carpentry and machinists trades. Indeed, the rulers of the New Republic deserve great credit for the steps they are taking for education.

You Can Cure
CONSTIPATION
By The Use Of
MILBURN'S LAXA-LIVER PILLS.

A free motion of the bowels daily should be the rule of every one, for if the bowels do not move daily constipation is sure to follow and bring in its train many other troubles when the bowels become clogged up. You get Headaches, Jaundice, Piles, Heartburn, Floating Specks before the Eyes, Catarrh of the Stomach, and those tired weary feelings which follow the wrong action of the liver.

Mrs. Elijah A. Ayer, Fawcett Hill, N.B., writes:—"I was troubled with constipation for many years, and about three years ago my husband wanted me to try Milburn's Laxa-Liver Pills as they had cured him. I got a vial, and took them, and by the time I had taken three vials I was cured. I always keep them on hand, and when I need a mild laxative I take one."

Milburn's Laxa-Liver Pills are 25c. a vial, 5 vials for $1.00, at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

REPENTANCE POSTPONED

An old negro parson in a Southern church was denouncing theft to his congregation, when he said:

"If there is any member of this congregation who is guilty of theft he had better repent at once and be saved."

On his way home he was stopped by old Rastus, who had listened to the sermon intently.

"Don't you think, parson, that next Sunday will do just as well as to-night to repent?" asked Rastus.

"But, Rastus, why not repent to-night and be saved, man?"

"Well, parson, it's this way," explained Rastus. "I want just one mo' chicken fo' to-morrow's dinner, and I know wha I can get dat chicken widout bein' caught to-night."

"Well," said the parson, hesitating, "I don't know what to say, so I think I will take dinner with you to-morrow and then talk the matter over with you."

Hard and soft corns both yield to Holloway's Corn Cure, which is entirely safe to use, and certain and satisfactory in its action.

Nerves Were Unstrung.
WOULD ALMOST GO OUT OF HER MIND.

Many women become run down and worn out by household cares, and duties never ending, and sooner or later find themselves with shattered nerves and weak hearts.

On the first sign of any weakness of the heart or nerves you should avail yourself of a perfect cure by using Milburn's Heart and Nerve Pills.

Mrs. Archie Cloudine, Tilley, N.B., writes:—"When I was troubled with my heart, two years ago, I was very bad. My nerves were so unstrung, sometimes I would almost be out of my mind. I doctored myself with everything I could get, until at last I got four boxes of Milburn's Heart and Nerve Pills, and they have cured me. I cannot speak too highly of this wonderful remedy, and will recommend it to all sufferers."

Milburn's Heart and Nerve Pills are 50c. per box, or 3 boxes for $1.25, at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

KING PROTESTED AGAINST DRESS

When King Albert noticed the extremely low waist and slit skirt of a lady at a Brussels ball he whispered to the Court Marshall, who offered his arm to the lady and led her out of the ball room.

At the entrance the Marshal said with a bow: "His Majesty noticed you had torn your dress up one side and requested me to escort you to your carriage so that you may return home and have the damage repaired."

THE CHALLENGE OF EASTER

The thought of those who are keeping Easter in a wider and brighter room of our Father's home, should not be a sorrowful recollection. Forgetfulness is an unworthy comfort. If remembrance needed to be paid for by constant heartache it would not be too high a price. But this is not necessary.

The reason that the thought of our dear ones "lost a while," brings a pang with it, is only that we do not think far enough. We are letting our thoughts dwell on present separation, rather than on the joy of the past and future companionship. The little isthmus between the happy years behind and the blessed eternity ahead, absorbs us.

Easter day challenges you to happy thoughts of your beloved dead. It shames present repining by its abundant promise of reunion. It puts shadows to light in its overwhelming flood of light. It bids you wipe away the tears that you may see how bright the light is in the East, how fair the day that has begun to dawn.

SUFFERED
EVERYTHING

For Years, Restored To Health by Lydia E. Pinkham's Vegetable Compound.

Canadian women are continually writing us such letters as the two following, which are heartfelt expressions of gratitude for restored health:

Glanford Station, Ont.—"I have taken Lydia E. Pinkham's Vegetable Compound and never found any medicine to compare with it. I had ulcers and falling of womb and doctors did me no good. I suffered dreadfully for years until I began taking your medicine. I also recommend it for nervousness and indigestion."—Mrs. HENRY CLARK, Glanford Station, Ont.

Chesterville, Ont.—"I heard your medicine highly praised, and a year ago I began taking them for falling of womb and ovarian trouble.

"My left side pained me all the time and just before my periods which were irregular and painful it would be worse. To sit down caused me pain and suffering and I would be so nervous sometimes that I could not bear to see any one or hear any one speak. Little specks would float before my eyes and I was always constipated.

"I cannot say too much for Lydia E. Pinkham's Vegetable Compound and Liver Pills, for there are no medicines like them. I have taken them and I recommend them to all women. You may publish this testimonial."—Mrs. STEPHEN J. MARTIN, Chesterville, Ontario, Canada.

BITS OF LAUGHTER

The less hair a woman has on her head the more she has on her dresser.

There's nothing more attractive and more numerous than unreasonable women.

About the easiest way for a man to gain a woman's respect is not to merit it.

Why waste time criticising your faults? Your friends will do it for you free of charge.

When a man says all he wants is justice he means that he wants the kind he wants when he wants it.

For Sprains and Bruises.—There is nothing better for sprains and contusions than Dr. Thomas' Eclectric Oil. It will reduce the swelling that follows a sprain, will cool the inflamed flesh and draw the pain as if by magic. It will take the ache out of a bruise and prevent the flesh from discoloring. It seems as if there was magic in it, so speedily does the injury disappear under treatment.

HER PERTINENT QUERY

Fanny, the little daughter of a clergyman, pranced into her father's study one evening while the reverend gentleman was preparing a lengthy sermon for the following Sunday. She looked curiously at the manuscript for a moment and then turned to her father.

"Papa," she began seriously, "does God tell you what to write?"

"Certainly, dearie," replied the clergyman.

"Then, why do you scratch so much of it out?" asked Fanny.
